**Excerpt:**

And this is the part that had to come by visitation; had to come by Divine transmission that He said He will come to us. “The world will not see Me, but you will see Me. I will come to you. I will manifest Myself to you. The Spirit of Truth will lead you.” And all twelve hundred tapes will come together like a jigsaw puzzle and you’ll see the whole picture and then you’ll begin to live and walk in this realm of the realization of where the Prophet was standing; what he was seeing; how to preach the Message; what kind of channel; what kind of access; what kind of yielding, so God could come in knowing that you become in union with Him and then the sons of God are led, are directed by the Holy Spirit. This is what it is. (Page 28)

It has come down to this. Both kingdoms come into flesh. Everything Christ is doing Satan is doing. A key is given to open up a way to take us out of here. That’s the Message. These Truths open the Bible and opening the Bible is to loose the Holy Spirit, this Quickening Power to quicken us and bring us into a rapturing condition to show we are Bride material; a people who have come out of the humanistic realm to walk in the realm of revelation and vision where the gates of hell can’t prevail against us. And every man who has received that, he is bringing his church into an Ephesians where everyone is placed. Amen. That’s right. That’s what we are all being brought back to. Everyone is circumcised; everyone has a white robe; everyone knows their position; none with amnesia; everyone’s in order, (that’s right) everyone’s around the gift that God put there; the lamp that God has lit and set there. It has to evolve into this. (Page 30)

## MINISTERS' FELLOWSHIP

Saturday 11<sup>th</sup> December, 2010 A.M.  
NAIROBI, KENYA

**BRO. VIN A. DAYAL**

And to thank you for coming and also we want to acknowledge the host Pastor, Bro. Wycliffe, and we have Bro. Simon here, Bro. Barnabas and our precious Bro. Didier that is here with us by God's grace. I think you are looking for this mic, this? [Bro. Vin speaks to one of the technicians. -Ed.] Thank you. So I'd like to read out of Revelation chapter 3 so I could have you seated. Revelation chapter 3 verse 20! Bro. Branham calls this the most pathetic Scripture in the Bible to see Christ on the outside of His Church trying to get back in. And it was such a sorrowful thing for the Prophet to see this especially in the Age when the greatest Message that ever came was being ministered to the Church. Verse 20 says:

*20 Behold, I stand at the door, and knock:  
if any man hear My voice, and open the  
door, I will come in to him, and will sup with  
him, and he with me.*

*21 To him that overcometh will I grant to  
sit with me in my throne, even as I also  
overcame, and am set down with my Father  
in his throne.*

May the Lord bless the reading of His Word! You may have your seat. Also I would like to read another Scripture with that in 2<sup>nd</sup> Thessalonians chapter 2 from verse 1, verse 1 to 4!

*1 Now we beseech you, brethren, by the  
coming of our Lord Jesus Christ, and by our  
gathering together unto him,*

*<sup>2</sup> That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.*

*<sup>3</sup> Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;*

The word literally there is *the* falling away because Paul the prophet-messenger, who's writing this in the Hour of the coming of the Lord and the gathering of His Bride unto Him, he speaks of the falling away or the apostasy, and that I'll read for you in a little while where Bro. Branham says it is Revelation 3 verse 20. That was the falling away that was prophesied that Christ would be driven from His Church.

*...and that the man of sin be revealed, the son of perdition;*

*<sup>4</sup> Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.*

He has convinced the Church that the Lord Jesus is the second person of the trinity and he has influenced the people to cast Him out of the Church and now he is being exalted in the Church as God to be worshipped as God. This is a great thing. He has had great success with this. And verse 10:

*<sup>10</sup> And with all deceivableness of unrighteousness in them that perish;*

Speaking about this last Age!

*...because they received not the love of the truth, that they might be saved.*

*<sup>11</sup> And for this cause God shall send them strong delusion, that they should believe [the] lie:*

The Truth has been restored to the Church by the Evening Messenger but the people rejected it and in rejecting it, it made a way for the lie to be exalted. They cast down the Truth and they exalted the lie. And today

they are in an ecumenical move where Satan is going to be enthroned as God, *The God Of This Evil Age* [1965-0801m -Ed.] and he will be enthroned in this Satan's Eden. And Bro. Branham brought these messages, *Satan's Eden*, [1965-0829 -Ed.] showing us he had built a Eden until the people in his Eden is naked and don't know it just like when God finished building His Eden, Adam and Eve were naked and didn't know it. And so it's a complete perversion when we come to the end of the Seventh Age. Amen.

*<sup>12</sup> That they all might be damned who believed not the truth, but had pleasure in unrighteousness.*

I want to speak a little bit in this first session and then in the second session, if we have the opportunity to ask some questions, if you may have some questions that we might be capable of answering because what we can't answer we'll tell you we don't know. But if we attempt to answer something it will not be presumption. We'll try to establish it by Scripture and the Message because our effort and attempt here is not to impress anybody, but merely as God's servants realizing that when God has called men, real servants of God who are foreordained before the foundation of the world.

The Prophet said, "You could pray for wisdom; you could pray for understanding; you could pray to speak in tongues..." Paul said, "You could pray to prophesy." He said, "This is good," he said, "but you can't pray to be a Pastor; you can't pray to be an evangelist; you can't pray to be a teacher or a prophet or an apostle. These gifts are foreordained before the foundation of the world because that is not taken away from you even though after you die." Moses was still a prophet fourteen hundred years after when he appeared on Mount Transfiguration. Samuel came up when the witch of Endor called him up and he prophesied to Saul, "Tomorrow you will be here with me."

And so we see in the Scripture how Abraham—even Jesus was teaching that in Luke 16 when the rich young ruler who was in hell was saying, "Father Abraham," you

know, "send Lazarus let him put some water on my tongue."

Abraham told him, "In life you had your good things and Lazarus had evil things."

How did Abraham know that? Because it wasn't a parable Jesus was telling! It is the same way when Moses appeared, he and Elijah was telling Jesus, in a few days He would be offered up in Jerusalem. Same way when Saul came back. Bro. Branham said, "When I was on that Other Side I could look back here." Amen. He said, "I could look back here." But when he was here he said, "Sometimes God let me see over There."

So the fivefold ministry, these office gifts, is foreordained of God. Bro. Bosworth he wasn't a messenger of any Age but when he was crossing over his people were gathered to meet him and for two hours he was shaking hands and saying, "Oh sister, I remember you from that meeting. Oh brother, when I came in that city..." And the Prophet said he was there watching this one who had gone before him, "My father, my father, the chariots of Israel and the horseman thereof!" He said, "F. F. Bosworth was getting ready to cross over." Even when Bro. Branham went over the Angel said, "This is the Scripture where it says Jacob is gathered to his people."

So if you are a genuine Pastor, genuine Minister, Hebrews 13 verse 7 and 17 tells us that we would have to give account. Jesus taught that in Matthew 25 also that how at the coming of the Lord the servants He gave out talents. Each one would have to give account for the ministry because it is required of stewards to be faithful. And in 1<sup>st</sup> Corinthians 4 it tells us that we are stewards of the mysteries of God. And Malachi 4 has revealed all the mysteries and we have the Message of the mysteries of God that we are made stewards of. And God has put people under our ministry that is part of the Bride and so the Bride could only be perfected by those predestinated ministries. Amen. And so that's a great responsibility.

