## FOREWORD

This message entitled, Ministers' Fellowship has been taken from a recorded sermon and printed by members of the Third Exodus Assembly.

This message was preached on 23<sup>rd</sup> April 2010 in Criciúma, Brazil by Bro. Vin. A. Dayal and put into book form solely for the believers of the local Assembly.

Should this book fall into the hands of other believers, please note that it is not meant to promote any special person or doctrine, but only that it might edify the reader and cause him/her to have greater faith in the message of the hour brought to us by God's prophet, Bro. William Branham.

This book is made available by free-will contributions from members of the Third Exodus Assembly and is distributed free of charge.

*Excerpt:*

### ***MINISTERS' FELLOWSHIP THE THREE WOES AND THE THIRD ANGEL'S MESSAGE***

*This system has drunkened all nations with her system of idolatry. She's the mother of all abominations. Now it's being identified who these people were worshipping and why they were being told, "Worship Him Who made Heaven and earth; worship Him Who made the sea and the fountains of waters." Amen. Because they had left the worship of the Living God and now they were worshipping the creation instead of the Creator.*

*And that first Angel was speaking and telling them, "The hour of His judgment is come*

*Then the second Angel cries out, "Babylon is fallen," because Babylon is the mother of all abominations. It's a mystery Babylon in the Book of Revelation, amen, because that Babylon which was in the beginning of the Bible and in the middle of the Bible, it ends up in the Book of Revelation, at the end of the Bible and it's a mystery Babylon that the Bride is called out of in this Hour.*

*Because Revelation 18, there's a strong Angel that said, "Babylon is fallen, is fallen. Come out of her My people," amen, to bring us into Revelation 19; into union – the uniting time and sign because the Marriage is at Evening time.*

I want to say a pleasant good night. Amen. I see we have changed location. It's a little different but behind everything God does there is a purpose. Amen. This is a little children's class, amen, and like little children we want to believe. The Lord at one time took a little child and said, "Except you don't become like one of these," because little children could just believe everything their father says. Amen.

So it's a blessed privilege to be here once again. We certainly have been enjoying the time in the presence of the Lord to be with God's servants. It makes you think that, you know here's a group of men that God has shown a great confidence in by taking souls that Jesus shed His Blood for and putting it under the care of men and then gave us the greatest Message that was ever sent into the earth; a Message ministered unto us by Angels in this great time.

And so it's something very special living in the greatest Age, the Age of the coming of the Lord, where the greatest Light that ever shone is shining. Amen. And as the Prophet says, the Scripture also says it, "Many wise men, many saints and sages desired to live in this day," to see the things that we see, to hear the things that we hear; that this is the only group who is living when the Book is opened. Down through the Age the Book was sealed up waiting until the time of the Seventh Angel.

So it's certainly a great time to see that the things we see. Even John just saw these things in symbol form. Daniel saw it and wanted to know what some of these things meant and God told him, "Seal up the Book, Daniel. It's not for your time. It's for many days to come." So there were unrevealed things in the Book! And then John when he saw all these things, when he heard the Seven Thunders utter their voices, he was about to write and the Holy Spirit said, "Do not write it John." Amen. So there are

unwritten things – unrevealed things and unwritten things. Amen. He said, “But in the days of the voice of the Seventh Angel all these unrevealed things; all these unwritten things would be brought out to an end time people.” Amen. A people that God has gathered and is preparing for His great coming.

The coming is not so much the mystery now because we saw Him appear; we saw the Book opened. It is the going away of the Church now. Amen. That’s the thing. A people who can change dimensions because only those who are changed in their bodies could change dimensions and the only ones that could be changed in their bodies is who are changed in their souls. Amen. That’s right. And the only way you could have that change, God has to change your atmosphere because it takes the right atmosphere to bring a birth. Amen. Glory be to God.

So this is a time when there is a people like Enoch, like Elijah, amen, that will change dimensions; a preparation for dimensional travel. Amen. Like Elijah he was transported and then he came back eight hundred years after and he appeared on Mount Transfiguration and then he went back and he hasn’t been seen since. Amen. And so when we see these things opened in the Bible in the day that we are living in, and then those Truths, the Holy Spirit in this Hour is opening them for the people who are to have this promise.

Enoch knew he was going. He had come up that pyramid. He had come up those seven steps and then he went into the King’s chamber. There was an empty coffer in there, amen, where death is conquered. Elijah knew he was going. He told Elisha, “*If you see me go.*” Amen. Even Jesus knew when He was going. He said, “I must go otherwise the Comforter cannot come.” He knew positionally what time He was living in because He told them, “Not many days from now the Holy Ghost will come upon you.” Amen. He had the Feast of the Passover; he had the Feast of the Unleavened Bread; Feast of the Firstfruits; Feast of Pentecost was coming and He was there forty days already and He knew where He had to be extracted from.

Elijah knew where he had to be extracted from. Amen. He didn’t stay at Gilgal. He didn’t stay at Bethel. He didn’t stay at Jericho. He crossed the Jordan because he knew where the angels were going to pick him up. Amen. They knew when it was

finished. Noah knew when it was over when God shut that door; when God said, "In seven days rain is going to come." Moses knew when the finish was going to come. Moses stood there, he said, "At midnight. From the tenth day," he said, "take the lamb, examine it; kill it on the fourteenth day. At evening time and at midnight, the death angel will take out [kill -Ed.] everyone that is not under that blood." He knew, friends.

Jesus knew because when He came to that place and He was publicly crucified, He went into hell and preached to the lost. Amen. He cried, "*It is finished*," and then He went into hell and preached to the lost. And if those raptures in the time of Elijah, in the time of Enoch, in the time of Jesus—Abraham too he knew when the time was counted down. God said, "This time next year Sarah will have a child." Amen. He knew it was going to take nine months from the conception to the birth and he knew God had to appear to him again. So he sat in the tent door for those couple months. And in two months God appeared and said, "Next twenty-eight days I will return according to the time of life." Amen. They knew they were walking in the fulfillment of the Word.

Abraham came through justification, sanctification; got the new name; received circumcision; saw God in a man, God in human flesh Who could turn His back and discern the heart, opened the mysteries to him, amen, right down. We have come through justification. We have come through sanctification. We have received a New Birth. We have seen God in a man Who came and performed the same sign and opened the mysteries. We've seen the Supreme Judge appear, amen, and we've seen Him come back around. The real believers know that He came back around in a second cycle. "The world will not see Me but you will see Me. And Sarah judged Him faithful and she received Dunamis, and she conceived seed, and she knew she was carrying a mystery. Isaac was a mystery of Christ. Amen. Glory!

