*I just want to follow  
The way that He will lead me  
I just want to follow  
The way that you will go  
Oh, for I know...  
For I know you will lead me  
In the footprints  
In the footprints that you have left  
And I know, tonight...  
And I know you will guide me  
And keep me in this path.*

If you love Him tonight, why don't you just lift your hands and sing to Him. I just love that Dove. He has led us into a faith we have never known. This great unseen Guide, this One Who is present among us here tonight. This blessed Spirit of Truth is to come back to lead us and to guide us into all Truth.

*I just love that Dove*

Oh, He showed Himself in Argentina that time...has been my Guide. That same One in Sabino Canyon, the same One is here tonight. Hallelujah!

*He has brought me up seven steps*

Oh, to a perfect faith, He showed us our position, this great mystery between the Gentile prophet and the Jewish prophets. A part of the Word left back for the Bride to fulfill. Tonight She is being led by the Spirit to quicken that Word and bring It to life, make It manifest to show that She is the matching piece.

*...this trail again.*

Every head bowed all around the building, all in the side rooms, wherever you are, let's take these few moments, let our hearts be centered upon Him Who is our God. Him in Whose presence we have come to gather tonight and waiting in anticipation that He will speak a Word to us, something that would

help us to prepare and make ready in this great hour that we are living in.

Lord, how we love you tonight. How grateful we are to have the blessed privilege to come and assemble together in your divine presence. How thankful we are, dear God, for all your children coming from Tobago, coming from all over the country, oh God, coming into this place tonight that we can sit in your presence, that we can worship you, that we can feed upon the Bread of Life. This great Message that You have sent to us in these last days, oh God, the Capstone Message of grace, this great redemption Message that came on the wings of the Seventh Dove. The Shout, You said is going to gather the Bride together, seven Thunders uttering their voices will show Her how to prepare for great translation faith. This Voice that has called our names by revealing the mystery of our lives in the Scriptures, oh God, that released this great quickening power that quickened us and raised us up that we stand here as a people alive from the dead tonight. Hallelujah! We who were once dead in sins and trespasses, He has quickened and raised us up into heavenly places, the believers position, that which we have come to recognize, Father, that which is our Absolute, that we have tied our souls to tonight.

Oh God, truly You did say in that day You will know I in you and you in Me, we shall know as we were known, when that which is perfect is come then that which is in part shall be done away, we shall see face to face, and we believe that You have done just that for us, Father. That's why we stand here tonight, our cups runneth over, Lord, the joy bells of salvation bubbling up on the inside because we have heard from our Theophany, because we know now we are the sons and daughters of the living God. Hallelujah! The very attributes expressed upon the face of the earth, oh God, in this great uniting time when you have brought us into this great union with You, Father. It means more than life to us, it is our everything oh God, to know that this is the kingdom of God, this Word has become Spirit and Life within us. Blessed be your wonderful Name.

Oh, what a faith, what a victorious, conquering faith you have given to us, Lord. Hallelujah! Faith to believe every Word, a faith that makes our soul says amen to the Word of God. Hallelujah! That we cannot deny the Word and neither can the Word deny us,

there is something inside of us recognizes that we are part of that Word, always was part of that Word. Oh God, what a privilege to have this in us as we, Lord, as we cross from the year 2004 to the year 2005. Lord, going over into a New Year with this great Eternal Life pulsating inside of us, that which you have come back here for Lord. We have taken this time, Lord, to rededicate our lives to You, Father, oh God, to get instructions that we could all focus our attention, Lord, to the things that we are under anticipation for and that which You have promised will take place.

And as we see the Scriptures being fulfilled with such rapidity, oh God, how we want to trim our lamps tonight and have our lamps filled with oil, your prophet said it is lamp-trimming time. And we pray tonight that Your Holy Spirit, Lord, would set every heart in desperation that they would have that Token, Lord, that the Blood would be applied in every life tonight, Lord that all sin would be put away. Oh God, nobody would want to have sin in their life in this hour, Father, nobody would want to have a lukewarm spirit in their life in this hour, nobody, oh God, Father would want to be in a confused state of mind as to what day it is, what time it is, oh God they would know, Sirs this is the time, we have seen the sign of the end.

Oh God, may there be such a desperation that would set upon every heart tonight, that when we come to the Lord's table we can eat that Passover in desperation. Oh God, have your blessed way in our midst tonight. We commit the service into your hands. We pray for your leadership. We pray oh God, that you would direct us in everything that is to be said and done. We pray that the Spirit of the living God would speak expressly to every heart. We pray that Your quickening power would open up the Bible, oh God, and the Message relevant for this hour that which we need to post us, oh God, to get us in the rhythm of the Holy Spirit, to walk in union with You in Your Word, to watch this great symphony of Your Word, this great drama unfold, the part that is to be allotted, oh God, and to be fulfilled down through this year that is coming, Father.

May you grant it. Remember all Your children out in the region, oh God, even as they too are gathered tonight, our brothers out there in St. Lucia, in the Name of Jesus Christ. Your children out in, Lord, in Tobago and Grenada and St. Vincent, Lord out in

Dominica and St. Kitts, Lord scattered throughout there. Lord, we pray in the Name of Jesus Christ You would be with each and every one, Father, that Your Holy Spirit would usher each one into the New Year that they will live closer to You this coming year than they did this year that has ran out, oh God. And Father, as we are gathered here in your presence now, may you blot out all of our transgressions. Oh God, may every heart, Lord, be in an attitude to search our lives to see our condition, the church and its condition. That Lord, we can truly be a church, oh God, looking up, lifting up our heads as we see all of nature groaning and travailing, and we too groan within ourselves, knowing that our redemption, our full redemption is at hand.

Get honor and glory tonight, Father. Even the strangers and visitors within our gates, may dear God, their coming here tonight, Lord God if there is any still on some Old Year's tradition, God I pray You blow that foolishness so far away from us, oh God, that we would not be in that kind of tradition tonight, but our hearts, oh God, would be longing and craving to be filled with the Spirit to walk in the revealed will of the living God, that we could say all to Jesus I surrender, all to Him I truly give.

Oh God, may you grant it, Father, get honor and glory tonight. We thank you in advance for what You will do for we believe and pray in the almighty Name of our Lord Jesus Christ. Amen and amen.

Amen, praise His mighty Name. Do you love the Lord tonight? You are happy to be in His presence, amen. I would like to invite your attention... I asked them to give me the pulpit early tonight so I could just speak a little Message here. And then we are always under such a pressure Old Year's night and I didn't want to go through that this year, so I asked them to give me the pulpit early and so we don't have to from the service just break down the Lord's supper, but we could sit, we could be relaxed and we could worship God a bit and then we can just cross over into the Lord's Supper in the right way. And I trust that you will help me to do that because I believe if we could get the service to unfold in a meaningful way for us it will help us.

You know I am not the kind of brother who is on too much of formality and tradition. I like Truth, I don't like programs, I don't like tradition, I like Truth. I like the living God present now,

speaking in my heart now. Amen. And so I know these kinds of years everybody kind of get in their thing, right before the Lord's Supper they want to get there and... I had thirty-one years of that nonsense; I don't care for that to go into a next year. Amen. But I want my heart filled with the Spirit, I want the Spirit, I want the entire world sealed out. Amen. I want to see my faith rise; I want to see desperation last until Jesus comes. I don't want when we come back two weeks later in the New Year and start to pump back up the church, say come back and raise your hand and praise God. I want to get like David said, "My heart is fixed and my soul followeth hard after you." Amen. Then I know you had a good Old Year's night, when I don't have to tell you to do that in February and March, and should the Lord tarry in October, I am still trying to remind you what Old Year's night was.

I believe that I want my heart, if I am standing here tonight, it must be fixed on the Prize. I must be still saying I refuse to be compromised, for that was not a slogan for last year that is until Jesus comes, that is the hour. You see God is not on Old Year's night, as I said the other night God is not on this kind of thing. If we had all these people here Wednesday night it would have been great to hear the Message that was preached Wednesday night, that would have been just right. Amen. That would have done me better than to come here tonight and then I feel a lot of people trying to pull me into Old Year's and New Year's. I have passed the time element already. Once you have come into the eternal church age, you have gone beyond time, friends, we are in the holy convocation on the eighth day, that's those who are born again, amen. So praise His wonderful Name.

I have a little Message on my heart tonight I would like to speak it and it is a more prophetic type Message, so I trust that your mind would be in an attitude to listen to the Word of God and to think deeply. It's things that I have been pondering and I have preached so much on and more and more I am becoming convinced as I see the time running out and how we need to truly be in the condition that we ought to be as a church.

Ezekiel Chapter 28, and Isaiah 14. I trust that you have been enjoying your time. And to all of you from Tobago who crossed over in the boat and the plane, God bless you. I trust that you don't feel seasick or airsick; I trust that you don't have any jetlag,

everybody is just fine tonight. You know, you are here and we are glad to have you and glad to be here in the house of God and these times are special times. I am glad that I can look across there and I can still see some of you, your faces, sometimes you get mixed up in the crowd and I have to look to pick each one out, but I am glad to see you all tonight by God's grace. I trust you are happy and just feel a sense of excitement in your heart. It is great when believers gather, a lot can happen. Amen.

And to all of you, who desire God to do something special for you, believe and expect to receive. Amen. That's the way you come into God's presence with faith, God looks at faith. It is nice to know that we are kind of dressed up a bit for the occasion, but it is nice to know we are dressed in the royal Robe of the Holy Spirit tonight too. Amen. We don't want to forget that Robe. We want to get that perfume of the Rose of Sharon; that was the one we don't want to forget tonight. Amen. Hallelujah. Praise His wonderful Name.

Ezekiel 28, verse 11. God is speaking through His prophet here directly to Satan. Satan was veiled in the king of Tyre. Verse 11 says:

*Moreover, the word of the Lord came unto me, saying, Son of man, take up a lamentation upon the king of Tyre, and say unto him, Thus saith the Lord God; Thou sealest up the sum, full of wisdom, and perfect in beauty.*

*Thou sealest up the sum, he is the totality of wisdom and beauty. Amen. He is like the capstone of wisdom and beauty.*

*... Thou sealest up the sum, full of wisdom, and perfect in beauty.*

*Thou hast been in Eden, the garden of God;*

So it couldn't have been a man he was talking to back there because he is telling this one, "You are perfect in beauty, you sealest up the sum full of wisdom and thou wast back in Eden in the garden of God."

*... Every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold; the workmanship of thy tabrets*

*and of thy pipes was prepared in thee in the day  
that thou wast created.*

*Thou art the anointed cherub that covereth,*  
So he is not talking to a man here.

*Thou art the anointed cherub that covereth;*

My! You could imagine Satan thought he was hidden in flesh.  
But God was veiled in flesh too. And God through the eyes of the  
prophet was looking straight at him, veiled in that man and calling  
him out. Amen. My!

*... And I have set thee so;*

That was his place; God set him as God has set in the church.

*... I have set thee so: thou wast upon the holy  
mountain of God; thou hast walked up and down in  
the midst of the stones of fire.*

When I look around I see so many of the stones of fire tonight  
here, diamonds that has been cut. Amen. The stones of fire, lively  
stones with a living fire inside of them. He was right there in the  
midst of the sons of God. Amen.

*Thou wast perfect in thy ways from the day that  
thou wast created, till iniquity was found in thee.*

It had a time, it had a season, it had a condition that what was  
really laying down inside of him began to come out. He had some  
things that were lying inside of him and it came out. He said,

*Thou wast perfect in thy ways*

Looking at you from the outside, looking at you.

*From the day that thou wast created, till iniquity  
was found in thee.*

*By the multitude of thy merchandise they have  
filled the midst of thee with violence, and thou hast  
sinned; therefore, I will cast thee as profane out of  
the mountain of God, and I will destroy thee, O  
covering cherub, from the midst of the stones of fire.*

*Thine heart was lifted up because of thy beauty;  
thou hast corrupted thy wisdom by reason of thy  
brightness;*

Thou was lifted up because of thy beauty, thou hast corrupted  
it, thou hast corrupted thy wisdom by reason of thy brightness;

*I will cast thee to the ground, I will lay thee  
before kings, that they may behold thee.*

*Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee; it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee.*

*All they that know thee among the people shall be astonished at thee; thou shalt be a terror, and never shalt thou be any more.*

Oh my, what an awful damnation and destruction prophesied upon him who was so beautiful. Isaiah 14, verse 12. Here is Isaiah another prophet again speaking to Lucifer again. This time he is veiled in the king of Babylon. That is the way with God, the life moves down through the age and God could say, "Luther, you are the stalk." He said, "Wesley you are the tassel." Why? Because God saw His life in men, in each age. He said, "Malachi 4, you are the grain." That's right. And He said, "Little Bride you are more grain coming to maturity also." God could see His own life. And the same way God can see that antichrist spirit that became a false prophet that is to become the beast. See that same rider changing horses every time. The Holy Spirit has uncovered it.

That's why when we look in the world today, it's not just a world to us but it is an Eden being built. We see the architects, we see the engineers, we see the contractors, we see the kingdom being built, we see hell veiled in flesh and we have discernment of spirit. You know your brother and you know your sister in the midst of that. The Bible says, "For this cause many are sick and weak" because they don't even know their brother and sister in the church. Is that right? Discernment, discerning the body, discernment of spirit, it is important.

Isaiah 14, verse 12.

*How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations!*

*For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God; I will sit also upon the mount of the congregation, in the sides of the north,*

God was seeing him all the time and what he was doing, God in the prophet. A prophet is a revealer and the prophet is seeing him under vision, and the prophet is seeing his very thoughts that caused his fall. Just like when people stood before that prophet, he saw their past, present and future, the only thing that he couldn't see is what was under the Blood. But think of it, nothing was hid. That's right, back to generations. Same Spirit in Isaiah because Satan's sin was not under the Blood. That's right. That's why the Lord didn't try to save them. But when man fell He came looking for man. Is that right? So watch here. Look how he goes all the way back, millions of years, billions of years before he fell, and telling him right there what he was thinking. It was still on record, it was still on record somewhere. That's the God we serve tonight, friends.

*I will ascend above the heights of the clouds,*

Verse 14;

*... I will be like the most High.*

Five 'I will's'.

*I will ascend into heaven, I will exalt my throne above the stars of God; I will sit also upon the mount of the congregation, in the sides of the north, I will ascend above the heights of the clouds, I will be like the most High.*

*Yet thou shalt be brought down to hell, to the sides of the pit.*

*They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man who made the earth to tremble, that did shake kingdoms,*

*Who made the world like a wilderness, and destroyed its cities, which opened not the house of his prisoners?*

That's why God has to anoint a man to open the prison doors, bust down those things, pull down those strong holds to bring deliverance to a son and daughter of God. "House of hell give way!" Because that man doesn't open his prison doors, he caged them up. He hunts them, captures and cages them.

That's why you see people live in sin for years, and years, and years and they can't come out, and they are dying on a bed and they still have that obnoxious spirit on them. That's right. Then

you see some ninety years old lift their hands and say, “O happy day, O happy day when Jesus washed my sins away”. Because the Gospel could still get them before their life expires. Isn’t that the grace of Almighty God, friends? Oh, I trust He could do that tonight. If there is one whose sins have not been put away they can get in the mercy, under the mercy and blessings of that God tonight, He is right here.

*Who made the world like a wilderness,*

Look at it today. Casinos, nightclubs, drug addicts, coke addicts, brother, all kind of homosexuals and lesbians and all kind of filth, carnival and party and all kind of different things. Make it like a wilderness.

*...And destroyed its cities, who opened not the house of his prisoners?*

My! Revelation 12. Let’s just follow him out there before you have your seats.

Demonic power has become so strong on the earth friends that you can’t imagine. That’s what’s holding back the church tonight. That’s why she needs faith. That’s why she needs to get that Holy Spirit. That’s the only thing, that’s the only thing to lift you above the oppression that is upon the earth, the darkness that presses the people into a hideous condition. And remember, he is so subtle he makes people feel they are Christians in this age when they are not a Christian; he makes them feel they are Spirit-filled when they are not Spirit-filled. That’s the deception in this hour. He cooled them off, having a form of godliness but denying the power thereof.

Revelation 12, verse 1.

*And there appeared...*

I had this Wednesday night. I want to just... this is important to me again.

*And there appeared a great wonder in heaven- a woman clothed with the sun,*

This is Revelation 12. Revelation 8 to 11 was the seven Trumpets. Revelation 12 to 15 is the breach between the Trumpets and the Vials. Revelation 16 is the Vials. Revelation 17 is the mystery of the Catholic Church. Revelation 18 is Commercial Babylon. Revelation 19 is the Marriage Supper, the Battle of Armageddon is Revelation 20, the Millennium is Revelation 21 and Revelation 22, the New Heaven and the New Earth.

So Revelation 12 here to 15 is a mystery that is put in the Bible to show us all those things that is on the earth here in such a form that holds the revelation of these Trumpets and these Vials. And that is why it goes back to heaven; it goes all the way back to heaven where it started way back there. Because what is happening on the earth here today is only a result of what started way back there. Life is not without meaning, friends.

That's why notice when Isaiah was speaking, Ezekiel was speaking to that devil, he said, "You were back in the Eden of God, the garden of God, you". He knew that man was on the earth there in that king. And think about it. That's about thirty-five hundred years, that was about thirty-five hundred years since he was in Eden, Ezekiel is looking at him right there and saying, "Thou wast in the Eden of God", thirty-five hundred years ago.

I wonder if we have that kind of consciousness when we see the devil. That's right. Levi where are you? He was giving a testimony about that demon that said, "I kill so much and I was on the earth and I do so and so thousands of years ago." That's right. He was there. Talking to a demon that was thousands of years ago still in people and these things, right there. That's Bible, friends. That's why the Church needs to walk in a place in this hour. Watch.

*...A woman clothed with the sun, and the moon  
under her feet, and upon her head a crown of twelve  
stars.*

*And she, being with child, cried, travailing in  
birth, and pained to be delivered.*

This is not a woman now having intercourse. This is not a woman now conceiving. This is a woman about to deliver. This is a woman already pregnated and the baby is formed. This is a woman that is not the reformer age, she has all twelve stars; the apostles' Doctrine. This is not a woman back in the church age. She has crossed from the moon to the sun. Amen. She is in the Son day clothed with the full light. What a woman! I believe I am speaking to her tonight.