So being here this morning to say something I am sensitive to what we are called unto; who is sitting before

me and how this ought to be approached if it is to be a blessing; if it is to serve a good cause, that at the end we could be more able Ministers of the New Testament; better representatives, that we and our people will cross over on the Other Side. Bro. Branham is the Messenger of the Age and all the Elect of the Age is under his administration, and all the Ministers, the wonderful helpers that God gave to him to be his helpers. Like Moses, Moses had Ministers. God took the Spirit off of Moses and put it on seventy elders. God told Moses, "Your ministry is coming to an end, put some of your honor on Joshua, because the things that are left unfulfilled will continue on." God took the Spirit of Elijah and put It upon Elisha.

Later we see Micaiah in that great showdown saying what Elijah said, amen; to see there were seven thousand who didn't bow their knees. God took the Spirit off of Jesus and put it upon the apostles; upon the Alpha bride and God has taken the Spirit off of the Prophet and put it on the Bride because Revelation 22:17 says, "*The Spirit and the Bride.*" Revelation 22:16 says, "*I, Jesus, have sent Mine Angel to testify these things in the churches.*" He did! He has gone off the scene but that Spirit, by and through the members of the Bride. And the Prophet said, "She knows it is He in her fulfilling His Own Word that He left for this time."

So what a great potential lays here this morning in this meeting. And as the Prophet says, "When Ministers come together we could discuss some of the deeper things of God." Now sometimes 'deep' is a word that people call a lot of things deep. What one might consider deep might be not deep for another person. So each person has their own collection of deep things and some people think that simplicity means shallowness. God reveals Himself in simplicity but God is not shallow. No! You see so people get confused with this.

And so some people you know, they have certain doctrines and say, "This is the deep things," but sometimes you find some of the deepest things in some of the simplest things. You know and it's just that people are stumbling over it. I'm in the Message thirty-

eight years now and I have been preaching full time for about thirty-four years I'm preaching full time and God has granted me grace to travel around the world over sixty countries and on every continent. I don't say that to make an impression. I say that to say I have seen a lot of the Bride around the world and I say that to say I am not a novice because what you see and experience is what contributes greatly to your maturity; especially what you see and experience you understand it scripturally.

Today many people speak but they don't try to be scriptural. But the Prophet, he said, "I didn't preach on hell for five years." He said, "I couldn't understand it." He said, "And after five years of studying it from different sides I had the revelation." So when he came forth he began to say, "Hell is not eternal. Hell had a beginning and hell had an end;" different to all religions. Then he said, "By the grace of God I've been in Heaven and I've been in hell." He said as a young boy God took him to the regions of the lost. He said then God took him into Heaven; he saw the Bride.

And so we had a Messenger who lived in these three dimensions. We have the life story. He was born in a log cabin April the 6<sup>th</sup>, 1909. There was a constellation in the heavens signifying his birth that the same gift of the Messiah is back on the earth. And he was born into these three dimensions by sex. Charles had a sperm and Ella had an egg and it produced a body that grew and developed in Ella's womb that they called William. But in that body was the expressed attribute of the fullness of God, hallelujah, because he was coming in an Age with a purpose and intent of God predestinated to reveal the Son of Man to bring that original ministry back on the earth. Because Son of Man came to the Jews; Son of Man came to the Samaritans. Both of them saw the Son of Man in the Bible but He had never come to Gentiles. But Luke 17:30 promised Son of Man is going to be revealed at the end of the Age. He'll come to Gentiles; a Gentile Prophet revealing the Son of Man at the end of the Age.

So when he was born, this great one, here he was. He grew up for fifty-six years on the earth. December the 24<sup>th</sup>, 1965 he went off the scene. And while he lived on earth from eighteen months, he said, "I could remember the first vision." Amen. And from eighteen months to fifty-six years he had visions; he had visitations. He said, "When I was seven years old this Whirlwind came in the tree." The same One that spoke to Job; the God Who appears in whirlwinds speaking to this little boy, 1916 in the midst of World War I because World War I the earth was in its first birth pain. 1916, here was a Prophet seven years old and God was speaking to him; one that God will use to open the Seals later on; one that will reproduce the ministry of Jesus Christ, and God was telling him about this work that will come later on.

Well he had this experience and this God was visiting him. On the Ohio River the Light came down in 1933 in the years of the great depression after Wall Street had crashed and the greatest depression the world had known between World War I and World War II. And here is a young Prophet twenty-four years and when that Light came down there was a Voice with the sign but it was only meant for him at the time and said, "Your Message will forerun the Second Coming." Now this is happening.

The point I'm making, I'm showing you we had a Prophet born into three dimensions. He went to the fifth dimension; he went to the sixth dimension and from seven years to fifty-six years, the God of the seventh dimension was visiting him speaking lip to ear; speaking face to face. The God of the Bible Who came in a Pillar of Fire, Who came in a Cloud, Who came in a Dove, Who came in a Whirlwind, Who came as a Man; that God Who came as Melchisedec, Who came as El Shaddai, that Man was coming to this Prophet.

And here he was receiving communication – visions, dreams through the fourth dimension. Fourth dimension is radio and television; science discovered that but he didn't... This camera that is recording this service this—we're sitting here, this could be streamed in Australia right now; streamed in the Caribbean right

now; streamed in China right now; look in here and seeing this live. But the Prophet didn't need that camera because his subconscious and his first conscious were close.

Like the doctor told him when they hooked him up on the machine, he saw those two lines together. It alarmed him. He said, "What kind of man are you?" He said, "We've examined tens of thousands of people here, we've never found a man like you." He said, "You see these two lines? One is your first conscious, one is your subconscious. In everybody it's like that [Bro. Vin holds his palms far apart -Ed.] but this machine is showing yours like this." [Bro. Vin holds two fingers close together. -Ed.] He said, "If this machine is correct, which I know it is; I've used it all these years," he said, "you could dream while you are awake."

He said, "Doctor, have ever read about the seers in the Bible who saw visions?"

It was a channel of communication because God has a transmitting station where everything is being recorded since creation and every man who is born into these three dimensions there's a file on him in a library. And this Prophet had high level access to the most private information because of the ministry and because of who he was in God's economy. He said, "When you come on this platform the only thing that will not be revealed is what is in the Blood of Jesus Christ," he said "because not even God could remember it because God had put it in the sea of forgetfulness." He said, "So be careful." He said, "Repent for your sins because if you come here that Holy Spirit is going to bring it out."

And we see in the Message there were times when people had forgotten things like the woman who had committed adultery when the husband was away in the war and she was sick and was all nervous and the Prophet was praying for her a couple of times. She would get no relief. One day when the Angel was there he says, "Meda, get that girl now." They got her and when she came this time he said, "I see you in a car with a blonde-headed man. Your husband is a black-headed man. It was the time your husband was away in the

war. The car had some trouble by the train line and you almost could have been killed there.” She had forgotten that. All kinds of Ministers had prayed for her. It was lodged down in the subconscious but it was still on a file and he had access to every file as long as you were living in the Age that he had the administration over.

There are seven messengers, each one had an Age; each one had his administration; each one had their helpers; each Age heard the message. That’s why Samuel, Saul couldn’t go to try to pull up Ezekiel or somebody else. He couldn’t try to get Moses or Abraham. He couldn’t do that. He had to get the prophet who was the prophet to the Age he was living in because Samuel was the one who anointed him and put him in office. It was the words Samuel spoke to him that he got away from.

Many times people have a little superficial understanding of the Message. They say, “I wish Bro. Branham was here. I wish he could come back and talk to us.” That might not be too much of a good thing. Understand what I’m saying because when Samuel came back and Saul thought he was going to tell him about he’s going to win the war and he’s going to help him fight the battle and so on, he said, “Thou enemy of God why have thou disturbed me?” He could have said, “But you anointed me! It is you who made me king.” He said, “Yes, but you didn’t carry out my word and God took the kingdom from you since that day.” And Samuel pointed him back to the very day and the very incident. That’s right. Those things are put in the Bible.