So we are not walking blindly. We are walking in the rhythm of the symphony. It's coming down to the hour. When that time comes, He will reveal it. The Prophet said, "He never said you can't know the year. He never said you can't know the month. He never said you can't know the week. He said, "The day and the hour, that's a mystery." But as I just showed you when the time came, God spoke to them who had to be taken away.

Elijah knew where to go and wait. Jesus knew where to gather them before He ascended. Enoch left a mystery in the pyramid, the second Bible, amen. And then the Prophet came and told us, "Who does that comer meet when he reaches on that seventh step? A ministry that ushers him into the presence of the King." That's right. He said, "He comes out from that prophet's chamber to meet the comer." Like John in the first coming could introduce them so in the second coming there was one. Amen.

And so it's a tremendous time, forty-five years after. What a place! The apostles and they walked with Him for three and a half years and came into a sin-free church. No man could have joined them. God added such as should be saved. Sin couldn't stand among them. One little lie and God packed them out because while they walked under the ministry of the Son of Man they were trained in the supernatural.

They didn't just learn that Jesus came. They didn't just learn that Elijah revealed the Son of Man. Jesus taught them about their names in the Book. Jesus taught them about demonology. Jesus taught them about the ministry of angels. Jesus taught them about prayer and fasting. Jesus taught them how to operate the Word, (that's right) because He lived in two worlds. Hallelujah! And He was training them because the works He did they had to do it also. Amen. "Because I live, you shall live also." Because the Holy Ghost wasn't the third person of the trinity! It was the same God, Who was in Jesus, moved from a one man to a many membered body to continue the same ministry. Amen. And they understood that they had a portion in them. "God dealt every man a measure of faith," Ephesians tells us. And they grew up into Christ Who is their Head, amen, and the body was edified in love.

At one stage they were tossed to and fro by winds of doctrine but Paul said, "*When I was a child, I thought as a child but when I became a man, I put away childish things.*" [1<sup>st</sup> Corinthians 13:11 – Ed.] Amen. "Under tutors and governors, they differeth nothing to a servant but in the appointed time of the father, they were no more servants, they were sons. And because you are sons He had sent the Spirit into your heart whereby you cry 'Abba Father.'" [Galatians 4:1-2, 6-7 –Ed.] That means you know you came from His loins. That means you have a claim on Him as Father because you

are born into His family. You have His Name. You have His DNA. You are like Him. You have His potential. Amen.

If He is the whole ocean and you are a spoonful; you take the ocean and you take the spoonful of water and you break it down in a laboratory, it would be exactly the same thing. It only differs in measure but it's the very same composition. Amen. If you have His life there is faith, and virtue, and knowledge, and temperance, and patience, and godliness, and brotherly kindness – His very Own Life; His potential. He's a Healer. He's a Saviour. He's an Intercessor. He's a Redeemer. Glory! The Holy Ghost, the Token, the literal Life in us.

What a place that we can walk in this Hour knowing these things; recognizing He has given us a measure and that we can know how to work with the measure that He has given unto us. Amen. Let's just stand. I'd like to have a word of prayer before we read.

Gracious Father, once again we are gathered in Your presence, Lord sitting in this little classroom, a classroom that is occupied by little children. And so we come this evening dear God in simplicity; in humility; Lord with deepness of sincerity, desiring dear God that Your Holy Spirit would speak to us and You will break the Bread of Life; You would minister it to us in a way that we can take it and know how to apply it and work with it and that You can prosper us and give us good success.

As You had told Joshua that he should not turn to the right nor the left but to meditate on the Word day and night and then You will prosper him. You will give him good success. Every place that the sole of his feet tread upon, that You have given unto him and as the Lord thy God liveth, no man shall be able to stand before him all the days of His life.

So these spiritual Joshuas in this Ephesian Age Lord, that are to lead the churches, Lord into this great land where they could come into their place; possess their inheritance; that the great Captain could take the Headship and lead His Body into the fullness of what You have given for this Hour. We look to You Father. Let the Dove lead the eagles. Bless us tonight and may You be the principal Theme of this service. We pray and we ask it for Your honor and for Your glory for our edification in the Almighty and

precious Name of our Lord Jesus Christ, amen. Praise His mighty Name.

I would like to read out of the Book of Revelation chapter 8. Our precious Pastor was preaching this morning from Revelation chapter 8:1. From verse 7 begins the Trumpets and from 7 to 12 there are four Trumpets. The first four Trumpets are showing us how the earth was affected, then the sea, then the rivers, then the air. And then we have verse 13 and this verse links the first four Trumpets to the last three. It's specifically put there because the first four Trumpets are speaking about the world that we live in because the earth, the sea, the rivers and the air are what we call the ecosystem where we live. This is what God created in Genesis 1 and 2. He put the man in the Garden and gave him dominion. That's what we are seeing in the first four Trumpets here. But the last three Trumpets have to do with the inhabitants of the earth because the earth is an inheritance of man and man was placed in this environment. God created the earth first, then He built up His Eden and then He placed His son in it. He had a title deed. He had dominion over it. Amen. But verse 13 here which links the first four Trumpets to the last three Trumpets, John says,

<sup>13</sup> *And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!*

Notice it is to the inhabitants of the earth. So that Fifth, Sixth and Seventh Trumpet which was yet to sound is connected to three woes! Amen. And I would like to read from Revelation 9 verse 1.

<sup>1</sup> *And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.*

Notice this! He is given the key to the bottomless pit.

<sup>2</sup> *And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.*

<sup>3</sup> *And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.*

<sup>4</sup> *And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.*

Now notice when that fifth angel sounded it's announcing a political disturbance because it said, "*Woe, woe, woe by reason of the three trumpets which are yet to sound.*" Those three wars are connected to the last three Trumpets. So when the fifth angel sounded, John said, "I saw a star fall from Heaven." And he fell by a war that was taking place in Heaven. He fell to the earth way back in the beginning because he was in the Garden of Eden. He was cast out of Heaven. Amen.