*And she, being with child, cried, travailing in  
birth, and pained to be delivered.*

And before she gives birth, something is happening. While she is groaning and while she is labor and while she is in pain, another mystery is taking place in the earth too, reflecting up the heavens.

*And there appeared another wonder in heaven;  
and, behold, a great red dragon, having seven  
heads and ten horns, and seven crowns upon his  
heads.*

*And his tail drew the third part of the stars of  
heaven and did cast them to the earth:*

It was a time of great deception. He is drawing down a third part of the stars. He has such power; he is moving them out of their place. He is tempting them and deceiving them and making them defect and come away from the One that they belong to. It's all happening tonight. It's all happening tonight.

*...And the dragon stood before the woman who  
was ready to be delivered,*

Are you ready to be delivered? That's right.

*To devour her child as soon as it was born.*

*And she brought forth a man-child, who was to  
rule all nations with a rod of iron; and her child  
was caught up unto God, and to his throne,*

*And the woman fled into the wilderness, where  
she hath a place prepared of God that they should  
feed her there a thousand two hundred and  
threescore days.*

*And there was war in heaven; Michael and his  
angels fought against the dragon, and the dragon  
fought and his angels,*

And that is why I said the other night, Revelation is not a history book, Revelation is a book of prophecy. These things are at hand. That's what the book opens with. Amen. It is sealed up with symbols. But now He says, "Seal not up those things", because Seven Thunders uttered their voices to reveal it. It's happening.

*And prevailed not, neither was their place found  
any more in heaven.*

*And the great dragon was cast out, that old  
serpent, called the Devil and Satan, who deceiveth  
the whole world; he was cast out into the earth, and  
his angels were cast out with him.*

What a day that will be when he is cast out of the Church, cast out of the life of every believer! The Bible, the Message said, “The Bride will be an invincible army. Satan will stand powerless before her.” The Bride is coming to a place where Satan will have no part in her friends. She will be the living Word; greater is He that is in her. He said, “You could bind that devil in a knot and the worst of him”.

How many wants to live there? You can't say you want to live there tonight, and you still want to hold on to sin and you still don't want to give up part of yourself and you are still fighting and reasoning in your mind with the Word and you can't surrender your life and you think that is a man's thoughts and then want to walk there you know. That is for people who say, “I die daily that Christ should live in me. I die daily; I bring my body in subjection to the Word. I pull down every strong hold; I have a readiness to avenge all disobedience.” That's that person, friends. That's that person who is going to come in there.

To the lukewarm believer, they want a form of godliness but deny the power thereof. But a real believer, “Lord, I am born to become the Word. I want to become the Word”. Are you like that tonight? Amen. Praise His wonderful Name.

May God bless you and may He add His blessings to the reading of His Word tonight and just get settled in tonight. I trust you don't feel too shook up. I don't want to shake you up. I just want to preach, but I am preaching a kind of Message that you don't whistle. I want to preach a little Message here tonight to really bring real to our hearts what the Message has taught us and what we are looking for and what we know is happening.

And I would like to call it, “**THE CONSPIRATORS AND THEIR CONSPIRACY**”. **THE CONSPIRATORS AND THEIR CONSPIRACY**. And I want to take for a subject, “*The conspiracy is strong and the people are increasing continually with Absalom*”. *The conspiracy is strong and the people are increasing continually with Absalom*.

Let's turn and get that there first, so I can get those Scriptures out of the way. It will give you a good idea what I am talking about so you don't think that, “here is Brother Vin again making up some new thing”. And then it takes you a year to understand what I am

saying. If you could understand what I am saying tonight it is good.

II Samuel 13 verse 23 to 29. I have kind of two subjects there. The other one is ***“the ascension of Absalom”***. II Samuel 13, and this is where apart from his name and his mother being recorded in II Samuel 3, we have our first, real view of him in II Samuel 13.

And as I always say the Bible is not an ordinary Book. And that is why people misses Truth many times because they read it like an ordinary book and they try to read it in their own spirit. But it is a Book that sealed up the Revelation of Jesus Christ and it is a Book that we need the Holy Spirit to reveal to us because the mystery is hid in the Book.

And as we look at this, I always say that whenever God presents some... a Truth, the first time He presents that Truth that's the root of that Truth. And every time that thing is mentioned in the Bible it will unfold further that Truth. But God presents it in a certain way for a reason and purpose, because the way He introduces it to you is the way He wants you to see it and know it, because He has an intention in doing that. Because it is put there not to take up space, because every jot and tittle is inspired in the Book, it is put there for a mystery.

And so remember all these things in the Book is speaking of something in the last days, because that is why the Book is opened in the last days, because the whole Book is now being made manifest in this hour. That's why the book of Revelation is the Revelation. That's the unveiling, the uncovering, the exposing, bringing into plain view, laying it naked and bare; that we could look and see what these things that was in seed form, in shadow and type, in parable, in symbol, what it really is, because it is speaking of things that is in the earth right now. Revelation is harvest time, Genesis is seed, beginning.

Everything on the earth tonight had its origin in Genesis. Amen. So we are looking here at this great thing. And as we go on with this you are going to understand more. These are things we have taught in the past so, you know, I trust the Holy Spirit would bring it back to your remembrance as well and also it could even unfold further for you tonight.

Ok I called II Samuel 13, verse 23. This is where Absalom is being presented unto us. This is the first time we are seeing him.

First time we are going to hear him speak, first time we are going to see him behave.

*And it came to pass, after two full years, that Absalom had sheepshearers...*

I am missing something here. Let me take about verse 19. This is, you know, II Samuel 13 is the story of Amnon and Tamar. I preached on that here before how Amnon forced her and raped her and so on and then hated her afterwards. And she was really Absalom's sister, they had the same mother; and now we see her here, she is rejected and used and abused and cast aside.

*And Tamar put ashes on her head, and rent her garment of divers colors that was on her, and laid her hand on her head, and went on her way crying.*

*And Absalom, her brother, said unto her, Hath Amnon, thy brother, been with thee? But hold now thy peace, my sister. He is thy brother; regard not this thing. So Tamar remained desolate in her brother Absalom's house.*

A very cruel thing, she is raped, she is abused, she is broken, she is crying, she is just hated and cast out and she has come looking for some consolation or for some refuge, and she comes to her brother. And he told her, "Hold your peace, don't say a word. He is your brother, let it go". Now the thing here, Amnon was the first-born. Amnon was the one who was in direct line for the throne; he was David's first son and was the heir of the throne. But watch this Absalom here because he is a type of the antichrist.

And that's why I, in all that I read here of Lucifer in the Bible, in Ezekiel 28 and Isaiah 14 and Revelation 12 where we saw Lucifer in heaven and what caused his fall. He was perfect in beauty, full of wisdom, had five 'I wills', self-will, ambitious, how he manipulated the angels, how he exploited them, how he broke their unity with Christ, how he deceived them, how he pulled them down by his tale; all in the plan to be like God, to exalt himself and be like God. But watch here we are seeing him being presented to us and that is important for me to see that, because if we know who he is and what he represents, then it is very instructive to see how the Holy Spirit wants to present him. Because we must know this one who is going to deceive the world in the last days, we must know this one who is going to sit on the throne and be worshipped

as God, because if it is possible he will deceive the whole world. But he is not going to deceive the whole world; he will get everything else except the Elect. And the Elect right now is the ones with the Holy Ghost and they are the ones to whom the Seven Seals have been opened, and God has uncovered the enemy's schemes of how he worked down through the age and how he is going to come into his position in this hour.

And here we are at the end of 2004, and I have come down through the last couple of years preaching so many things to you, to show him to you in the earth today, in Rome, in America, in the things that they are doing in the earth. In the realm of finance, in the realm of politics, in the realm of religion, and the world is blind to it, believers don't understand it, they read the Message, but they can't conceive it. And that is why we have come to such a place, especially there after the message there on Wednesday night, and we see what is happening in the earth and placing those things; nature is groaning it is a time of great deception right now; the whole world is being deceived right now.

And that is why among the Elect, when we are gathered like this, there has to be reality, there has to be reality tonight. Because the kind of power that is put in the hearts of men and through their technology and their science and their weapons and the way they can manipulate the whole world, and the way they are controlling the whole world and breaking nations, there must be a Power also raising up the real Church. Because there is no way, big powerful nations can stop what is happening; they are crumbling under the power and the onslaught of Rome. Then there must be something in the Bride, where the Spirit of wisdom and revelation, in the knowledge of Jesus Christ as this mystery of iniquity is working, and working so shrewd in the world today. Because we know what the Bible tells us about the world, right? Rulers of darkness, principalities, powers, spiritual wickedness in high places; that all the things we see...

Look at Christmas, what is that? That is part of her sorceries that she has deceived the world with. That is part of her sorceries. And you know what one of the outstanding things to me is and I was purposely looking for it this Christmas? Every time I went through the paper, you hardly saw anything about Jesus. Every advertisement, everything, everything on Christmas, there was

nothing about Jesus. Brother, if you saw two percent you saw plenty. Everything was Santa Claus, everything was commercial, everything was... And yet you get out there... Brother, I locked myself home I let that whole thing pass I wouldn't even go outside to buy a loaf of bread. The family was in Tobago, I sat down there and I got out there and from the time I saw that craziness I said I wasn't even going near that, I will stay at home and eat salted biscuit. It means nothing to me, nothing, absolutely nothing to me.

Until I said, "Am I a fanatic? Am I crazy?" But how can I have this Truth and get influenced by a lie. There is something in me rejecting that thing. There is something in me resisting that thing, because especially when I know it is men manipulating and seducing the people. It is men every year, brother, planning how to do things to get them busier, and they are falling for it every year. And by the time they are done they have spent money left, right and center for nothing.

I said look how they have them crazy, running like ants, running up and down. To do what? Eat piece of pork? Brother, they are eating pork every day they could go and buy it any day they want. And I realize how crazy it is. I said, "God, my revelation forbids me". I am looking for the Lord in the midst of this. I am looking for God to talk to me in the midst of this. That's right, friends.

And while I was there, I got this. That is where I want to preach. And you know sometimes people even find quotes on where the prophet, you know, told the people, "Merry Christmas", and all these different things. What can you do when you are talking to a carnal, baby church in 1959, in 1960, 1961 and 1962? But when you are talking to a mature Church now, with the Word. Do you understand what I am saying?

But you see when you look back there and you are just on tradition then you can bring all that here, and still try to keep it because we just can't get rid of it. See? But watch. Look at Absalom here now; keep your eyes on him. This man is evil; this is one of the most diabolical men. And get this now, that was one man back there, he typed man here today. But I want you to see every little boy and girl outside there that is under the influence; there is only two spirits, if they are not under the influence of God, they are under that spirit. They are there to seduce, they are there

to mislead and they are there to deceive. I am going to prove that to you by the Bible. A tree is known by its fruit. That's right. There are only two trees, friends. Wheat and tares; Good and evil, Tree of knowledge of good and evil and Tree of Life.

Verse 20;

*And Absalom, her brother, said unto her, Hath Amnon, thy brother, been with thee? But hold now thy peace, my sister. He is thy brother; regard not this thing.*

He raped her, and he cast her and said, “*Regard not this thing.* Don't say a word, don't tell anybody, just keep it quiet, hush it up, go along, just take your pain, just keep quiet in a corner.” He had a plan. In other words, he is being presented to us to show he saw the opportunity right there to get rid of the first-born, to get rid of the one who is heir of the throne. He saw the opportunity to advance himself closer to the throne. And the first thing he has in his mind is murder. He is already incensed, he is plotting a murder, this is what he is doing and that is why he said, “Keep quiet.” Watch and see.

So his real nature, God is presenting him in a way for us to see his nature, his person, so we will understand this one in the last days.

*...Regard not this thing. So Tamar remained desolate in her brother Absalom's house.*

*But when King David heard of all these things, he was very wroth.*

*And Absalom spoke unto his brother, Amnon, neither good nor bad;*

“Aye, Amnon how are you doing boy? Yeah, everything is okay, man. What is going on? Yeah, when I see you, we will catch up sometime and we will have a little fellowship together.” *Neither good nor bad*, but he planned to kill him already, but he could conceal it. This is a next thing, he can conceal it. He has murder in his heart, but he can conceal it, and he can veil it with an outward behavior that don't reflect what was inside, he is good at pretending, he is good at pretending. How do you know a person is so? You have to know them by spirit; you have to know them by spirit.

*And it came to pass, after two full years, that Absalom had sheepshearers in Baal-hazor, which is beside Ephraim; and Absalom invited all the king's sons.*

*And Absalom came to the king, and said, Behold, now, they servant hath sheepshearers; let the king, I beseech thee, and his servants go with thy servant.*

*And the king said to Absalom, Nay, my son, let us not all now go, lest we be chargeable unto thee.*

He said, "What is all of us going for? We are a big family. Do you know how much it is going to cost you? No, no, don't do that man, you would be spending too much of money for nothing. You go shear your sheep and all of us don't have to go down there. Get it done; we could always meet a next time." Now watch this here, this is two years passed.

*...He would not go, but blessed him.*

He tried to get the father to go. But it is a scheme; he knew what the father was going to say.

*Then said Absalom, If not, I pray thee, let my brother, Amnon go with us. And the king unto him, Why should he go with thee?*

He was kind of suspicious. What do you want him to go with you for?

*But Absalom pressed him, so that he let Amnon and all the king's sons go with him.*

*Now Absalom had commanded his servants, saying, Mark ye, now, when Amnon's heart is merry with wine, and when I say unto you, Smite Amnon; then kill him, fear not. Have not I commanded you? Be courageous, and be valiant.*

He is talking like God, that is what God told Joshua. He went to the father, he said, "Dad, you know, I want you to come down here, you know, my sheep shearing if you see, you know, all my flocks and them, they were so prosperous this year and, you know, this is the time of shearing the sheep and so on. And it will be a big feast, we will kill a few young lambs and we going to have some nice sheep cheese and we are going to have different things and we are going to barbeque some and different things and we are going

to give some wool to all the family that they could make a nice coat or something, you know, for the cold season. And, you know, God has blessed me so I just want to have a nice... throw something and make everybody feel happy.” But it is a scheme.

Two years passed, he spoke neither good nor bad, relating like normal, like nothing happened. Didn't even bring up an issue and say, “How could you have done the girl that?” He wasn't too interested in what the girl did. He didn't even question the girl and say, “What and what and what?” He said, “No, no, no, just relax, don't say anything.” In other words, “I will handle this my way. I have a plan how to deal with this.” And he already had men instructed. He said, “When I give the word now, you all smite. But we have enough wine, we will get him kind of drunk, we will have him, all his senses get dull, all the defense mechanisms shut down, when he is in the most unsuspecting atmosphere, I am going to strike. He wouldn't even know what hit him.”

You could imagine you go down there thinking you are invited and everything is nice and it is a trap set for you, you are going to your death? But catch this. Look at David, isn't that what David did to Uriah? Isn't that what David did to Uriah? Now the same thing is coming back, until he himself became an accomplice to his own son's death. Until he himself became an accomplice to his own son's death without even knowing it. The same way he told Uriah, “Take this letter and give Joab it,” and the man's death warrant in the letter that he is handing Joab and when Joab opened the letter Joab said, “The king said put him in the heat of the battle.” “His wife is pregnant for me and I really need a good cover up. You have to help me out of this.” And the man carried his own death sentence.

Here is the king saying, “Let him go with you.” Friends, do you see God? Do you see God? Do you see when things marked in people's lives, “be not deceived God is not mocked, whatsoever a man sows that shall he also reap”. Do you see how God rules in the affairs of man? Do you see the way God made a man who does that, mark that and then the time comes up a couple years didn't pass well, maybe about a few years, two years, full years, and David's own was about a year before, or two years before. so within five years, and here was this man reaping the thing and he himself now is giving this man the okay to go, sending his son to

his death because he didn't know the next son has a plan to kill him already.

Oh my, I tell you. But this is something here. What we are seeing, we are seeing the methods of Absalom. We are seeing the methods of Absalom, which is important.

Verse 29;

*And the servants of Absalom did unto Amnon as Absalom had commanded. Then all the king's sons arose, and every man gat him up upon his mule and fled.*

*And it came to pass, while they were in the way, that tidings came to David, saying, Absalom hath slain all the king's sons,*

Do you see how news gets exaggerated fast?

*...And there is not one of them left.*

*Then the king arose, and tore his garments, and lay on the earth; and all his servants stood by with their clothes rent.*

And it's a false alarm you know, because it was only Amnon alone died.

*And Jonadab, the son of Shimeah, David's brother, answered and said, Let not my lord suppose that they have slain all the young men, the king's sons; for Amnon only is dead; for by the appointment of Absalom this hath been determined from the day that he forced his sister, Tamar.*

From the day it happened, he said, "This is determined by him." Satan, now you have to see the picture, Satan had a plot that he kept for over six thousand years and he's bringing it to pass exactly in this very hour. Do you get what I am saying? My!

*Now therefore, let not my lord, the king, take the thing to his heart, to think that all the king's sons are dead; for Amnon only is dead.*

*But Absalom fled. And the young man who kept watch lifted up his eyes, and looked, and, behold, there came much people by the way of the hillside behind him.*

*And Jonadab said unto the king, Behold, the king's sons come; as thy servant said, so it is.*

*And it came to pass, as soon as he had made an end of speaking, that, behold, the king's sons came, and lifted up their voice and wept; and the king also and all his servants wept very sore.*

*But Absalom fled, and went to Talmai, the son of Ammihur, king of Geshur.*

2 Samuel 3 tells you that his mother was the daughter of this king. Absalom's mother was a princess, she was the very daughter of this king, so in other words, he ran by his grandfather, who was a king and had his own kingdom, he fled there for refuge.

*So Absalom fled, and went to Geshur, and was there three years.*

*And the soul of King David longed to go forth unto Absalom; for he was comforted concerning Amnon, seeing he was dead.*

David was so vex when Absalom killed the boy and fled, but afterwards like a father he started to grieve now for the killer. He started to grieve for the killer-son, because he got comforted over the son who was murdered.