And we are in an Age with a Prophet under administration, one just like Samuel. The Prophet preached, *Rejected King* showing he is like Samuel. He brought the Word to the Pentecostals but they love popularity and they don’t want to obey all what the Prophet said and God rejected the Pentecostals and anointed David. That’s right. But Saul was still alive. He was still going around like the king. Do you understand? He was still fighting battles and everything else. He was still talking about past experiences when he was so anointed, but that day his card was taken off

and he was just finishing his allotted days before he died in the battle because it is appointed a man a time to be born and a time to die. All of us are the same.

Under the administration of a Prophet, he spoke to us as Ministers, as the leaders. Like Paul said, "Follow me as I follow Christ." He preached about *God-Called, God-Trained Men*. [1958-1005e -Ed.] He preached about Isaiah leaning on the arm of Uzziah helping to build up man's kingdom; arrogant man. He talked about *Why It Had To Be Shepherds* [1964-1221 -Ed.] showing the kind of humility that shepherds of this Hour will have in the Hour when the Messiah, Revelation 10:1, has descended; one foot on land and one foot on the sea. The shepherds' message was, "Messiah is on the earth now." I believe He is in this meeting this morning. That's right.

And so if you notice Bro. Branham was teaching us laying out the order, laying out the administration. That's why it was necessary for him to go to the Bible, teach us what Age we are in; teach us of the spirit on this Age; teach us of why the Church is in that condition, *The Church And It's Condition*, [1956-0805 -Ed.] *Deceived Church By The World*, [1959-0628m -Ed.] to teach us why he had to wage war because God's people were trapped in a house of hell. *Why Am I Against Organized Religion*, [1962-1111e -Ed.] *Why We Are Not A Denomination*, [1958-0927 -Ed.] *Impersonation Of Christianity*. See. He was teaching these things, *Hybrid Religion*, [1960-1113 -Ed.] *Jezebel Religion*, [1961-0319 -Ed.] showing to us this is the condition of this Laodicean Age but telling us that since that Seal has been opened and he being the Messenger, caught that mystery and was sounding the Message in the Days of the voice of the Seventh Angel when he shall begin to sound.

He had a vision that that Seventh Seal was opened. He said, "As certain as I stand here in this platform, I saw it. It was revealed in a threefold manner. I will speak two parts of it but I feel checked not to speak a next part." Amen. Because he was fighting a war! Satan was hiding in the meeting and the Prophet said, "Satan is trying to get this. If he gets this, he could do great damage." He said, "So I feel not to speak any more

about this for now,” because he’s in a realm where he’s seeing angels; he’s seeing demons, everything.

Remember he was born into these three dimensions. From eighteen months to fifty-six years he is receiving transmission from Heaven. That’s coming through the fourth dimension. Then he went to the fifth dimension 1923. In 1960 he went to the sixth dimension and that God from that seventh dimension was the One in attendance to him. He said, “Moses met that Pillar of Fire; Paul met that Pillar of Fire and that’s the same One with me.”

Moses wrote the Old Testament; Paul wrote the New Testament – that’s the entire Bible. All the other prophets they just prophesied out of what Moses saw. Moses brought the full foundation revelation for all Israel – every law, every feast; everything. He, himself was a type of the Messiah. Paul said, “When it pleased God to reveal His Son in me that I might preach Him to the Gentiles. I’m a chosen vessel to bear His Name.” He said, “Not the Lord say but I say.” And that became the Bible. He said, “I have laid the foundation no other man can lay. I am the wise master builder.” I have the pattern of the temple. I was employed specifically to lay the foundation of this temple.”

The qualifications were that you didn’t have to walk and hunt and fish with Him. Walking with Him and hunting and fishing with Him wasn’t a qualification because Paul didn’t hunt and fish with Him. He said, “He was seen of Cephas; He was seen of James and John; He was seen of the eleven; He was seen of five hundred,” he said, “*but He was seen of me also; the Angel of God, whose I am, and whom I serve.*” He understood.

He met the Pillar of Fire. He was taken behind the curtain of time. He said, “I see things not even lawful to speak.” He came back and he began to write about, “You have a building waiting for you in Heaven. If this earthly house be dissolved.” He was there; he saw them. He saw his people. He saw these things. He came back and put it in the Scripture. Amen. It was sealed up in the Bible. The Prophet said, “Notice he didn’t write like

Matthew, Mark, Luke and John.” They wrote Jesus was born in Bethlehem.

He was born in the log cabin. He was baptized in the river and the Voice came down. And when he was baptizing a Voice came down, you know, and He went out healing the sick and He went throughout the length and breadth of the country in a great healing revival.” And we have all the historians of the Message. They documented these things. We had the pre-Seals and the post-Seals documentaries. But when Paul was preaching he said, “Christ, our Passover; Christ, the Unleavened Bread; Christ, the Firstfruits; Christ, the True Tabernacle; Christ, the Sacrifice; Christ, the High Priest after the order of Melchisedec.” Amen. He was talking from a different prospective. “Christ, the last Adam.” Amen. It was different to Matthew, Mark, Luke and John.

And so in the Message there are many things that sometimes if we didn't wait long enough we will leave some of the main things that God desired to reveal to us. Said, “Bro. Branham, I had this dream. You were on this mountain; all the Ministers were around you. You were interpreting this writing. You were explaining some mysterious things Bro. Branham.” He said, “And you had it all interpreted, the things that were written.” He said, “And then you took—like a crowbar came down; you ripped the top of that mountain off and you said, ‘Light has never shone on this part here’.” And you told them, “Look in on this. And while they were looking at it” he said “you took off to the West. You were going towards the setting of sun.” He said, “But I noticed Bro. Branham that the brothers didn't wait. They didn't obey what you said, ‘Stay and look in on this’ and they went running everywhere.” Because after they got those things interpreted, Serpent's seed, water baptism, one God, no eternal hell, Church Ages, why we are not a denomination, oh they wanted to tell somebody about these things so they took off.

He said, “Yes, I went West for the blast to connect with those angels.” He said, “Remember in the dream I was going towards the setting of the sun?” On, *What Is The*

*Attraction On The Mountain* [1965-0725e -Ed.] he said, "I looked at the map where those Angels met me, it's on Sunset Mountain on Sunset Peak exactly what the dream had said." He said, "And I came back East to interpret the unwritten Word that light never shone on to finish the mystery and bring the fullness of the Word in existence." But a lot had done gone and with that kind of Truth they started churches. Do you understand? Oh, and those they were teaching all the doctrines and teaching the people.

But then the part of the Message to bring the Church into immortality, to change dimensions... You see in every Age you had to die to go into Heaven and in every Age you had to die to go to hell. But in 1963, the one who had gone to hell, in 1923 he sat in J.C. Penny's store he said, "I was setting there. My wife was shopping and from the escalator from below coming up from the lower level to the upper level..." You know Jacob had a dream, a staircase; angels were coming down and going up. Man was on earth and God was at the top. So here now in J.C. Penny's store in a symbol again; because that was symbolic, that dream. It showed how dimensions are connected, doors in doors; key to the door opening up dimensions.

Where did the Angels come from? John said, "I see a door opened up in Heaven." Then he said, "I see a key given to the angel of the bottomless pit to open up hell," because according to the Word, Heaven was to be opened and hell was to be opened. And for this to be identified, when the time would come, God took the Prophet forty years before and in hell he saw people and how they were painted. That was in 1923. That didn't exist on earth in all those cities. That was strange.