And John is describing the star as 'a him.' "*To him was given a key*" and a key is to open a way to give access to something that is shut up. And this was a dimension. And in that dimension were locusts but not natural locusts. They are called locusts but it is spiritual locusts; supernatural locusts; demon powers because they are commanded not to hurt the earth or any green thing or any tree.

That is what a natural locust does. A natural locust eats down every green thing. But these are commanded to touch men who do not have the Seal of God. They are given access to them. How many knows Psalms 1, "Man is like a tree." [Psalms 1:3 -Ed.] How many knows what John the Baptist said? "*The axe is laid at the root of the tree.*" [Matthew 3:10 -Ed.] Amen. Jesus talked about, "*A corrupt tree cannot bring good fruit.*" [Matthew 7:18 -Ed.] Amen. He was talking about men. Amen. Glory! Then verse 11!

<sup>11</sup> *And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.*

That means destroyer or destruction – the king. Now locusts don't normally have a king. Proverbs 30:28 tells you that. But these have a king who is that fallen star Lucifer, amen, the king of those demons. Praise His wonderful Name.

<sup>12</sup> *One woe is past; and, behold, there come two woes more hereafter.*

Amen. Revelation 11, verse 14 and 15! Verse 13! No sorry, it's 14.

<sup>14</sup> *The second woe is past; and, behold, the third woe cometh quickly.*

Because the Sixth Trumpet was connected to your second woe! The Sixth Trumpet is Revelation 9:13 to 21. And verse 15!

<sup>15</sup> *And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.*

Because in this day, He leaves the Father's Throne to take His Own Throne! Amen. And He is being revealed between Son of God and Son of David as Son of Man in this very Hour and He has opened the Book and is gathering His redeemed subjects. Is that right? That's what happening. Praise His wonderful Name.

May the Lord bless the reading of His Word! You may have your seat. I'd like to read one more Scripture while we are with this because I want to speak a little on, "**THE THREE WOES AND THE THIRD ANGEL'S MESSAGE.**" "**THE THREE WOES AND THE THIRD ANGEL'S MESSAGE,**" which is Revelation 14, I would like to turn to. Revelation 14, verse 6!

<sup>6</sup> *And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people,*

<sup>7</sup> *Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.*

This Angel is crying out to that generation and He is warning them, "Worship Him Who made Heaven and earth and the sea and the fountains of waters" because obviously they were not worshipping the Creator. So He's telling them, "Worship He Who made Heaven and earth, amen; Who made the sea and the fountains of waters. Those are those same four things under those first four Trumpets: the earth, the sea, the fountains, the heavens; the air. There's only one Creator. Satan cannot create. He perverts what God creates. God alone is the Creator.

<sup>8</sup> *And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because*

*she made all nations drink of the wine of the wrath of her fornication.*

So now we are understanding Babylon, the seat of satanic religion; where satanic religion had its origin. Amen. And here the second angel is pronouncing a further judgment. It says,

<sup>8</sup> *...because she made all nations drink of the wine of the wrath of her fornication.*

This system has drunkened all nations with her system of idolatry. She's the mother of all abominations. Now it's being identified who these people were worshipping and why they were being told, "Worship Him Who made Heaven and earth; worship Him Who made the sea and the fountains of waters." Amen. Because they had left the worship of the Living God and now they were worshipping the creation instead of the Creator. And that first Angel was speaking and telling them, "*The hour of His judgment is come.*"

Then the second Angel cries out, "*Babylon is fallen,*" because Babylon is the mother of all abominations. It's a mystery Babylon in the Book of Revelation, amen, because that Babylon which was in the beginning of the Bible and in the middle of the Bible, it ends up in the Book of Revelation, at the end of the Bible and it's a mystery Babylon that the Bride is called out of in this Hour. Because Revelation 18, there's a strong Angel that said, "*Babylon is fallen, is fallen. Come out of her My people,*" amen, to bring us into Revelation 19; into union – the uniting time and sign because the Marriage is at Evening time.

After Rebekah was called out by Eliezer from Babylon because Mesopotamia was a city in the kingdom of Babylon! Amen. And this messenger came at evening time and this messenger came with everything that she would have need of to meet the bridegroom. When she was coming, her clothes were not from Mesopotamia. Her clothes were from the country where the bridegroom was from. The power that was transporting her was not from her country. The messenger brought that power for the purpose of transporting her back to the country of her bridegroom, where she was going to come into union with her bridegroom. Amen. The very Angel of God went with that messenger because Abraham is the mystery of a Father Who is going to make a Marriage for His

Son. In Matthew 22, Jesus tells us in the New Testament, “The Father is making a Marriage for His Son.”

Well here is Abraham a mystery of God in the office of the great Fatherhood; Isaac the mystery of the Son-ship; Eliezer a type of the Holy Spirit. He is the evening messenger that went out. Rebekah the Bride who is the very Book manifested; the attributes of God, (hallelujah) that is to be formed into the Bride; the Bride that is appointed to marry Isaac. Hallelujah!

And so when that messenger went out, he went with the gifts and he went with the raiment because “*It was granted unto her that she should be arrayed in fine linen clean and white.*” [Revelation 19:8 –Ed.] And the Prophet told us, “The same beast that she watered it packed her to meet the unseen bridegroom.” Hallelujah! And the messenger found her at evening time. And at evening time when she was coming, she looked out in the distance and she saw him, Isaac. Who was Isaac? Revelation 10:1! Who was Eliezer? Revelation 10:7! Who was Rebekah? Revelation 10:8-11! Hallelujah! Glory! It’s a mystery of the Seventh Seal.

And watch something. Just like John, when John was on the earth Jesus had to come on the earth at that time. And the Prophet on *The Breach* [1963-0317e –Ed.] tells us, “When Christ descends from Heaven, amen, the Seventh Angel will be on the earth at the time of that coming.” Hallelujah! How he could say that? How does he know that? With assurance because that is down through the Bible! Because here was Eliezer, he looked out there. Here was the evening messenger. He got the bride and he’s bringing her.

And the whole mystery behind it; the whole purpose behind it, it was to consummate a Marriage. That was the purpose because the time had come in the plan that the Son was to be married, the Marriage of Isaac, the Lamb. The same One Who went up on the mountain with the wood on His back; Who laid down His life, hallelujah; Who rose up in a type of resurrection; that same One Who was on Mount Calvary; that same One Who rose on Easter, that same One is the One in this evening time that is going to be married. Hallelujah!

