

Third Exodus Assembly

# The Ministry Of Angels

Pastor Vinworth A. Dayal  
24<sup>th</sup> February, 2002

## The Ministry Of Angels

### Sunday, 24<sup>th</sup> February, 2002.

*Nearer my God to thee, nearer to thee  
Angels who beacon me, nearer my God to thee  
Nearer my God to thee, nearer to thee*

Oh, let's try that verse again  
*there let the way appear*

That's what his desire is, you would lead us there Father.  
Seven steps unto heaven.

*All that thou sendest me, in mercy given  
Angels to beckon me, nearer, my God to thee  
Nearer my God to thee.*

Oh, let's lift our hands to him, to know that we walk in the presence's of the almighty God. We abide under his shadow. We follow this great Angel of the covenant that is bringing us into his divine promises.

Father, with bowed hearts and with thanksgiving, we lift up holy hands unto you today. Offering the fruits of our lips, Giving praise and thanks. We are a grateful people dear God, for the riches of your grace and your mercy, that you so abundantly pouring out upon us from day to day.

When we think dear God, how undeserving we are. Lord, it makes our heart tremble because we see the vastness of your great elected love towards a people who was not a people, but you called us out of darkness to walk in this marvelous light. That we might show forth of your praises, that we might become the very people of God. You say, 'I would dwell in you and walk in you,' saith the almighty God. I will be your God and you shall be my people, and not only that, but to be in holy union with you Father that you called us bride in this hour. Oh God, teach us what these this mean, write it in our hearts Lord. Illuminate our minds with it, lift us up into such place, dear God where we will live under the influence of these things.

Our lives begin so fully surrender to you without reservation because this is what you deserve Father, and even more than this. Oh God, if we would have a million lives we would give it all to you Father. A million tongues we would sing your praises, but

Lord, this is one feeble life. We come this morning, offering ourselves as a living sacrifice, holy and acceptable unto you. Knowing you said that this is a reasonable service, receive us oh God, and Lord may you direct our parts. That Lord, whatever you have to say or do today would for to the upliftment of your name and for the assistance of your people. And that your church can move on forward in faith.

May you grant it Lord. We ask all these mercies today, in the precious almighty name of Jesus Christ, our Lord. Asking you would continue to remember always, oh God, Father your children in this dark hour, which we live in.

Lord when all hell, Lord is coming like a mighty flood; Lord when all hell is against this truth Lord. Oh God, when Satan is directing all his forces of darkness against a little Bride, and Lord, we think of that time when they were out in that boat having testimony. And Lord, he tried to bring that storm against them Lord, in gulf them and in gulf them. In that terrible storm to destroy them, but your eyes were upon them and you came walking on that water, in the fourth watch. Hallelujah! A never failing presence's of Jesus Christ, oh that great shepherd of the sheepfold. So we pray that you Lord, God will take these Lord that you have purchased with your blood, that you caused us dear God, to be associated with and identify with in this revealed truth.

And Lord we pray you would bless them Lord, out in Tobago, Grenada, St. Vincent out in Guyana, out in Suriname dear God, across the seas, around the world dear God, Father, in this hour when you are perfecting, what is lacking in the faith of the people. Bringing us into that perfect rapturing faith that dear God we could live and walk in this conscious realization of the never failing presence's. Lord living under the headship of the Holy Spirit; having the mind of Christ; finishing out this great commission. Lord we pray, today that the Holy Spirit Lord would speak expressly, even the strangers and visitors in our gates, dear God who you have drawn by your Holy Spirit to this place today.

Lord we pray you would be mindful of them and Lord, God every need that your children have today in your presence. You the all sufficient one, you the God who is rich in mercy, you the one who have promise to supply our needs, according to your riches. Give assurance; give the faith dear God; Lord God that they would

rejoice in your finish work. Knowing that you are interested in these things Father. And dear God may you course them to seek first the kingdom and you may you pour out and add these things that they would have need of Father. We commit this service in your hands, lead and direct us Lord and let your Holy Spirit take full charge over each and every one. In the end we would not fail to praise you and glorify you. For we ask these mercy's in Jesus precious name and for his sake. Amen.

May the Lord richly bless you; we like to greet all of you today in the precious lovely name of our Lord Saviour, Jesus Christ. Count it such a privilege again to gather, Amen, around the precious word that we love. The messenger has called us by our new name, revealed to us that we are part of the family of God, things that we could never ever forget. Because it is something eternal, there is something that has raised us up to know that we were chosen before the foundation of the world. That we existed, we bought before the foundation of the world

I would like to invite your attention this morning, to the book of Numbers. I see our precious brother that had preached for us in Grenada, may God bless him. You know we thank God for brothers like him. Amen.

Numbers, let's just read Numbers 22. Maybe I will read Exodus 23 first then Numbers 22: verse 23, and Numbers 22. Exodus 23: verse 20... read there first. Amen, trust you all are happy and you enjoy being in his presence; David said I was glad when they said unto me; that's not just a glad like when you get some money or you get some food. You know what it is to be in the presence of God; you know what it is to be privileged; you know what it cost to rent that veil by a new and living way. Bring us back, because in his presence we are strong. Amen. In his presence all things are being provided for us.

Exodus 23: verse 20; I want to speak on "**The Ministry of Angels**" this morning; "**The Ministry of Angels.**" And we want to read from verse 20.

*Behold, I send an Angel before thee,  
This is God speaking to Moses,  
...to keep thee in the way,*

It was necessary to have that kind of influence because of the way that he was travelling, it's a way he had never gone before.

It was a way that was necessary... to walk in that way because it was more than just a natural trail or it was more than just a geographical route from one place to another. It spoke of having one destination to another destination. We are all in that way this morning, we are all traveling a road this morning. And when we make this journey; at the end of that journey we would be the Word again. We would be completely delivered of every sin in our life, of every thing that is connected to the fall, it would be gone. What a journey we are in; think of it what a journey we are in. God said,

*I send an Angel before thee to keep thee in the way, to bring thee into the place which I have prepared.*

So he had a specific destination in mind, a place he has prepared to bring his children into. It was a place connected to the birth. It was a place were they were going to come to a full realization for what they were born for, I wonder if you can catch that this morning? You look back at your life; you look back at your birth, you look back in your history. You say who am I Lord, what am I? What am I doing on this earth, why you make me this way? I can't live with myself, Lord what is your will for my life? One day that could be so real, so plain in your mind because you shall know as you were known. You would know what, you were in the thoughts of God, you live in that place because that is the journey, is to this place - to an inheritance, to a realization; and in that place where you have all things under your feet. They were journeying to a place were nobody could take their place that they were journeying too. They will journey to a place where they were born to occupy; they will journey to a place that all things would be under their feet in that place.

It spoke of a place in the Holy Spirit, it spoke of... ah, to make that journey God had to prepare a prophet and then send an Angel. Because these people...if God prepared a prophet and send an Angel, these people are really considered by God. He make...this is divine provision. Who could provide this kind of provision, to make sure you be keep in the way? Sometimes you try to wiggle off; sometimes you try lose your way; sometimes you loose your bearing; sometimes we don't know how to relate; you loose the

consciousness, you loose the focus. But then he knows how to keep you in the way. Keep you keeping on.

It's not by might or by power; dove leading eagle into a place. You believe this morning you would be lead in that place? (Congregation says Amen) As many are lead by the Spirit of God they are the sons of God divine leadership from above.

*Beware of him, and obey his voice,*

Because sometimes they lead you into dangerous places. He says camp here by Migdol between the mountains and the Red Sea. And he say "Oh my Pharaoh is going to get me, I'll die here for sure." You know why he doesn't tell you everything. Amen. He set a trap for the enemy; he know the enemy is going to find you look so insecure and helpless and then he come sweeping in, but that is when God is ready for him. You could say, 'today you see them no more.' Amen. Hallelujah!

When that sickness, want to destroy your life, sometimes that frustration want to send you in the mad house. Amen. Sometimes the devil wants to bust up your home. Amen. You don't know what is happening, you seem forsaken. No, you are being lead this morning obey his voice. Hallelujah!

*provoke him not; for would not pardon your transgressions:*

Pardon is in this Angel, this Angel kept pardoning. How many need a pardon this morning. A pardon is not a pardon if it is not accepted as a pardon. How many have heard about the pardoning grace of the living Word? Amen. That come from his mouth saying, "Your sins which are many they are forgiven thee, pick up thy bed and walk!" Amen. Hallelujah! Pardon is in his Word. Hallelujah!

I am glad for a leader you can pardon; I am glad for a leader who could...who knows the way this morning. Glory be to God! I am interested in knowing what I am born for and see the place connected to my birth. Amen. Put me in the economy of God where I belong. For my name is in him. Oh, my, my name is in him. He has my character my nature he has all my attributes he is being another form. Hallelujah!

*And if thou shalt indeed obey his voice, and do all that I speak; then I will be an enemy unto thine enemies,*

How many have encountered enemies along the way? Amaleck want to stop you, amen. Brother, Organisation wants to keep you out of your inheritance. The Canaanites and the Amalekites are waiting for you. Amen. Glory be to God. Cancer waiting for you, tumors and cataracts try to take away your sight, brother, bring you to a premature grave. Yes sir! Frustration want to kill you sometimes, take away your peace; fill you with tension.

But this One that is leading you this morning, you are believer if you are in the Exodus. This one is leading you this morning brother, he promised he would be an enemy to your enemies. If that enemy come to steal and rob your peace and rob your joy, amen, He would say, I give them joy; I give them peace; get back from there, He would shoo those buzzards off this morning. He told Abraham I am your exceeding great reward, they come against you, he that hated you, I will hate. Amen. He that come to fight against you I will fight against you. He that blesses you is blessed; he that curseth you is curse. Oh, why? Because he is family, he give him part of his name. Is that right!

You touch him. He say, ‘why persecute thou me Saul’? Brother you come against this people you come against him. Amen. Glory be to God.

*I will be an enemy to your enemies,  
For mine Angels shall go before thee, and bring  
thee in.*

Not my. If he is able to do it, he shall go before thee; he shall bring you in; not anywhere. He say the place he has prepared for you, into your placing. How many is placed in this church in this hour? (Congregation says Amen)

*unto the Amorites, and the Hittites, and the  
Perizzites.*

Leading you into warfare.

*and the Canaanites, the Hivites, and the  
Jebusites, and I will cut them off.*

You want to see God cut off enemies in your life? You want to see God cut off enemies that want to try to keep you out of your place? You want to see God brake’s the powers of them that try to hinder you from walking in the will of God? Or you want to come in Longdonville and build up the Third Exodus Assemby? No sir.

We want to walk in this Word. Yes sir! My, may God bless the reading of his Word. You may have you seat.

Let's turn to Numbers 22; I am just picking up these places by faith to just... I was wondering if... whether I should read that and go there and just... I am following him. It's him I am talking about, leading. I am just following him.