When he sat in J.C. Penny's store he said the escalator was coming up but what he had seen in hell it was coming from the lower level and coming up before him and when he saw it he said, "I almost like I died again." Like for a while he was so confused. He said, "Oh God, I hope I haven't died and You sent me to this place." He said, "That's what I saw forty years ago but look it's here." He said, "And right there in J.C. Penny's

store I was back in hell.” Because those demons that were bound now could come up to have access to bodies in this dimension! But the devil cannot incarnate, only by when somebody rejects the Word because as long as you are covered by the Blood...

Now I'm coming to my Scripture, okay. I'm not just talking, I'm coming to the Scripture. I'm coming to show you what cast Christ out of the Church and what is causing Lucifer to be exalted in the Church. Because you see in Heaven, Michael cast Lucifer out of Heaven and all his angels because he was saying, "I will be like God," and so he was cast out because he always wanted to live in man.

Devils will live in animals if they don't have a body. Remember those devils? They told Jesus, "Jesus, thou Holy One of Israel, I hope You didn't come to torment us before time. Don't cast us in the *deep*." The word there is the *abyss*, the *bottomless pit*. And they begged, "Don't let us go there." And they saw those swine, they said, "Let us go there, okay. We will come out of this man because You are displeased that we are living in this man; because You crossed land and sea in a storm to come for this man," which was legion. That was a son of God in that condition and Jesus gave the devils permission, "Go in the swine."

But God will not live in an animal because man was created to be the temple of God. And Satan cannot create so he couldn't create a man and live in a man so through the Serpent he found a way to open a door into the human race. And that's the mystery of the Serpent's seed, how that those demons can come up through an evolution from being disembodied spirits because remember God permitted that because it's a contest. It's a war, and the war, He has to permit these things to be the war because God wanted to be a Saviour; He wanted to be a Healer; He wanted to be a Provider, a Redeemer. If there is no lost man, there can't be any redemption. If there is no sick man, there can't be any healer. So God had to permit the fall. When He made Adam by the spoken Word, he said, "Adam could not be tempted to fall." He could be tempted because Jesus, the second

Adam, was tempted in all points but He couldn't fall. Amen.

So God made Eve the byproduct. He made her different to every other female species because none of the female species could have sex for pleasure. None of the female species came into the world with their womb sealed by a virgin veil because marriage was not given to the animals neither the angels. That's why a male bull could go with a female cow and have sex outside of marriage and it's not fornication. Do you understand? That's right. See!

But with the woman, even all the other females, none could have sex for pleasure. They have a mating season. They just come in that season and mate to reproduce. They only have sex for reproduction but the woman is designed that she could have sex anytime she wants. She could send a sexual message with any part of her body. She could sit down a certain way. She could walk in a certain manner that is suggestive. She can use her finger, stick out her tongue; wink her eye; put on certain types of clothes; she could do all these things because earth is the testing ground.

We didn't come in the theophany to earth. We bypassed the theophany and we came on the earth by sex because Eve when God made her a byproduct... Because God made all separately, male and female, male and female, separately! But when He made the man, He made the woman in the man unexpressed and that's why He said, "It is not good for the man to be alone." So afterwards in another season God took a rib to bring the woman into expression. She is coming differently to every other female and when she is being designed she is being designed differently. She is coming with a virgin veil because she is the only female species who is coming into a marriage covenant bound by certain laws of covenant and marriage; because marriage is a mystery of Christ and the Church and there are certain principles that govern this covenant between God and His people.

That's why all down through the Old Testament God called Israel a whorish woman who had many lovers, who is not faithful to her vow and how God had to put

her away because of her licentiousness; her vulgarity. In Ezekiel, in Jeremiah, in Isaiah, in the Old Testament Laws, you find these things. Why? Because the woman because she is designed differently she is given three sacred trusts. Now you know, if you know the Message, you know I'm quoting *Invisible Union*; [1965-1125 -Ed.] you know I'm quoting from *Marriage And Divorce*; [1965-0221m -Ed.] I'm quoting from *The Church Ages* but I'm just connecting the things. See.

So God put a virgin veil on the woman and she has these three sacred trusts. First one: sacred womanhood, which had to do with her conduct; how she behaves around men. She comes into the world a virgin but if she doesn't know how to behave she's going to lose her virginity because men have seed to plant and her womb is a bedding ground. It's a sealed bedding ground that is only to be broken under a marriage covenant. That's why if that veil is broken before marriage, she's a defiled woman. That's why before she even comes into marriage the parents must have the tokens of the girl's virginity, Deuteronomy 22, to be tested for her purity because the reason God sealed the bedding ground, it is intended only for the husband's seed because by the husband's seed he can reproduce himself and bring forth more of his kind.

What did God tell Adam? "*Multiply and replenish.*" Why was he given a bride? To bring forth by the spoken Word more of his kind. What caused the fall? The woman couldn't hold that virtue sacred. She let one who was not the husband come into the husband's role and one that she was not in covenant with, she gave him rights and privileges of the marriage covenant. That's why Paul said, "I have planted, Apollos has watered." You see Paul as the messenger of the Age had the Word. The revelation comes to one man for the Age and he has the seed. Like all of us we are here to water the seeds of the Age that has been sown.

That's why when I came the first time they told me they had forty churches before the first foreign Minister came because the books and tapes had come into the country and these churches raised up and then when

the visitors came they could have tried them by the Word. The brothers told me this when I came the first time. And that just shows the sovereignty of God because on *Spoken Word Is The Original Seed* [1962-0318m -Ed.] the Prophet said, "The field has been sown in the United States." See, but then the Message was to go around the world not just to the States. And so God had to make a way. And the Prophet said, "While I'm standing here these tapes go into foreign countries. I'm led by the Spirit to speak to people there." Why? He is the chief Angel of this Age. He has the authority. It's his administration even though he didn't fulfill everything.

Just like Elijah, God said, "Anoint Hazael, anoint Jehu; anoint Elisha" and in the Bible He just anointed Elisha and he went off the scene. Well if you are a Message reader in those days you would say, "God told the prophet that. He hasn't fulfilled his ministry. He has to come back and finish that!" See. But then we see Elisha anointed Hazael and we see Elisha sent a servant under him to anoint Jehu and it was considered Elijah anointed the three. It said, "Solomon built the temple." He couldn't build the temple. He had the commission to build the temple. But do you think he cut all the stones? He had masons; he had different people; he had carpenters; he had everything there but when the temple was built, it doesn't tell you all those people. It just said, "Solomon built the temple." They were connected to him. They were attributes of his ministry.

Like all of us, the reason we are in this Age, God saw us. That's why you can't preach this Message until you see the star of the Age. He preached *God's Gifts Always Finds Their Places*. [1963-1222 -Ed.] The first thing you read the title, he's talking about gifts and placing. Every minister, gifts and calling are without repentance, he has a gift. He was born to be a Minister but he has to come to his placing. And God had set in the Church some prophets, some apostles and some evangelists. God set. That is his placing. Like He told Jeremiah, "Before you were formed in your mother's womb I knew thee; I sanctified thee; I ordained you to be a prophet. But this day I set you as prophet among the nations to root up

and plant; to break down and build.” When he was set in place, you see? His placing; he came to his placing!