Because what is in Genesis... Genesis is *genes*, *G-E-N-E-S*, seed. Amen. And what type of seed is in your field you will know what type of crop you’re going to get because Revelation is the

harvest time. Seven Church Ages, Seven Seals, Seven trumpets, Seven Vials, sealed up by Seven Thunders that when those Seven Thunders utter their voices, out of the Ages comes the Seals; out of the Seals comes the Trumpets; out of the Trumpets comes the Vials, until the Mighty God is unveiled before us; until Christ, the mystery of God Who was sealed with Seven Seals is revealed and we can behold Him in plain view. Hallelujah! And that's what is happening in this very Hour.

And so when Eliezer was coming, here was Isaac at evening time walking in the field and she looked there. Eliezer was preaching, amen, decision, *Time Of Decision*. Amen. She made the decision. She said, "I will go. I will follow this man." Amen. "Something in my heart tells me that this man—my life was predestinated to cross paths with this man." Hallelujah! "The mystery of my destiny was locked up in the things that this man will speak to me."

Here we were on the earth, amen, but the God of Heaven, the Father Who was making a Marriage for His Son at Evening time opened His secret, that the Hour of the Marriage is here and the Bride must be called. And He put that secret in the heart of the Evening Messenger and the Evening Messenger had to take a sworn oath he will not take from among the Canaanites because the real Bride must be blood relation. Hallelujah! She must be blood relation to the Bridegroom.

And if you notice she was a Gentile. Rebekah was a Gentile, hallelujah, called out, amen, to come into union and she is following the messenger. Her mother put pressure – the Prophet said, "A type of the church." Her brother put pressure – a type of the preacher. But the damsel said—he said, "Let the damsel speak for herself." Amen. She had something that she could speak up. She said, "*I will go*. I can separate from the organization. I can come out of Babylon. I can walk away from the brother-preacher. I could follow the evening messenger, amen, that is going to bring me into union, amen, to the bridegroom; the one who sent him to fetch me; the one who brought these gifts and opened up this mystery to us, amen, that we could receive these jewels." Hallelujah! They never saw those kinds of jewels down in Mesopotamia. Hallelujah! It was sent because this servant, the

Bible said, "He was ruling over all the goods of Abraham." He ruled over all that he had.

This servant God told him, "You could bind the devil. Anything you bind is bound, amen; what you loose is loosed." Hallelujah! He said, "You speak. Whatsoever you say, it will be that way." Glory! He ruled over all that the Father hath. He even displayed the oneness with the Father. When the Father told Him in the Colorado storm, He said, "Go back in the blizzard."

He said, "Go back in the blizzard?"

"A man will die. It's crazy to do that."

And the Voice said, "Go back in the blizzard."

He said, "That's the Voice. It has spoken to me since I was a little boy. I know to obey that Voice irregardless against my own better judgment."

And he began to walk in the storm. He was running from the storm but now he's walking in the storm. Many of us run from the storm. Hallelujah! He got the brothers out of the storm first then he's trying to get out from the storm but God said, "Go back in the storm." He said, "I am Jehovah Who was in the sea that night in Galilee. I am the One Who created the winds and the waves. Whatsoever you say right now is going to happen." He said, "I spoke back there and said, 'Peace be still' but this is your time son. You were in My loins. I expressed you. I trained you, amen. I raised you up. You are My beloved son in whom I'm well pleased." Hallelujah! Glory! He said, "You speak."

And he looked around and he said, "Storm, go back where you came from and sun, shine out for four days," hallelujah, "that we could hunt and get our game that we came here for." He said, "Then I began to walk."

He said, "Would you walk with Me?"

He said, "Oh God, that's been the desire of my heart." And here is a son in the image and likeness of the Father with dominion over nature walking. He said, "And we went into virgin timber where man never went." And while he was walking he said, "I saw myself come back young in every way." Hallelujah! And then here came the deer and the animals weren't afraid of him because that atmosphere, amen, that Divine power; that Divine love, enshrouded him like Adam in the Garden. Amen.

And God remembered, in the book of God's remembrance, God remembered a prayer he had prayed to Him one time. Hallelujah! Isn't God something? God's servants pray; God's servants make vows to God but God knows how to test His servants on things that they promised Him because God takes the promises seriously, amen; because God takes His promise seriously. And He wants us in every way to be like Him; to act like Him; to talk like Him. Amen.

And the deer came and he began to think here is Bro. Evan's deer; here is this other brother's deer. And he said, "They are so close not one could escape. I could get all three." Amen. Because those brothers said, "Bro. Branham, if God is blessing you out there, remember me and bring some meat for me. I like moose" or one said, "I like elk."

And here he was and he watched them and they were coming close to him and he remembered, "No, I promised God I wouldn't do this. And then he told them, he said, "Go on. I wouldn't touch you. I made a promise to God."

And all the time God is in silence, as our brother preached this morning, and He is living under the silence. And God was silent and he is speaking. Amen. And then God spoke, "I see you remembered your promise. I see you remembered your promise." Amen. And then God said, "And I remembered mine. You remembered yours and I remembered mine. The never-failing Presence of Jesus Christ shall be with you always."

What a promise friends! What a reality! The first time he heard that Voice was in that Whirlwind. Yet when he heard that Voice saying, "Go in the blizzard," he never forgot that Voice. Amen. He said, "I know to obey that Voice." And that same Voice reconfirmed His promise to him, "I will never leave you. I will never forsake you. The never-failing Presence of Jesus Christ shall be with you." Amen. What a place a man walking with God in this Hour! Amen.

And so we are seeing that this great thing that we are looking at here, the One Who created; the God Who is the Creator, the only Creator, amen, that God did something in this day. The Prophet said, "In the ministry of Jesus, when Jesus turned the water into wine, the water was potentially wine." A creation was already there. And when He multiplied the bread and fish, the bread was

already there and the fish was already there. He only multiplied a creation. He said, "But in this day it was like in Genesis, *'Let there be.'*" Hallelujah! Because remember in Revelation 10 when that Angel descended with that open Book, He had that Title Deed.