Isn't it strange how we are human beings and we have emotions. And isn't it strange sometimes that when we should be strong with certain things, but because we are flesh and blood. David now, mourning for Absalom, think of it now. The same man who he is mourning for is coming back to bring more trouble, you know. Do you get what I am saying? Because sometimes we look at things through emotion, instead of looking at things in a judicial way.

Let's turn to 2 Samuel 14. And I want to just save some time so I want to drop down to verse 33. But in 2 Samuel 14, from about verse 23, it tells you how Joab was sent by David to go and get him because Joab and a woman had a plot, a woman from Tekoah. He brought the woman before the king and they put on a whole play and it was designed to convict the king and then the king said, "Okay, okay, I see what you all are up to, go and bring him." And then Joab went and then they got him from Geshur and he brought him. But he didn't bring him back into the king's presence; he brought him back in his own home.

But the boy came back home, but he is determined he wants to be in the court, he is determined he wants to be in the king's

presence. And when he realized they just locked him away and he can't be where he wants to be, from about verse 23 to 32 tells you how he had another plot. He set Joab's field on fire, burnt down all Joab's wheat and barley to get his attention and then he forced him to take him into the presence of the king.

So here in Verse 33;

*So Joab came to the king, and told him; and when he had called for Absalom, he came to the king, and bowed himself on his face to the ground before the king: and the king kissed Absalom.*

He came before his father, come so penitent, bow down at his feet, threw up his hands and kissed his father. And that bowing is a sign of submission. In other words, "Daddy I come back to you to submit to your authority. Daddy I am sorry for what I did and I come back and I am so glad that I have favor even to be in your presence to see your face." Now he knows he is the next one in line for the throne. And he comes there and he kneels, and the king kissed him as a sign of acceptance.

And Chapter 15:

*And it came to pass after this, that Absalom prepared him chariots and horses, and fifty men to run before him.*

*And Absalom rose up early, and stood beside the way of the gate; and it was that, when any man that had a controversy came to the king for judgment, then Absalom called unto him, and said, Of what city art thou? And he said, Thy servant is of one of the tribes of Israel.*

*And Absalom said unto him, See, thy matters are good and right; but there is no man deputed of the king to hear thee.*

*Absalom said, moreover, Oh that I were made judge in the land, that every man which hath any suit or cause might come unto me, and I would do him justice!*

I. Me. I. "Oh that I was made judge in the land. Oh that if a man hath any suit or cause that he would come unto me and I would do him good." Now catch it. He knew the geopolitics. "Of

what city thou art? What city are you from?” Because if you have a plan to take the country...

In other words, if they want Trinidad, anybody who wants to have power in Trinidad must control the East-West corridor. Do you understand what I am saying? That is why in the voting thing, Elections and Boundaries Commission always has things there, and all the voter padding and all the different things. And they are moving people, and they are opening up new housing developments, and they are putting more people in a constituency and so on. Why? Because the structure of the society how it is set up, if you control Matelot and one or two different places, Nariva and some other place, and you didn't get the oil belt and you didn't get Port-of-Spain, and you didn't get certain key places, you have no power. What power do you have? Do you get what I am saying?

Now remember don't get lost in Absalom here. Absalom is a microscopic form of what we are talking about. But Absalom holds a mystery, Absalom holds a mystery. The whole plot here is to take the kingdom.

Back up with me into II Samuel 14, 25; let me read something there I was supposed to read that.

*But in all Israel there was none to be so much praised as Absalom for his beauty; from the sole of his foot even to the crown of his head there was no blemish in him.*

He was perfect in beauty. He was so beautiful in all of Israel, from Dan to Beersheba; there wasn't a man like him. He was so shrewd with his wisdom, there wasn't a man could politic and manipulate and exploit, he was such a good actor for two years he behaved like nothing, suppressed certain feelings, and he could hold his anger, and hold his tongue, and you don't know where you stand with him, while he has designs and plots. I am talking about what? **“THE CONSPIRATORS AND THEIR CONSPIRACY.”**

Conspirators are plotters. There is a group of people that plans to take over this world, friends, and own this whole world and all the people on it according to the Bible, and that they will do it. They will control the schools and they will teach that God is just a thought in religious people's imagination. They will tell people about evolution and teach them Darwin's theory. They would teach them genetic engineering to destroy God's creation and hybrid

everything and teach them to clone and make people and give them degrees for it too. And use them in microbiology to breed weapons to destroy people and crops and these things, and use them in military science to manipulate nations and the economy of nations.

Are you getting me? Are you following me? Think on this level. We are talking about the world... the last days the whole world will be deceived, with what? A Baptist woman ringing a bell? No, no, no. What did the Seals reveal? It broke Christendom. What started with an apostolic church with signs and wonders and miracles was known as the church. What is known as the church today? Who is known as the leader in Christianity today? The Pope in Rome, the Pope in Rome is known as the leader of all Christianity. All the Gentile nations and their heads from President Bush and all of them, they say that and the Jews say that too. And the real believers are what? Heretics, Cult. How come? They were able to deceive the whole world. They have convinced the world with that. That is the kind of control we are talking about. That is the kind of control we are talking about.

How can a group of people get so powerful? How can a group of people wheel such power in government? How can a group of people deceive the most powerful nation, United States of America, and make them give up all their liberties by the bombing of the World Trade Center and the Pentagon? And they have concentration camps, which I showed you the film here already, set up all throughout the United States already for people. Because according to the Bible, Revelation 13, out of there is going to come a power that rise that you wouldn't buy or sell except you have the mark of the beast, and if you don't worship that beast you will die.

Like back in the days of Daniel and them, they will force a worship of an image when Babylon takes the world. When that Babylonian power took the world under its control, exactly at the beginning of the Gentile dispensation, the same thing is coming back at the end of the Gentile dispensation. And when is that, next twenty years? It's already happening, friends. It's already happening. That's what we are talking about.

And look at nature and look at its convulsions, that we begin to see power of such magnitude that they had not seen in hundreds of years. It is the most costly ever. They said it was equivalent to a

million atomic bombs. It shook the entire planet and made it wobble.

And I read for you where Brother Branham says, that God warned by a world tremor in 1964, because that was the earthquake they are pointing back to. They are all pointing back, they said forty years ago, to the very same earthquake. And I showed you how it was a rock thrown up, because the first sign and the second sign were rejected like Moses. He said, "I take water now and I pour it on dry land." That was being done by a prophet, that wasn't being done by geology that was being done by a prophet because God came down, because the Seven Seals were rejected, they don't believe those angels came. Yet after it was spoken and he demonstrated the sign, "This day is this Scripture fulfilled", right in their very midst, the priest handed him the book, preached the Message and told them the Voice spoke from heaven. Then God confirmed it and they still turned it down.

How could men be so powerful to make all Christendom? He said, look at David DuPlessis, the man is swinging all the people I'm trying to bring the light to into Babylon, saying he went and had a meeting with the Pope and it was so spiritual. How could these men have more power and influence than a prophet with an Angel with signs and wonders and miracles?

That is what you don't think, that is what you don't think. You sit there and watch and see. And that is why you pray many times, "Lord, give us that, give us that." And if God give you that what are you going to do with it? Who are you going to convince with it?

A prophet had it there and 1962, "All man have forsaken me." Yet no other man had an Angel there. Yet no other man had a Pillar of Fire there. Yet no other man had Spoken Word coming out of... yet no other man could do those signs and miracles he was doing. And yet he had nobody to preach to. How come? That happened by chance? Men crucified the effects of the Message on the pulpits. Men had power with government officials; they brought the tax case to shut that thing down. He said, "I don't even know how I came out of it, it is the mercy of God got me out of it." He said, "They planned to shut me up and crucify the Message."

Oh brother, see the Message the way I am trying to present it to you. Not in the little ideas that you have sometimes, what you

think the Message is, but the hour we are in here. And that's why if we don't see ourselves as the Bride, how can we stand against these things, how can we stand against these things. Because, do you know what is going to make you stand against that? God has to come down and talk for you. Because who could help you if the police would come and take you up in the morning and lock you up? And with the laws that they have now, suspect you for something and just put you away and hold you indefinite and freeze all your assets. What are you going to do? Who is going to stop that? Who is going to placard for you and say let you go? Who are you, are you so important they will want to let you come out? It will have to take God to come down and talk for you. And from what I see in the Bible it didn't say God is coming and talking that way, it says the "persecuted, hunted group". They will hunt you like dogs. So that don't mean some super-duper walking down Frederick Street and they can't touch you that kind of way, that doesn't mean that. To me when I see that power, that power means God will give witness to His Word to the ones who He wants to give witness to.

Elijah, when Elijah was rejected and crucified and his message had no effect, a little woman in a house and her son were seeing the power. A little woman in her house and her son was seeing the power of God, everyday. Oh Church, think with me. Let's get out of this little kind of... That's why I try to take this church far away from all those mainstream Message things, not because I am a fanatic you know. Because I am looking at something real in the Book and what I'm seeing out there happening in the earth, the kind of Christianity I am seeing, and the power of darkness in the world that I am seeing and the blindness of people. And when you see learned, religious men swaying masses, ten thousand and twenty thousand with just lying spirits coming out of their mouth, and the people cultured - they love the lie more than the Truth. That you scratch your head and you say, "I have all this Truth and I can't get even five people to talk to who will listen to me. How come this man is talking to twenty-five thousand and telling them everything and what he is saying is not in the Bible?"

And then I started to realize how the Message has no effect, and what the world has become. And when I see people crazy, from big high-falutin people, (People who are of higher education)

down to the most ignorant running up and down in groceries, fighting up and down for something on a shelf and different things, for a day, a Catholic tradition, an invention, it tells me the greatest Light has shone. How come it didn't move that darkness? And then you see strong Message believers too, it didn't move that darkness from them, that every time that part of the year come around, they are right back in the rhythm in the same way. How come the Message didn't cleanse that defilement?

Do you know why? Because a lot of us live our lives in the humanistic realm. A lot of us live our lives in a social form of Christianity that we call serving God. But to walk in Truth, friends, you notice, "I am doing that. Why am I doing that? What must I do that for? I could do something else with my life at that time. I could rest, I could go and take a book and read." In other words, "Why do I have to do that? Why, because the whole world is doing that and I wake up to see what it is?"

Conviction; sometimes these things let you see how deep your conviction goes. Because tell me, if that tradition which is a lie can hold you in a grip and control you and influence you, tell me how will you determine another lie will not hold you in a grip too and another lie will not influence you? Tell me how? And tell me what is making you feel better in this lie, because you have more people in the lie with you? You are feeling safer? No. Then influence, where does your influence come from, where does your influence come from, does influence your life? Could that be your Theophany at that time influencing you? You mean you told your Theophany, "Take a holiday right now because right now I want to be in this." Because if your Theophany is the Word, your Theophany can't influence you to do that, you know.

Let us not go down that road. We don't want to go down that road. I don't want to make you feel bad because it's not you I am preaching about. I want to expose the system that is here because I believe this year you will see even more visible the things that we have seen on September 11<sup>th</sup>, in Afghanistan, in the Iraqi war, and all these things. And the lies, and the media, and control and the manipulation of the people, and the depopulation, and the plans to reduce the world population, which I proved to you is Bible. Power is given unto them to kill one-fourth part of the earth by pestilence. How they could kill by pestilence, they could make that? We are in

the wheat age, they make that. We are in the age of bio-terrorism; we make that in a laboratory. By war, sword, we could start war when we want to sell the war industry, it's a billion-dollar industry. And when we want to sell bombs and planes and everything else, we create a war that makes a need for a commodity because we could profit out of war, war is business. Do you get me?

Who are these people? You know, I was reading where they said, one percent of the world is who owns about ninety percent of the world's wealth. You could imagine that, one percent of people, less than one percent of people in the world own ninety percent of the world's wealth? Figure that out, then you will find out what we are talking about. The Bible says, 'Rulers of the darkness'. When you interpret that in your mind, what do you come up with? Principalities and powers, what do you come up with? What principality controlling what part of the world and how does it controls that part of the world and how do they remain a principality, or who is the present principalities that have the influence and grip upon the world? Who is Rockefeller? Who is Rothschild? Who are these people and them? Who are the Kennedy's and them?

I was reading there the other day Beckham had a christening cost over a million pounds, to christen his two children, over a million pounds. And Elton John and his mate, a man, this man is invited to the White House of America, this man is given a knighthood in the Buckingham palace; and this man is the godfather of the two children. How do you pay a million pounds, could you imagine that money? That is about nine to ten million dollars in TT, for a christening for a couple hours? The world we are talking about, the world we are talking about. Do you know how many little boys and girls have this Beckham thing, 'Bend it like Beckham?' Brother, the day I see one of my children have something wearing marked Beckham, boy, I will rip that off of them and I will burn that in front their face immediately.

Who is promoting these people? Who makes them the news? Who makes them important? And why do they need to keep them important? Who is putting up these images and why are they doing it? Or it's just by chance? Are these things orchestrated? Then what kind of world are we living in? **"THE CONSPIRATORS AND THEIR CONSPIRACY."**

I want to move on quickly because I will never get to this. God help me. II Samuel 15. Let's go on quickly. I want to pick back up from verse 2 so I could back up quickly.

*And Absalom rose up early, and stood beside the way of the gate; and it was that, when any man who had a controversy came to the king for judgment, then Absalom called unto him, and said, Of what city art thou? And he said, Thy servant is of one of the tribes of Israel.*

*And Absalom said unto him, See, thy matters are good and right; but there is no man deputed of the king to hear thee.*

*Absalom said, moreover, Oh that I was made judge in the land, that every man who hath any suit or cause might come unto me, and I would do him justice!*

*And it was that, when any man came nigh to him to do him obeisance, he put forth his hand, and took him, and kissed him.*

He is the prince and people see him and they want to give him respect and bow. No, no, no he is the one who is bowing. You understand how the Pope is? Take up the little baby, wash somebody's foot there, kiss their foot, and it looked humble, but it is pretense.

*And on this manner did Absalom to all Israel that came to the king for judgment; so Absalom stole the hearts of the men of Israel.*

'And Absalom stole the hearts', by mistake? He planned to do it. He plotted to do it. He devised a way and a method to achieve it. Here was a man perfect in beauty, full of wisdom, saying, "I will be king." Here is a man finding a way to steal the kingdom and he begins to pull down the stars, he begins to break the kingdom, and by the tale he was telling. The prophet said, "Not that Satan has a tail, but the tale he told." And Absalom was given a mouth to speak great flatteries. It was a seducing spirit to make them depart from the faith. He was enticing them and luring them away and the mystery of iniquity was already at work, it was at work. He was going to come to the throne.

Revelation 12, what did he do? Pulled down the stars and then what happened afterwards? Then he declared war. What is happening now? He's deceiving the world. What is going to follow this? Persecution, hunt you down, war. He made war with the saints. It is coming, friends, it is coming. It's already moving and I am just speaking it while it is happening, while I see him moving, I am speaking it.

*And it came to pass after forty years; (that is from David's first anointing), that Absalom said unto the king, I pray thee, let me go and pay my vow, which I have vowed unto the Lord, in Hebron.*

*For thy servant vowed a vow while I abode at Geshur in Syria, saying, If the Lord shall bring me again indeed to Jerusalem, then I will serve the Lord.*

Look at the scheme. He is now cloaking his diabolical deeds behind religion. But religion is only a cover for this man. He is putting on a religious atmosphere. Why? Because he already got the hearts of the people, he already broke the unity in the kingdom. He already employed his methods to divide and conquer; now he is going to take the throne, now he is going to unleash war in the kingdom. Watch.

*And the king said unto him, Go in peace. So he arose, and went to Hebron.*

For that was where he was born.

*But Absalom sent spies throughout all the tribes of Israel, saying, As soon as ye hear the sound of the trumpet, then ye shall say, Absalom reigneth in Hebron.*

The thing was already planned. The thing was already planned. He had his timetable, he had his agenda, he had phase by phase by phase how he was going to bring it in and he had his own itinerary. When he needed to be in Hebron, when he needed his spy network, his CIA and FBI and MI6, filled with all the knights of Columbus, and their free masons and their Jesuits, spies, espionage, spy satellites, big brother is watching you. Look what the society have become, look what the society have become. He had a plan to divide and conquer, pull down the stars of David, and then exalt himself to the throne and become king in the kingdom. Is that what

Lucifer had? He was perfect in beauty, he who pulled down one third of the stars until iniquity was found in him? He who was perfect and what is iniquity? "I will be king; I will sit above the stars, I will be worshipped as God." He had a plan.

He is controlling the church, he is controlling the military, and he is coming into the kingdom. And it says,

*And with Absalom went two hundred men out of Jerusalem, who were called; and they went in their simplicity, and they knew not anything.*

He had two hundred men with him going out of Jerusalem to Hebron, and they didn't even know that he is going there to become king. You mean to say things can be plotted that people from the capital, they are right in the capital, they are right around the throne, and they are unsuspecting of the diabolical plot that is taking place? Yet this man has influence into the spy networks, that he has all of them throughout the land monitoring the activities for him. In other words, they had a normal government in Israel, David is still king, or so it appeared, or so it appeared; because he already stole the hearts of the people.

You see I made a statement some months ago about shadow governments. That you look in the world and read this about the president, here this about the prime minister here, and you think that is the people running the world, and these are puppets on a string, these are figureheads. Didn't the prophet say that Kennedy was a figurehead? Who was controlling America? He said the Catholic Church, Jezebel behind the throne, was the one in control. Who was controlling Israel when Ahab was on the throne? When Jehoram was on the throne in Judah, was he or Athaliah in control of the throne?

You see that's why we live in an age you have to look at things through the Bible. Do not watch at things... in other words don't believe the "**Express**" more than this. You will believe "**TTT**" and "**TV6**" more than this? That is why people sit down here and question you when you are preaching. And when things start to happen they say, "You know Brother Vin was saying that in truth, boy. You know that is really happening now. You know we have the Word." And they sit down and question you because, why? They don't realize their influence is more with "**Time Magazine**" and "**Newsweek**" and the paper than the Bible.