But the Prophet shows us how in this Age the gifted men will find their place in the Age when the Messiah is on the earth; in the Age when the Son of Man is here. He said, “Those gifted men had seen the star and when they saw that star they knew the Messiah was on the earth because that was the prophecy.” So those men who had the right gifts were predestinated by God to have these gifts and to see the star. If they had the right gift, the time had to come where they must cross paths with this star. And when these men with the gifts began to travel, they were travelling by the light of the star. If they didn't see the star or lost sight of the star, they didn't know how to travel.

Remember how they went into Jerusalem? They said, “Praise the Lord.” They didn't know the importance of staying under the influence of the light of the star. They were getting taken up with their gift so when they reached to Jerusalem they thought, “We've arrived. The Messiah has to be here.” So they came, “Where is He born king of the Jews?” We saw the star so we know He is here. They thought the star was just to tell them the Messiah is on the earth. No! The star was to lead them to the fullness of the Word.

So when they went to Jerusalem oh, they thought your gift makes a way to bring you before great men. “Oh king Herod, we are so happy to be here,” you know, “and the way you entertained us. You know a great king like you would have people like us and you know, give us this nice hospitality.”

And he said, “So what time did you see the star and this King that you came looking for?”

They thought he was interested in the Word but he was seducing them politically. He was manipulating gifted men who were testifying about the star. “I saw the star for the Age. He had seven stars in His right hand and I saw my star and I know the Messiah is here!” Well it sounded okay. And while they were going, God had to bring a dream to awaken them. He said, “Don't go back to Herod, you know. All that nice time you think you

had and you enlightened the king, you really are being an accomplice to his plan to kill the Word.” And God had to take them off their bubble dancing.

You know sometimes we like to be a Minister in the Message, and we see the Prophet and we want to hold our Bibles like the star and act like the star but it doesn't always work. Sometimes you need to get a few things through the fourth dimension from the seventh dimension to tell you, you are being manipulated; you are being exploited because that One Who gave the dream was the One Who put the star there for a sign. Amen.

And when these men came they laid down their gifts. One had gold speaking about His Deity; one had frankincense speaking about His service and one had myrrh speaking about His death; God in service to die. Those gifted men among them had the potential to reveal the entire mystery of who, the Messiah was; what He was going to do on earth; what mankind was going to receive, they had it among them. If we could see that this morning as gifted men that God raised up with the others throughout the country and God put a gift and lets you see the star for your Age, you have to know in your life how far have you followed; how far have you travelled under the influence of the light of the star because that star only went away. They got away from the star but the star, when that star went away they were in the Presence of the Messiah.

Just like Eliezer, he only went—when he went away, Rebekah was in the presence of the bridegroom. When the chief reaper went away, Ruth was in the presence of Boaz. That's right. And you look in the Bible and you see how God brings us until we come right into the very Presence. Then a man's gift has found its place. Now he's placed because he doesn't have true authority until he's placed. He's not really commissioned until he's placed. That's right! And so we see that God must put us in order of the Word so we can know how to use our gifts; we could know how to carry the Message.

I remember as a young Minister I used to read and deal with problems in the church. I didn't come from

denomination; I came off the street and I'm growing up in an environment and I have a little group of people around me and then things are coming. Sometimes problems rise. The books were being printed as they were afforded so sometimes though it's in the Message you don't have the access to the whole Message. And so there are problems arising and you want to deal with it in a proper way and you want to see if you are dealing with it according to the Message of the Hour.

And I would cry, I said, "Lord, why didn't it have some books for Ministers," because the Message has no Bible school. Some people are fortunate to be raised up under established ministries but those who have to grow without being instructed, you were making a lot of mistakes. And so one day it just started to open up to me and I saw he had preached so many messages for Ministers; what kind of Ministers we are going to be because he criticized those incubator ministries. The Prophet criticized the incubators ministries. He said, "These seminaries are only hatching out little denominational chickens coming out of the Bible school, a twofold child of hell."

And then the Message has no Bible school so God has to train a ministry. But we could only have faith in something to know what is being done and how it is being done when we find the Word that pertains to it, and if we don't know the Word that pertains to it, then, we are going to lean on our understanding because the Spirit of revelation is not there to reveal it from the Word.

So one day it just dawned on me he is talking about *God-Called, God-Trained Man, Secondhand Robe*. He is showing how when Elijah came in the hour when Ahab and Jezebel were in a union and that Jezebel system had destroyed the true faith and Elijah was a restoring prophet come to bring them back to the original foundation that even in that hour it had seven thousand who didn't bow their knees; had a remnant according to the election of grace and Elijah didn't know his message was finding these people and he thought he was the only one.

So he is preaching *Present Stage Of My Ministry*, [1962-0908 -Ed.] all man has forsaken me. He preached *Why Little Bethlehem*; I stand alone in a hard place and then God gave him a preview of the Bride and he saw a Bride coming from everywhere. Amen. And so God told Elijah when He gave him the preview of the bride He said, "Do you think you are the only one?" He said, "No, you are just heartbroken because you are being rejected." He said, "I've got seven thousand who haven't bowed down their knees." And it encouraged him.

And so we see in that hour God had Ministers because we see a Micaiah, we see Elisha; we see Elisha still had a faithful one he could send to anoint Jehu to fulfill the word of the prophet that God spoke direct to Elijah. And they were conscious they were elected seed in that Age under the administration of Elijah who was over the whole Age. And we began to understand the ministry a certain way that we would carry a secondhand robe but he said we'll have a firsthand God because God would take the Spirit off of him and put it on us; because the schools of the prophet said, "Surely *the Spirit of Elijah doth rest on Elisha.*"

Now catch something here. Three anointings under the administration of Elijah being released; two are going to be political. They will have no continuity. They are getting the anointing but they have no robe. And the only way to get the robe, you have to follow Elijah and he started from Gilgal. He started from Gilgal to Jericho to Bethel to cross Jordan before he could release that robe. And those places were designed by the time he makes this journey, he is in the same shape that Elijah is in to fit the robe because if he doesn't fit the robe he's going to alter the robe to fit himself and then it cannot produce the results that it produced to begin with. Jesus was the Elijah and the Alpha bride was the Elisha. He said, "Could you drink the cup I drink?"

They said, "Yes."

"Would you be baptized with the baptism I'm baptized with?"

They say, "Yes."

He said, "The works I do shall you do also; because I live you shall live also."

Because the changing of the robe and the releasing of the Spirit was really the God Who was with us coming into us! Hallelujah! God was above us in the Pillar of Fire in the Old Testament. We have the picture. We see the picture. I have a picture of it here of that Pillar of Fire over the head of the Prophet. That's a great thing. Amen! [Bro. Vin holds up the picture of the Prophet with the Pillar of Fire over his head. -Ed.] That's God above us. When you look at this picture, everybody thinks right away Houston, Texas, January the 24<sup>th</sup>, 1950. Their minds never go to Revelation 10. They see God vindicating the Prophet because Dr. Best was criticizing him for being a hypnotizer hypnotizing the people. But this picture has two Angels, the Heavenly Angel and the earthly Angel, Revelation 10:1 and Revelation 10:7, two Angels. In the first and second pull this Angel was above him. This is God above us.