When he preached, *The Breach* between the Ages and the Seals, that Book that the Lamb was taking, (catch this) that was the Title Deed that Adam had back in the Garden. When Adam fell, It went back in the hands of God. Satan couldn't take It. He had no claim upon It because It belonged to God and It went back in the hands of the original Owner and It stayed there until God became flesh as the Sacrifice; as the Lamb of God. Amen. And after His purchasing work and His mediatorial work, He came and He took that Book. Amen. The Lamb took the Book. God doesn't have the Book. The Lamb has the Book. Amen. Hallelujah!

Then Revelation 10, we see the Book leaving Heaven. It's coming back to earth. God doesn't have the Book now. The Lamb doesn't have the Book. A Mighty Angel has the Book. Now get this. The Book is not changing hands. It's the One Who's holding the Book changing forms. It's one Actor acting many parts, amen, because He is the eternal Spirit. He was the Word made flesh because He couldn't die as the eternal Spirit. To become the Sacrifice by a new creation God was in Christ reconciling the world. The Word was made flesh. "*Without controversy, great is the mystery of godliness. God was manifested in the flesh.*" [1<sup>st</sup> Timothy 3:16 –Ed.] *His Name shall be called Emmanuel – God with us.*" [Isaiah 7:14, Matthew 1:23 –Ed.] Hallelujah.

Yet this same One is the Angel of the Covenant, the Jehovah-Angel. He is not a created Angel, He is the Creator-Angel, (hallelujah, glory,) and He is coming down with the Book. He is coming down with the Book between the second woe and the third woe. I hope you're catching that. "*Woe, woe, woe by reason of the last three trumpets which are yet to sound.*" [Revelation 8:13 – Ed.] What happened when the Fifth Trumpet sounded? Hell was opened. What happened when the Sixth Trumpet sounded? Amen. The Jews, one-third part; six million were slaughtered in the holocaust.

But after the war what happened? The Jehovah-Angel appeared to the earthly Angel in Green Mills, Indiana. At the going down of the sun in Israel, when they were hoisting the six-point Star of

David, the oldest ensign on the earth, when the fig tree began to put forth its buds, you know that summer is nigh; it is even at the door. And that generation will not pass away. When you see the fig tree putting forth its buds—in other words, when you see Naomi going back in their homeland at the time of barley harvest, hallelujah, at harvest time, there is a Gentile coming back also; Ruth who made a clean-cut decision is coming back also. Both of them, hallelujah, elected Gentile; elected Jew – one under the Seventh Seal; one under the Seventh Trumpet. Hallelujah! Glory! And they're going back for redemption because there is a Mighty Man of wealth Who is born in Bethlehem; Who is of the tribe of Judah, amen; Who is the Lord of the Harvest; Who is the Kinsman Redeemer; Who is the Bridegroom of the Gentile Bride, He is waiting there in that Hour. Glory!

And so May the 7<sup>th</sup>, 1946, here he goes forth. He's commissioned, "As the prophet Moses is given two signs, so shall you be given two signs; signs to confirm your commission. But I've sent you to tell Pharaoh, 'Let My people go;' to take them out of the system and bring them back to the place in the land of their fathers, positionally in their own inheritance. Hallelujah! And My Angel will go with you to bring them into the place I have prepared for them." Hallelujah! Glory!

It was a setting. It was a junction time. And between that Sixth Trumpet and that Seventh Trumpet; between that second woe and that third woe, we are talking about, "**THREE WOES AND THE THIRD ANGEL'S MESSAGE.**" And I want to show you where these things apply; how it applies; how it is laid out in the Book of Revelation so we can know and understand in the midst of all this Book of prophecy being fulfilled in this Hour because in this Book of Revelation there are the foolish virgins, the remnant of the woman's seed who will be killed in the tribulation! There are the hundred and forty-four thousand, Naomi, who will come into redemption in the last half of the seventieth week. There is Russia, a tool, a sickle, communism; that's the symbol, a sickle in the hand of God to reap the earth. There is mystery Babylon and her daughters inside there and everyone one of them. There is the United States of America inside there. There are those ten kings and their kingdoms who gave their strength and their power. All of this is on the earth tonight even as I speak.

And some of us ministers, we're in there too sitting here in this room tonight talking about this Book that is written for God's eagles between the Gentile Eagle, who came before the Rapture and the Jewish eagles, who will preach in the last half of the seventieth week. And the Gentile Eagle has left and the two Jewish eagles are yet to come. But we find this one bringing this Book back on the earth. And when that Book comes on the earth it's not coming after the first woe, it's coming after the second woe. Hallelujah! It's coming before the third woe comes. Revelation 11:14, "*The second woe is past.*" 1939 to 1945 was the second woe! Amen. Glory! The third woe, Armageddon, is yet to come.

And even as I speak tonight, out of the mouth of the false prophet is gathering the kings; is deceiving the world. Lying spirits, as we had last night, coming out of a mouth between the Sixth and Seventh Vial to deceive people with the lie because those people had no love for the open Book; had no love for the Seven Thunders; had no love for the Gentile Prophet, hallelujah; had no love for the Evening Message! Therefore they cannot come into the Marriage. They cannot go to the Marriage Supper. They are becoming a supper because a servant 1946 went out, singular. The Prophet said, "A servant, singular." Luke 14, Jesus told them the parable how there'll be a healing revival forerunning the Marriage and the Marriage Supper. And this healing revival will be spearheaded by one man commissioned from the King, Who is making a Marriage for His Son, hallelujah, because this servant is connected to the Marriage of the Son. That's right!

At harvest time there was a chief reaper in the field, amen, when Naomi returned and Ruth came in Bethlehem. In Boaz's field there was a chief reaper set, positionally placed over all the other reapers. And when the great Boaz was coming in majesty, everybody in the field looked up. He was riding. He was coming. And Ruth in the field was close to the messenger, close to the chief reaper because he told her, "Abide by the maidens. Stay here." Amen. Glory! She looked and she saw this mighty one coming who was born in Bethlehem; who was from the tribe of Judah; the one who will be her future husband. She saw him coming. And here was the messenger, the servant and at the time of that coming the chief reaper was there.

Here was Boaz – Revelation 10:1; here was the Chief Reaper – Revelation 10:7; here was Ruth – Revelation 10:8-11; here was Naomi – Revelation 7, verse 2-4, the hundred and forty-four thousand. Here they are there. Hallelujah! And Boaz came straight to that Chief Reaper. Hallelujah! And the field, Oral Roberts is in the field; Billy Graham is in the field; A.A. Allen, Tommy Osborn but they're gathering the tares. Amen. This Lord of the harvest owns everybody. He has rights of ownership. They belong to Him but they have no connection with this Gentile woman. Hallelujah! But the Chief Reaper is connected to her. Amen.