Numbers 22 verse 15; trying to stimulate a little faith, raise your level of awareness. You know Numbers 22 deals with, while Israel was marching to the promise... Balaam, they encounter Balaam. And watch something here now verse 15.

*And Balak sent yet again princes, more, and more honourable than they.*

Verse 1 to 14 told us how, when Balaam; Balak saw the children of Israel on the march... When they heard what happened at the Red Sea, when they heard of what they did to Amalek, they heard of what took place how that prophet went up to the mountains and came back out with the pillar of fire. He went up in the cloud and came back out.

When they saw what happen to Og and Bashan; that prophet, that king rather, Balak he became so scared. That he tries to cut them off from their inheritance. He tried to destroy the people because he felt threaten by them. Let me tell you, if Satan knows that a bride is rising up in this hour. He wants this earth for his kingdom, but you see a people have a title deed to an inheritance. And he is trying to see if he could stop it.

But watch some thing here, and he sent his people first to get Balaam to come and curse them; you know that. Balak means destruction and Balaam means a destroyer of the people. And to see how Balaam who lived on the river Euphrates. He was coming up in that hour, against the church of God in all suability to destroy them. He was part of a kingdom that was opposed to that kingdom; he was under the headship of Balak.

But, Moses a prophet was lead by an Angel; I want you to see that. Moses is lead by an Angel; Moses was born a deliverer; Moses met the pillar of fire; Moses was commissioned; Moses was given the word. Moses brake the powers of darkness around the people; Moses is taking them by divine leadership to an inheritance. Every true minister is doing that in his church today. Every true minister that is called is born for the office. Pre come;

predestinated before they were in their mother's womb; every minister has a real church, God gave them that church. Because they are shepherds; to reflect the shepherd and Bishop, who through the everlasting covenants; shed his blood to purchase these sheep.

That's why the mystery of shepherd and sheep is redemption. And Moses was a shepherd prophet. He was reflecting Christ. How many know Moses was Christ? That leprosy right hand; that right hand that became leprosy was the mystery of Christ, the right hand of God becoming sin. That rod in his hand was Christ, executing the authority of God. The rod of the shepherd is to brake the bondage from around their life; to lift the oppression off of them. That the taskmasters of Egypt had put upon them. And to wake them up, they are called people that are given an inheritance. That is why in every true church, there have to be a shepherd ministry.

They have to be a minister to lift the oppression off the people in this hour. When the system of the devil is causing them to rule. It causing them to be frustrated under the oppression, ruling them with rigor, braking their spirits, that they can't worship God. Making them fight day and night to make a living and only to build up this Satan's Eden. Where Satan himself is going to be at the head of and be glorified.

And he takes pleasure in using the children of God and breaking them to build his kingdom. But God has a plan for his people too and God prepares a messenger to get his people out. And God sees all that the devil had planned and what he is doing. But never make God deviate from his plan. You get that?

God see what Satan is doing this morning; but it don't make God deviate from his plan. God is moving right on, because Moses he known he is in the presence of God. Moses know the word he is speaking is coming from God. Moses knows he train and raise up by God for this very thing. Is that right? He was born a proper child. That's right.

But watch something in the natural realm and spiritual realm, there is always conflict. Because in this realm of human beings were we live. We are really reflecting world's unseen. We are really under the influence. You watch a person today and watch what cometh out of their mouths, watch their speech, watch where their thoughts are, watch their dress, watch the crave in their

hearts, watch the desire, watch how they live their life. You will know where they've been influenced from. This is the age flesh and spirit are uniting. This is the age hell is being created on the earth. Devils are becoming incarnate. Is that right? Through, Nicolaism, Baalism and Jezebelism. Devils are becoming incarnate, through the antichrist spirit, the false prophet and the beast is becoming devils incarnate.

But through justification, sanctification and the Baptism of the Holy Spirit, God is coming down to live in the hearts of his children too. Amen.

While a message, bringing justification - the just shall live by faith. Breaking the powers of the enemy. Satan is binding people and conquering the laity, while a message is cleansing a church. Amen. Filtering their thinking, getting them in order to receive the Holy Spirit. Say that ah, false prophet is bringing them to corrupt form of worship. Amen. While there is a doctrine of Jezebel trying to kill and fight everything that is of God. So, she can exalt herself; kill out the true prophet and the true Word.

There is a ministry that can bring a new birth and the Holy Spirit. Amen. True children of God, it's happening. Satan incarnates by three stages; God incarnate by three stages, it's warfare. Wheat and tears are being mature: children of light and children of darkness - life and death - children of wisdom and children of faith. The tree of life and the tree of death standing side by side, the natural church and the spiritual church - Esau and Jacob in the womb of this age. People who have the right birth - the birthright and people who love a morsel of meat. They reject the birthright for the things of this world.

Moses was carrying a people up out from, justification and sanctification into the inheritance into the Holy Ghost to place them positional. But he meets another man preaching about the same God in another way. He meets another man, has a ministry that have an unclean lips and a false doctrine coming out his mouth. Two trees in the garden, he who eat of Balaam will die; he who eat of Moses will live.

One is going to bring them to the inheritance; one is trying to hybrid them and destroys their originality. What an hour we are living in, what a place to walk with God. May God enlighten your minds today; may God tear away veil's from you; may you

understand what has been happening since September 11<sup>th</sup>. May you understand what the Holy Spirit come down in this church here and begin to open the scriptures to see. And may you not just caught in some wondering star just thinking is some talk and words.

Because you who have an ear to hear listen close. You know is more than words; cannot be the words of a man. How can he think it so far and speaketh so clear, it's impossible. But quickening power is here. Hallelujah! Who opened the Seals? Quickening power. Who reveal the mystery? Quickening power. Who make the Word, quick and sharp and powerful that is not some dead letter? It could divide asunder so in this place? Quickening power, the energizer himself. Yes, sir!

Lifting a people up in the faith. Nourishing and strengthen the faith, in faith children, because faith is the victory that overcometh the world. That's why he said possessing, overcoming, victorious faith, conquering faith, unshakable faith in the Third Exodus.

Moses is bringing his church into such a place. But they met the other man, from another influence, from another realm, who also is in the supernatural realm.

Watch verse 15; (Numbers 22) he was under temptation; he was going through a trial. In that late hour he had desire for popularity, in that late hour he had the desire for worldly attainment and achievements. In that hour he was willing to sell his gift and market his gift to the world in that hour. A man who had a measure of spiritual manifestation in his life, who by gift can approach God, who had access to God, who knew the correct way of approach to God. Watch and so in the time of temptations he resists to a degree. And sends back the messengers with the gift, but Satan don't give up because you win one round. And that's why a lot of people do get trap, short live victory is why they run all over the place I overcome the Devil. Praise God! So on and so on and so on. That is round of the fight. Is not a one round fight. And he knows he let you throw some punches in the first round, to see where your strengths are. To make you feel a sense of over confidence. And Balak studied him.

And now in verse 15 it say's, and he said unto him in verse 15 we read.

*Balak, sent yet again princes, more, and more honorable than they.*

*And they came to Balaam, and said to him, Thus saith Balak, the son of Zippor, Let nothing I pray thee, hinder thee from coming unto me:*

*For I will promote thee unto very great honour, and I will do whatsoever thou sayest unto me: come therefore, I pray thee, curse me this people.*

Here is an evil influence, a man is trying to get him on his side, under his influence and express his will through him. You catch that? He is trying to use gifts; he is trying to use material things to seduce the man. To bring him under his influence, so he could express his hate and his anger and his venom. Through that man against a people that he fell insecure about, a people he fell threaten by. How many who people are gullible, who are soft and compromising? How many people are easily seduce and accessible to temptation? Get themselves siding with influences that are bent on destroying the truth?

How many people get leered into a trap, only because they have a crave in they heart for things that is not there. And they are discontented with their portion in life. They lack god with contentment, which is great gain, and now they are beginning to trust in uncertain riches. And they are going to pierce the soul to many sorrows.

And is Balaam caught in that place; and he begin to say well, maybe God could kind of.... might be in this, who knows? Cause you know after all God did not plainly tell me something. And they are wrestling with their own thoughts and they are trying to quote the Word. But yet justify the desire at the same time; and they are caught living in two desires.

I want to pause to let you think a little bit because it's just coming out of me. I am hearing Him saying it, I'm hearing Him defining it; and placing it in a place. I was not going to read this, and something told me to read this. Look, where I have gone already. I'm speaking on the "Ministry of Angels". I am yielding to an influence an unseen influence. I don't know why I'm reading these things and saying these things.

But, I'm a channel of communication. I understand that now. You can't be in the message twenty years and have the Holy Ghost

and don't understand that. I don't have the Holy Ghost that just wants to dodge hell; I have an auction to teach me all things. I have a guide that is guiding me into all truth; to bring me into a place in the word, that says, that's what you are born for. You too, if you are elected.

Now, watch. They came unto Balaam and they said unto him,

*Thus saith Balak the son of Zippor, let nothing, I  
pray thee, hinder thee from coming unto me.*

Whow! He is speaking with authority; thus saith, Balak, let nothing hinder you from coming unto me.

*For I will promote thee unto very great honour.*

That is what Lucifer did in heaven. That is what he did in the Garden of Eden, you shall be as Gods. You will not surly died; he is breaking the unity that is what he did in heaven. He gave them promise of position and power in heaven. That's what he always does. Watch. Just keep your heart open don't get scared. You have nothing to be scared off if you walking with God, if you hungry for God you have nothing to be scared off.

And if you sin, get blood, there is a fountain open. And if you confess your sins, he is just and faithful to forgiven your sins. That's right. Now watch. I am trying to catch it right here.

*For I will promote thee unto very great honour,  
and I will do whatsoever thou sayest unto me: come  
therefore, I pray thee, curse me this people.*

*And Balaam answered and said unto the  
servants of Balak, if Balak would give me his house  
full of silver and gold, I cannot go beyond the word  
of the Lord my God, to do less or more.*

Say I tell you, "that man real stand for God, yes." Eve too, we shall surely died if we eat that. But he kept talking, he kept talking and it did not end there. And then finally she saw it was good for food. Finally, she saw it was a tree designed to make one wise.

So he starts off, give me the house full of gold; can't help me. I could only do what say. But watch the next verse now.

*Now therefore, I pray you, tarry ye also here this  
night, that I may know what the Lord will say unto  
me more.*

Satan found he did not have a true...a real revelation of God. Satan found the place where was not covered up. Satan found the

place where there was no evidence of a new birth; Satan found the place where he could halt between two opinions because he could not really sell out to that God. Satan found the place where this man only had mental faith. You found the place... he will find your place too. You can't bluff the Word, you can't bluff God, friends, you can't bluff the devil either. Because he knows when you bluffing, God... just like how the Urim and Thummim lights up to show you have faith to believe you are speaking the truth. The same way the devil has something, that when you are bluffing, that is his own self, coming back at him. He knows that's his own tactic, because bluff originates in him, because God doesn't bluff. It is he who has a bow and no arrow; not God, God have a quiver full of arrows. Like a sharp sword that comes out his mouth. My, so look. Let's go a little further. This man he's under real temptation here now, he is slipping away from the Word.