Moses, the prophet with two signs to confirm his commission, and he's following the Angel of the Lord. "My Angel will go with you. He will bring you into the place I have prepared for you. I Am That I Am." Moses met that Angel in a burning bush and that Angel said He was the God of Abraham, Isaac and Jacob. He was the eternal I Am. The same God that came to Moses is the same One that came to Paul. Paul saw this Light but all that time he only knew Jesus as a man from Nazareth. But when he saw that Light he knew that was the Pillar of Fire, the great I Am that Moses met. So he said, "*Who art Thou, Lord? Who art Thou, Jehovah?*" And he was surprised when the Voice spoke back and said, "*I am Jesus.*"

Because he could say, "I thought Jesus was a man five feet ten with a beard and by now He's supposed to have nail scars in His hands. What is He doing as a Light?" And that shook him up and he conferred not with flesh and blood and he went back in the desert of Arabia where this Light appeared to Moses in the first Exodus. And he went back in the same place and he received the same revelation and when he came back out

he said, “*Without controversy great is the mystery of godliness.* The God Who was above us came down and His Name shall be called Immanuel. The Word was made flesh. God was in Christ reconciling the world to Himself.” Immanuel is God with us. Amen.

And then he saw that *that* God... He was holding the clothes of the people that were stoning Stephen when Stephen was telling them, “This God Who was with us is now in us because He doesn’t dwell in tabernacles made with hands.” And Paul and they called it heresy. “In the way that is called heresy so do I now since I met the same Light, received the same revelation and I’m chosen like Moses to bring all the doctrine and lay it down as the original foundation to build the house of God.” And his words became the Bible. That’s what it was.

And then He appeared back in this last days because the Truth, the original foundation revelation, from the Catholics to the Pentecostals, nobody had Paul’s Gospel. Everyone had a false baptism; everyone had a Trinitarian doctrine. They didn’t understand the order of the gifts of the Spirit, amen, because Paul’s Gospel was sealed up. It was prophecy for the last Days. And he would not openly tell them he’s a prophet because they were already getting trouble and trying to be superior to him because they could tell all the hunting stories and the fishing stories. He said, “We ate together at the Blue Boar restaurant. I still have the napkin, you know, what he was writing on.” He said, “I still have my tin of red hots. I have the trophy hang up in my room that I got when we were on that hunt together when he told me, ‘Go there, it has a deer waiting for you.’” These were the blessings many received. That was nice.

The seventy who were ordained by Jesus and received power and a ministry, they had many things to tell (that’s right) but they didn’t go all the way in the Word. But then out in Lydia and different countries; out in Asia you had a Timothy; you had a Titus; you had an Epaphroditus who had never seen John; who never went to one of John meetings; who never went to one of Jesus’ meetings; they never ate the bread He multiplied; they have no testimony He called their names out, but their

names were in the Book and you don't have a name of the seventy He gave a ministry. You have no evidence that *that* seventy went and received the New Birth. Amen!

And many of you who had never been in a meeting you sat there, today you are carrying the Word. Today you are faithful to the Message because that gift found its place because you understand what it meant to be born with a gift in you that you didn't get from your father and mother, but through God's foreordination He put that gift in your life. He brought you in a certain part of the world and He directed the Light of the star; He directed the knowledge of the star and something in your heart submitted yourself to the leadership of that star. And today your gift has found its place and you see the same Spirit that was on Elijah moving in your life, and the Message that he spoke you see how you have grown to fit the robe that you don't have to alter the robe. You don't cut off part of the Word to fit yourself. You lay down your life and ask God to take things away from you, amen, because you saw even the Prophet God told him, "If you be more sincere, I'll give you an increase. You could come into the second pull."

In the Third Pull this Light went behind skin and he said, "A Man come walking to Abraham Who could turn His back and discern the heart." And Abraham said, "Lord," because Abraham recognized that was the Melchisedec; that was the El Shaddai; that was the Elohim veiled in human flesh sitting down there drinking buttermilk; eating the calf; dust on His clothes. But when He said, "Where is Sarah thy wife?" Amen. When He said, "Shall I hide from Abraham these things?" Amen.

When that was happening here, something was coming out; something was being revealed. Amen. And this God Who came behind human flesh He began to preach, *The Unveiling Of God* [1964-0614m -Ed.] and lifted the veil off and said, "*Who Do You Say This Is?* [1964-1227 -Ed.] *The Mighty God Is Unveiled Before Us*, [1964-0629 -Ed.] *The Masterpiece*, [1964-0705 -Ed.] *A Greater Than Solomon Is Here.*" Amen. He began to show it is Christ,

*The Identified Christ Of All Ages.* He began to identify *The Token, The Stature Of A Perfect Man.* [1962-1014m - Ed.] He wasn't preaching messages. He wasn't preaching little sermons. He was announcing, this day is this Scripture fulfilled! This day is this Scripture fulfilled!

How did they know He was the Messiah? How is He promised to be revealed in this Hour? The Bible says He's the same. Amen! Then if He comes today what must He do? And then He would demonstrate the things, hallelujah, and identify... He said, "I went out with the signs. It was to attract their attention." But on the river he said, "A Message is coming forth that would forerun the Second Coming." He said, "Is this that Message that I've waited on?" Amen. "Is this that hour? Sirs, is this the sign of the end? Would it be?" These things are in the Bible. He said, "You know I've waited for this Elijah." He said, "I was doing the work of an evangelist." See, just like Paul out there. He wouldn't call himself a prophet. It's coming out under inspiration. He would say, "Do you believe me to be God's Prophet?" He said, "Sorry that stumbles, the people! Do you believe I'm His servant? Do you believe I'm here to help you?" See? It would come out.

But for all those years he would never say, "Do you believe me to be the Prophet of Malachi 4:5? But in *Once More Lord* November 1963 in New York, New York series, he was standing in the platform because now he has the Message. The Angels came; the Seals are opened; his place is identified; he had the vision, "Go to Arizona, Seven Angels will meet you. You will come back and interpret the unwritten Word that light never shone on." The woman is coming on the platform he said, "Do you believe me to be the Prophet of Malachi 4:5?" He said, "I say it plain tonight for the first time." He is so scriptural because all the time he's teaching we are expecting a messenger to come at the end of the Pentecostal Age who will have a Message that will open up the whole secret of the Bible. It will turn the hearts of the children back to the faith of the fathers; we are expecting according to Revelation 10:7.

There are many mysteries the reformers left loose-ended. They weren't prophets so they didn't live long enough but according to Revelation 10:7, the mysteries as He has declared to His servants the prophets, he said, "Who is that?" He said, "That's the prophets that wrote the Bible." But this Angel, he said, "Everybody believes that's a heavenly angel." He said, "But the Gospel is not committed to angels to preach." He said, "I believe this is a man and this man has to be a prophet because if its mysteries it can't come to a theologian because according to Amos 3:7, "Surely, surely, the Lord will do nothing except He first reveals His secrets to His servants the prophets." He said, "God's first way is His perfect way."

The Word always comes to prophets, never to theologians in the Bible. So this man would have to be a prophet. He said, "And according to Malachi 4:5 that is the Spirit of Elijah coming the fourth time there and the earth was to be burnt after him." He said, "Have you ever studied the Scripture? God used that Spirit five times: on Elijah, on Elisha, on John; according to Malachi 4:5." He said, "Do you notice it is he, personal pronoun, singular, masculine - one man?" He said, "Because Revelation 11 that's two of them. He comes with Moses, 'My two witnesses,' these two prophets. Matthew 24:31, *I will send My angels.*" He said, "Plural with the sound of a Trumpet, singular; two angels, one message." He said, "So when he comes the fifth time he comes together with Moses." He said, "So this fourth coming," he said, "I looked down through these years for that Elijah to rise and I told my church, 'Church when this man comes, we'll present this church to him'."

Because when he comes, the mysteries that were sealed up in the Bible that God told Daniel, "Seal up the Book Daniel."

Daniel said, "But I can't understand Lord!"