And from the time he comes, with all this activity in the field at harvest time, those eagle eyes looked in the field and like a radar he scanned the field and it dropped on her. He said, "Who is she?" Hallelujah! Oh my! And here the chief reaper was on the earth at the time of that coming and he introduced her to him. Amen. And after chapter 2, you don't read about the chief reaper. After Genesis 24, you don't read about Eliezer. Amen.

December 24<sup>th</sup> 1965, Eliezer went, the Chief Reaper went but Isaac and Rebekah were together. It was not the servant ministering to her now. It was personal attention. The Head had come to the Body and the Head and the Body was in an invisible union, a uniting time and the Son of Man found a place to lay his Head, hallelujah, and she was under Headship. Like Rebekah when he said, "That's the one I've been preaching to you since I called you out of Babylon. That is him there," and she took the veil and she covered her head. She had such an understanding that now she has no head. She's coming to her head. And Eliezer looked at Isaac and smiled and said, "I must decrease so that you can increase." Hallelujah! Oh thank You Lord.

Watch Boaz in the field. When he saw her, he took her right away to his table and he called for the parched corn, roasted corn, amen, and he called for the bread and the vinegar, which is very strong wine. Amen. What was he doing? Anybody who is coming to Him must meet Him there first where He died. Amen. He was the Corn of Wheat and that Wheat went through the fire. Amen. That Wheat was roasted and as He began to give her some she began to taste and entered into the mystery to know Him in the fellowship of His sufferings. Hallelujah! Glory!

Then he broke the bread and dipped it in the vinegar and he gave it to her. And she was understanding how the corn of wheat had to be ground into powder and baked in a heated oven to become the bread of life, because He's the Corn of Wheat and He is the Bread of Life. And He said, "Honey, you are not feeding on a man, you're feeding on the unfailing Body Word of the Son of Man," and she was eating. Hallelujah! And He began to tell them drop some extra handfuls on purpose for her. Hallelujah! Extra handfuls on purpose! In other words, there He commanded the blessing. As long as she's in this field, minister unto her, "Take the golden grain." Amen.

And then the time came she had to move from the field because he was no longer in the field. He no longer had the sickle in his hand. He had the winnowing fan. Like John said, "*The fan is in his hand.*" It's what they threshed the grain with. Amen. He was at the threshing floor and Naomi instructed her. She said, "Now you're getting blessings but this man is not just a blesser. This man is next of kin. This is our family. And according to Deuteronomy 25, verse 5 to 10, he is obligated to marry you and raise up seed for his brother because he is the closest relative to Mahlon and that responsibility falls upon him." She said, "But now you have to show your virtue here."

And Naomi, the Old Testament is opening the mystery to the New Testament church. She is finding it in the Old Testament like I'm preaching to you in the Old Testament but we are the Evening Bride who is to be married at Harvest time; at Evening time. Are we living in the Evening time? Is it Harvest time? Is it the Age of restoration? Is it the Age of the finished cycle? Amen. Hallelujah! Is it the Hour when the grain is formed in the image again? And there is no further stage than the grain! Amen.

She met him at the floor. Amen. And then Naomi told her, "Mark the spot where he lay and lay down there." When is this happening? Between the second woe and the third woe! Because it's the second woe that rushed them back in their homeland and the fig tree began to put forth its bud. And at that time the servant, singular; not servants, servant, Luke 14 verse 15 to 24, at supper time! The Prophet said, "Not breakfast time; not lunch time, supper time." He said, "That's Evening time." So here is a one man move.

Jesus was telling a parable now at supper time when the sun is in the west; when the Gospel has come from Jerusalem with Paul, Irenaeus and Martin in France; Columba in the British Isles; Germany with Luther; crossed the English Channel with Wesley; came over in the United States, the sun is at the west. From Ephesus to Laodicea, it came chronologically following civilization from east to west; it came historically; it came geographically, (amen, glory,) from Jerusalem to France; to the British Isles; to Germany; to England; to the United States. It came geographically and it came scripturally, that he at evening time, at supper time, these promises are happening between the second woe and the third woe. *“The second woe is past and the third woe cometh quickly.”*

Because we took it last night when Satan deceived the people in the ecumenical move by that lying spirit that was coming out of his mouth, it was the repeat of what was taking place in Heaven when Lucifer under Nicolaitanism conquered one-third of David's angels; broke the unity, amen, and under Balaamism was bringing them now to see him as the one they should worship; and under the Jezebel doctrine to kill those that don't agree with him. And that was the move.

Remember Satan doesn't have any new plan neither does God have any new plan. God had a threefold secret in the back-part of His mind and since back in eternity to Revelation 22, God is going to end up with that threefold secret made manifest because the entire Bible is the expression of one goal and one purpose that God had in the back-part of His mind. And Satan had five 'I wills.' I will be like God. I will sit in the congregation. I will be worshipped as God. Amen. And so when he ends up, Revelation 13:8 shows every name that is not written in the Lamb's section; in the Lamb's Book of Life will worship the Beast. We are seeing in Revelation 14, they were told, "Worship God," but they came into a system in Babylon.

How did Babylon start? When they came out of the ark there were eight people. But Ham... Everybody believed in one God. When they were at Pentecost, everybody believed in one God but after a while, some little sayings started. Then it became a doctrine. Is that right? And here was Ham, he begat Cush and Cush begat Nimrod. And Cush started with his false teaching from

Ham because Ham turned the revelation from a monotheistic God, one God, to a polytheistic religion of many gods. At Nicaea, Rome they turned the revelation from one God to three persons. Amen. Hallelujah! It's the same because the Prophet told us, "The religion of Nimrod is still here." That's right. Because that's where Babylon had its origin. What was that? False teaching! The white horse rider was riding conquering the people under this false teaching; taking them away from one God, the Creator, to worship other gods. Amen.

Then what happened? Then Nimrod and Semiramis, Nimrod started to claim he is the woman's seed, that that prophecy is coming to pass. He began to misinterpret the Word because now from an Antichrist spirit with false teaching it is coming to a false prophet with a false doctrine. And when a man begins to pick up false teaching; false interpretation, he is going forth with something that is going to take people away from the worship of the Creator and bring them to a system. That's right.