*And God came unto Balaam at night, and said unto him, if the men come to call thee, rise up, and go with them; but yet the word which I shall say unto thee, that shalt thou do.*

God doesn't tolerate... see how God doesn't tolerate things. That is not God, come to him, know how to go along with him, you know. That is God realizing I have already revealed truth to you, and you don't realize truth have a responsibility, you don't realize, I expect when truth is revealed to you, you should walk in obedience to truth and realize the value and privilege of having truth. You mean to say you playing around with the truth when the truth is already revealed to you? And you waiting for me, now, to give you something else, after I have expressed my will and made it clear and plain to you? Well I see what you want. You have shown me what your desire is. What your real desire is, that you don't have that love for the truth. So now, you need a strong delusion to believe the lie and be dammed by it.

And God came to him and say, 'ok, since you want your desire more than the revealed word. Since you feel like God is dealing with you different and have one plan for everybody and one special plan for you, to do what you want, go ahead, walk and live in that thing.' Because it's like you don't want Christ to be your head. So you go ahead. God is giving the man his own desire because God expected of the man to...because if he had revelation,

he would know, this man want to curse God people. He should say, ‘what you trying to involve me in, to begin with?’ ‘Let me hear what you doing for the kingdom of God. Let me hear you want to destroy Moses, let me hear you want to destroy the church of God, let me hear you coming against he people of God. You aren’t afraid of the pillar of fire, you haven’t heard what happen in Egypt; you ain’t hear what happen here. And then you have your evil plan to seduce me and make me accomplice. If you don’t love God, I love God.’

That is the way the man should act. But man playing around people; want to curse God people. That is why compromises get in trouble with God, that is were people walking in the realm of the flesh and just religious in their mind; puff up in their vain mind, are missing the real calling. That is people sitting down, fail to look at the word and the plan of God, because they are so self-centered; they can’t realize God has a plan; God has people. God carries out his plan and that’s God people; that’s God servant; that’s God promise; that’s God among them and God bringing to pass...

He say, ‘you watching; you ain’t see the pillar of fire in the camp; you ain’t see the brass servant; you ain’t see the smitten rock. You ain’t see manner falling everyday; you ain’t see a slain lamb. You mean, you, bypass all them and telling me look what I have here, look what this one do.’ He says, ‘no, no, after all He was trying to show me that. Remember God showing me, look, it’s God with them.’ You see people do not want that. People think they could serve God and don’t live there. If you are not living there, you are not serving God, you are going to church because, and God calls you to reflect him. Serving God is not, being among God people or doing things that look like God, you know. Serving God is, to become a reflector of the God Himself. So you have to reflect he word, you have to reflect who God is. That is why he gave you his own nature; that’s why he gave you his own life, that’s why, you can’t be a Christian if you don’t have his life. And you have to die to your life first to get his life. Is that right? It’s the Word.

I’m speaking on “The Ministry of Angels.” Still reading my scriptures and watch. And God says, ‘go and do.’

*And Balaam rose up in the morning, and saddled his ass, and went with the princes of Moab.*

Now, he is unequally yoked, now, he is in false union already. Now he is checking what he is going to do: 'I wonder about this promotion; I wonder how high they will promote me; I wonder what my jurisdiction is going to be.' 'I wonder about this new office and the purpose that go with it; I wonder now, what kind of respect and honour I'm going to get, by begin able to have all this privilege entrusted in me.' 'And I tell you, is a good thing I perseverant yes, if I persist not even God could have stopped me.' 'You know, like God was trying to stop me when I was being perseverance and I'll even get God to change his mind. I tell you, you better have rugged faith in this hour.' Some people could live the lie real good and twist the word real bad. But watch; he is going.

*And God's anger was kindled because he went:*

And God's anger was kindled. Why? Because he went. When God said, 'go', you should have said, Lord I am sorry for thinking that. I know you saying go... you are saying go because you want to show me how far I have gone under that influence already. You get that? I hope you are catching, in the sense of, to walk deep with God. I hope this not getting you scared, but stimulating the desire to say, Lord. That's a consciousness, and that's a consciousness where I have to look in my own self and see where my desire is. And to see my foundations I have build upon, can I be pushed this way, can I be pulled this way? Do I have a crack in my foundation; am I easily moved when I'm under a little pressure, can I be exploited; and be manipulated because I'm gullible; and can't tell big high people lay off of me. Give me my operating space, I contended right here.

Pressure moves a lot of people out of the will and plan of God. Pressure moves people into false union. And they say pressure does burst pipes. You better have something to keep a repellent, to keep pressure out of your mind. Because, this is the age of pressure, you better have a place to let off pressure. You have family pressure; husband pressure; wife pressure; job pressure; church pressure; school pressure; peer pressure, there are all kinds of pressure. There is blood pressure, high blood pressure. But the eagle is pressurized. The astronauts have pressurize in the zero

hour, astronaut faith, brother, they are in a pressurize suit. Because, where they are going they better be pressurize to keep pressure out.

We are following a man under temptation. We are following the warfare in the man's mind and the thing's that war against the man soul. We are looking in there and we are seeing, God watching the man under trial, read over here, 'if you don't obey the voice of the Angel.' But we see, a man finding it hard to obey the voice of the Angel. And he's not begin kept in the way any more, he is begin pressured to go another way, because the same Angel was talking to that man too. Are you seeing that? He does not believe the God like Jannes and Jabreess, he believes in one God. He had the same sacrifice like Moses. But you see, it is not your mental faith, it's not the intellectual realm begin fundamental. You need revelation; you need God in the control tower. This man is having spiritual experience; this man is having manifestation of spirits in his life, God is talking to him, in vision.

This man is operating in a measure of the supernatural and people look at this man as being great. But watch, how God is looking at this man heart. How many know all scriptures is given by inspiration? How many know the correction, instruction for righteousness profitable for doctrine. That the man of God may torridly furnished unto all good works. How many knows that?

*And God's anger was kindled because he went:*

Not the people he was going with. God! The fellowship begins to get interrupted because of his desire. God realizes this man could sell out; God realizes this man could deviate. God realizes this man could be pressured and easily influenced; God is realizing this man wants a kingdom here on earth. Instead of walking with God who have a greater kingdom.

God realizes that this man is not like Moses who was willing to take the information from the Logos, the Angel of God. Who would do anything to follow that Angel, for that Angel to keep him in the way? This man could reason and argue with the Angel, and this man, while he is arguing with the Angel, is trying to be compatible and nice and respond favorable to an earthly king. Watch yourself under the light of the word; watch yourself in circumstance. Watch yourself and see. Order my steps in thy word, oh God. Nearer my God to thee. Angels do beckon me.

Were you could walk Lord... Ministry of Angels we are talking about.

This Angel could take this man exactly into the fulfilling of all his potential, where he could be a blessing, where he could be contented. He is caught there in a place of decision and testing, and tied him there. And he is taking a side against the truth, the greatest mistake he could make in his life. Like Judas, thinking he is being smart, because Jesus always walks away from the crowd. If they come to a rest, He'll go right through the crowd, they can't find him, and he's gone. They try to throw him over the cliff. He goes through them. Ha says, 'man these Pharisees are a bunch of suckers; easy change, I will make some easy change of them. I will show them Him, and from the time they go to arrest Him, He gone. And I keep my part of the bargain, because they can't claim back the money.' See he was always seeing a way to increase earnings.

Even at playing politics with the Word, because W is not a thing to reverence. The Word is not a blessing to have - this great revelation of the Son of Man. He is not following close, to know what the Son of Man was preaching - He would be delivered into the hands of sinful men, he'll die. He's not following those things; he is enjoying a place of authority and influence in the message of the hour. Same like this man here,

*And God's anger was kindled because he went:  
and the Angel of the Lord stood in the way for an  
adversary against him.*

But God, had just now said, I would be an enemy to your enemies. Now, instead of that, God has become the adversary to the man!

*Now he was riding upon his ass, and his two  
servants were with him.*

*And the ass saw the Angel of the Lord standing  
in the way.*

The ass gets conscious of the unseen world. The ass brakes into the realm of the supernatural and begins to see in two (2) realms and two (2) worlds. And the prophet so blind, one minute he talking to God here. Got up one morning and speeding going after the lust of the flesh and the pride of life and the lust of the world. Headlong in a speed and now God yet is his adversary and he can't see

that. He can't see what happening to him present tense. He could remember spiritual experience he had in the past but he can't see present tense. That's the trouble with a lot of people today, they can't see present in their life. They out of the will of God at present headlong bond up in chains, exploited and manipulated, miss lead and they unconscious of that. That was the state of the man.

*And the ass saw the Angel of the Lord standing in the way; and his the sword drawn in his hand:*

The ass realizes he has no palm in his hand; he has no open book in his hand. He has no seal of God in his hand; it's a shape sword in his hand. Revelation 10:1, he have an open book in his hand; Revelation 7:2, he have a seal of God in his hand; Revelation 1 he has seven stars in his hand. Here he stands in the way and he unsheathes the sword. Like David when he saw the Angel with the sword drawn. You know what David do? He went and make an atonement quick and the Angel sheik backs the sword. Is that right? Why? Cause David went numbering the people too in the flesh, looking for popularity. Having a lot of friends in this world but making enemies in the next world, because you don't walk there. You know why? Because the message dose not have the result and effect it suppose to have on you.

Satan traps a lot of people in a mental realm of Christianity. Making them think they having fellowship with God in the Holy of Holies. This time they feast is not holding out, they in the outer court, they in the second court with a little information about the candlestick and the shewbread and these things. But then there is no real fellowship with God where the veil of self-will has been render, and where the veil had shot the world out. And they shot in the present of God.

'Kinda' taking long with this man; I went through Moses so fast. I have nothing behind this so I'm just trying to go as he puts it in my mouth.

*...and the ass turned aside out of the way, and went into the field: and Balaam smote the ass, to turn her into the way.*

*But the Angel of the LORD stood in a path of the vineyards, a wall being on this side, and a wall on that side.*

*And when the ass saw the Angel of the LORD, she thrust herself unto the wall, and crushed Balaam's foot against the wall: and he smote her again.*

Is like what is the matter with you? Want Balaam...Balak to give somebody else your appointment. It have other men buying for this position according to what these men say. If I don't get there on time I could lose out on this thing here, what is the matter with you at all? You slowing down, I try giving you water, I give you rest when the night come, I give you good food even a nice shelter last night. And this morning you going slow, slow, slow. I check your huff nothing wrong with your feet. I expect to make so much mileage per the hour. I suppose to get there at a certain time and you slowing me down here. What is the matter with you?"