Why did the prophet come, why were the Seals opened, what the opening of the Seals meant? It had a diabolical thing that had to be uncovered; otherwise we would have been in the deception too. But because it was exposed we are not in the deception. Now listen to me closely, God help me, Jesus. I am preaching because I so strongly believe that I am going to see things this year and I am declaring my faith here, because I have been watching these things for years coming up, and I see where they have to come out in the open and be more visible now, because they could only do so much behind the scenes, but they have to start to do things. But you see during that time they put people to sleep, so the ones who will be seeing is not the world, they already put them to sleep. The revival of the Roman Empire; what was the policy of the Roman Empire? Drunken the masses with the games. Have you seen that?

The world is drunk, millions dying in Rwanda; they turned the TV off to see Michael Jordan dunking from thirty yards out. They are watching a cartoon; they are watching a movie over here. Beanie man come, millions homeless, but front page, headline, 'Beanie man', Christmas is finished, they start that already. People can't see. "Wake up Church, wake up"! Leave that for the drunken, "they that are drunken are of the night, we of the day let us be sober". Let us be sober. Seven Thunders came to wake you up to a realization. The prophet said, "Hell is being created on the earth." Those are not statements. These are devils. All these people that look like heroes today are devils. I want you to understand that. That's demon power, but they love Absalom.

How all of Israel went behind a man who was a murderer and a killer? How all of Israel went behind a man who was a seducer? Do you know why? They weren't watching at his moral life, they were watching at his beauty and his wisdom. Why did they see all these big celebrities in all their filth and can't let them go and they still like them and they are denying God, and they still want to hold on to them? Why? It appears so beautiful, it appears so graceful on the stage, it appears so funky, and it steals their hearts. And next thing you know, you get to find out this big singer that they like is a lesbian, and this one is a homosexual, and he come out the closet now. And then they realize that was one of their favorite persons. And they hear this one here who is singing all those songs about treat their woman nice, abusing their wives, living in adultery,

being brought up for maintenance in the court. And they realize it was just a song saying things what people like to hear because it is a good marketing thing to sing about that.

And after a while your heart opens to deceivers and you become one who has been seduced too. And that's why lives they can't make stands, they can't make... they have no conviction; they can't resent certain things and resist certain things. Why? Because if they speak against that their conscious condemns them because inside of them they like that. They have been perverted in their thirst; in their spirit they get perverted. You see you don't realize the importance of maintaining your immunity, you know. These things are to break down your immunity, your spiritual immunity.

Like when Brother Branham was preaching against those naked women and these things, the young fellow came outside the church, he said, "Preacher, you could say that because you are an old man." He said, "But I find they look nice." He said, "Son, what is your age?" He said, "Twenty-two," or something so. He said, "Since I was fifteen I believed that." He said, "Son, your eyes see through your heart. In other words, you are so because inside of you, you are full of that. It is a lustful spirit inside of you for that."

I pray that God gives me favor with you; I hope I am not coming across like someone who is cracking you on your head. I hope I am coming across like somebody that can wake you up and open your eyes and you say, "Oh my God, how do I want to live my life? Where do I want to stand? What kind of convictions do I have? What kind of man am I going to make? What kind of woman am I going to make? What kind of person am I? Can I represent God? Can I claim to have the Holy Spirit in me and bring forth that kind of fruit? What kind of person am I genuinely? How deep... what standard am I going to measure myself by?" You can't even be a true Christian if you don't ask yourself these kinds of questions.

Because what keeps you true and what keeps you under conviction of the Word, you have to be asking yourself these kind of questions from day to day. And when certain things come up you say, "Why did I respond to that like that? I should have stood up; I should have opened up my mouth, what silenced me when I should have said something there. How can I have them talking

about God, and talking about those things and I walked away and I didn't say a word there? What am I ashamed of to take a stand? How could I be a light and put on a lamp stand and be a witness and don't open my mouth?"

And then you get to find out the Holy Spirit is not you comb your hair nice and look nice in the mirror and you fix your tie and your tie matches your socks. You get to find out the Holy Spirit is God inside of you who is holding you by that Word and guiding your life through the earth and because you understand your purpose He put you on the earth for. Oh my, because this Absalom is on the move, friends. I am coming down to my text here now.

And verse 10.

*... Absalom sent spies throughout all the tribes of Israel, saying, As soon as ye hear the sound of the trumpet, then ye shall say, Absalom reigneth in Hebron.*

*And with Absalom went two hundred men out of Jerusalem, who were called; and they went in their simplicity, and they knew not any thing.*

*And Absalom sent for Ahithophel, the Gilonite, David's counsellor, from his city, even from Giloh, while he offered sacrifices.*

This man offering sacrifices, but it is a plot to take the kingdom. You think these people that we see on the paper and they go and say a big mass, and they go here in St. Peter's square, in St. Peter's basilica and they go and say something or they go in Westminster Abbey and they say something, do you think that is about religion? Do you think they are honoring God with that? That is not about that, friends. That is not about that at all. While they are doing all of that they are plotting to take over all the world and it has raised up the Roman power that is going to persecute everything, like in the time of Nebuchadnezzar, that doesn't bow down to it.

*And Absalom sent for Ahithophel, the Gilonite, David's counsellor, from his city, even from Giloh, while he offered sacrifices. And the conspiracy was strong; for the people increased continually with Absalom.*

And the conspiracy was strong; for the people increased continually with Absalom.

That day will not come except there come the falling away first. Let me ask you something as a Christian. Is Jesus Christ put on the outside of the church? How did He get outside of the church? Men sat down and said, "This thing will not become powerful. And we have to agree, and we have to make sure we cut off that literature and we have to close down the places where it has access to speak and we going to monitor and control by the radio.

When I was there in Poland, brothers were going to rent a place for the meeting and from the time they heard what it was, the Catholic bishop called up, "You can't have that place." Go to a next place, they called, "You can't have that place." I came back and testified to you. It had some Pentecostal minister came and had something a time they said also, and something the Catholic bishop called the radio station, he said, "If you have that man on your radio station again, we will shut down your station." Do you know in Poland the Catholic Church is legalized? Do you know Poland was the biggest ally to Russia? And when the Pope, the Vatican Washington Alliance, Pope John Paul II and Ronald Reagan in the Vatican, when they conspired to break that thing and they had Lech Walesa, the man there in Poland, the labor union man on the docks, they made him president first and then he legalized the Catholic Church and then they moved him out. He did his work for them. That's right. That's right, friends.

Look at this year in June, President Bush went to the Vatican, bowed to the Pope, kissed the Pope's ring, and the Vatican gave him a medal, he is one of the political war-dogs of the hunter. The hunter has his dogs, political dogs, dogs of war, back up the prey; get what they want, that's right. President Putin he went to the Vatican too. What do you think he had a different audience? No bow, same way. We are talking about two of the most powerful men in the world, but the kings of the earth give their strength and power to the beast.

Our Prime ministers can't even get to see these men. They have man, who is the Secretary of State, and he has a next man, and he has a next man, and he has a next man and then they talk to him. And then they say, "Okay we will kind of get him to come in here,

we will get him to shake your hand when he is passing through here and he will stop for two minutes, shake your hand, take one picture and go. So you will get that, put that in your paper in your country, you will look okay, you know,” but such and such.

Aristide thought he was in power in Haiti. Three o'clock in the morning, take him, his family, put him on a plane and drop him in Africa. Do you know all Caricom is sitting down with Haiti now? I told you they started to jump up, “We protest that, we are not involved.” He said, “Get along with them! End of story.” Everybody ate humble pie, now they get along with them and talk. “We are expecting you to deal with the interim government! That’s it.”

How are you seeing the world? How are you seeing the world, friends? Let me tell you we can’t stop that, you know. But I am preaching to you to try and get some saved from out of it, I am trying to wake up some to see it. So they don’t sit down in the Message and they are going through the Message and they are reading Babylon, Babylon and they feel it is the Pope who sits down there, the old man who bows himself down. They think he is the man who is going to rule the world. No not him. That is an icon, that’s an icon, friends. Get next to yourself. How could that man run the world? The man can’t even walk on his own two feet. But it’s when you look what do you see? And then you know if your thinking is filtered. Then you know what realm you are thinking on.

Now I am dealing with the real enemy. People think that I am the enemy. Man said, “Vin, chief Nicolaitane, biggest impersonator,” and he is writing ten books to shut me down, I am dealing with the enemy. You see these people don’t know the enemy, they think I am the enemy. Look at poor old me I have no influence; I am trying to influence a few people here for Jesus Christ and the Message of the hour.

But, ‘the conspiracy has become strong’, that is the point I am trying to bring tonight. And I am going back there in Absalom to show you how it has built up, and how he has taken the kingdom. And what is looking like it is not taken, it is already taken, friends. And they have the day, and it is so well organized, they have people right around them who is going there from Jerusalem. Their presence has everybody in Hebron unsuspecting of what they came

in Hebron for. Do you get what I am saying? Because these are people and officials from the government and the capital city where David is king. But to the ones in control, when we stand there and that trumpet blows, that means this. End of that government, New World order and new society. “Now the papers we will sign it in the back different. What will we do with the treasury? What will we do with the money system? What will we do with trade from now on? What will we do with the air embargo? What will we do with so and so and so?”

You see what happened with all the air industries coming at the end of the year here? They said their computer had problems and thing. Do you think so? You think Microsoft had a bug or something? Or do you think it is new plans? What do you think it is? The biggest liar it has in the world is the air industry people. Have you ever heard them say, “The flight we are delayed for technical problems. And we have to, you know, put you up in a hotel, but we can’t really stay so we will get you on a flight and re-route you and...” They are playing with people. This time they don’t want to spend money. This time it is all kind of politics going on in the back, but the people is just cattle. They mean nothing. “When we are ready for them, we will fly them out.” There were people who laid down there and slept, they don’t care, sleep in the airport and after you have ticket and reservation. Think if you have a ticket and reservation you are going somewhere? No sir.

Oh my, Jesus! ‘The conspiracy became strong for the people increased continually with Absalom’. Let me say this. With the Absalom of this age, the world is increasing continually with him and it is coming down to those with Jesus Christ will only become the little Bride. **Taking sides with Jesus**. All hell is against this Truth. Am I making sense to you? That day will not come except there be the falling away first, they already crucified the Truth. This is the age of apostasy; this is the age of blackout, a blackout of Truth. This is the age where the man of sin sits in the temple and is worshipped as God because the whole world sees we have finally found the man to bring world peace. Absalom’s name meant “**father of peace**”.

Oh my! And here is the father of peace, a man perfect in beauty from the crown of his head to the soul of his feet, a man full of wisdom, he plotted and he executed a plan and he waited and he is

abiding his time to kill the heir to the throne. Watch this man, perfect in beauty and full of wisdom. Who does he kill first? The heir to the throne, the first-born son. What does he do next? Lead the kingdom in rebellion against the father, the true king and ruler of the kingdom.

Who killed Jesus? Who is going to rule the world in the last days? Who is going to lead the whole world against God? Who is so beautiful that they enchant the nations with all this great, big classical liturgy and mass, and great, big steeples, and great, big cathedrals? And John, when he saw the woman he wondered, he marveled at her beauty, with admiration. But the conspiracy became strong. How strong is the conspiracy? It became strong before it took the throne. How strong is the conspiracy, my brother, my sister?

Listen, from the **“Church Age Book” (pg.237)**. **“Thyatirean Age”**.

*“Papal Rome has infiltrated the whole world, and her power is absolute. She uses kings and merchants in her deadly religious and financial strength...”*

*...Her deadly religious and financial strength...”* She uses who? Kings and merchants.

*“She is governing as the goddess of this present age. She is also the dragon that stood waiting to devour the man-child. Herod tried to kill the Lord Jesus and failed. Later Jesus was crucified by Roman soldiers, but now is caught up to the throne...”* He says, *“Yet it is there and running world’s affairs in both the democratic nations and the more despotic ones. The Roman church is in every nation. It is mixed up in it all”*. This is not me now, this is the prophet now and you have to believe him now. *“Right now Rome is calling the tune. The Pope is in the driver’s seat. And his power is going to increase. No one can make war against him.”* Revelation 13 says what? *“Who is able to make war with the beast?”* Absalom had Amasa and them; he had a big part of the military.

Listen, **“Sardisean Age” (pg. 265)**

*“You know we are living in the end time. It is in this age that the churches are going to come together. And as they are even now controlling world politics,”*

Who is controlling world politics? The churches. But do you see that? Have you ever seen the church controlling world politics, do you see that? No you don't see that. Then is the prophet right or is he wrong? Then how are they controlling it? Behind the scenes. Then why are they doing it behind the scenes? Because you are not supposed to know who is controlling it, you are not supposed to see the church involved. Disguised for what? The many painted faces of Jezebel. Disguised for deception. She disguised and Ahab disguised.

“Philadelphian Church Age”. (**Pgs.313&314**). The ecumenical move. I am talking about the conspiracy become strong.

*“The ecumenical move that has started on what seems such a beautiful and blessed principle (fulfilling Christ’s prayer that we all might be one) becomes so strong politically that she bears pressure upon the government to cause all to join with her...”*

Who is going to say we have to join? The Government. Why? For terrorism, for terrorism. “We have to know who you are. You have to operate above board. You have to come into the religious mainstream. You have to come in the recognized religious institutions. You have to come and associate with the accepted, approved, recognized and certified religious heads of organizations that the government can trust and work with the government. And then we will be satisfied that you are not a terrorist.”

The conspiracy is strong because that is conspiracy. The conspiracy is to do that; to take the power and control the world. But it is coming forth as it is to secure the world. Do you get that? That is why the people gave up their liberty for security. They said they invoked the executive powers. “We could tap every telephone. We could monitor every e-mail. We can take you and lock you up in Guantanamo Bay.” It is closer here than Afghanistan, you know, and it was no trouble to move them from Afghanistan.

Oh my, Jesus.

*“As this pressure increases, and it will, it will be harder to resist, for to resist is to lose privilege.”*

Get this.

*“Furthermore, the elect will not only be kept, but as this move becomes the “IMAGE ERECTED UNTO THE BEAST,” the saints will be gone in the rapture. And this little delightful, winsome*

*movement that started out in fellowship at Ephesus will become the monster of Satan that defiles and deceives the whole world."*

How is she defiling and deceiving the whole world? I want you to think, I want you to think in those places. That is what the entertainment industry is all about. He said, "Look at what Hollywood has done to the women." It stripped them. Look what it has done to those young girls. Look what it is teaching them. And look how they are making homosexuality acceptable. And look how they have laws being passed; they have to belong to churches. They said, "Transsexuals can go in a woman's toilet and you cannot stop her." Him, her or whatever it is. 'Shim' "You can't put them out of churches because that's discrimination. They have sexual preferential rights." Legislation is going to tell you, "You are a cult and you are not a real church." Legitimize them.

Did you know...I preached on it here this year, where they had more... last Valentine's, February, by the hundreds and thousands they were running to be married. I take this from a little article in a magazine that said,

*"Never had there been such an uprising of the homosexuals and sodomites such of what we have seen on January 26, 2004. Massive gay pride parades took place all around the world on that day. And for twenty-four hours the sun never set on the massive queer uprisings that circled the entire globe involving millions of people. Government officials and even church leaders marched with the sodomites in these parades which took place in San Francisco, Rio de Janeiro, Calcutta, Guatemala City, La Paz Bolivia, Vienna, Mexico City, Bogotá, Columbia, Rome, Madrid, Zagreb, Croatia, Hamburg, Berlin, San Salvador, Tel Aviv Jerusalem and Toronto."*

Gay parades around the world until the sun didn't even set on it in all these cities. Who organized all that, all over the world at the same time to put out a global demonstration of massive gay parades? Who did that? And had church leaders; was it this year of all the big thing went on with the Anglican bishop, who is an opened, confessed homosexual, over ninety million Anglican people? Who could tell Elton John he cannot go in the White House or Buckingham Palace with his mate? Because he does. And do they have any power to tell him he can't come? Why are

they bringing him? Why the highest powers in the world are lifting up and placing that there?

What are the three end time signs? You are a Message believer. 'As it was in the days of Sodom so shall it be in the days of the Son of Man.' He said, "Elohim came to Abraham, the elected called out church. Lot, the lukewarm church down in Sodom" and the last sign was what? Sodomites and then the fire fell. Tell me what are you seeing here?

Like I told you about Thailand and all of those places outside there, Indonesia and those places, sex tourism; coastal cities, where they go on the beaches for the sunshine and to sunbathe. And what killed them? The water from the sea. Nature cannot take it anymore. Nature is repulsing this world.

The Sixth Seal is fixing to open, friends, all of nature is in travail. This deception was taking place between the woman great with child and the woman giving birth to the child. And right now is that time and right now we see nature groaning, right now we see the church groaning. Right now we see the Elect who had a pregation, not of man, but of God. That woman in Revelation 12 had a pregation not of man because she is bringing forth Christ, no man can pregnate a woman to bring forth Christ that is a pregation from God she had. She was bringing forth the Man-child who was to rule all nations. She had an immaculate conception. She had the apostles' Doctrine. She crossed from the law, of the shadow, to the substance of the Son, the Sondag. Who is this woman? Where did she get her pregation from? In the Bible had a woman like that, where a mighty Angel came down and overshadowed her. "And this is the secret; the Word is in the Bride as it was in Mary."

God marked that time prophetically in the Bible. You got it? Ezekiel 28, God is showing his beauty and wisdom, his great position next to the throne. Did Absalom have a position next to the throne? Was he right next to the throne? Was he perfect in beauty? Was he shrewd with his wisdom? Isaiah 14 shows the iniquity that laid in him, the ambition he had. Did Absalom have an ambition, wanted to take the throne? Revelation 12 shows the time and season when that diabolical plan was being executed, he begin to pull down the stars, he begin to tell his tale. When? Between the woman great with child and she giving birth to the

child. When his conspiracy was growing in strength and the people gathered to him continually, and his conspiracy was strong. And they all left Jesus Christ, they all left David, they all left the Beloved to go after the one perfect in beauty, the one who was given a mouth, the seducing spirit, who made them depart from the faith.