He said, "It's not for your time, Daniel. You see it but you don't understand it. It is for the last Days."

Then John goes to write because he heard it. He knew what was being said and He said, "You wrote enough. The Book only has to have twenty-two chapters. Don't write this. Seal it up. But in the days of the voice of the

Seventh Angel, when he shall begin to sound, the mystery will be finished.”

So with Daniel there is unrevealed Word and with John there is unwritten Word. So when this Prophet comes what was unrevealed will be revealed; what was not to be written, those visions will come back, amen, to reveal those things because the Spirit of Truth was going to come in this ministry to finish every mystery, and they even showed it in the dream. He interpreted everything and the last part, he went West to meet the Angels and came back and finished it. Amen!

So in the Message there were things also explained and there were things in the Message said in a way that it was sealed up. Now listen to this. The first session has to finish here now so listen to this. How was the Bible sealed? It didn't have straps on it. It was the Spirit on the Old Testament prophets giving them Divine wisdom speaking the Word a certain way. Part was like poetry; part is like songs: Psalms, Job; part is Proverbs; part is dreams and visions like Daniel; part is history like the Book of Judges; part is like Genesis with Laws and commandments and different things. It was the Divine wisdom of God but all is one Author.

Men of old were moved by the Holy Ghost and all Scripture is given by inspiration; and all held the mystery of the promised Seed that came at the end of the Old Testament Who said, “*Lo, I come in the volume of the Book*. Search the Scriptures in Them you think you have eternal life but they testify of Me.” And He took the Law and He took the Psalms and He took the prophets and He took all things and showed all was being revealed and interpreted in Him. From Bethlehem to Calvary, thirty-three years, the mystery of the whole Old Testament, that Word had become flesh and lived out to reveal the Messiah. So this was God's Word.

Then Paul in the New Testament said, “We teach the wisdom of God not with words that man's wisdom teacheth but with words that the Holy Ghost teacheth and it takes the Spirit of God to search the deep things of God.” So this Book was sealed up by the way it was spoken. Serpent's seed was always in the Bible. One

God was always in the Bible. No eternal hell was always in the Bible. The mystery of Seven Church Ages; Seven Seals; Seven Trumpets; Seven Vials was always in the Bible because it was the complete Word.

But a man came at the end of the New Testament and the God Who came to Moses, Who wrote the Old Testament; same Pillar of Fire came to Paul, wrote the New Testament, this Pillar of Fire came back to reveal the entire Bible. The day of the revelation; the day of the unveiling; the day of when Christ would be revealed in His Own Word; the days when Christ the mystery of God Who was sealed with Seven Seals and was a hidden mystery, we will get one who says, "I will tell you this morning this Secret that was in the back-part of God's mind that angels nobody ever knew. I will tell you how it unfolded down to this present time." And he started when God was not even God. There was nothing to worship Him. And he preached all the way until the future Home; from Eternity back to Eternity and put it down in a Message.

And the thing was he shows to us that in the sounding, that it was God's wisdom opening part of the Message and keeping part sealed up and he said, "Don't try to interpret these things. When you have reason to see it, it will come to you." He said, "Because there's a transmission and all who have to receive this they were built with a receiving set to receive revelation. They have the bedding ground of faith for the seed of promise to fall into." He said, "Job had access to God by revelation. He had a channel of communication that he received by inspiration." And Job had heard a lot of things but he couldn't see it. But then the time came he got visitation, he got revelation because he had the capacity.

You see Jesus opened—Luke 24:32, Jesus opened the Scriptures after the Mighty Angel descended in the Son-day and broke the Seal. What was sealed up under the Seal? The full Word, the entire Word and when the Word came forth at evening time, the Word Himself took the Word Itself and He opened the Scriptures. What is the Third Pull? The opening of the Word! What is that to do? Reveal the hidden Truth that was sealed in the

Word. And the Word Who was outside of the Bible was revealing Himself in the Law, in the Psalms, in the prophets; in all things showing He was the Principal Theme of the entire Bible. He was the manifestation; He was the interpretation; He was the revelation of the written Word. And that was the opening of the Word and then He gathered among the apostles, Luke 24:45. The Word was already opened because the Seal was broken because the Mighty Angel descended and the new day had dawned, the Son-day; He is risen, that brought them back to the first day and then He opened their understanding that they might understand the Scriptures. First He opened the Scripture.

March the 18<sup>th</sup> to the 24<sup>th</sup>, 1963 was not the healing revival; was not just the discernment, it was the opening of the Word. He opened up the Seven Seals. But then all down through these years He didn't open our understanding to what had been opened. And as we grew and matured, we came from one level to the next, there were things on this level [Bro. Vin indicates a certain height -Ed.] that we couldn't get until we were more sincere and we grew to come to this place to see these things because as we were more sincere He began to give us more because all the power of God is locked up in the Word.

The gun powder has all the power but from revelation to revelation; from faith unto faith, as we receive revelation and begin to understand our position; begin to understand the approach to the Word; begin to understand how to relate to the Word, then that faith could now charge the Power. The faith could operate the Word. He said, "We don't need more power." He said, "All the Power is here because He has come, the Person Himself. All that He is has been revealed. All the Word is here." He said, "What we need is faith to operate the Word; to operate the Power that's in the Word."

The little eagle had everything to fly but until that right teaching came... At evening time here comes that great Jehovah Eagle, Revelation 10:1 flying over the barnyard; Revelation 3:15-17, all those chickens, Pentecostals chickens but there was an eagle down

there, Revelation 10:8-11. But he was only hearing a denominational voice, an uncertain sound but he had to hear Revelation 10:3 and 4 and when Revelation 10:1 came down and screamed seven times, something in this fellow, he woke up. It was designed to wake him up and he began to discover, "I was an eagle from the egg." He began to understand preexistence, earthly journey and eternal destination and he began to get a law of faith activated when that amnesia began to go. Under those Seven Screams he began to know as he was known. He began to understand his origin and his destiny. He said, "You mean to say this is me. I have this gene of God. I have the potential. You mean I'm elected. You mean I'm not a chicken. I thought I was an ugly chicken. I tried to talk and crow like the rooster and I couldn't do it." He said, "You mean I could fly up there where You are? Is that what You are saying?"

He said, "Yes."

He said, "How to do that?"

He said, "I'm going to come around. I'm going to set My wings. I'm going to teach you to use the air currents so when the current of the wind gets in your wings it'll lift you up. You don't have to flap up. You have to know you are built to possess the law. You have to know your pedigree. You have to know your father, grandfather, great grandfather were eagles and you have to know I am the great Jehovah Eagle, Revelation 10:1, descending from Heaven with a shout and I came to wake you up."

Next thing he was in the barnyard post. He said, "This is something! The rooster... [Bro. Vin speaks to the interpreter, "He has to go to a wedding. He has to preach at a wedding." -Ed.] So he flew up in the barnyard post. He said, "Many times the old rooster in the denomination, in the barnyard tried to fly up here and he couldn't do it. He couldn't understand one God; he couldn't understand water baptism; he couldn't fly up here." He said, "Look at me." He said, "I already have six Seals clear. I already know what was and what will be but I want to know the present tense."

He said, "Set your wings again."