By that time the ass get sensitive, the unseen world open up. Angelic beings the ass begin to see, drawn sword, eyes like a flame of fire and feet like fine brass. And that Angel let its countenance shine like the sun in its full strength. The ass says, "you could bet me how much you want, there'll be somebody more crazier than me to go in there. If I was a horse I still not going, if I was an elephant I was not going. I'd rather you beat me and kill me here because to deal with you easier, than to deal with that what I see standing there."

'You maybe have no fear of God, you maybe a big puff up, stuff shirt, want to carry about themselves like if you are somebody. He says that is you; I am a little old donkey. Amen. I come out off a little old family, and I brother, I want to live. I don't want to die because that man is not looking friendly at all.' Let me tell you something, the men of Balak seduces him and pressures him in a way that he could not pressure the donkey. The donkey had more resisting power than he did to the will of God. Eh! He says, 'what did, you say you have spiritual experience, ministry, God calls you, seeing deep things and God talks to you.' The donkey, a type of the unbeliever. But, it's original, it's not a mule, it could be redeem according to Exodus chapter 13. Is that right? Cause it original, it is not hybrid. And he on the donkey back was already hybrid and seduced. Is that right?

The donkey says, "I see you go in with your head long, they pressure you. You not seeing all this." He say, "I see you come out

laughing with them, all of you making toast, all of you knocking glasses and talking; cheers to prosperity and good health.” He say, “and you not seeing this here.” He starts to beat the donkey; he could not make the donkey move. I tell you.

*And the Angel of the LORD went further, and stood in a narrow place.*

You catch that? First he was here, then he start to beat the donkey and tell him, you don’t want to go so, well go so. I am making a detour but we have to go on anyhow causes I am not stopping it have light and I want to travel. So he starts to go on and the Angel goes over here and blocks him here. He starts to beat the donkey, it goes to a next place, and the Angel comes over here with the sword still.

People does get a lot of roadblocks in their life, God blocks them, the thing in the bank hasn’t work out. You try to go up to that place, God blocks you, that haven’t work out neither. You want to go down there, God block you that ain’t work out neither. But you are drunk with prestige, you get drunk with power, you get drunk with ambition and you are so grip by the lust for things; you can’t see. And God, still angry and blocking everywhere.

*And the Angel of the Lord went further, and stood in a narrow place, where was no way to turn either to the right hand or to the left.*

Cause he was trying to negotiate all kind of different things. But this hasn’t work out yet, he run down here, I know a man with a ‘sue sue’ hand; but that ain’t work. Well I know this over here, I know my auntie. Take away that thing and make it a mortgage, we will carry it in the bank. I’ll try to pressure her, I putting pressure on her. But I hope do it the last time, I reproach it, I do that for you one time. Look at my health today and he would always come back and help me. Help, head strong, self-will.

What Peter say’s in II Peter 2, he said the madness of the prophet, self-will and eyes full of adultery and the dumb ass spoke. And Peter said, “and many,” I am quoting that because I am going to get there just now. Cause when you get in the New Testament I want to show you Peter was walking with an Angel too. The same Angel that came in the prison, same Angel that took him out, same Angel that came down on the rooftop revealing the vision. The same Angel that send the Holy Spirit down, the same Angel that

told Cornelius go for him in the house of Symutanar??? Peter used to walk there too like Moses and he had men in the way of Balaam. As his counterparts, just like Moses walk in there with the Angel going to the promise in that hour. And have his counterpart Balaam, living in the realm of human begins, in the stream of humans. Up here we are anointed with Angels, below here is fallen Angels, demon spirits. We walk here in this world in these three dimensions influence coming from somewhere. We are reflecting something. Satan transforming Angels as ministers of light.

But Michael have Angels who will catch the word, who could blow the trumpet in Zion. Who could take the sword of the spirit and lead the church forward. Paul said I fought with beast at Ephesus. Is that right?

We wrestle against flesh and blood, principalities and power, the rulers of darkness of this world. Who was he wrestling with? the rulers of darkness. Balak, king of a kingdom; a principality, a power. Who had a jurisdiction, who had a throne, who had dominion? Am I making sense to you? Can you catch the Word? That's Old Testament.

Paul and them is the new testament prophet come back in this day. Walking here in that realm. And here is Billy Graham and Oral Roberts and they walking in the same streams of humans, going into the meetings together, and going into the cities together. Challenge coming in there, Billy Graham takes off. Come back to the church like if nothing has happened. Oral Roberts went to Australia, they run him out as a fake. Trying to get people to touch radio and post, playing they have a gift in the hand too.

Prophet went into India and challenged every devil. He went to Africa challenged every devil. Men were rising to impersonate, like Jannes and Jambres didn't know where those things were coming from. But the man was saying, Moses was foretold by prophecy four hundred years before, born for a purpose. Pillar of fire come down, quicken power hunting the seed out. Quicken showing it's place in the Bible, reveal it's calling, anointed him and commissioned him and send him with a ministry where he never has to run from nobody. You get what I am talking about? Where do you live your Christianity?

Some people think 'all of us are the same thing.' 'All of us trying, struggling'. Let me tell you, if that is so, God defeats his

purpose. God said, in this hour this message would bring sons into manifestation. He say wait until them sons of God catch the mysteries of unveiling the church, were the carcass is there would the eagles be gathered together. Angel of the Lord following the prophet message where to find them at harvest time, who could blow the trumpet, the ministry of Sword of the Lord. Show them how they could bring a burnt offering.

Oh, I am going slow; maybe I'm going a little to slow. But I trying to hold you in a type, cause the first Exodus is a typing this age. Because I want to get you after wards in II Kings, where Elijah and Elisha is a type of this age too. And where one was conscious of the unseen world begin lead and the other one could not see.

And he said Lord open the boy's eyes. Just like Balaam could not see. If you were like a prophet, like Moses again if we were in the time of Elijah and Elisha again. That's a type of the second Exodus. Jesus was a prophet like unto Moses; Elijah was a type of Christ, Elisha was a type of the church. Peter and them walked in the same realm. He say's look many have gone in the way of Balaam, but we like in the way of Moses. Is that right?

Angels take him out of prison, Angel met Paul on the ship, and Angel takes Phillip to Samaria. Is that the Bible? (Congregation says Amen) Angelic beings; ministers carrying the message of the hour. They were message ministers, they were not Sadducees and Pharisees, and they were message ministers. Angels came to shepherds, message ministers. That's why we have too much message minister's today that don't know they right hand from they left hand. Walking in the humanistic realm doesn't have a clue who God is. Thinking is about learning, learning this and learning that. Ever learning and never able to come to the knowledge of the truth. What is the use have all that learning and no unction from the Holy One to teach you all things, to give you the utterance. What is the use learn all that and then you have to unlearn it afterwards, because it wrong. And don't have the guide to guide you into all truth. Why? Some people trying to learn, but the other one is the guide coming to guide you. Is the unction teaching it to you, the other one trying to learn it?

That's why the letter killeth. Word without the spirit just makes you a Jew outwardly, makes you serve God after the oldness of the

letter, can't give faith. But he said, able ministers of the New Testament who minister not the letter because the letter killeth; but the spirit giveth life. Watch, this man was unconscious of the unseen world when he was making his most disastrous mistake, when his mind was in chains of the seducer. His mind; he was going straight to his destruction, because he was being lead out of the way into error to come against God.

Didn't the Bible say in the last days men will give heed to seducing spirits? And they would turn away from the truth and would give heed unto fables. Then they would have doctrine of devils. Did he went and get that doctrine of false union to hybridize the church after. Is that a type of this Exodus? Was that a type of the second Exodus? Did they look back in the first Exodus and saw some of them got in the way of Balaam, the error of Balaam and the doctrine of Balaam.

Peter says the way of Balaam; Jude says the error of Balaam; John says the doctrine of Balaam. It kept going deeper and deeper, why? Because that same spirit was here, same thing comes back in this day. You know what Balaamism is, a corrupt form of worship. Eating things sacrifice to idols, things that puff up the mind of man, putting they confidence in flesh. Make them just go out to make a show, make a market for their gift.

Where man could be a prisoner to the word, where man could be in subjection to the truth. They want to submit; when he suppose to be submitting to God, he is going to submit to a seducer, who misleading him; some people so spiritual. Look at the long-suffering of God. God went this way; went that way and then another way. Then a narrow place, where he can't turn neither left nor right, God went there now. Thinking now the man would come out.

*And when the ass saw the Angel of the LORD,  
she fell down under Balaam: and Balaam's anger  
was kindled, and he smote the ass with a staff.*

*And the Lord opened the mouth of the ass, and  
she said unto Balaam, What have I done unto thee,  
that thou hast smitten me these three times?*

“You beating me, beating me, beating me. You can't see the Angel? I try to tell you something about the unseen realm. You can't see the unseen realm? You are a man who say you know the

unseen realm, you does get thing form the unseen realm, I try to tell you watch the unseen realm."

*And Balaam said unto the ass, Because you have mocked me.*

The man isn't conscious, he and a donkey fellowship now, talking. (Congregation laughs) You think blindness is an easy thing. What was bringing that blindness? Obsession, obsession, obsession. His mind was captured, it showed how seduce he was seduced by Balak. Balak messengers, that's not what it says? Preach him into a place where he is blind. Preach him right out off alignment with God, where he becomes blind to the very God now. Because the day you take man for your leader that's the day you die. How many know that's a quote? 'Leadership'. You say well we following a man, you is a man Bro. Vin.

Man who not talking the Word is man? Man who have the Word is God. Because the man who have the word is not talking his own word. How do you know? Every true believer does know the difference between the letter and the spirit. The spirit opens the word, the spirit breaks the word, unveils him and applies the word in your life and breaks the power expose your sin. When the Holy Ghost is come it would bring back things into remembrance, teach us all things, and show us things to come. He would convict you of sin; he would reprove you of righteousness and bring judgement to this world. He will not speak of himself, he shall think with your mind and show unto you that's the purpose of the Holy Ghost coming. And the purpose manifested is the evidence that it is the Holy Spirit. And the spirit speaks through the Bride and that's the final voice for the final age. That's right!

*I would there were a sword in mine hand, for now would I kill thee.*

He had so much of rage now. He say, wish I had a stick, I hit you three times, and you still stubborn. He says, if it was a sword you would be a dead bleeding donkey here already. He wanted the sword in his hand; the Angel had the sword in his hand. What he wants to do the donkey, is what the Angel did not do for him. You see how man judgment comes out of there own mouth.

How many know Joshua and they killed with the sword? Numbers 31; read it. Joshua and them killed Balaam with the sword. That's right.

*And the ass said unto Balaam, Am not I thine ass, upon which thou hast ridden ever since I was thine unto this day?*

Remember I am a roll on roll off. You import me, from where you brought me. They deliver me to your door. I come licensed, insured; I never broke down on the road for you. And this is how you treating me. Treat your transport better than that would you. God has some of your cars talking to you, he has your maxi talking to you many times and you can't see him. Oh. My, Jesus help me! I'm a poor minister; I don't know why this happens to me.