Something is happening in the world; you better wake up and see what is happening. See if it is the same world we are talking about, because that mystery that was in heaven is something on the earth. But here in the book of Samuel we are finding there is such a picture, there is such a picture in the kingdom of David; who is a type of Christ. One who killed the first born, which Lucifer did. One who led the nation in rebellion against the king and the true rightful ruler of the kingdom which Lucifer is doing again; because Christ is on the outside of the church friends. He led the whole church world and he has become the god of this evil age. In no other age he is called god but in this age. He has blinded the minds of the people.

If our Gospel be hid, it is hid to the lost. And now he is doing what? Getting ready to be enthroned as God, in his Eden that he has built up for six thousand years, he is about to be enthroned by this generation. And we stand and see it is only few of us standing with the true anointed, ordained King of God. And we are seeing a deceiver taking the whole world, controlling all governments to bring one world government, controlling all religion to bring one world religion, making one world economy and is going to bring a forcing of a false worship. And he is going to bring and make war with everyone he wasn't able to deceive. Because after he did it in heaven, when he pulled down one third of the stars, he went to war.

II Thessalonians 2, quickly let us read something there, to show you the success he has had in carrying out his ambitions in the last days, quickly. II Thessalonians 2. What a time we are living in. What a time, friends.

You watched what was happening with the American dollar recently here? You followed the news? That is how they are going to trap the world, friends. They will destroy the present day money system.

Look at this one perfect in beauty trying to steal the kingdom before Solomon comes in. Solomon means **“peace”**. Absalom means father of peace. There is one, who is going forth as the father of peace, but he is going forth in deception and he is plotting war to kill and break the kingdom in secret. But there is one really who is peace, the beloved of the Lord, Jedidiah, who is the one appointed for the throne. But a false king is rising up and the entire world and the kingdoms of the world are behind this king because this generation has rejected Jesus Christ. He is not in the church, friends. That’s why the Seventh age blacked out in the sky.

II Thessalonians 2. Now, 1 Thessalonians 4 was the Lord come down from heaven with a shout. 1 Thessalonians 5 was the times and the seasons how the day will come like a thief in the night. 2 Thessalonians 1, mighty angels appeared with flaming fire when Christ comes. And II Thessalonians 2:

*“Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,”*

That’s what this Message does; it gathers us unto the coming of the Lord.

*“That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of the Lord is at hand.*

*Let no man deceive you by any means; for that day shall not come, except there come the falling away first,”*

When Paul and they were teaching that, they said that day can’t come, you will see that deception, you will see that mystery of iniquity, you will see how he will move in subtly and you will see how he will take the kingdom by? Flatteries. A spirit of pretense, a spirit of flattery, perfect in beauty, full of wisdom, stealing the hearts.

All those young singers rise up, stealing the hearts of young men and young women. All of those movie stars they put out there in Hollywood, doing what? Stealing the hearts of young men and young women. All of those fashion designers and clothes designers and the models stealing the hearts of young men and young women. All those people who glorify sin, and smoking and

drinking and promiscuous sex acts and these things, stealing the hearts of young men and young women making them think they are going to have pleasure. And they become lovers of pleasure more than lovers of God and they have pleasures in unrighteousness and they don't have the love for the Truth. Why? Because something stole their hearts.

Sin is glorified, sin is legalized and sin is put out there beautiful. Why? Through the electronic media, they manipulate the minds of the people. Put a naked woman to sell a cigarette, put all those fashion models, get those nice, pretty young girls, put them in those sexual positions that telegraphing sexual messages, oral sex and all kinds of things, have their finger stuck in their mouth. When you watch those pictures you see how they put it, all those photographers, they learn to study subliminal seduction, getting it through the eye gate, getting it through *here*, all through the television. Sometimes you see those models you can't tell if it is two men or two women, it is especially designed so to project homosexuality.

They caught those little children now come out of the cradle with the little Barbie doll. That's right. And they have little Barbie there, she has her make-up kit, she has everything, she has her bikini, little thing that they design there, and that is the image the little child is seeing from small, growing, holding that *so*, cuddle up next to her heart next thing she is conformed to that very thing.

Why? Because the Catholic Church knows about their statutes and how through the eye gate you look and you see things. That's why the Prophet said Paul looked them in the eye and Peter and them looked on them and said, "Look on us", and look at them in the eye. He said there is a psychology about seeing. He said, "That's why I get the people when I could get them in their eyes too. I can cast that devil out. I can expose that thing on the inside there." Just like how the bird is hypnotized, get hypnotized, the snake catches it in the eyes. And that's why to see, Eve wanted to see, it was a tree she desired to see. She wanted to peep at what sex was. She wanted to peep at what the world was.

They said right now there are over two hundred and eighty million pornography sites on the Internet. Oh, it shocked you? Oh, oh, it shocked you. Who put it there? Who put it there? How could America go with their bombs and bombs up the place and next

thing they have all the “**Playboy magazines**” on shelves in places. And they tell the people, “Liberation”, liberate the people, open nightclubs.

Look what they did these people there; carry out all those acts, occult sciences, where they had all those wild orgies in the Abu Gharib prison. It wasn't just things, friends, it wasn't just playthings. While they were doing that they were making them deny their religion. They were making them do things that were abominations in their religion. And they stood up there jeering and photographing and everything else. When it came out and got exposed they had one little mockery court business there, kind of spank them and just cover it up. And that was the liberation, that was the Iraqi freedom. And it goes on.

What has happened, friends? What has the world become? What are we? What age are we living in? He said hell was going to come here. Have these demons really come? Are they really taken over? When you are watching there, who is speaking? Are they people? And they are calling people trying to defend their own nation, insurgents, and they change language and they make people look bad in their own country. And now over a hundred thousand died already and more, killed, murdered.

And I had an article there, I will preach on it on Sunday for you where they found all these bodies of these Iraqi people missing organs. The American soldiers and they were harvesting organs, because that is big money, live kidneys, hearts and all kinds of things for rich people, sick rich people, and for genetic engineering and all kinds of things. You tell me what kind of world we are dealing with? The world is not what it is presented for us to see friends.

That's why the god of this age has blinded the minds of the people. That kingdom, the success is for it to become flesh. Watch.

*“Let no man deceive you by any means; for that day shall not come, except there come a...”*

It means, *“the falling away first, and that man of sin be revealed, the son of perdition.”*

Who is that? Satan incarnate. Satan in flesh. In the beginning he was in the serpent's flesh, in the middle of the Bible he was in Judas' flesh, incarnate, in the last days he is to be incarnate in the man of sin.

*“Who opposeth and exalteth himself above all that is called God, or that is worshipped, so that he, as God, sitteth in the temple of God, showing himself that he is God.”*

Lucifer’s success, he achieved his ambition. Paul sees him come into it, Paul sees him sitting down in the temple and being worshipped as God showing that he is God. He said,

*“Remember ye not that, when I was yet with you, I told you these things?”*

I could say, Malachi 4 could say the same thing if he comes here tonight,

*“Remember ye not, that, when I was yet with you, I told you these things?”*

What did he tell us in **‘Satan’s Eden?’** What did he tell us in **‘God of this evil age?’** What did he tell us in **‘Souls in prison?’** What did he tell us in **‘And knoweth it not?’** What did he tell us in **‘God’s power to transform?’** He told us these things.

*And now ye know what withholdeth that he might be revealed in his time.*

*For the mystery of iniquity doth already work;*

It was already at work, the conspiracy was already at work, even before he comes. Paul is saying the thing was working already in the first age. He said, “It is working already.” Absalom was stealing the hearts, he was becoming stronger. Next thing he started to control the military, next thing he started to control the religion, next thing he started to control the economy, next thing he started to control the spy network, next thing he started to get David’s counselors, advisors from the throne. He stole the hearts of the people.

Rome has infiltrated the whole world and she uses kings and merchants. What is she using them for? What she is using, and how she is using them and what she is going to do with those merchants? What sell whiskey, and get everybody drunk, have the drug trade, billion-dollar industry, keep their minds disoriented, easier to control the public, dropouts from school, political tools to manipulate a society, create class systems, divide and conquer?

Is there such a race? Do you believe serpent’s seed? Do you believe serpent’s seed? Who is the majority in the world today? The Elect? It has six billion Elect and half a billion serpent’s seed?

Is that correct? “As it was in the days of Noah, so it shall be. As it was in the days of Sodom, so it shall be.” The Bride will be very, very, very, very, four very he said, in ‘**Invisible union**’, few, one in a million, one in a million. We sing it, “You got to prove you are that one in a million.”

How can we stand against this system? They employ you, they make the clothes you wear, they grow the food that we eat, they control the industries, they teach us in the schools, our children, they control the churches, they control the banks, serpent’s seed; because Satan built his Eden. What is the plan? To enslave the whole world. You can’t buy or sell, they are going to own you, you are going to become property, those who stay back. That is a quote. They influence you how you should dress.

They said, “We don’t want any young girls dressing in any long dress.” They went to Afghanistan and ripped it off of them. Have women in bondage. Come in there and saw their long dress, they said, “So you all are looking? What are you doing with your life?” And they find that you are looking bad, yet they are looking sick like they are out of an insane institution. Paint up with red and blue, women with mauve hair and blue eyelash, wearing some ridiculous kinds of clothes, now every young girl, brother, it is quite down *here [Bro. Vin shows the indecent clothing of women today.]*

They are liberated. Are they? They are deceived. But who is manufacturing the clothes? And when you go in the stores you can’t get clothes either it has big slit here, long slit in the back. Why don’t they want to make for somebody to dress decent? Who is controlling it? Way back in the sixties, the Prophet said they still sell goods, then buy a machine, buy cloth, he said. In other words, “Fight the thing. Don’t give in and say, I have to wear that?” And come looking like an idiot in church, no, dress like a lady and carry yourself with dignity. And don’t make any lying excuses, “I can’t get anything to wear.” No. When you are doing that, you are fighting the system, you are resisting the evil; Absalom wants to steal your heart.

It is the same Absalom stealing, seducing, luring you away, making you feel a false sense of security that he is so interested and so concerned in social welfare and this, and social workers, and this, and making you feel that they are so interested in you

and, “Let me hear your problems”, and psychiatrist. Like the sister said they put her on the chair and so and so. This time they were trying to find a place for her to deny God, you know. Because inside of there, why the man don’t stick to medicine? He said, “That was for Abraham and their time, God changed that.” Who was saying that? Who was saying that? Who talked out of him there? He was talking religion now, he wasn’t talking medicine, it started with medicine but he ended up talking about religion. What the Church ought to be, friends; the mystery of iniquity is already at work.

*And then shall that wicked one be revealed,  
whom the Lord shall consume with the spirit of his  
mouth, and shall destroy with the brightness of his  
coming,*

*Even him, whose coming is after the working of  
Satan with all power and signs and lying wonders,*

...Whose coming is after the working of Satan with all power and signs and lying wonders,

Like when they bombed the Pentagon, they said but they don’t have any debris of the plane and the hole is too small for a big plane to go in and there is no wreckage, and they confiscated all the security film. And all the big buildings of the twin towers, they just go down like *that* [Bro. Vin makes sound of debris crashing down in a flash,] even the ones that didn’t get hit went down the same way. And then the firemen in the building said, “We heard bombs going off, like when we are demolishing buildings.” But the result of all of that in the end, people gave up rights for security. In the end of that, fear for terrorism made them give up all their liberty.

Who is controlling governments? Who is controlling the media? Who are the spies and investigators controlling the thing? Who is shutting down the information and giving you what information they want? You ever see things that are supposed to be headlines in the papers don’t be in the papers? Who declares what should go in the paper and what should not go? What is bad for somebody’s image and what should be circulated in a certain part of the world? Who determines what shapes the influence of people? Or is it just things happening?

That's why we have the kind of Message we have and God didn't give us a denomination, because some people are to come out and escape that. 'Count it worthy to escape that which is to come,' because 'like a snare it shall come and take the whole world' and they will be caught in that deadly trap. There have to be conspirators and then they said people are only talking about conspiracy theory, conspiracy theory.

How many knows that Lucifer had a conspiracy in heaven? How many knows the serpent and Lucifer had a conspiracy in Eden? Wasn't the serpent perfect in beauty? Wasn't he the wisest of all the beasts? Wasn't he right next to Adam, the throne over Eden till iniquity was found in him? What did he do? He broke the unity between Adam and his wife. Is that right? Did Lucifer do the same thing in heaven?

What was Ham's sin? He went after his father's wife, went inside the father's tent, he was cursed. Was the serpent cursed? Was Lucifer cursed? What about Korah? He was discontented about his place; he tried to exalt himself, he said, "I will be like Moses," like Christ. Was Moses like Christ? "I will be like Aaron", was Aaron Christ, the High Priest? Was Moses the prophet? Was he cast down too, alive into hell? What about Balaam, the way of Balaam, the error of Balaam and the doctrine of Balaam? He lusted for prestige and power. He desired the permissive will of God more than the perfect will of God. He taught the children of Israel to commit fornication, to eat things sacrificed unto idols. Balaamism was what? Subjection to a corrupt form of worship. Nicolaitanism is conquering the people. Balaamism is that after you conquered them you bring them to a false worship. And the doctrine of Jezebel is what? Kill those who don't agree with you. That is the depths of Satan, Nicolaitanism, conquer you.

Conquer you through the TV, conquer you through the magazines, conquer you with all those fashions, you look and you see it and it begins to steal your heart, you begin to get seduced, it conquers you. Then it does you what? Subject you to that, you come into another image, you want that image. You want that image you see displayed through a model, you want that image. You want that shoe like that to go with that dress, and you want that hairstyle and you want that makeup. Subjecting you into another form of worship. Seduced, now you are being manipulated.

Now you are being what? Conformed to this world. Don't be conformed to this world, Balaamism.

Next thing you are bringing forth what? Satan's life, you are bringing forth Satan's life, you become a seducer. All you can do when you come into that image is to go and seduce somebody. A young fellow, he becomes a serpent. A young girl, her gates become the gates of hell and she becomes a seducer, both of them are stealing hearts. Why? That spirit of Absalom, seducing spirit, enticing spirit, to deceive, to break the unity between them and their king and make them his subjects.

My brother and my sister listen to me very close tonight. Young brother and young sister listen to me close. Jeroboam, didn't he set up a false worship? Didn't he want to be king and priest? What happened to him? Look at Absalom's sin; perfect in beauty, full of wisdom, till iniquity was found in him, "I will be like David". Look at Adonijah, he tried to steal the throne from Solomon, the rightful heir, he exalted himself and said, "I will be king". And he gathered Abiathar, the priest, he gathered Joab, the military, and he made himself king. David made Solomon king, but he gathered military and religion and he made himself king.

There is one today controlling the economy, controlling the churches, controlling the governments, that is going to make himself king. And that's the move, friends. That's the move. We are living in frightful times when you see the things that governments have been able to do in the last couple of years. The United States, according to prophecy, yet the very people in America, the Prophet said, is not spiritual. In 1960 they voted in the Catholic Church, 2001 they gave up their liberties for the same power that they voted in back there. Until the image of the beast is the vehicle for the beast to achieve all his will. The image was designed for him, Revelation 13, the beast come out of the earth, was designed for the first beast. And because of their military might they can walk in every nation because they gave their strength and power to the beast.

'Satan's Eden' [1965. *Pgs.10 & 11 single copy*]. He is reading Isaiah 14 and then he says now compare that over here in Thessalonians a while ago he had read II Thessalonians 2, like I just read.

*“He sets himself in the temple of God, exalting himself above all that is called God, so that he as god, is worshipped as God upon the earth.”*

*“There is the god of this world that I preached to you about last Sunday. Here he is today in deceit. That treacherous hour. That tremendous time that we are living. It’s the most glorious time of all the ages, because we are facing the great Millennium again! We’re facing the Eden again. But right at this age, (all the deceit and every tactic that he has ever used and been able to deceive with,) he has gathered it all together and reinforced himself; and comes down like God, and has put himself in place of God; religious, and can quote the Scripture and can tell you Scripture, just as Satan did to Eve in the garden of Eden. But leave out one spot of it is all he has to do, make that gap, where the poison doctrine of the devil can pour through, like “the thinking man’s filter” we were talking about the other night.*

*Now, he said he would exalt himself above the Most High. He would ascend above the clouds and stars, and he would sit there like God, and be above the Most High. And he has succeeded in carrying out his threats. He has certainly had a marvelous success in carrying out his threats.”*

I have seen that and I am trying to preach that. That is what I am trying to preach that there is a secret society which is controlling the world. There are people in councils that already have a design for this world and it is moving it step by step by step exactly, an orchestrated plan.

And that’s why I am taking it out of the Bible and showing you Absalom was the very picture. You see what was in heaven is not revealed, much light didn’t show into it. But on the earth, when you see the serpent, perfect in beauty, the highest in the kingdom, right next to Adam, who is the god on the earth, but he left his own habitation and he pulled Eve down to the earth and cast it down to the ground. He pulled her out of her position, from a virgin and made her a whore and redesigned her, and then used her to pull the whole kingdom into death. That’s our Bible. That’s our Christian Bible. But It has been opened in the last days because the beast in the beginning and the beast at the end through the trail of the serpent, that same beast.

And then we see Ham, when it started the new world, new world started over, the beginning of the earth, Noah with all dominion over the earth; and Ham leaves his own habitation and goes over into his father's habitation. Is that right? And did the same thing that was back there in Eden. And Korah, he rallied all the princes of Israel, with a plan to exalt himself that he had veiled, diabolical. Is that right? Why is that unfolding down through the Bible? From Balaam to Jeroboam to Absalom in the kingdom, perfect in beauty, full of wisdom. Was Solomon a type of Christ? Was he the real king? Was he to have the throne of his father, David? Did he bring them into a golden age? Was that the Millennium? Was his name peace? Is there another one today talking about peace and trying to bring world peace, who is going to take the throne before the real Son of David, the real Prince of Peace comes?

