

PAK TABERNACLE ASSEMBLY

Mission Update October 2013

Hebrews 13:08 Jesus Christ the same yesterday, and today, and for ever.

Dear and beloved believers in Lord JESUS.

Christian love and warmest greetings in the most holy and precious Name of our Lord Jesus Christ!

We are very much thankful for amazing grace of our Lord Jesus Christ and Saviour. He had chosen us before the foundation of the world and manifested in the end time with the end time message of Malachi 4 and we are very privileged people as the part of message of hour. It's great honor and privilege for me that I am writing you about what Holy Spirit is doing in Islamic republic of Pakistan in this last age. We praise and worship Him for His goodness and mercy upon us.

Brother Branham said: No more. there is no higher order to reveal the Word, than prophets. But the only way the prophet can be vindicated is by the Word. And, remember, the Third Pull was the opening of them Seven Seals, to reveal the hidden Truth that's been sealed in the Word. (065-0725mThe Anointed Ones At The End Time)

There denominational was convention in Karachi city where many people came from all over the Karachi city, so end of convention our team reached there with the message of the hour to distribute among 500 people. Our team said we distributed 500 the books of our prophet among 500 people in very short time. So our target is whole Pakistan and we want to reach the message of truth in every area of Pakistan because there is too much need to spread the

gospel of this last time. We appreciate all of you for your hard work and labor for the kingdom of God and your stand with the message of the truth.

Three days special meetings in Karachi:

There were three days public holidays because of Muslim's goat feast, so we arranged three days services for the believers in Karachi. We had 1st meeting on 16th October at Pak Tabernacle Kashmir colony, before preaching my little boy Paul Shamoon sang a song which Brother Branham

"I love that man from Galilee for He's done SO very much for me". **Believers** to much got blessing and so much clapping for him.

about Then I preached first resurrection from Revelation 20th chapter and shared many quotes of Brother Branham, when I finished my message then brothers told me it was very blessed message and we got too much blessing after that service Pastor Patrus Yaqub came to me and said Brother please came and share this message in my church too because it was very blessed and encouraging message.

On 17th October Pastor Patrus arranged meeting in his church where many people get to gather and some pastors too. After worship he invited me to share the message I started message with story of Lazars where Lord Jesus said "I am the resurrection and life" after that I gave many quotes of our prophet I told them prophet said "if you don't have faith for your healing how can you change your full body in rapture", so after an hour I finished my message and started prayer for sick.

There was one Muslim woman came to pulpit for prayer I prayed for her and told her only believe because, there were some Muslims hearing the message too. At end of the service one denominational Pastor stood up and said I want to share testimony he said I saw vision yesterday about this meeting and God told me to go in this meeting then I am here so I heard first time End time message and got too much blessing I am very glad today. I will try my best attend the meetings here.

On 18th October we had meeting at Pak Tabernacle Kashmir colony again where many message believers get to gather to listen the Word of God. Brother Iqbal Niamat sang very beautiful song "only believe". Then he invited Pastor Rafiq Sultan to share the message he took text from DEUTERONOMY 28: he shared about blessings and curses, after an hour he finished his message and people were richly blessed by the ministry of the Word of God.

Testimony from Pastor Almas:

Pastor Almas visited our church with his family previous Sunday and after the service he shared his testimony with believers, he told people what God has done in his life. Few months ago he came to our office and took Brother Branham's books but when he came on last service at our church he had changed. He told me I have left my denomination after reading the books and I want to do God's work with message of hour then he invited me for his area with my team. He organized a service in his suburb named Zia colony. We went to his church and I shared the Word of God and told them about supernatural ministry of our prophet.

There were some pastors, evangelists and elders. They confessed we got too much blessing by today service and 4 people repented and accepted Lord Jesus Christ as their personal Saviour and Lord. Thanks God because He has opened new door for end time message in new area. Glory to be God! Halleluiah

Report from Rawalpindi city:

Pastor Ashfaq told me I was teaching the message of hour in my own area and one Trinitarian pastor came into my area and telling people pastor Ashfaq is preaching wrong doctrine and the ministry of Brother Branham is false and he was a false prophet. When people told to Pastor Ashfaq about that pastor then pastor Ashfaq challenged him, show me where the message of the hour is wrong, and prove me Brother Branham is a false prophet? After the challenge that pastor didn't come into the area again. Pastor Ashfaq told me then I started teaching and preaching message of the hour more bravery in my area and by the grace of God last week 17 people accepted the message of hour and I baptized them in the name of Lord Jesus Christ. Blessed be the name of Lord! All glory and honor belong to Him alone. Amen