*...was I ever (accustomed) to do so unto thee?*

*And he said, Nay.*

*Then the LORD opened the eyes of Balaam,*  
Lord open his eyes like he open Gehazi eyes.

*Then the LORD opened the eyes of Balaam,*  
And I trust he will open your eyes too.

*...and he saw the Angel of the Lord standing in the way, and his sword drawn in his hand: and he bowed down his head, and fell flat on his face.*

*And the Angel of the LORD said unto him,*  
*Wherefore hast thou smitten thine ass these three times?*

That Angel was checking every time he was doing that. Every time he start to curse, every time he get vex and full of anger, the Angel was making it down, recording every bit of his stubbornness and his self-will. Because the Angel knows how many times he block him and give him a roadblock, but he is harden. Talk to you, you rebellious; talks to you, you're rebellious, you're harden. You are going straight to your destruction. Watch. Some people don't want the will of God friends. God have mercy!

*And the Angel of the Lord said unto him,*  
*Wherefore hast thou smitten thine ass these three times? Behold, I went out to withstand thee, because thy way is perverse before me:*

I wonder if some of you could see that Angel with that sword this morning saying, 'Thy way is perverse before me because I find you this morning not walking in my will'. I find you this morning self-will, pressured by man, pressured out of the way of God, seduce, manipulated, and exploited. Want to go headlong after

your own lustful desire and ambition. I find your way perverse before me.

*And the ass saw me, and turned from me these three times: unless she had turned from me, surely now also I had slain thee, and saved her alive.*

Your car would have come back; you might have gone flying through the windshield. Land in some ditch, pop your neck, hang up on somebody fence to dry out. And somebody just push your car back out of the ditch, push out the dent and send it back on the road. God said I would have saved the ass and kill you. Is it in your Bible so too? I thought I read something wrong. Some of you like you have seen a ghost. Maybe is the Holy Ghost you see?

*And Balaam said unto the Angel of the LORD, I have sinned; for I knew not that thou stoodest in the way against me:*

Oh God! Your Angel is to keep you in the way and to hearken his voice and to obey his voice and not to provoke him. Because he sent to bring you into the place where you ordained to go. And you let a man pressure you seduce you take you different places. And then these kinds of momentarily repentance like Ahab and them. Make a small repentance and walk softly, tip toe and when you fell the kind of conviction gone you gone right back into what you use to do again. Because he went on and curse the people after still.

Get a conviction in a church service, run up by the altar here, and pray for. And by the time you go out the door and somebody say, ‘what you doing? Let us move nah.’ ‘Oh gosh, I don’t want to go this afternoon.’ ‘What happen to you, you soft oh what. You know you want to go,’ ‘yeah best I go.’ See get talk out of the will of God again.

Children let me tell you something’s; you might please man in this realm because this is what you seeing. You are looking for this. What I am trying to open and show you here because of people insensitive and their level of awareness is not raised up where they become conscious of the realization that there is another world here. They live anyhow.

But this is a message this morning designed to make you more sensitive and to raise your level of awareness, to make you conscious of the unseen world. And to get your mind a little more focus as to where the real blessings come from and what real faith

is. Cause faith, we walk not by sight but by faith. Faith doesn't look to the temporal things, things that are seen; faith looks to the things that are not seen.

That was the message I was born under, that was the message I was called under. Looking to the unseen. Who knew me in the world, I had a cap named reach out. Who understand when God called me is when the astronauts land on the moon and the same was lifted off the earth? It stuck me; earth is a planet in space. All that was necessary, I don't want to go into myself. I don't say. I want to just preach the word.

I am trying to show you that here in this hour a man way is perverse before God. God wants to kill him; he is out of the will of God. But he is only watching supernatural... the one or two supernatural manifestation he has in his life. But ain't see what kind of fruit it bearing. But the tree is known by the fruit and a good tree cannot bring forth corrupt fruit. And a corrupt tree cannot bring forth good fruit.

And this hour there is a fruit of a perfect faith coming forth off a church that is conscious, that through the Baptism of the Holy Spirit the new birth, it have made them candidates of the supernatural. It have put them in association with the unseen world because in the Alpha everything that you read. Now let me get down to some of these things here now. Everything that you read in this Bible, you examine the scriptures closely from Genesis all the way to Revelation. Wherever there was supernatural manifestation in the Bible, where there was get acts of faith, whenever there was supernatural works route it was because that people was conscious of the unseen realm. Because nothing was done outside it came from the unseen realm.

Whether it was Abraham who had faith to receive a promise because it was an Angel who called him out. An Angel revealed himself to him, an Angel appear to him, an Angel revealed mysteries of circumcision, mystery of justification, mystery of the time and season when the Son coming. Angels open the mystery of the Bible saying he would command his household. Angel reveal to him when the destruction of the world coming. Angels hold his hand from slaying his Son. Angels gave him a promise your seed shall possess the gates of the enemy.

What it was Jacob at Bethel, his first experience with God that was, seeing Angels ascending and descending a ladder, God on top and man at the bottom. He say, "this is the gate to heaven surely the presence of the Lord is in this place."

And on Moses, Angels appear to Moses. God said, I send my Angels to keep you in the way. Angel came to Gideon in the Bible; Angel came to Joshua to take the people into the inheritance. Angel came to Daniel in Babylon, Angel came to Elijah gave him cakes; take away frustration; calm his nerves; refocus his vision and send him off to finish his work without complaining. Angels was with Elisha, Angels were with David. Whether it was in the New Testament, Jesus Angel ministered to him after his temptation. Angels in Gethsemane before he went. He fought the dragon; Angels strengthen him.

Angels were with Peter, Angels were with Phillip, Angels were with Paul and when it come back to the apostolic age before it had an apostolic age, Angels come back to a prophet, open the Bible; and begin to show him his strange life. When it came to opening the Seven Seal to a call out Bride, to get her in for the rapturing faith. To set her in order, to come back to invisible union. Angels from heaven came to open Seven Seals. Is that right?

Nothing in the Bible, the whole of Hebrews eleven (11) by faith, Abel had faith, this one Angels, Moses, Joshua and Rahab received Angels. There was men under Joshua commissioned, commissioned by the destroying Angel himself. The head Angel for the age, their were ministers under him. He could send them like Elisah get a vial of oil and say go on now Jehu. It was the administration office of God, men in a position; God gave them helpers for them to understand the measure of work God has called them to do, in the place where God has placed them. Whether it was (healing), Angel came down on the pool. The brass serpent, the prophet say, 'the brass serpent never heal nobody'. That is when you have a symbol like some brass that man take and make and beat out into a shape of a serpent put it on a natural pole. But is the Angel of healing Jehovah Rapha, Rapha the Lord healeth thee of all thy disease. The one before the foundation of the world who was the healer when there was not even a sick man.

But that he would make his attributes known, he had to let man fall and sickness come to show who he is and what he is. Whether

it was miracles to open the Red Sea and command the nature and move the storm back. The Angel say, ‘I am Jehovah, who calms the waters, speak to the blizzard.’ Is that right? Whether it was revelation, Angel came to Daniel and open the book, Angel came to Paul and open the book, Angel came to Malachi 4 and open the book, Angel came back and open the second fold, whether you could received it or not. Angels! Angels in the pulpit this morning, if you have discernment. You say brother what are you saying? I believe what a Prophet said, I don’t listen to a man I believe what a Prophet says, he said this is Uniting Times and Signs, this is the age of Invisible Union, this is the time, Super-Sign, The Oneness. This when the bride is called out of the Laodicean age and brought up to the intelligence where the mind of Christ settles in that; the secret in the back part of God’s mind is put in the hearts of the Bride, where she has a mouth....like the learn, and she can open the Word and reveal the mystery. That right.

Whether it was deliverance Angel came down there praising and take Peter out, Angel came to the boat in the storm and say, ‘fear not, no man’s life shall be lost.’ Whether it was resurrection, Angel was standing there, why seek thee the living among the dead. Amen! He’s not here; mighty Angel came and rolled the stone back. Angel, Michael the voice of the Arch Angel was bringing them the resurrection, Angels. Healing, deliverance, revelations, miracles, exploits of faith, manifestation of the spirit, gifts of the spirit; Angels. Where do we live then? There is an unconsciousness; there is a lack of awareness. How many ever talk to somebody on a telephone from over seas? You’re afraid to lift your hands? Is not a trial, its just a little question? See how people get paranoid? Yet if I ask if they have the Holy Ghost, yes they have the Holy Ghost. How some people afraid, and terrify, and they know the Word. How the Holy Spirit gets establish, settle, rooted, grounded, edify, stimulated under the Word. Cause the Holy Ghost feed on the Word and especially when the Holy Ghost was opening the Word.

I am trying to show you; you speak to your friends so many times. You dial the number, you don’t care how far it is, you believe in your channel of communication, and you could call them at any part in the world. You don’t care whether it is night or day or yesterday or tomorrow. You know you could get on that

telephone there, dial them, and call them, and right there they pick up that phone, you don't have to ask, 'who am I speaking to?' Unless your discernment not functioning clear, you kind of confuse with the voice and your retrieval system on the inside can't locate which voice is that in your index. You can't say, 'whom am I speaking to?' He says, 'no is I speaking'. You say, 'but how your voice sound different'. He say, 'I kind of have the cold', some of you will say, 'are you sleeping', 'did I wake you up'? Cause you could tell how the voice sound, when a voice coming from sleep to wake. A change in dimensions, breaking the sound barrier to come back and you are talking to them and you say 'yes it's me,' 'say yes it's me, and you say, 'girl that thing you ask me for I just located it, it had a sale and I went down there and got it, send it Fed Ex it for you. You suppose to get it tomorrow here is your bill number, you could track it, it suppose to arrive right at your door, I enquired, it all set'. You start to shout Praise God, Hallelujah. You rejoice. Why?

The wedding coming up and the dress coming down, just the size, just the colour you want. Already taken care off, if its going to the Post office, you say 'ok,' I am going out there with my I.D. card, and say 'there is a parcel laying here for me from the States; sender so and so and so, I come to take it out. So what it's going to cost to get it out? They say, 'no this already paid for, there is no change on this, go ahead you have it'; you go rejoicing. Why? That's an economy, you live in a world that you are birthed into, that there is an administration over an economy and because you are a part of that nation you are a citizen in that country, then all the goods that comes into that country clears the customs, goes to the postal services, goes to the courier services and is delivered to the people once it is correctly addressed and you have the I.D. to show it belongs to you. It is a system, you do it every day and the sender you can talk to the sender, you have conversation with the sender, you have fellowship with the sender, when you put in your request you say, 'I ain't want no short dress, it must be a long dress, and I ain't want the neck too low, and I prefer this colour, if you don't get that colour, bring this colour and I want this kind of material.