Is the conspiracy strong? Are the people gathering unto him continually? Are you sure? Are you sure you believe those things? Listen. November 18<sup>th</sup> 2004:-

*“U.S. Catholic Bishops Joined Alliance.*

*U.S. Roman Catholic Bishops voted yesterday to join a new alliance that will be the broadest Christian group ever to be formed in the United States, linking American evangelicals and Catholics in an ecumenical organization for the first time. The alliance called Christian churches together in the U.S.A. is set to kick off next year (that is this year coming). It will also include mainline Protestant, Orthodox Christians and Black and other minority churches, though, with about sixty-seven million U.S. members, the Catholic Church would be the largest denomination.”*

In America, the Protestant nation and she is coming and gathering them now. First time they are having such a unity, big breakthrough and they are going to kick off this thing next year. Listen.

*“It is not to create some kind of mega body or mega church, said Bishop Stephen Blair, chairman of the Ecumenical Committee for the U.S. Conference of Catholic Bishops. It is a forum for participation so we can pray together, grow in our understanding together, and witness together our faith.”*

It sounds like Absalom? “We could have a better administration. What it has at present is kind of faulty, you know, a lot of cases haven’t been heard, the kingdom is in kind of disarray. But if I become judge, but if I am made this, I will be able to give justice to every case.” And he began to steal the hearts. Separated brethren. Wasn’t that ecumenical move that we all might be one, wasn’t that to pull the people? But isn’t that to consolidate power to bring a persecution? Isn’t that the enemy’s plan? Did Korah and the group confront Moses afterwards? Did Absalom declare war on David? That’s right, friends, that’s right. Did Lucifer make war in heaven? That’s right.

You see the Prophet was revealing it by the Word. Friend, that is why the Message was so urgent to the Prophet, he had to expose it in advance to give a warning, because warning without time to prepare is bad planning. So he had to hasten so the Church around the world, the Message would have time to get around the world and wake up a people to see what is coming on the earth, to escape what is coming. As they see the society going through a metamorphosis because back there, he said, “I was in a JC Penney store, but I was in hell again.” He said, “But I didn’t have to leave the body to go back there, somehow that came here.”

You see when you don’t know who has the Holy Ghost, you don’t know who has the devil either, you know. No, that is right. That is why the age is to tell the difference. He has succeeded in carrying out his threats.

*“He has certainly had marvelous success in carrying out his threats. We are now entering in where Satan is taking the throne, as the antichrist, in an Eden of this earth, an Eden of sin, perverted religion. He started not upon, “I am Satan. I am a great angel”. No, not upon that, but upon perverting God’s Word! And that’s how he’s brought his kingdom, in every age. And now in this great deceitful age, ready to take his throne, by his people! He has built himself an intellectual, educated, scientific Eden; scientific preachers, scientific church, scientific theology, everything is scientific. Everything is on basis of knowledge. The whole church is built upon knowledge. It isn’t built upon faith.*

*Now, it brought forth this great Eden that they now live in, a church world’s Eden. They are all uniting together now at the great Ecumenical Council, and going to have the world church all*

*coming under one head, where Satan will be throned, just exactly. And the last call is going out, to catch the Bride before She gets into that.”*

And then he begins to sing, ‘and we’re near the end, can be seen. Gladly may we herald the Message of His blessed appearing, soon He’s coming in glory tell to one and all. Then awake ye saints of the Lord, why slumber when the end is nearing, let’s get ready for that final call.’ And he says,

*“She shall turn at the West and ride back there one of these days. Just remember she sure will.”*

“I wonder tonight if this is the final call. I wonder tonight if the Bride under her Messenger is the final voice. I wonder tonight if 1983 I think I remember somebody preached, “**She has turned at the West**’. I see everybody thought it was a geographic west, but it is a scriptural west. And then the Holy Spirit even showed geographically how the Message came from, ‘**God of this evil age**’, ‘**And knoweth it not**’, ‘**Satan’s Eden**’. He left the tabernacle, went out into Prescott Arizona, preached, ‘**God’s power to transform**’, ‘**Power of transformation**’. Got out there on the mountain, met the Dove he was looking for forty-two years, then went out into Shreveport, had all those last Messages there, ‘**Works is faith expressed**’, ‘**Invisible union**’, ‘**Trying to do God a service**’, ‘**I have heard but now I see**’, ‘**God’s only provided place of worship**’, ‘**On the wings of a snow-white Dove**’. Then came and preached, ‘**Rapture**’, first time from 1909 to 1965, first time he started there to reveal what the Shout, Voice and Trump meant, three-fold mystery of the Coming sealed up in the Bible.

Shout, gathered the Bride together. Voice, Voice of the Resurrection, like it called Lazarus, “The Master is come”. After He gathered the living ones, He went to the sleeping ones. He was among the living ones, bringing them down to the Resurrection. Then they went to the Supper after He raised them up. Then, ‘**Modern events being made clear by vindicated prophecy**’, ‘**Things that are to be**’, ‘**Leadership**’, ‘**Communion**’, December the 12<sup>th</sup>, he never went back to the tabernacle. It was over, he was gone.

He had gone from Shreveport, to Tucson, to Covina California, Rialto, turned at the West, came back, coming through Amarillo

Texas, died and went on to Glory. And the Shout was over. The one-man Scripture was done. I wonder what these things are.

That, you will not hear anybody preach that you know, and I don't say that to exalt myself. You see you have to be built up a certain way to see that, that is seeing, that is not learning, it has no way to learn that, that is the sovereignty of God. 1983, twenty-one years ago, I preached it in Arizona, in the meetings there. I wasn't ashamed to preach that, '**She has turned at the West**'. Think of it. '**Traps of the mighty hunter**', '**Return of the global village**', all those things, '**Esther**', '**Supernova**', all these things, it didn't come out yet, you know, '**Predator and prey**', '**Planned Genocide**.'

What is this conspiracy? Is there a conspiracy? Is there such a thing? What is this, "**To kill and take possession**", '**Disguised for deception**', '**Evil counselors behind the White House throne**', '**The siege and the conquest**', '**Babylon's methods of destruction**', '**Extermination for expansion**', '**Predators and their prey**', '**Planned genocide**', '**Revival of the Roman Empire**', '**The borrower has become slave to the lender**', '**Overpopulation and depopulation**', '**Weaponizing of disease**', '**Immune Church**'? What is this that has gone forth through this Church? '**The day the towers fell**.' What has gone through this Church?

And people can't believe that there is a conspiracy. Say, "You think people really are doing that?" Like the woman wrote me from Norway, brother, the minister was in tears, he said, "You have changed my seeing concerning America and the Message," he said, "the things that you have shown me". Then the woman wrote me she said, "How could you say that?" I went to pick up my pen and something said, "Leave her alone she's a little sister she doesn't know. Leave her alone. They will see for themselves."

A few months after; Abu Gharib torture, was killing them behind there, all kind of things, all kind of occult business. Then it started to come out, the brother called me in July, he said, "Could you come?" I said, "No, I can't come." I went into the Ukraine and preached. Look at trouble in the Ukraine. Churches don't believe the Seventh Seal opened. The first night the brother said, he said, "Man, you skinned the hide off of us." He sat down there, some people raised up with a doctrine in the City, wanted to break the

church. The people who we stayed by, said, “Our pastor is in the bedroom, in the church office there for the past three days fasting, he wouldn’t come out. Oh, we are so worried for him because he is so hurt to see what is going on in the City.” I preached, ‘**Seven Thunders end of Time Vision**’, ‘**Supreme Judge in the Lord’s day**’. Brother, the people were rejoicing there. He gathered all the deacons, all the trustees, all the elders, all the ministers and them there, he said, “Talk to us, tell us.”

Here we are at the end of the year; the Holy Spirit came back to the Church, ‘**Joseph**’. Come back after the Convention, after Europe, come back here, ‘**Joseph**’, it changed people in this Church. Shut down all those things on prophecy there, “Focus on the Bride.”

Last few days when that earthquake, forty years not one like that shook the planet; right now the latest count is one hundred and twenty-five thousand. In the last couple of days, it rose to about seventy-five thousand from when they had it as forty-something thousand. Think when we begin to see the kind of destruction. And I told you watch and see this year, I wouldn’t be surprise if we start to see more epidemics. Do you know why? Fourth seal, pestilence, we are in the age of bio-terrorism. And nothing will depopulate and nothing will create panic and scare like these things and these are things that they have. That’s why the Prophet said, “When those plagues begin to come out, that Angel will stand there and say, ‘Don’t you touch any of them who have the Seal of God,’” because there is going to be a germ warfare in the last days.

You don’t know the conspiracy, friends. But the word “**conspiracy**, means an agreement to perform together an illegal, treacherous, or evil act”. It said Absalom’s conspiracy was growing strong. It had a Korah conspiracy. It had a Jeroboam conspiracy. It had an Ahab and Jezebel conspiracy. It had an Adonijah conspiracy. It had a Haman conspiracy. It had a conspiracy with Sanballat and Tobiah and Geshem. It had a Balaam and Balak conspiracy. It had an Athaliah conspiracy. All through the Bible, the whole Bible is a Book about conspiracy. And people talk about conspiracy theory and, “Watch those people who come with conspiracy theory, they are always saying some kind of thing is going on.”

“A combining or acting together as if by evil design”, that is what the word conspiracy means. It is used synonymous with a plot, machinations, collusions, intrigue and cabal. These nouns denote secret plans or schemes. Somebody is planning to destroy the present day money system and bring it back to gold. That is a scheme, to trap the Jews and bring the whole world back to gold where they will have to buy or sell, and trap everybody into death. Somebody is planning to trap the Protestants and them in an ecumenical move, seduce them and call them separated brethren and get their support, saying they are fighting Communism and terrorism. It is a scheme. Somebody has a scheme to infiltrate the whole world and use kings and merchants in their deadly political and financial schemes.

Somebody controls the stock market and the balances, the deceitful balances that they make the ephah great and the thing small. Amos, I preached about to you. Somebody has a scheme, secret, how to do it, inflate the money, make the goods scarce, create demand for it, start a war to sell certain kind of goods, create a war to go and control the oil resources, somebody has schemes. And this is what the Bible reveals. There are conspirators and we are just the pawns. But God said, “Little Bride You will be no pawn in any evil scheme. You are My Bride and I have come down and put the Revelation in your heart.” He said, “That’s the reason he is howling, his scheme has been uncovered.” We have the answer to the devil’s question. The Headship is here,” He says, “with the vindicated Word”.

Conspiracy refers to such a plan by a group, intent usually on a bold purpose, such as overthrowing a government. The Prophet said, “Have you heard my Message on the invasion of the U.S.A. and the overthrow of the government?” He said, “I want you to listen to it”. Was the U.S. invaded? Was the government overthrown? He said, “Look at that Jezebel, how she wormed her way into the cabinet.” He said, “Don’t fear the bamboo curtain and don’t fear the iron curtain, watch the purple curtain.” He said, “I am sick of these ministers saying, ‘Communism, Communism’”. Why? Because David DuPlessis and they went to the Vatican, the Pope put that in their head, they got struck with that virus. They went all among the Pentecostal churches told them, “Fight Communism, we have to get together with the Pope and fight

Communism". And they were doing that to crucify the effects of the Prophet's Message, because he was exposing Romanism. And David DuPlessis and they were swinging... he said, "Demos has forsaken me loving this present world." They went into apostasy. He said, "I stand in a hard place, the well of Bethlehem is garrisoned, they blocked up the water and the wheat." He said, "Who is going to draw the Sword with me?" Amen. He said, "In that hour David had some mighty men."

Brother, look at God raised some ministers around the earth, men who caught the Mystery of God. And even though he went off the scene and the books and them stayed on shelves, God sent men to search to find Messiah laying in Bethlehem. That's right. Angel came to them, revealed to them where to find it; it is hid in the Book. I wonder what we have listened to, friends.

Plot, sinister means and motives, machinations, crafty underhand dealing with one or more persons. Collusion: secret agreements between persons usually with the intent to defraud others. They got the entertainment industry, get the media industry, get the communication networks, use as a propaganda machine, get the people all stirred up in different things, get them drunk on other things. That's right. Schemes, all these "**knights of Columbus**", all these "**illuminati**", all these "**freemasons**", all these "**Jesuits**", these powerful arms of the Roman Catholic Church. Not these bunch of little half-drunk crazy old men walking around here, you know, kissing statutes and these kind of things, friends, not them.

Like when they were in the White House, they had more up-to-date information than the CIA and the FBI when they were breaking the Communist power and when they were instructing the U.S. government. Like them, like them we are talking about. That's why in all Pentecostal circles, why don't you hear about William Branham? You are hearing about some woman on the TV, some woman with a pants or bob-haired woman preaching. You are hearing about some man preaching some old intellectual message over and over. You are hearing about Benny Hinn and all their psychology and their faith business, manipulating people. Why don't you hear about William Branham, yet all of them sat in his meetings? They just forgot about him.

Was there a plan to shut that thing down? Was there a plan to kill that thing? Was there a plan, "That thing will never rise"? Has

that plan worked? It has deceived the whole world, to shut it down. Because sometimes the Elect they stumble into the Message, but the Message is a picture on a wall to them. And they think about the great works this man did, but they don't know the system that this man with even the great Angel couldn't influence anybody. When this man died after all those years, he had a handful of people. And they didn't know if he was going to rise from the dead, had the body for a few months, from December to April, had the body. Think.

We are in a world here, friends. Politically we are powerless, religiously we are powerless, financially we are powerless. They can shut us down and we have none of those powers, they can keep those powers from us. But they can't keep the Holy Ghost from a hungry heart. They cannot keep the Holy Ghost from a hungry heart. That's one power Satan can't hold back from you. If your heart is hungry tonight, God wants to give you that power, my brother, my sister. If your heart is hungry, God wants to give you something that money can't buy. You might be poor in this world, but you might be rich in faith. He said, "I know you are poor, but yet you are rich". That's right.

Intrigue: a complex clandestine scheme. Selfish, petty actions rather than criminal ends. A cabal refers to a conspiratorial group or its actions directed against a government or a political leader. Conspirator: a person engaged in a conspiracy, a plotter. Absalom was a plotter. He plotted to get Joab's attention. He plotted to kill Amnon. He plotted to take the throne from David. He was a plotter. And the conspiracy grew strong. That conspiracy has grown so strong tonight, that the little Bride, brother, is about to be shut down. They will close up places like these and we will have no power to stop them from doing it, we will be powerless to stop them. Think of it. But at least you will have power inside to say, "I will not bow. I will worship God under a tree, because God is not in a building anyhow. God is in *this* building (human temple). And my God will answer my prayer whether in this building or not in this building and my faith is beyond this."

Those are the kind of people, my brother and my sister you watch the wave of sin that is moving. You watch in this country right here at the end of this year, brother, they will put down a Carnival here like you never saw. And they put down that new

club there, that they keep the people more drunk. And more radio stations came up here recently, all kind of filth and smut, all kind of crazy people up there now are radio announcers and have a voice that can go through the whole nation, sowing all kinds of seeds; because it is Laodicea, it is people's rights.

Let me say my brother and my sister, don't you be ashamed of Him, don't you be ashamed of His Gospel, It's the power of God unto salvation. Because the only representatives He has on the earth is those who have opened their hearts and let Him come in. Other than that, He has a lot of sympathizers, but He only has a few representatives, those are the ones He will dwell in, those are the ones who have become His temple, friends. That's right.

I am finished. I want to stop here because I am watching the time. So just relax. Play a little music for me, change your positions, let the musicians come and play for me a little bit. Take a little time here and worship God a little bit and I will read a little bit and we will just for the next fifteen to twenty minutes.

You noticed how I showed you in Ezekiel that mystery of prophecy for the last days, this one perfect in beauty, full of wisdom, but how iniquity was found in him. Then in Isaiah, what the iniquity was, "I will be like God. I will be worshipped as God", that was iniquity, wanted to come to the throne. Then Revelation showed us the time and season, the book of prophecy in the last days, God is marking it for us. When that time of great deception, when the time of that great falling away will come, that great apostasy.

They said,

*"The vote came as the bishops worked to wrap up business at their fall meeting which ends Thursday. It is considered a Biblical imperative for Christians to find ways to build unity among their different denominations. Pope John Paul II has made such efforts of priority of his pontificate. The bishops approved the proposal 151 to 73. Blair called yesterday's vote important and historic. The Catholic Church has ongoing ecumenical dialogues with many denominations."*

Way back in 1963, David DuPlessis, Demos Shakarian, all these people had gone to the Vatican, that's why Brother Branham's Message was rejected by the Pentecostals. They swung the church into Babylon. You go back and hear, **'Trying to do**

**God a service**', you will hear David freshly anointed had the ark in the wrong channel and killing people. He is talking about David DuPlessis. In '**Present stage of my ministry**', he said, "Demos has forsaken me loving the present world," he said, "I stand alone", for Demos went out there too. '**Souls in prison**', he called the man's name, he said, "David DuPlessis, he swung the church into Babylon". He said, "After I cried and begged and pleaded with them and said what you are doing?" He said, "It just shows...", he came back trying to impress the Prophet, he said, "Oh, Brother Branham the Holy Spirit was there, it was such a spiritual atmosphere when we sat with those cardinals in the Vatican!"

Here is a man an Angel comes and talks with, here is a man speaking into existence, and some foolish, deluded Pentecostal man without the Holy Ghost. He said, "Do you know why? They like the up and ups. They like shiny things." Sat in his presence, here the Word come forth, saw the Pillar of Fire come night after night, saw the dead raised off the floor in the meetings, saw the visions that never failed hundreds and thousands of them, claiming to be big teachers and they don't even know what the Bible said about Revelation 17. Oh my!

It has become so bad today - do you know why? Because in the Message all of that come watered down now, you don't hear anyone preach on that anymore. Everybody wants to preach on something spiritual and daily the world is changing around them, and they can't see the world changing around them. And they are ready for the Spoken Word and they formed in the image and they are going to have the Third Pull. What is that for if it doesn't have a beast going to control the world? What challenge is that kind of ammunition given to meet? That is only needed... Daniel and they needed that when they had a persecution, so that he could shut the mouth of lions, he could quench the violence of fire when they wanted them to bow down there when they had that type of thing. You see, friends.