Watch it in the Bible. I'm showing you your Seals and your Church Ages now. In Genesis, Nimrod went forth with that teaching. Then what did he do after? He made war. He was the first one to build weapons after the flood and make war against his brethren. You find it in *The Pergamos Age*. The Prophet brings it out with dealing on Babylon where Satan's seat is. He showed us how Cush divided the speech of men, amen, and how they were destroying the original revelation Noah had.

Noah was a prophet. He came over with the secrets from Methuselah. And Methuselah was going to die. When he is dead, the flood was going to be sent. That is what Methuselah means – when he is dead. That was Enoch's son. And Enoch who built the pyramid, he had all the secrets from Adam. Amen. Adam knew every star, every tree, every fish because he was God over the earth, and the heavens was the first Bible, the Zodiac. Hallelujah. That's why Adam, when Eve fell he could take her because he was the mystery of Christ being revealed. Amen. Glory! He knew that there was going to be redemption because that was written in the heavens. Glory! Because Romans 5 tells you, "The first Adam was a figure of Him Who is to come." Hallelujah! Glory! So watch!

So here now we are seeing how Nimrod, under the Second Seal began to take peace from the earth. Nimrod, the mighty hunter. Nimrod, means rebellion; who rebelled against the Lord, against the original Word. They stepped out into the new world with those secrets because Noah was (catch this) the living descendant of Adam. Genesis 5 traces the genealogy all the way to Noah and when the earth was being destroyed Noah went into the new world with the secrets because he was the head of the race.

Who are we? The Book that came down, the Gentile Prophet, Revelation 10:7, he left in 1965. Revelation 11 verse 3, two Jewish prophets are yet to come. But Revelation 10:8-11, a mystery between the Gentile Prophet and the Jewish prophets. That Title Deed, the Angel says, "Go and take the Book John and eat the Book." God doesn't have the Book. Amen. The Lamb doesn't have the Book. The Angel doesn't have the Book. The Book is in John and the Book never went anywhere after. Hallelujah! And between the Gentile Prophet and the Jewish prophets the Book went back into human flesh. This is the secret, "The Word is in the Bride as Christ was in Mary." This is the secret.

The Title Deed, did it come to the Baptist? Did it come to the Jehovah Witness? Did it come to the Seventh Day Adventists? It came to the ones who are called out by the Seventh Angel. Hallelujah! Glory! Revelation 10:8-11, a people in continuity to the one man Scripture. Hallelujah! The Spirit and the Bride, the Word comes back into her. She under her Messenger is the final voice. We are the living descendants. Are you understanding? We are the living descendants. We are going into the new world. We have the secret of what was in the beginning. It ended up in us. Hallelujah!

And here we are forty-five years between the Gentile Prophet and the Jewish prophets. Forty-five years! Ruth is at the threshing floor with Boaz. She received the promise. He whispered the secret, "I will do it. I will redeem you." Hallelujah! Isaac took Rebekah in the tent and unveiled himself and poured himself, hallelujah, and they became one. Glory! No man was there; only him and her. Glory!

Like when Esther, amen, Mordecai wasn't there, the eunuch wasn't there but it was the king and her between Nehemiah and

Job; between Nehemiah and Job. Esther is the last woman mentioned in the Bible. There is not another woman mentioned in the Old Testament after Esther. There are only two Books named after women in the Bible, that is Ruth and Esther and both of them is a mystery of the Trumpets. A bride (watch) because Naomi is the Jews going back in their homeland. The blowing of the Trumpets gathered them back in their homeland. Hallelujah! They went back after the second woe.

So here we are. Just like Esther between Nehemiah and Job, Ezra and Nehemiah is one Book in the Hebrew Old Testament. It is the Jews at the end of the seventh decade, (whoo,) going back to their homeland, hallelujah; came out from Babylon and restored to their homeland.

And Job saw the greatest vision ever. Abraham saw Elohim; the Hebrew boys saw the fourth man; Moses saw the Pillar of Fire but none of them saw what Job saw. Job said, *"I know my Redeemer liveth and He is standing on the earth in the last days. And though the skin worms destroy this body, yet in my flesh I will see God Whom I shall see for myself."* [Job 19:25-27 –Ed.] He had the greatest vision, the Easter vision. He caught the mystery under the Easter Seal, the resurrection. The resurrection is not under the first six Seals. The resurrection is under the Seventh Seal. Hallelujah! Glory!

And here six Trumpets, Ezra and Nehemiah, were rushing the Jews back in their homeland to build the temple and wait for Messiah. I was telling you last night, April, Easter, Passover; those Jews; a Muslim in the White House, Barack Hussein Obama, amen, a media-made man. Did you hear what I'm saying? Nobody knew this man. This man came out of obscurity but in one year the media made the man the most famous man in the world.

The media, the god of this evil Age; the prince of the power of the air; the key, the key that Lucifer was given to open the bottomless pit to unlock the fourth dimension; to open the gates so demons that were in prison since Noah's time and since Sodom's time were laying there under the Fifth Trumpet; under World War I, 1914 to 1918, the pit will be opened. When those demons come out, the world will change and come back like the days of Noah. The world will change and come back like the days of Sodom. Man will start to marry man; woman will start to marry woman. It

couldn't exist because the demons were serving a sentence. They were locked up. Just like Lucifer will be bound for a thousand years they were bound. But when they were released they began to hunt bodies. Hallelujah!

And people on earth are allotted so much space and so much time. Every man is given so much opportunity to hear the Gospel and there is a line that the man crosses. And though he's alive in the body, "*but the soul that sinneth shall surely die,*" because you don't believe with your body; you don't believe with your spirit, you believe with your soul. Hallelujah! "And the soul that disbelieveth shall surely die." Like the rich young ruler, when he turned down the Word he went on prospering, building bigger barns; living out the allotted days of his physical life, hallelujah, and his name was taken out of the Book.

Like Bro. Branham said those ministers in Chicago, (you'll find it on *Indictment*), [1963-0707m -Ed.] when they came there in Chicago he began to talk to them. They set a trap for him. They wanted to test him on his doctrine. They didn't believe it so they formed a conspiracy and they called a meeting. But everybody has a 'dagger;' everybody has something hidden to ask him so all of them could gang up on him. And they rented the hotel room and they're laughing at him. "Oh Bro. Branham, you know we're going to have this ministers' meeting. We're so glad you're in the city in Chicago here. You know we certainly wanted to be there."