And you being specific when you pray and you being exact in making your request known and because you know the voice of the

person, you aren't seeing their face. You getting me! The person invisible to you, you and the person in two different worlds, two different places but you have a channel of communication and your faith is being anointed, your expectation is being anointed, that the things that you requesting is coming. Sometimes storm holds up the courier service, the plane get grounded in Puerto Rico, because a big storm, it can't come, it have to abort the direct flight and take a detour, sometimes they run into some kind of turbulence in the sky that ground the plane. Like when the Angel was coming to Daniel with the message. Amen! It gets some resistance, it get some blockage. Amen! But the thing is already delivered, signed by the sender, it send express, special delivery. Amen! And the courier who bringing the message, he knows the one to who the thing is address, he knows where he is, he knows where to find him but sometimes they get a little problem in coming through. Amen! But the people who know who they talk to, who know the kind of connection, and the loyalty, and the relationship, and what the fellowship, and the trust is based upon, they could wait even though it don't come in the time it anticipated. It doesn't shake them up in the mind. My!

And you commune, but you know that is a way you use to commune with before, but now because of scientist, who decide, that isn't the ultimate and you not going to stay talking to people and you only hearing their voice, is time to see some image. Science break into another realm and they come now with internet and video conferencing and all these things you could see who you talking to, you could see the image of the voice. The prophet say, I here the voice in the tree, I hear the voice by the river, but when I was in the cave, he saw the image, I saw the man know. I want to listen to that voice alone now, I was talking to the person face to face and it was the same one I use to talk to. But since God raised me up from a little seven-year-old boy when I was a sinner and I could only get communication that way and I have the new birth now he could come to me in this kind of realm, now he could open the Word and bring me to a place, not just seeing him, but he could step into me, and even use my voice, to say and do what he wants done. My!

Science in the development of their world, in the evolution of their Eden for there citizens and for the delegates of their kingdom.

Science have scientist who is working to lift up the life of the people in their kingdom to a higher level, and we see the evolution of the communication system, we see the evolution of the transportation system; we see how it kept coming higher and higher.

In the same way God who is the citizen of this kingdom, the delegates of the city four square. God did lead the church at justification, God lead the church at sanctification, God did lead the church in the restoration of the gifts, bring the church up into a place where they are face to face, in a oneness, in a holy union, in this hour under the message ministered by Angels. And so, science provides something better for you to speak to your friend, who in previous time was invisible to you. God open up mysteries to the church, who in previous times these things were shut up, but now since it opened an entrance to be ministered by a new and living way, to bring them into these unfailing realities of the living God; and know the Bible has become a road map to the power of God; and faith brings you the power. Where the power can produce a promise in your life; and the guide to keep you in the way as you travel the road of faith, brings you to the power of God, the seal of paradox.

The people who live shut up, where they have nervous breakdown, where they can't enjoy their peace. Now they could step into the scripture and say, "Satan I ain't fighting you out there, I fighting you inside here, I have a peace that passeth all understanding, the God of peace is bruising you under my feet, Right now! Because I recognize you at your tricks, I am not ignorant to your devices no more and the Word is mighty to the pulling down of strongholds, where I can bring every thought into captivity to the obedience of Christ." Are you walking in that kind of victory? Are you preserving, is those places open to you? Is your heart craving to live there, or you contented to ride the bicycle the rest of your life and God wants to make you an astronaut under this message? To live in the achievement of the age.

But how can you get there. When you think is man bringing the Word, when you think is man building something. How can you live there. When you don't have the discernment of whom is talking to you? How can you live there, when brother he already

seduced and manipulate some of you. How can you live there. When he wants to bring you to the place where you can understand you are born into the earth for a purpose. And your birth, you come into your earthly journey, and I intercepted you before you could come to the grave and open up to you the unseen world because I must do that, to let you know I am Jehovah Jireh, I AM the I AM that I AM. I Am the Angel who could change your name. Jacob he needed a new walk. You get that? He needed strength to face the challenge that was before him, he needed to lay aside his selfishness, and his self centeredness, he needed some self crucifixion in his life, he needed to make some confession and he came into it, because he got a hold of an Angel. An Angel who could of pardon his confessions, an Angel who redeem, he says, the Angel who redeem me is what he says. You said but brother, I believe in Angels, but I don't see them, cause I don't think about them. Every time you talking on the telephone you don't see the person you talking to. That is why I gave you the little illustration just now. You know it by the voice, yet when that same unseen became the visible one, speaks and the voice reigns in your heart. You, you say my mind told me because you don't have enough faith to say the Angel spoke to me. You, you don't have enough spiritual awareness to understand you have a receiving set like a television, to catch the unseen meter waves and manifest it visible in this realm, because the fourth dimension, which proves there are images and voices here, its testimony there is another world right here, where there are Angelic beings.

We read that Moses, in that hour was under the leadership of an Angel, we read that Balaam also was under the leadership of that Angel, but then he went away from that Angel, he got seduced by men; and people; and then the Angel went out to kill him, because the men he was under, the headship he was under now, was trying to destroy the very work of God that the Angel was bringing out to place in the inheritance. Over these last thirty-six (36) years, God took the earthly Angel away, but the Lord himself does all three things and the Angel of the Lord is on the earth fixing things, it is He who stop the war, is He hold the wars, is He let the wings loose, to blow up the World Trade Center and hold it back again. Is He, while that is happening there He drops over inside of here and begins to open the scriptures. Just like He holds the war and drop

over there to a young boy and begin to open the scriptures and begin to tell him things and show him visions.

It seem in the time of depression and economic crisis, the Angels send visions in the political realm, where he begin to understand what was happening in Germany, what happening in Russia, what happening in America, what happening in Rome, Italy, what is going to happen in the last days, what is going to happen to the United States. In times of depression where the economy is wounded and shaken. Oh my! It's all coming to you this morning! You know you read all them things. But that's why you need all them things. But that's why you need preaching, that's why you could get under the atmosphere of the Holy Spirit because when God comes He takes them things, the same things you hear. It lift you up to see what He's talking about because you read all over it and you can't pray because there is not enough Holy Ghost inside of you.

You have a justified state and a sanctified state. You just can't seem to, your mind can't set focus to perceive how the economy of God is set up. You could relate to when you want your mail to go in the post office, when you want your money to go in the bank, when you want security and protection you go to the police service, you could relate to the natural economy, when fire comes you call the fire ambulance, when sickness comes you call the E.H.S. (*Emergency Health Service*) You could relate to the economy and administration of the physical world you are born into, and you trust, and you believe the Angels were over the fire, the Angels was over the water, and the Angels over the sickness. And yet you don't even realize, and the invisible things were made to be understood by the things that are seen. And that Satan has no original, he only perverts and impersonates what God have.

And so you claim to be a Christian and in the economy of God, you can't relate, you can't recognize, you unsure. Yet you don't walk into the doctor office, all you do is see a sign mark there, chiropractor, surgeon, you know eye specialist for something. And you don't walk in and say, bring out your resumé, let me see before you touch me. No, no, no, you don't do that, somebody told you go there, and so you go there. Somebody carry you and you go there, you go there, and you sit down, and you talk when he ask you a question. And he looks, he reaches over into his little

cupboard and he brings out certain things. He says, ‘this is going to help you with your eye, this is going to carry your pressure down, and this is going to do this for you’. You take it, and you go and take it three times a day or however he prescribes.

Yet when God have the Angel over your soul, yet when God have the Angel to anoint you when you going through frustration, take this for your frustration, when you lose your joy, take that for your joy, when your peace is being destabilize, take that for your peace over here. When you lack understanding, take this for your understanding over here.

Then you kind of sit down, and you question, and you wonder. But why? You, there is no quickening power to make you perceptive enough. And Satan have you living a life, claiming you have the Holy Ghost and you know you don’t have the Holy Ghost, because the Holy Ghost bring you to these things. The Holy Ghost gives you that sensations, the Holy Ghost raises your level of awareness, and the Holy Ghost brings you to the conscious realization of the unseen world.

Listen to the Revelation Book of Symbols; Angelic beings associate together. Oh I-hope- you-get-that, that-just-drop-right-on-down-free. Look and if you’ve got the Holy Spirit in you, then you are a candidate for association with the unseen world and the supernatural. No wonder people can’t believe in those things, they never come into contact because they get nothing in here to believe with.

But when the Holy Spirit comes into the heart, quickly becomes then a twofold being, one of the earth to die and one of the heaven to live. Amen. In his body he is still subject to death, but in his soul he pass from death onto life. In his body he has earthly contact with his five senses, in the spirit he has contact with God through the Holy Ghost. And the Angels of God visit them and speaks to them, and they are messengers sent from God to reveal and to bring messages from God to the individual.

The first thing Jacob knew, and the first thing God came to Jacob and reveal to Jacob is, I have a Ministry of Angels that keep my children in the way, that bring messages to me. Amen! They wasn’t descending and ascending, they was ascending and descending; they activities here on earth, they are to travel with you, they are to move with you, they are to conduct you though

life's journey. The Angel came down saying, "I will keep you in the way, and I will bring you into the place prepared." He saw the Angel standing in this road, he tried to go into this road, the Angel stand; he tried to go through the vineyard, the Angel stand here.

He said wouldn't you like to live where you are conscious that the unseen world is right with you all the time, wouldn't you like that? Angels come and give you dreams, how many know that? To guide you in life. Did he do it for Mary and Joseph and the wise men? Otherwise they were going to make bad decisions, they were going to find themselves at the wrong place at the wrong time. Is that right? Angels foretell them things. Did he do it for Zechariah? Did he tell Paul he has to be a witness before Caesar? That no man life will be lost, but the ship will be destroyed, and you will end up on an island. He doesn't have to make know his desire every time, but he guides you through it, he keeps you through it. He stands there before he came on the island and the snake bites him. He says, 'what is the matter with this old viper; Angel already talked to me.' But the heathens say, Oh! Oh! Oh! 'Operation Anaconda.' (Congregation laughs)No! Ah! Here's how the prophet explain that, he say 'there wasn't a bit of fear.' He says, like when you...why you do get burn when you frying fish, frying your meat; oil jumps on you, you say 'Woo! Woo! Woo! Bring the thing quick, bring the thing quick.' Is not really a burn, he says, if you ignore it, if you don't pay any attention to it, it wouldn't burn you.

But that is what happens with Paul so full of the Holy Ghost, he's in an atmosphere, he was picking up sticks. He just shake the thing off and went on picking up sticks, he didn't stop, he didn't sit down. No! He just keep on doing what he was doing as normal, as if he will let that disturb his function. That is when you walking close and God wants us to walk there. God sends a message to lift a church into a higher bracket of faith. God sends a message to take us out of the humanistic realm. He says, you are eagles you're not buzzards, you are not hawks on a telephone post. He says, you are born to fly, you possess a law, I will teach you about the law. I will teach you how to work with that law and bring you up here, to live here and he himself was living and walking there.