"In the floor debate yesterday, New York cardinal Edward Egan..."

New York is the capital of the head of the world and this man, the Catholic bishop there, he is like the head of the cities of the world, he is like one of the biggest Catholic bishops that they have there. He is the man that controls the cities, that is the man who

controls it. Not Juliani and them, they have to go and bow down to this man and confess to this man and get communion from this man.

You saw the foolishness the Prime minister talked the other day? Dr. Eric Williams wrote a letter to the Vatican, it stirred up the indignation of the Pantins and them and the other big Catholics. They wrote back in the editorial page, "Look, what is the Prime minister talking about?" Before I even picked up the paper I started to laugh. I said, "Look at that", we have leaders today who don't even understand the world that we are living in. President Reagan and Bush and them kneel down and kiss that ring. You are talking about some little, seventy mile by forty mile banana republic here, who has no army or navy or no nothing or no air force, send and saying, telling Rome what you need.

When President Reagan went to the White House, in the Vatican, the Pope said, "In the next four years you are getting out of here". He said, "We are around for the last two thousand years, the Roman kingdom. This is the Fourth Empire go right out until Jesus comes. This rules the whole world, the iron is in every toe." She is going to control the wealth of the world. But it just shows...

I remember years ago, (remember that Sammy) we went in Palms Club, 1970, man, a big leader sat down there and he said, he said, "Well I don't know, some people say man has a soul, but I don't know?" When I heard that, I unplugged. I said, "Sammy that is enough," I said, "that is enough for me." A man wants to lead people and doesn't know what a man is, whether a man has a soul or not, and he doesn't know whether there is a life or death. I was one fellow not looking for that kind of leader. My Leader has to show me all the way back to the Tree of Life, friends, back to the faith civilization, because something in me told me I am not from here.

When a man came back and started to tell me when God wasn't God, and where I was before I came in this flesh, and what happens to a man after he leaves this body in death, pre-existence, earthly journey and eternal destination. The secret of your life in journey, and death and where you go after you die. When a man could tell me the secret that God had in the back part of His mind that angels never knew and proved it by the Bible, like I am trying to prove to you this conspiracy and the conspirators and the

conspiracy has become strong and the people continually. In the realm of economy, in the realm of trade, in the realm of banking, in the realm of governments, politics, in the realm of the military, they are all increasing continually with Absalom. They want a one world government, they want a new world order, they want a new world leader, and that's the Bible and they don't even know that that's the Bible.

We had a Prophet told us, look this spirit how it is going to work in these people, look how it is going to come to its head, and then I am finding that in the Old Testament for you, in the kingdom, something that Satan had in heaven. And I am showing you, and it is so beautiful, I didn't read it but I will just quote it here for you, in 2 Samuel 18, verse 17, after they killed Absalom,

*“...They took Absalom, and cast him into a great pit...”*

He said, “Thou shalt be brought down and cast down into hell, into the sides of the pit. When they killed this one that was perfect in beauty and wisdom, and who pulled down one third of the stars, and who stole the hearts and the kingdom, when they killed him he died down in a pit. So perfect is the Bible. And he tried to steal the kingdom before the true Potentate; the Son of David comes in, Solomon, the real Peace, the One who don't bring some false kingdom to last for a couple months, but the One who brings a golden age where all the kings of the earth brought their glory into the city.

Is not that the Bible? Is not that the time? And this conspiracy I am talking about, there is a conspiracy, a plot to deceive, to manipulate, to blind, to lead people into false worship, to trap them into debt and make them slaves, to make war and control their resources and break governments and break nations, and make them slave labor. That when you are done, it is only rich and poor, bond and free, great and small, no middle class, masters and servants it comes back to.

I preached my heart out. The Prophet says, ‘**Résumé of the ages**’:

*“This may seem far fetched to some but actually it is very plain for all to see because right now the churches are controlling politics...”*

1965. How much more stronger is that control? He said, "Little tidal waves in Chicago killed a few people. It pulled the bathing beauties out of the sea, threw the water out of the pool in Louisiana." I will read it for you, he said, "Tidal waves never was known or seen like that since the beginning of time." And Jesus said, "In the last days seas roaring and the waves..." he said, "That is tidal waves," he said, "that is what Jesus was talking about", those kinds, tsunami, end time sign. And I showed you and I said look at the magnitude from that time. Look at how the pain increased, look how the pain got great, the birth pains got greater. Look at nature, the woman travailing; look at the Bride here tonight, with the Man Child, travailing. And look at the conspiracy and how strong it is in the earth.

*"...And at the opportune time will manifest exactly how great is that control. This ecumenical move will end up with Rome at the head even though the people did not envision it that way..."*

They couldn't envision it because they are blinded from it. It is coming by subtlety.

*"...She is controlling the last, or fourth empire. This Roman Church is doing that. With the world church system under her Rome will be controlling, and this image (church system) will be obedient to Rome because Rome controls the gold of the world..."*

*"And by his gold (remember Judas held the bag) he will control the whole world, and that antichrist system will own everything and try to control everybody."*

Church Ages book. The Laodicean Church Age, Christ outside of the church:

*"It is not a personal message to one person; it is the Spirit telling us where Jesus is. CHRIST HAS LEFT THE CHURCH..."*

*This is the apostasy! This is the falling away! This is the open door to the antichrist, for if one came in His Father's Name (Jesus) and was not received, but rejected, then there will come another with his own name (a liar, a pretender)..."*

Out of his mouth... let me show you a next thing. 1 Kings 22, Absalom and Zedekiah, same person in the last days, lying spirits coming out of his mouth. What was he doing? Deceiving the church, deceiving the religion, the army and the masses. To do what? Take them to the battle. Is that right? And under Elijah's Message, that brought birth pains upon that church, shook that

Jezebel system, it gave birth to seven thousand sons. Is that right? And look at the kind of sons it gave birth to, Micaiah, Elisha. Look at the kind of women came out there, widow of Zarephath, Shunammite woman. Look at the kind of people; look at the kind of faith that came out in men and women there under that Message. And even nature was groaning, under that famine, and pestilence, and death and drought.

But under that Message of Elijah, bringing out pains, what happened? The heaven gave a shower and the earth was loosed from the bondage of corruption into the glorious liberty, and the earth began to bring forth like before. There was a restoration. Lying spirits were coming out of Zedekiah's mouth and he was leading them away from the Truth that Elijah had restored. And Micaiah and they seeing the move, seeing the falling away, seeing the lying spirits, seeing the deception, sons that were birthed under Elijah's Message. When he repaired the altar at the evening sacrifice and they were being gathered to the battle of that great day at evening time when Michael and Lucifer is to meet on the battle ground again.

And hell was being veiled in flesh in that hour. Is that right? When? Between the Second Woe and the Third Woe, in the days after Elijah's Message, when religion, politics and demon powers are coming together. Isn't that time this time, between the Second Woe and the Third Woe in the days after Elijah's Message? Is the earth and nature groaning; is she in birth pains, were those birth pains under the Woes? I believe the Message is placed very clear for you to see it.

Revelation 12:1 and 2, Revelation 12:5 and Revelation 12:3 and 4, a mystery, a falling away. One that was perfect in beauty, one who exalteth himself, one who was found with iniquity, he was iniquity personified, he was the mystery of iniquity at work, pulling them down, breaking the unity with a plan to increase his power in the conspiracy and then declare war and set himself up as the king. Absalom, a seducer, who stole the hearts.

Hold on to your heart tonight. I hope your heart is turned back. Every heart that is not turned back to the faith of the fathers will be stolen by Absalom. You get that? Every heart, (that just fell fresh,) every heart that is not turned back tonight, friends, will be stolen by Absalom. He is the heart stealer - he stole the hearts. I hope you

have a heart for Him tonight. I hope you have a place... what is the heart? That is where the throne is, that is where Jesus Christ wants to live. There is a little compartment in there He designed for Himself. That's where a man has a holy thirst where he craves for the living God. I trust that you have that tonight.

Oh, my brother, my sister, as we go into this year, I am not looking for an Absalom, king Absalom, friends; I am looking for King Solomon, the real Prince of Peace. I am looking for the One that is going to bring the golden age, the true Son of David, the One appointed to reign. That's the One I am looking for, friends. And until that time I will stay with, King Theophany David, until King Jesus, which is King Theophany comes in flesh as Solomon, the Son of David, to establish His throne. Amen.

But until that time, I see the conspiracy is strong. I see what has happened the last four years, 2001, 2002, 2003, 2004. I see nature begin to roar. I see the Spirit of God coming down among the people here. I see people catch faith. I see people found that God opened a Word, called, '**Thy Faith**', and, '**The Power of true confession**'. And I see people who got a hold of the keys and used the keys and saw results to prove that they had a hold of the key. People who were raised up out of the humanistic realm into the realm of certain victory, they came into the realm of revelation. And where Mr. Skeptic and Mr. Unbelief and Mr. Impatience couldn't rob them from their healing, sight and time, God's worst enemy couldn't rob them from their healing. They didn't consider their own symptoms, they called it lying vanities and they looked towards the Holy Temple.

And I thank God for those kinds of people because it lets me know the seed of Promise found a place to grow, faith found its bedding ground. Because I saw when there were circumstances, but no circumstance was considered because that faith was growing inside a people.

And I believe in this year, not only are we going to see Absalom get stronger, I believe we are going to see Benaiahs, I believe we are going to see Hosheas, I believe we are going to see them who stayed true to David. Amen. I believe we are going to see, amen, brother, real sons of God come to the forefront in this hour, in this year. I believe God is going to take sons aside and put a Robe on them, an Anointing, and give them a new ministry in the

presence of angels. I believe women are going to be overshadowed with the Holy Ghost. Amen. When a Mary meets an Elizabeth, they will know they meet each other who is carrying Life, pregnant women, amen, with the Word of God, the Promise for the hour. That when they meet, there will be a real Holy Ghost convocation, there will be a dropping down and prophecy and praise and worship.

I believe we are going to have that. I believe there will be those, men like Jehosheba, and Jehoiada and them, who could hold the Child, amen, that Athaliah wouldn't get it. And Amram and Jochebed, who could hold the Baby and protect it. And Mary and Joseph, brother, who will not be afraid at the king's commandment, but they will move because they will know deliverance and redemption is locked up in this Child. They will keep the Hidden Seed in the Royal House because they know they are carrying that Word inside of them. I believe that.

He said,

*“This is the end time. Both the true vine and false vine are coming into maturity, but before the wheat matures, those ripened tares must be bound for the burning. See, they are all joining the World Council of Churches. That is the binding.”*

First time they said this year when they kick off these things. All this talk about help, like Grenada, all these things they had back there. Brother let me tell you, not this kind of world that is being projected. This is not the kind of world where people run and carries aid for people to build back up slums, friends. This is the age where they want to get rid of people who they have to carry and tote and can't make any contribution to society and the new world that they are envisioning. These are diseased people who have the world in a mess; it's a liability as far as they see. So they let them die and they strengthened themselves in the earth. And if they have to give any aid, it wouldn't come for free, because now if they have to come and rebuild your country you have to put them in power. If they just develop your resources and control your government and influence your politics, what when they have to build back your country? Think.

The god of what? This evil age, god of this evil age. This is the apostasy, friends. Apostasy is not deception; apostasy is deliberate, willful rejection of vindicated Truth. The rich young ruler was rich

and increased with goods, had need of nothing, religious as could be, kept all the law, but what did he do? He refused the Leader of Eternal Life. A type of the Laodicean age who is rich and increased with goods, religious, but refused the Son of Man, the vindicated Word for the hour. And ended up where? In hell. That's this age, friends.

Uzziah exalted himself. And what happened? He ended up in the leper's house. That's this age. There is no hope, friends, for this world. The only hope for this world is the Sixth Seal, the judgment Seal of God to bring fire. More and more volcanoes are erupting, erupting across the face of the earth. Homosexuality, the end time sign before the fire; now government officials, church leaders, cities all around the world, even in Jerusalem, in the holy land, were part of it.

*“The biggest European gay parade and festivals from London, England where large number of sodomite police officers led the massive procession down Piccadilly. In New York City, thousands joined the Sodomite parade down Fifth Avenue, after the parade was launched by Mayor Bloomberg. One entry in this New York queer parade was two nearly naked men wearing only fig leaves and large ribbons that said, ‘Adam and Steve’.”*

Making a mockery of God, Adam and Eve, they said, “Adam and Steve”. You think it is easy, friends. My.

*“The homosexuals have come out of the woodwork and have risen up in a new aggressiveness. The high court of the People's Republic of Massachusetts ruled in favor of full and equal marriage rights for gay couples.”*

They could even adopt children and raise them. Two confessed homosexuals could have privilege to have a child and raise the child? You see the world. Satan's Eden we sit down here in Trinidad and we don't even know what is happening.

*“In San Francisco, California over two thousand homosexual couples stood in vast lines on Friday 13th 2004, as San Francisco Mayor Garvin Newsome defied the law and authorized marriage licenses to be issued to gay couples. This continued on through the weekend...”*

That is February when they had, what they call this thing? Valentine Day. That is a next, old Catholic occult thing. Where they run down sheep and they take certain part of the sheep and dip

it in blood. And young men run down young girls and throw it on them and once the blood falls on them, then they have to submit and surrender to them. That is what Valentine is about. When you see all those people going to buy chocolate and candy, for their Valentine, it is occult and witchcraft. And it is something for sex and robbing young girls of their virginity. It came out of one of the abominations that came out of Rome, mother of all abominations. Organized, designed, to bring this world like this.

And these homosexuals, you talking about governments, have the arts, like Peter Minshall, a big homosexual walked right in the President's house and was awarded a big medal. Just like Elton John in Buckingham Palace, in the White House. They are powerful, friends. Peter Minshall is the man who designed the last Olympics, not this last one, the one in Atlanta. These are world-renowned people, friends, powerful. This is the life.

Absalom doesn't have my support, friends. I am staying with Jesus. I am staying with King David. This is where my life is. If this means branch water or soda cracker, this is where I take my stand; this is where I draw the line. I can't recant. The same way they have deliberately chosen to follow Satan, the god of this evil age and reject Jesus Christ and put Him outside of the church and said, "We don't want You", and now Satan is exalted in the church and worshipped as God. This is where I say let me go beyond the camp and bear the reproach outside the city. I don't want to be Lot's wife looking back into a world that is condemned and judged and the angels trying to get people out quickly, looking back into a cursed world.

If you are looking back into a world with desire tonight, full of homosexuals, full of casinos and gambling, full of adultery and fornication, full of all kinds of lies and false religion and deception. If you are looking back into a world like that for a future, friends, you are deluded tonight. You have not understood, "Gross darkness on the earth and upon the people, but rise and shine thy Light has come, buy eye salve that you may see." The mighty God has been unveiled before us; He has come down in this day. Just like Satan was in God's Eden, God has come down in Satan's Eden, and Satan's Adam and Satan's Eve and Satan's Eden. You heard me preach on that some years ago. And He is telling me eat of all the trees, but of that tree, Revelation 10, don't

eat from that tree. "The day you eat of that tree, you will surely die." That is what he is telling his crowd; keep them away from this tree.

Brother, this is what has changed me; this is what has opened my eyes. And the Light of the Bible has been the greatest treasure in my life, for me to see the day that I am living in, for me to see the conspirators, I know them. To see the conspiracy I understand their motive and their objective and see what they are working to achieve and what the end result is. My father Paul, and Peter and they saw it coming, our Prophet in this day saw it coming, he warned us and I am standing here warning you the same way.

The conspiracy is not begun, it is becoming very strong and the people are continually gathering to Absalom, not to Jesus. Day by day they are going after pleasure. Day by day, they are not coming for the Seal of God, friends, they are going for the mark of the beast. They want to be in a world where they could live in sin, call up a priest and he marries them. If they want to marry a man, they have a priest to marry them; they have a warden's office to marry them and anything they want. They want to go and play in a rock band and go and play in church Sunday morning, they have that too. They want a woman preacher, they have that too. That is the world he designed.

You are not of this world little children, you are of another Kingdom. We are pilgrims and strangers; here we have no continuing city. If you are still part of this world, I want to encourage you tonight, renounce it. You may have a few days to be in the world, but you are not of the world, because in your heart you have separated, you have seen it and you are no longer being conformed to this world and the things of this world, being transformed by the renewing of your mind.

And I trust tonight, in some way I have pricked your conscience, I have provoked you to look a little deeper. I trust tonight I have reawakened you to the things that have been revealed to us. I trust tonight I have put in your remembrance; I have stirred up your pure minds as I bring you back to remembrance. And as we see all these volcanoes beginning to erupt, so much volcanic activity continually on the increase, the ring of fire. Why? The Sixth Seal is volcanic to purify the world. That's why right now when you see volcanoes erupting

everywhere, think, Sixth Seal is coming, ring of fire, purify the earth for the Millennium, you think that.

Do you know why that big earthquake was there? It is right on the tectonic plates, on the ring of fire right there, a place of plenty volcanic activity. That's why they had an earthquake of that magnitude to throw that type of thing.

I remember in Canada, some years ago, Brother Byskal took me up to the Amax, where the astronauts went across to fix solar max and so on. And when they come back with satellite imagery, they photographed the ring of fire around the earth and they followed it. It is a chain of volcanoes around the earth, all active and all connected.

The Prophet on, '**Christ is the mystery of God revealed**', said, never been taught before as a Prophet he was opening,

*"...Under the Sixth Seal the earth is to be purified by volcanoes..."*

Apart from earthquakes, volcanoes crumbling, polar ice caps are melting rapidly. The big thaw is on. We see the results of it this year. Hurricane after hurricane after hurricane after hurricane, with such devastation, the best they can do is to warn you about it, they can't stop it. Just at the end of November here, giant locusts plagued the Israeli state, Mexico, Spanish Canary islands and the land of Egypt. The pictures of the plague in the land of Egypt showed a swarm of giant locusts so thick that you could barely see the pyramids in the background.