Next he was up there. He had confidence. He began to realize that he was eagle. He saw everything inside of him. He had the right Example. He had the right wave-sheaf waved over him. He wasn't trying to read and imagine. He was seeing One manifesting eagle's life; One manifesting how to operate in the law to fly. He began to know how to hunt the food. He began to know he has telescopic sight and microscopic sight. He began to know he can't disintegrate. He's built to go high. All he got was teaching. He had all the potential, but it was untapped resources so he was trying to work through a realm of religion and leaning on his own understand. But when he saw that great Eagle-Prophet then the Intelligence that was in the back-part of the Eagle's mind began to put it into his heart by teaching, and the works his Father was doing now he could do the same works; the law his Father was operating in, now he could operate in the same law; a law of faith we have as believers.

And this is the part that had to come by visitation; had to come by Divine transmission that He said He will come to us. "The world will not see Me, but you will see Me. I will come to you. I will manifest Myself to you. The Spirit of Truth will lead you." And all twelve hundred tapes will come together like a jigsaw puzzle and you'll see the whole picture and then you'll begin to live and walk in this realm of the realization of where the Prophet was standing; what he was seeing; how to preach the Message; what kind of channel; what kind of access; what kind of yielding, so God could come in knowing that you become in union with Him and then the sons of God are led, are directed by the Holy Spirit. This is what it is.

So we take the break. Amen. We take the break here. So I'm just trying to speak as the Spirit gives me some utterance because you are all different. You are all cut differently, natured differently. One is a fire brand. One is a prayer warrior. One is more scholarly. One is an Andrew; one is a Peter; one is a Paul. You are made up differently. One sees the lion, so ninety percent of his preaching is about the lion. One sees the ox, so he

always preaches about sacrifice, laboring. You know the other one sees the man, God in the flesh, you know. One sees the Eagle you know. So everybody is different.

So I just spoke as He gave me utterance but I want to finish up after we come back to show you that the same way Michael cast out Lucifer, Lucifer now cast out Christ out of the Church like Absalom cast out David. Absalom was perfect in beauty and full of wisdom and Absalom wanted the kingdom. He's a type of Lucifer. He broke the unity between David and his angels by the tale he told. He pulled them down from their place to set up his own kingdom. And David was cast out and was weeping over Mount of Olives. That's right. Just like the Jews cast out Jesus and now at the end of the Gentile Age the Gentiles are doing the same. They cast Christ out to exalt the man of sin, the god of this evil Age.

So we in the Message it's a war going on. While that group is riding under the Fourth Seal; it's a ride, this ecumenical move; this gathering of the forces; this New World Order, it's a ride. Hell is following death but Heaven is following Life. They are on a pale horse but Christ is on a white thoroughbred horse! You have to know the color in the Church if it's grey; if it's kind of yellowish pale; if it's just red. You know you have to know what kind of horse you are riding. I'll read it for you because they who are with Christ are called and chosen and faithful.

Michael had seven angels and each one caught a mystery, blew a Trumpet and declared scriptural war. Wisdom versus faith, the greatest battle ever fought started in Heaven; came down through Eden; came down through Seven Church Ages and in this Hour, life and death are at its final struggle. Hell is opened. Heaven is opened. That's right. Hell is being emptied out to come into flesh of an Age that rejected Christ. Now the devil has permission to incarnate because he's bringing his kingdom into flesh.

Jesus is going to come down, empty out paradise; seven messengers and seven Ages of overcomers who don't have any physical bodies up There; (they left their physical bodies in the grave) they will come down and

pick up those bodies and come into glorification and appear to us. And when they appear to us our angel, our theophany, our mansion; our house made without hands, it will pick us up and we will be changed because we are not going to go through the grave because our King is coming into His Kingdom and everyone who is going to share that Throne will be in glorified bodies having a glorious body like His Own body.

But Satan incarnates the man of sin on his throne. All those names that have been blotted out and not written in the Book of Life will worship the Beast. It is two systems; Babylon and Heavenly Jerusalem! They were worshipping the Lamb because they have the Seal of God; the others are worshipping the Beast. They took the Mark of the Beast. One has the Name in their forehead; one had a blasphemous name.

It has come down to this. Both kingdoms come into flesh. Everything Christ is doing Satan is doing. A key is given to open up a way to take us out of here. That's the Message. These Truths open the Bible and opening the Bible is to loose the Holy Spirit, this Quickening Power to quicken us and bring us into a rapturing condition to show we are Bride material; a people who have come out of the humanistic realm to walk in the realm of revelation and vision where the gates of hell can't prevail against us. And every man who has received that, he is bringing his church into an Ephesians where everyone is placed. Amen. That's right. That's what we are all being brought back to. Everyone is circumcised; everyone has a white robe; everyone knows their position; none with amnesia; everyone's in order, (that's right) everyone's around the gift that God put there; the lamp that God has lit and set there. It has to evolve into this.

When it's not that, we get trapped into political realm fighting church wars. The enemy blinds many and they don't know who their brother is. Some don't know how to use the gift to edify. They could break down but they don't know how to build; they know how to root up but they don't know how to plant. See? Jeremiah said, "Break down and build; root up and plant." Jesus comes

He says, "A sower went forth to sow. Upon this rock I'll build My church." Paul said, "I have planted. As a wise master builder I have laid the foundation. Take heed how you build."

Bro. Branham comes *Spoken Word Is The Original Seed*. Three head planters! Oral Roberts and Billy Graham sowed for the World Council of Churches. I planted for the Bride. Amen. He said, "I'm not called to build denomination. I'm called to build men and women into the living tabernacle of the Living God, the stature of a perfect man." That's the principle. Root up and plant; break down and build; agricultural principles because you are God's cultivated field; you are God's garden; you are God's building; a habitation for the Spirit; a spiritual house.

And that must be operating in a man's ministry. He must have a Former Rain. If he doesn't have any Former Rain and he only wants spirit, the people will be false anointed because the only crop you are going to get is what seed you put in your field. And the Prophet said, "Sow the evening time seeds. Sow the evening time promises." We have received back the original seed so we shouldn't have hybrid religion. Our churches shouldn't be hybrid. Our churches shouldn't be a Jezebel religion; shouldn't be organized; shouldn't be like what Korah tried to do; shouldn't be like what Balaam tried to do. That's right. It should be an Ephesians. Everyone is placed. I trust you find it edifying. Amen. So let's have a word of prayer. Let's stand.

Father, so many things have been spoken today. In our human minds sometimes it's so difficult to comprehend and to retain but when we can recognize Your Holy Spirit; when we can discern the motive and the objective; when we can search the Scriptures and the Message and recognize that these sayings are faithful and True that when we cannot understand or cannot retain we could say, "Lord, write it in my heart," because You said, "This is the covenant. I will write My Laws on the fleshly tables of your heart; no more on stone." Oh God, You said, "This is the new covenant. No man will have to say know the Lord because every man will know

the Lord.” Because that Holy Spirit on the inside that unction from the holy One will teach us all things; bring back things to remembrance; show us things to come; lead us and guide us into all Truth. So let it be Father!

Lord, bless these Your servants, men that You have called to carry the Message. They have taken time to be here. They listened with respect and in reverence showing much patience. May You bless them and may You witness by the Holy Spirit Your Word and may It Lord, strengthen us together that Lord we could put our hands to the wheel and see this great responsibility that has been entrusted to us by the Prophet of the Age knowing that we are called to be his helpers, that we will be faithful and wise servants giving out the Meat in due season; not smiting one another but giving out the meat that when You come You will say, “Blessed is that faithful and wise servant whom the Lord shall find giving out the stored up Food.” In this time of famine we could open the storehouse and bring out that mature corn that we could feed upon. Thank You for it, Lord. And bless us, give us a time of relaxation, time of refreshment and bring us back, in Jesus Name we pray, amen.

[Brothers break for a time of refreshment and relaxation. -Ed.]