Start to tell them about bull, start to them about maniac, start to tell them about hornets and say I am living there and I am going to preach to you how to bring you here. Cause I am an Angel sent

from God, reflecting that Angel to keep you in the way here. Cause the Angel says, "if you get them to believe you, because I send you to them." That is why people don't get into nothing; they want to get them things. Like I say the other night everybody want to impress everybody, that God talks to them and reveal things to them. Sure God talks to everybody, but he will talk to you about things that pertain to your area and sphere of service.

Close your window now! Take your children to bed early tonight. Don't go and shop today leave it for tomorrow. He tells you things. Sure! But when it comes to things for the church and the Word, you don't have to come through there. When you want to rise up and have a word for the church, do you really understand what Ephesians mean? You know God send a prophet? Do you understand God setting his church in order? Because the Holy Spirit cannot take no headship over disorder. He say we claim to know about God, but we know so little about him, we claim to know the Spirit but know so little about it. No wonder you see campground stars, super-dupes try to do it and noting happens. That is why I say, if God did lead you Twenty (20) years after the things. You say was, God don't change and don't be God again; and you do remember them because that was the building block in your life. Lift you from faith unto faith unto faith unto faith. Every time God comes faith is revealed, he's writing the law in your heart and as you feed on the word you become the Word.

When Luther came and reveal something unto the church, the church came up. When Wesley came and reveal something unto the church, the church came up. When the Pentecostals came and reveal something unto the church, the church came up. When the prophet came more was revealed, the church came up again. And the church can look back and see it come up from Luther, Wesley, Pentecost, and the Prophet right until this time. Who you want to fool? We walk with God, we walk humble, we don't have to impress one another, and we have to love one another. The effort must not be channel, it must not channel all the energy to impress, channel the energy to serve, to provoke, to love, and good work, and to encourage, and support.

Too much people spend all their energy on trying to impress. Anybody have revelation, they know if you make a stand for the Word, and you love God, and you walk in his will, that does show,

that does show. That testifies for itself; because that is the salt, that is what gets the people thirsty. But when you get around people they have nothing, you trying to make up a thing, trying to manufacture a thing. Talk something, it out of the scripture, it out of context, you don't know what is going on. And the person smiles, and they say praise the Lord, and sometime you deceive your own self-thinking you impress somebody. Just the person didn't want to burst your bubble, because they trying to be polite to listen to you.

We should be growing up now, where God could trust us, where God could have confidence in us. Where when the devil bring trials and testing, God could tell the devil you can't move them, you can't shake them, they stand for me, they love me, and they will die for me. Let God do the boasting over us. Sure, that's how it ought to be; don't you think that is right? That is how it ought to be. I am tired! Wow! I wouldn't go on! But God has opened something just like Silas, to bring man into a more intimate and closer contact and communication, through which communication it gives them a power, that knowledge give them. A power and a capability to operate in a way they couldn't operate before.

Man see he have all his money invested here, invested there, invested here, invested there. And he is watching the stock; he is watching the market in Tokyo, he is watching the market in New York, he is watching the market in London, he is watching the market in Japan, he is watching the market in Europe and realize it is going to have a crash, it is going to have a domino effect. Brother! Electronically he can move that money out of there before that system crash. Take it out of that stock and put it on the next stock. Why? Because, science has given him something to raise him up and give a greater control, where he could monitor his activity, he could harness his power, he could use it to keep himself secure. Science! Because that man trusted his scientist, and what they brought out and work with what those scientist brought to him.

But God have spiritual scientist, a Prophet that open things in the Bible that was never open since Angels came to him. Have you ever studied the results of the visitation of the Angel? It was a healing revival the world has never seen, 1946! Then when the

visitation of the Angels came again, 1963. Have you studied the results of that, tens of thousands today around the world. In countries the Prophet never even went, came out, came out. And a Bride shall be set in order for Rapturing Faith and a Bride being raise up, until here in this assembly, we who walk in this light for twenty-nine (29) years now. Here in this assembly God is opening to us things in the Word so we could achieve a Rapturing Faith; so what we lack in our faith can be perfected, scientist is finding the chemicals of the Word to raise our level of awareness and bring us to greater sensitiveness. To understand how that Word channels itself through human beings that become associates through the new birth and through the contact of the super sense. That you could get to rise up out of the humanistic realm, into the realm of revelation with discernment now.

Where they walk conscious, when something happens they don't go 'helter skelter', they wait. That was in the Word somewhere? Search the scriptures, where is that in the Word. If you watch back what the Holy Spirit is speaking in this last season here, he know this is coming, he must of said something. Because he don't let us go into things like that. He foretells, he foreknows. That is how believers walk, that is why David could have stand there and look back and see all thy Word is about. This is the approach, this is where the source of my strength is; this is why God gave me those experience there. That was a preparation for this; he could interpret those things in his life.

You know why? A prophet put an anointing on him. That is why the brothers, them couldn't do it. The brothers didn't get a anointing from the prophet. They say, why you come down here for. Because they didn't have the anointing of the prophet, but that eagle anointing gave him an eagle vision that he knew he had the mind, see the external course, he could already foretell. He said today I'll cut your head off, he was already prophesying, he went into prophetic. cut your head off with the sword, he says the fowls of the air will eat you. He went so high up, not just some stone in the broke. He went so high up, he there, he started to. Oh my, brother, my sister!

Let's stand to our feet (musicians softly plays 'we are standing on Holy ground'). We are standing on Holy ground and I know that there are Angels all around. Friend the things, I was preaching

this message last Sunday, but little different in Grenada. When I was in Tobago, God gave it to me. Come back around a second time building on the things that we spoke years ago because I am a believer. The chemicals in the Word, for every achievement for every stage we have to come into. There is a Word there that we mix together to create an atmosphere, to move our hearts and our minds there.

Today I have tried to raise your level of awareness, the Prophet say at Dloeton that day. When the Syrians were coming, the enemy came in like a flood in the days of Elisha the Prophet. And the servant was in the humanistic realm; he never understood what it meant to the Prophet who had followed Elijah so close and that he had the robe. He was anointed and he had the robe. He knew the sacrifice he had made at Gilgad, and at Bethel, and at Jericho. He knew what he saw in the Prophet and he follow all the way. He poured water on the hands of the Prophet because he walk so close, he knew the Prophet had a secret, he knew the prophet lived in such close association. The same thing happen in Jesus time cause he was the Elijah. And the Alpha Bride was the Elijah and that is why the same thing Elijah did, Elisha did. And same thing Jesus did the church and did it the same way because they saw it in Jesus, the Son of Man. People fail to realize that things the prophet did we saw it in him, it was sent to awaken us. He stood up there and spoke for two (2) hours almost, how the Angels came and commissioned him. He was told how to consecrate himself for the visitation of the Angels, for the first commission, for the second commission.

Then the results that followed the visitation of the Angels, from the body to the soul. Same Angel performing miracles, revealing truth; same Angel talking out your sickness, talking out organizational spirits, bringing us to a world of perfect faith. We walk today and we benefit but because there is a slowness, a dullness in the senses of many that the supernatural, they can't seem to break into it. They try to walk in this realm where they guess and reason. But look at the prophet there he was so calm. And he saw all that military power was moving in, tortures and swords and spears and everything else. He remembered Elijah; fifty came to take him one time. He says, if I am a servant of God

let fire fall. A man standing unarmed just armed with the Holy Spirit and the Spoken Word.

Fifty men came, a whole platoon seeing a old man in camel skin, can't even dress properly. Standing on a rock but the man came into such close contact his name was Elijah. Jehovah is my strength, before as the Lord livieth to whom I stand; standing in the presence of God knowing I could shut heaven and open heaven because he knew he was placed positionally. He was set as a prophet over an age; he was brought into that place ministered onto him by an Angel. That is why you see men haven't found their commission yet, their faith can't hold because they haven't, have that thing ministered onto them by the Angel to bring them into that place. So they guess, they wonder, they probe and they can't hit the spot.

But when that thing is ministered to you by the Angel of God, and you are brought into that place, and you are set, and God had set in the church apostles, and prophets, and teachers, and workers of them that speaketh in tongues. Then you see people operate in the spirit, and then you see people set, become an oracle of God. Then you see the Holy Spirit, God and man coming in union. Outside of that you see people probing with their mind, and fumbling, and wondering, and guessing, haltering. Cause they do not know where they going, trying to do it with the mind.

They fail to realize is a yielding, is coming out of the way, built with a gear, that gear keeps going in, a gear to access him. It operates in your life, yet you not stopping long enough to see it, you come out, you sing, you get anointed, you get blessed, but then some of you get taken up with the applause. You enjoy that and, eh, self-say Lord look how you use me there, I wasn't thinking about that, Lord look how you let me hit that note. Lord look how ah so comfortable I stay the last three times. Lord like you putting my hand in the sleeve, like that was you working the gift and not me working the gift there.

And you don't learn, you don't learn, yet you exercising. But yet you focusing on the wrong things, so you don't see the development. You see a little baby, yet all flustered, crying all peevesish, and work up and you watch the mother pick him up and say 'Oh my little honey you fell down, and you hold him, and say Oh mommy baby, just keep quite honey, mommy love you' and

she just begin to pat him like that, all the pain within the bruise is gone.

And she don't stop to think, she say the child squeeze his hand in the door and he is screaming to the top of his voice, blue almost; he, he, he, he is in so much pain and you pull that little sweetie out, look a little sweet and a shut down of the crying. The finger is still blue and a smile comes on his face, cause he sees the gift there before him and it change his mind from one channel and divert it to another channel where that pain is shut out and you look at it and you are not even conscious. And then you come to the supernatural and you read, and they shall lay hands on the sick. And you thinking now is some kind of power is going to excite you, going to shake the person. In Jesus Name, in Jesus Name and there is no love in their heart, there is the Lord, sick child. You say you want that horse, it is all bin pulled, it is all disturbed and you see the owner come and say Woo boy ,woo, woo just relax, that horse get clam. You say there is something about laying hands, Jesus say when you lay hands.

People have been diverted to so much foolishness. Saints it is in our everyday life, it is all around us. But we are, we have such a low level of sensitivity and awareness. I try today in a little bit, how much the service could go on, not wanting to go on further feeling just to stop here. But sometimes you in your own experience, you know you come to junctions, you don't know what to do, you don't know how to go, you want a word form the Lord. You get quiet before him something to make you calm, something to bring a peace in your heart and then no real long prayer. But say Father; Lord you know that what I want to do, your motive and objective is so right. At the time there is no self in it, there is no nervousness about the situation, because it is like you know God rules the universe. His eyes of a sparrow and that's when the prayer of faith goes forth many times just when you could get to that channel; that's a servant get so worked up. Say 'master, master' and you see the same thing today, people trying to deliver and save people, work up the flesh cause of modern events, unconscious of the unseen world. Just like Balaam unconscious of what was going on around him present tense and the prophet say Lord open the boy eyes, like the Lord open the eyes of Balaam, Lord open the boy eyes! And he begins to see Angels and Chariots

of Fire. And he begins to realize the Angel of God encamped around about them. Jesus says they take you; they come for you when you are dieing.