Think. Where are all these things coming from? There is a tribulation in the making. The rock was thrown up forty years ago; judgment has started in the earth. It is heaping up, it is heaping up. During that time, look what He made out of nothing, look what we have grown up into. We are not little boys, with our Milton bag with the Bible, crying in the cane field, wondering if you are of God or if you are not of God and what is going on in the church and you can't understand how you are not feeling that spirit that people is feeling in the church, and kicking down the chair. Grow far from that, grow far away where you hear Him speaking in the First person through you many times, grow where you hear things are coming out of you that open the Bible and make it so clear, wide before your wondering eyes.

Do you realize it is the mercy of God that is why I am able to preach these things I am preaching and didn't get locked up as yet? I say these things with boldness and yet I'm trembling, you know, because I know how this could sound. And that's why I trust that you understand me. I am not a fanatic; I try to be as Scriptural when I say what I am saying. And if what I am saying is Scriptural, then it is not my thoughts. Maybe when you read the Bible you didn't see it that way, but look how clear that is, friends.

A mouth was given, and it began to speak blasphemies against the king. Didn't Revelation 13 say that? This one will speak blasphemies against the Most High, who he is exalting himself above. And he will be given a mouth, and he will seduce them, and there will be a falling away. That little horn had a mouth that spoke great things and he will take the kingdom by flatteries. I showed you all of that tonight, in that one person. And what followed him? Solomon coming into the throne bringing a golden age, under the last Trumpet, Seventh Trumpet the kingdom of this world becomes the kingdom of Our Lord and His Christ. Between the Sixth and Seventh Trumpet, Seven Thunders uttered their voices, what for? Coming from a mouth, between the Sixth and Seventh Vial, unclean spirits coming out of that mouth. Wisdom versus faith. One is coming to blind the people, One is coming to open the people's eyes.

My main quote I didn't even get to it. **'Christ the mystery of God revealed'**, he said:

*"Right now Lucifer is doing exactly what he did in the beginning."*

And those demons, those spirits are in men right now bringing this thing to pass. And what is he doing it by? Fallen angels, they didn't keep their first estate, men who fell from the Word into creed and dogma and organization, men who were deceived by false promises of power and position. What Ahithopel went for? Power and position. What Amasa went for? Power and position. What the rest went with Absalom for? Power and position. What are they going to the Pope for? Power and position. Its part of the new world order. It is more real than you could imagine.

I am amazed that a little island, seventy miles by forty miles, in a place where you don't have a pulpit to preach in this little island, in a place where they try to destroy you and call you the devil, you

can sit in a place like this, as one year closes out, going into a New Year, viewing the world in 2005, the way we ought to see the world. If we didn't see that kind of world in 2004, we didn't understand that world in 2001 and '02 and '03. We didn't understand that world when the Seven Seals opened, may we go in 2005 seeing the world - what is out there, friends.

Out of that big one, comes many little ones. Out of that big Christ, the great Shepherd comes many little ones. Absalom is everywhere. He is on the cinema screen, he is in the video and these things, he is out in the dancehall, he is out in the churches, seducing spirits, stealing the hearts of the people, taking them away from the Truth and bringing them to the lie, bringing them to a false worship, breaking the unity, manipulating them and exploiting them by a spirit of pretense, exploiting the unsuspecting masses.

But you, like Eve, the serpent wouldn't get you. If you are a part of that real Eve in the last days, he is not going to get you. He'll seduce and seduce and seduce, but this Church will not be seduced, she will prove that she is not like the first two. The serpent got the first one, Nicolaitanes got the second one, but this One will bruise him under her feet and go back. This one will get the revelation and that is what the Seven Seals are, have been given us.

Do you love Him tonight? Let's just worship Him. Let's just sing a little song and open your heart in His presence. I just love Him tonight. I love Him with all my heart. I love His people. I want to be a voice crying out, keeping the Message alive, that is the only ambition I have. I have no ambition to be any great person; I have a fear of being misunderstood, especially the ones to whom you preach. But I believe when I came through that last set of meetings, I know it just might be one or two misunderstand me, I know most understand me, that encouraged me. Because you try to be sincere in your heart and you trust the people see in your heart.

When I look at my lovely young sisters and young brothers, and I see this kind of world and I see what they have to face outside there, in my heart I desire, "God, give them something real. Lord, do something for them in a way; make these things real to them". And I trust tonight that something will strike them in their

heart, I know God can do it and I am preaching and trusting God to do it for them to open their hearts to see there is too much darkness in the world, friends, but God has given us light.

And whatever your condition is, or where you might have gotten yourself, and sometimes you may hear a Word like this and Satan uses It to condemn you even further because it exposed your own sin so much more and bring it so much into focus, that you realize, "Look where I am at". But remember this, God is not here to condemn you, God is here to help you. If you have to be condemned is because you have refused His Truth. He doesn't care what condition you might be in because He knows He is able to take you out of there, you can't get yourself out but He can get you out. And when He offers you His provided way, that's what you have to accept.

God doesn't reject a man for committing adultery or smoking or lying or stealing and these things; God condemns a man because he turned down the way that God provided for him. That's why He told Cain, "Do like your brother, I will accept it. You are wrong but I am willing to help you out of your wrong and bring you to the right." And I pray tonight that in your heart would be something like that.

When you come to the Table, you know, you think deep. You say, "Lord, maybe I didn't understand all what the Word was, the service was long and the place was hot, and I didn't have the concentration span." Or maybe, "I got it tonight, by the grace, somehow, it became real to me, I could feel, I could see things." Whatever it was for you tonight, you will be coming to His Table. As you come don't just come through the line like a ritual, come knowing what is on that Table, What It is, is being served and ministered to you. Why do we do that? What does that mean? What is the significance of that?

Do you know what that means? Jesus died, His body was broken and His Blood was shed. Do you know what for? To redeem us. Do you know in doing that what He did? He broke every power of Satan, took every legal right away from him. And now we can stand, coming with faith to receive whatsoever need we have, to know that it has been made available through what He has done for us. When you take that Communion, and that's for believers, that's not just for... this is not like the Catholic Church,

for any member or anybody just come in, this is for people who lives a Christian life, this is for people who have been baptized in the Name of the Lord Jesus Christ, and walking and living a Christian life. For the Bible says if you eat and drink unworthily you eat damnation unto yourself. Not because of what you are actually eating, that may not kill you or give you diarrhea, but you are desecrating something very holy, something of great significance and it is connected to a Christian's worship. Like desecrating and making it sacrilegious and brings it down to a cheap, carnal thing, and that's a violation of this God.

But the greatest thing that any man has received is that our Savior came and died for us, that is what gave us hope of Eternal life. Let's sing, 'He paid the debt'.

*He paid the debt He did not owe  
I owed a debt I could not pay  
I needed someone to wash my sins away  
Oh, but now, since I received this great pardon  
But now I sing a brand new song  
Amazing grace, all day long  
Christ Jesus paid the debt that I could never pay*

Oh, sing it again, worship Him in thanksgiving. You could have a new life tonight. You could have a sin free life tonight. You can have a total deliverance from every evil habit, every grip of the enemy around your life. You can walk in the year 2005, as a delivered son and daughter of Jesus Christ. You could receive power to lay down your life tonight, my brother, my sister. You don't have to be in bondage to sin any more. He can break every fetter around your life tonight, loose you from every chain. Is that not a wonderful thing?

*Christ Jesus paid the debt that I could never pay*

Oh sisters, could you sing that? Amen. We believe that tonight, on that Tree He died, friends. He said, "No man take My Life, I lay it down. I give My Life a ransom for many." He could have called a thousand, millions of angels, even when Satan offered Him those kingdoms, he said, "Bow down and worship me", he was talking to the wrong Man there. He was willing to pay the price and claim it, so that there will never be a claim upon our lives by the enemy.

We belong totally to the Lord Jesus Christ. He made it so secure. Oh, all together around the building now, in one voice in thanksgiving.

*He paid the debt He did not owe*

Oh, we thank you tonight, Father. We lift our hearts and our voices with understanding tonight of what you has done for us, of its meaning and of its value, oh God. And we cherish it and we appreciate it tonight and we embrace that cross as we sing tonight, Father, knowing that we belong to You, Lord. We are your purchased possession, you sent back Your Holy Spirit to claim us because Your Blood was shed to purchase us.

*... paid the debt that I could never pay*

*He is my everything*

He is my all

*He is my all*

Make Him yours tonight.

*He is my everything*

Both great and small

*Both great and small*

He gave His Life for me

*He gave His Life for me*

Made everything new

*Made everything new*

Oh, He is my everything

*He is my everything*

*Now how about you.*

Oh, one more time, 'He is my everything'.

If you have not surrendered your life to Him, if you have been living independent from Him, if you thought the things of the world that is put out there on that tree of knowledge of good and evil can give you life, but tonight you see that that is a deceiving tree, it is designed to deceive. The day you eat of that tree, you shall surely die, friends. There were two trees in the kingdom, one was David and one was Absalom. All that ate of Absalom died. That tree of death, seduced the people away from the Tree of Life.

Let's stand to our feet, tonight. Let's bow our hearts in His presence. We have come down through a great year, I believe. I

can think back of when we started this year about, ‘Running the race. **The race that is set before us**’ and laying aside the weight and sin and to finish our course with joy, looking unto Jesus, the Author and Finisher of our faith. Then we came and we broke into that inspiration, ‘**From the earthly to the heavenly**’, and how the Holy Spirit began to bless us with that beautiful song that dropped down among us, ‘From the earthly to the heavenly’.

And we had right on it there, the going home of our beloved, Bro. Frank Jacobs. And how we gathered here and we carried our brother to his... remains to the burying in hope of resurrection, after his great, gallant faith.

Coming down we had new ones being born, new ones being baptized. Going out in the islands and seeing others coming in and then the Work began in St. Lucia. Then we came to the Convention, and the expectation was so high, and it was such a great, mighty time of visitation. And then right after the hurricane struck, houses blown away, ninety percent of the country was damaged. And yet we saw the believers rising up in faith, we saw the Church rally together, provide support and relief. And God kept opening the Word and giving victory to different ones and the warfare, as Satan tried to rob them of their health, those who came out victorious, moving from sickness into healing, those who rose up to receive deliverance, backsliders being restored, and God kept on.

And then God began to take bitterness and fear and changed our attitudes, the Potter began to take us and remold us; the Husbandman began to purge us and prune us. Then we came into our time of thanksgiving, and again we saw the Holy Spirit moving in the hearts of different ones and they were coming from St. Kitts and Grenada and St. Vincent, to join their voices with us in thanksgiving. Then we see the people begin to respond out in Nevis, and people began to get more attracted in St. Kitts, as the brothers kept going out.

And here we are tonight, just at the end of the year, God called home our sister, Dothlyn Cain; another gallant soldier walking in this Message so many years and crossed over, for the time came to cross over and kept coming on. Then finally, sickness took its toll, weakened her in her body, but couldn’t rob her of her faith, stayed home and listened to those tapes. What a blessed thing tonight,

friends. The work goes on; God will add to the Church such as should be saved. God will open the doors where the Gospel is to go. God will call the ones whose names are written in the Lamb's Book of Life that is yet to be called.

More babies will be born. We have had marriages down through this year, great marriages, how God supplied, for people who waited, tarried, God didn't disappoint them and God showed He is faithful, married and happily married. More will be married, more will be born and more would leave us and go home to be with the Lord. And we will continue on until the time allotted is run out.

We know what has been given to us, what we are made responsible for, but what we see coming upon the face of the earth is also coming with rapidity. The evil that is being perpetrated, the conspiracy has become so strong and the people are gathered continually unto Absalom. And Absalom is ascending and soon he will sit on the throne. And soon there will be a persecution like never before, friends.

But we have this privilege tonight, friends, as we bow our hearts, and fixing to come to His Table. We know that sometime between the gathering of the tares and the revealing of the antichrist, the Rapture will take place and does take place. Our opportunities become fewer with each passing day, our vision becomes clearer with each revelation, the strength and the courage rises and the pulsation of faith with each wave of the Holy Spirit, each shower He sent down upon us.

Coming through that series there on Joseph, even as we come to His Table tonight, let us not go into this New Year with bitterness, with strife, with enmity, with contention. As a people that God has made clean by the Word He has spoken to us, a Word that was designed to make us clean from these specific things and lead us into a full surrendered life. Let tonight be a consecration, a rededication. Let tonight be taking your allegiance with the Lord Jesus Christ. Do not reject Him.

Pilate tried to throw Him back on Herod, Herod wanted entertainment and he threw Him back on Pilate. What Pilate tried to play politics with, and evade responsibility for, he still had to turn around and reject Him. The only way to get Him off of your hands tonight is to put Him in your heart. Do not turn Him down,

friends. Pilate never realized trying to wash his hands of Him, was actually a rejection of Him.

Open your heart and receive Him tonight. He is the Word, He is the Truth. And as this Word is come forth to you, that's His Word. Receive It, stranger, brother and sister, receive It, backslider, line back up with God, walk with Him again as you once did, separate from all evil. Let these fleeting moments of this old year, as it goes out, the New Year ushering, let there be an ushering of the Holy Spirit in to your heart. As you stand consciously in the presence of God with purpose and conviction knowing what you are called unto in this hour take your side with Him, do not refuse Him.

We don't even know if this is the last year, we don't even know before this one week of this New Year if an earthquake can put this place under the sea. Think of the hundreds of thousands that were swept away, in twelve countries. That could be from St. Kitts, all the way right down here to Trinidad, friends, would just disappear. We don't know, friends. We are living in perilous times and privileges and moments like these, hearing the Word that we are hearing, we can put our lives into His hands. And that's why a service like this, and that's why we try to keep it at this time, that the old things pass away and new things coming, so symbolically, significantly it could have a similar meaning in our hearts and lives.

Lord Jesus, as we bow our hearts in this building, all around where we are gathered under the sound of this voice, coming tonight, in this service to participate knowing we could have been in many different places. But Lord Jesus we wanted to come here because we feel that it would be a good place to be in, it would be the best place to be in. In our hearts Lord, gathering a few days after what we have seen struck into the consciences of the nations of the world, to see the great destruction. And then right here last Wednesday hearing this Message on, '**A Woman in travail**', showing us that forty years ago, You warned the world by a tremor, showing that the next time it will be on a greater scale and You will shake down everything that could be shaken down, and only those things which cannot be shaken will remain.

And God, we know we are not in the First Pull of the Message, we are not in the Second Pull of the Message and we are not in the

Spoken Word and the opening of the Word time of the Message. All of that time have been identified and gone, the rock has been thrown up, the Cloud has been turned, the priest handed the Prophet the Book and the Scripture has been identified. It has been pronounced, judgment has started in the earth, for mercy has been spurned. It's a time of coming out of the world and coming out of organization and getting into Christ, the only place of safety.

And so dear God, with these things upon my heart and mind, and standing here and having the responsibility trying to proclaim these things in the midst of your children, He says when we see these things, look up and lift up our heads because our redemption draweth nigh. We realize something like that, maybe had it struck into North America, Lord; the whole world would have been in chaos tonight. If it had struck into the heartland of Europe, the big industrialized nations; there would be such panic in the earth, but Lord we see it coming in.

But whether by disaster to hasten it, earthquakes, cataclysmic changes in the earth, changes in the weather, volcanic eruptions, things that can bring on such destruction on such a great magnitude, things that You promised would take place in the last days, at this very time. We see the filth in the earth, the morals are so rotten, the politics so rotten, we see the religions so rotten, we see the deception, the darkness, the age of deceit; we see the apostasy and the falling away. What else has been promised that we have not seen? What else has not been identified to tell us it is not the hour? The time clock is striking the hour; it is later than we think.

Oh God, we want to rededicate our lives tonight, Father, to the cause of Christ, to the spreading of this Message in the region, the calling of the Elect and the warning of the nations round about. And to see them who have been called out become established, be prepared and made ready for Your coming. We see how sick and divided, even the Message community is in this part of the world and so many other parts of the world. We see how for years and years, walls of separation, ministers, divisions, strife and contention, one church could hardly have fellowship with another church. God, it is such a bad testimony, it is such a misrepresentation, it is such a poor representation Lord, of what

You shed Your Blood and of what You died for. How much could be done if Your people are unified.

Let this year be a year we see walls broken down, Father. Let this be a year we see attitudes be changed. Let this be a year we see ministers, Lord, would humble themselves and come together. Let this be a year we see the Word would be lifted up, oh God, and not man's person. Let this be a year we see fear and malice and strife, division, and all these things become so defeated. Let this be a year we see such love be poured out, that you will unite your people together. The Prophet said if love doesn't do it, a state of emergency would have to do it. And what a shame for us to have the Message for so many years and love couldn't do it, Father. Because if the Holy Ghost is here and people have a New Birth, there would be love, it just reflects how so little has the New Birth yet so many profess to believe.

Jesus let us never be a church that has discrimination and prejudice. Let us never be a church that will be proud and lifted up. Let us never be a church that will feel that we are better off than somebody and look down and despise people. Let that kind of evil never get among us, oh God. Keep us purged from that leaven, oh God. Let us be a people in humility, in action with reverence, oh God, preferring one another Lord, esteeming each other better than ourselves, thinking on the things of others, willing to sacrifice and put our lives on the line and go and fulfill this Word.

Oh God, You know from the bottom of my heart Father, that's what I am striving for, that's what I am trying to preach, that is what I am trying to create that atmosphere, to bring that among Your people, oh God. That is what I want to live for Father. I pray tonight, oh God, You make us servants. You said, "Learn of Me, I am meek and lowly in heart." Increase our faith, let Your power and Your virtue flow out of us so that it could strengthen others. Let us be so quickened in knowledge, oh God, that we will come to know You in such a way, Whom to know is life eternal, that we will walk so close to You, we will know how to represent You, we will know how to represent this Message, we will know how to serve Your people, oh God.

Give us temperance to bear, to strive lawfully, not to be in excess and superfluous, but to be disciplined Lord. Give us patience that we would not be arrogant and hasty, godliness, to be

like You, Father. And brotherly kindness to forgive, to drop every ought, not to hold grudges, to look beyond the faults and see the need. Love that thinketh no evil, love that beareth all things, and endureth all things, that is not puffed up, that is slow to anger. Oh, gracious God, let us see the full stature of Jesus Christ coming forth out of the lives [*ends abruptly*].