We see in the Bible so many times, they are there at your birth even before the conception. They announce the coming, they do keep you in the way, in the time of trials they strengthen you, in the time of danger, they come and direct you, they foretell you things. Yet we are beneficiaries of it, the measure of success we enjoy is because of it, but the consciousness level is so low concerning it. I try to give you some Vitamins, design to help your vision to produce a little sensitiveness, and to raise your level of awareness because you come into the supernatural. That's what you feel when you bump into them Angels, that's why you want to scream and shout, they are right here. You say 'God never brought the Angels down,' he only change the scene of the servant. The thing was already there, he change the scene so you could see what was already there. Let him change your seeing so that you can know what is already there. You say, Lord was that you, when that thing happen when I was waiting for that drop, I felt so tired my feet was hurting and I say my heart; like I wasn't going to say it. I wish somebody could come and give me a ride, somebody right there take you straight to your door.

You never even look back and realize how He knows your thoughts. When He came to the prophet, He said, 'your thoughts speak louder on earth than your words in the heaven, louder in heaven than your words on earth'. That never left me, when first day I read it as sinner, when I now came into the message, I remember in New Zealand, Bro. Kenny and Bro. Eddie was witness, brother from America was there in the meeting 1988. When God open the Seven Trumpets, first going and preached, it was outside the church, here was Ohio, and then I went out to New Zealand.

Out there New Zealand preaching at the end of the year. One night try to get this man to go in the service, he was outside; say brother, 'why you don't get in the service?' He says 'I go into the service, I can't go in service.' He say last night I saw a man standing on the platform next to that brother preaching there, Bro. Kenny and them came and told me. They were talking with the brother, they were trying to get him in the service, he was crying. I

tell you many times about that as a little boy there, then get away from that, then come back there, had it not been for the Message I would have never known what these things are. It would just be a thought and I wouldn't be able to have faith in it and I don't know the scripture so I couldn't yield to it, try to understand it, then start to live and walk more conscious of it.

But because of the Message, did you know the Old the New Testament open up something about the Angels? Angels came to Abraham before the change? You know Angels ministered to Elijah before he was translated? You know Angels came to Gideon at the Harvest time after the prophet message? You know Angels came to Shepards? You know the New Testament start with Angels and ends with Angels? You know Angels brought this message? You know ministers in this message in the book of Acts everyone of them had Angels connected to them, every work in the book of Acts had Angels connected to it. And we say we looking for the book of Acts, we looking for power of God, we are looking to see faith, and miracles to happen, and we not even conscious. He says, 'do you know everyone of you have a guardian Angel?"

Jesus says, your Angel behold the Father face in heaven, people better be careful what they do to you. Do you know in trial they come to you like they come to him. He says, but they can't materialize themselves to you, because the way we live and walk sometimes, he say, you know why He can't come in a church and materialize himself. He could have materialized in Cornelius house, He could have materialized himself to Paul in the boat but not to the others, He could have materialized himself in Daniel.

At the beginning of the Gentile Dispensation there were Angels, at the end of the Gentile Dispensation there were Angels. In the days of Sodom there were Angels, in the time of the first coming there were Angels, in the first Exodus there were Angels, in the second Exodus there were Angels, in the time of Elijah and Elisha there were Angels, everyone type this thing. Angels brought the healing revival in the first pull, the Angel brought discernment, and Angels open the mysteries. The bride will be the very voice of the Archangel.

When I see that friends, when I think upon that, why do I want to live in this world, when these things are so real. When you could look back in your own life and see influence and just wish you

could live more conscious, you wish you could have lived more true, you wish to be more yielded and dedicated. But then you know something, the world have that kind of effect, you desire it, you stay in it, you pray over it, you cry over it, you obey it, you clean up your life, you surrender to it, you allow things not to shake you out of it. You try to walk close to God, it comes to you, and it comes to you. Are they not all ministering spirits sent from the presence of God to minister unto them who are the heirs of salvation?

Let's sing, "We are standing." Sing it not as you know the words of the song but you're conscious like Jacob in that place; he say, surely the presence of the Lord is in this place.

{Song starts singing} *We are Standing.* With a realization, with a consciousness... *On Holy ground and I know...* It's been made real to me and *I know that there are Angels all around; lets just praise Jesus now...* Hallelujah! *We are standing in his presence on holy ground.* As you sing just let your faith rise, if He is here He can heal you, He can deliver you, He can give you the leadership you need. He can open you eyes to see the things that you are blind too; He give you strength to face the trial, He can provide for you and nourish you to go into strength for many days. He can forewarn you of danger that lurks and wait for you in the dark, He is a guide, still guiding his people.

{Singing continues} *on Holy ground;* let's just praise him now...*Lets just praise Jesus now;* oh we are standing.....*we are standing in his presence on holy ground.* The Bible said women saw the vision of Angels at the tomb. Let the sisters sing, He appeared to Mary; He said tell my disciples I am risen, I am not dead. A mighty Angel descends to Mary; and Mary sang and said my soul thus magnifies the Lord and with God my Savior I rejoice, under the influence of the Angel. *There are Angels;* Angelic beings associated together, oh, would you love to live where you are so conscious of the unseen world all the time. Where that heavenly atmosphere drops down, the Holy Ghost shall over-shadow thee; He says and that Holy thing that shall be formed in thee shall be called the Son of God, prophecy coming to past in her life, ministered by Angelic beings out of the scriptures.

Oh, everyone all in the building, all in the side rooms be sensitive now in the spirit of worship, worship that acceptable, be

conscious now before God, this great mighty one, the Angel of that Covenant, Christ, here in the form of the Pillar of Fire, King Theophany Jesus that is here amongst us now. Let him change your scene today, to see what is already here, raising your level of awareness, making you more sensitive to walk in these divine promises in this hour. To be in harmony with him, to co-operate with him, to see his Word operate through you, ‘they that know their God shall do great exploits.’

{Singing} *We are standing in his presence on holy ground...* Oh lets sing *Surely the Presence of the Lord is in this place....* *Surely* Jacob awoke from a state of unconsciousness to a state of consciousness. He says, this is the house of God, this is the gate of Heaven, what a dreadful place I am in and I didn’t even know it. Can you see those Angels ascending and descending upon the Son of Man in this hour? Angels come to take you away, they will pick up one of these days he says, you bumping into them now, changing your scene to see it, they will pick you up into another dimension faster than this one.

Sing it again, *Surely...oh God I perceive that you are here Lord* in speaking distance, in hearing distance, I can feel you mighty power, I hear the sound of your spirit in the mulberry tree, I know the Angelic host is here, he is opening a channel in the Word to anoint me with eye salve, to change my seeing into a prophetic eagle vision. Hallelujah! *Surely the presence of God my is in this place,* lift your hands and sing it again, I can fell his awesome presence. Hallelujah! *And his grace, I can hear the rush of Angels wings and I see glory on each face, surely...* his presence, the presence of Jesus Christ....*is in this place;* oh, go up a little higher now. I say, *surely the presence of my God...that mighty deliverer, that mighty conqueror, the great Angel Jehovah, the Whirlwind of Fire, the Amber Light, the Snow White Dove.*

Oh can you hear it? He anoints your hearing this morning, and he anoints your vision, theophanies, things that are to be. God bring it to them, raising you up a little higher. Oh, and Jacob took the rock for his pillow and made an alter and pour the oil and begin to sing...*Surely the presence of my God is in this place...oh I can see it, it's open to me in the Word, it's flowing out rivers of virtue, flowing from his Word, his train filling the temple, I see glory. Oh*

my brothers my sisters, the Angel of God who redeem you, the power of God in this place.

Oh one more time around the building, around the room, lift your hands, lift your voices, and magnify him. Oh, *the presence of our God is in this place, I can feel his mighty power and his grace...his marvelous grace, his amazing grace...I can hear the rush of Angels wings, I see glory....theophanies, singing through redeem...surely the presence of my God is in this place.* {Song ends}

Oh the light has come to show us where we are going. In bridal steps along the way we are troding, the Angel with the swept back wings, he is the one that means the most, he want to take you in the inner veil, he want to reveal himself more privately unto you. The hour is here friends, he just wants to give Rapturing grace; Enoch walk with God, he had a testimony that please God before he was translated. Hallelujah! Hallelujah! Hallelujah! Oh, my God, glory and praise be unto you. Worthy, worthy, worthy. Repent for your sins today, get it washed away in the blood friends, don't be found with spots and blemishes.

This is the hour, get filled with the Holy Spirit, become a candidate for the supernatural where God can raise you up in heavenly places in Christ Jesus. Where he is seated over all principalities and powers. Hallelujah! Where you can live in that ordained place, that place he has prepared for you in that inheritance, where you are placed positional with all authority, an entrance to bring it to you there. Hallelujah! Hallelujah!

Oh that Angel {Sings new song} *Oh that Angel with the swept back wings, he is the one, that means the most, he took us in the inner veil to revile himself more privately; here we are in perfect step, in the promise of God, are we not....Oh, that Angel.* Oh that Angel, not a worship of Angels, that Angel is Jesus Christ, our God is a God of glory...*that means the most.* The light has come to show where we are going, oh in bridal steps *along the way we are toddling...can we say the revealed Word has shown us our placing, make it plain to you even today... has shown us our places... is it not true a super race we are in the perfect rest of God.*

Oh, children lift your voices and sing, glorify him, magnify him; my name is in him, he will pardon your confession if you obey his voice, he will keep you in the way, he give his Angels

change over you. Become and earthly Angel to the Baptism of the Holy Spirit today, be in association with him, live in close contact, strive for it today. Don't be locked up in Satan's Eden, in this prison house, in this cosmos, break through the veil of sense, this material realm into the unseen realities. *The promise of God*; this Angel of Jehovah, the Lord Jesus Christ. Who art thou Lord? 'I am Jesus', all honour and glory and praise to his name...*and praise to his name*, for he was found worthy. Didn't he took that book, didn't he show us our name... now in union with him, flesh of his flesh; his bride his wife, in harmony we stand, in God's provided place, a Ministry of Angels under the Seven Seals, *seals of God*, Seven Spirit of Revelation.

Lets sing that.....in revelation, is that notable Angel who, who brought back the keys to open the third pull. Oh, came back shouting grace, resounding this morning, Grace! Grace! Grace! For I Jesus ..... that is in your midst right now. Right now! Right now! Oh, that Angel with the swept back wings...

Remember us in Grenada this coming week, from Wednesday to Sunday, pray for us, may God bless you, keep you in his Holy presences, lead you and guide you is my pray.

Song continues.....