Like they planned the summit and they wanted to get Netanyahu there to nail him on nuclear weapons. But watch something, he has a good nose. He knows it's a setup, amen, because they want to put further pressure on the Jews to give up Jerusalem; to stop the building. But those Jews said, "No. At the end of the seventh decade we're back in the land of our fathers and we came back. The fig tree is putting forth its buds. God brought us on the wings of eagles, the big TWA [Trans World Airlines -Ed.] planes; when science said, "Three minutes to midnight" and we had operation Solomon and operation Moses and we brought out the Jews from Ethiopia; from Russia. Everybody's gathering back into Jerusalem because the Trumpets have been blown. It's the feast, the gathering for the Atonement because there are three feasts of the seventh month: the Feast of Trumpets, the Day of

Atonement and the Feast of Tabernacles. We are having ours now.”

You see the Jews do not know any of the seven feasts. They only know it historically as a ritual but they were prophetic because Paul says, “*Christ our Passover; Christ our Unleavened Bread; Christ the Firstfruits.*” Hallelujah! On the Day of Pentecost the Tongues of Fire came upon them because on that day they used to take the bread and make it with leaven, (yeast) see, because that represented the Church. And they would burn the loaves, a type of the baptism of the Holy Ghost but they didn't know what it meant. But Jesus was already unfolding the prophetic significance of the feast. Hallelujah! And now He sent them in the upper room for the fourth feast for Pentecost to wait for the Tongues of Fire, hallelujah, to come upon them, a type of the wave loaves being burned with fire on the fiftieth day after the resurrection. Glory!

So the Jews missed those four feasts but the Feast of Trumpets rushed them back in their homeland. But they don't understand it's the Feast of Trumpets that brought them back for the recognizing of the Atonement. But the Spirit of Moses, the Spirit of Elijah and the Spirit of Christ came to the Gentile church, amen, and began to open to us. Then the nominal Christians they know Jesus died; they know He was the Passover. Everybody believed the Lamb died for their sins. They know He's the Unleavened Bread. Amen. They know He is the Firstfruits that raised from the dead. Amen. They know the Church started on the Day of Pentecost. So they know the first four.

But when the Prophet was sent out at the end of the Pentecostal Age and the fig tree began to put forth its bud and the oldest ensign on earth, the six point Star of David began to fly over Palestine, they couldn't read it. They don't understand. The Gentiles don't understand. And the Holy Spirit when He opened the Church Ages and they put Christ out and it went into darkness, He opened the Seven Seals. Michael stood on the earth with the Book and began to deliver the names; to Seal away the Elect; to bring Ruth into union. Hallelujah! Glory!

So while that was happening, all this is taking place and the Prophet now is coming to the Trumpets and he opened it; they sounded. God in the second woe – woe, one-third part of the men

were killed by three things: smoke, fire and brimstone. The smoke was the gas they gassed them with. The fire were the ovens where they cremated them. Amen. Brimstone is where you get sulfur; where you make gunpowder. It was the bullets that they shot them with. It's there in Revelation, these four angels who were bound in the River Euphrates; not a physical geographic Euphrates. It's mystery, because Babylon was built on the Euphrates River. Satan is trying to pattern the New Jerusalem. Amen. It was these four men in the seven visions of the Prophet in 1933.

Look at this. When did God speak to the Prophet first? In 1916! When was that? In the midst of World War I! That same Angel after He spoke to the little boy, two years after He stopped the war. "Hold those winds that it will not blow;" this same One, hallelujah, Revelation 7:1! In 1933 when He came down on the Ohio River, twenty-four year old boy preacher preached His first revival and was baptizing the seventeenth candidate in the river, the same One Who came in a whirlwind, en morphed and came as a Star but it was the same Voice, hallelujah; the same One Who said, "Don't drink or smoke" between World War I and World War II. When was the great depression? In 1929! The crash of the stock market, threw the whole world into bankruptcy. Who has the money? Rome! That's right. She had her ambition through the war, World War I.

Remember there is no other power after the iron until the Stone Kingdom comes. There is no power to rise up beyond her. Hitler tried to conquer the world; Napoleon tried to conquer the world, they couldn't because there's no prophecy. It's given to Rome. The legs of iron will go right down to the ten toes. Amen. And when the ten toes were formed, here is the Prophet identifying just like in the Bible. When it happened, five Eastern nations; five Western nations; ten toes; ten letters in Eisenhower; ten letters in Khrushchev; one means iron; one means clay. And a most significant thing – he didn't pound the desk with his hand; he didn't take a book and hit the desk but he took his shoe and he began to hit it. Hallelujah! Glory! It meant nothing to the world.

Catch this! You're looking for the fulfillment of prophecy; the things you read in the Message; things you read in the Bible; big something going to open up in the sky? Check this! He went to preach and the page in the Bible stuck. He is going out the door

with his Bible and with his wife. Meda had bought a Bible for Christmas. He wants to make his wife feel nice so he put down the old Bible and picked up the new Bible. It was a new printing because it's Christmas time. Bibles are selling everywhere. When they print maybe hundreds of thousands of Bibles, they send them nationwide in the stores. While they're packing that one, a little glue on the man's hand, touch the right page where the text is; they wrapped it. The same God Who guides the sperm out of millions to find which egg, *that* God guided that Bible to that store.

She goes in the store, "What to buy for Bill? What can I buy for Bill?" Amen! Glory! But the Holy Spirit, everybody's buying Bibles but they can't get that one. It's stacked on the shelf, maybe a certain number. It's timing her. She comes right in. She takes the Bible. She takes it home. "Oh honey, here's what I got for your Christmas. I notice you were studying the other day and a page flew out and you had to put it back in the Bible. I was looking through your Bible and where your tears fall I could hardly read the writing so I got a new one for you."

He is going. God is getting ready to fulfill a Scripture connected to the Day of the Lord; connected to judgment; connected to a certain junction in the ministry; connected to the second coming. But all this was being done that it might be fulfilled that which was spoken by God through the prophet saying, "And He went into the temple and the priest gave Him the Book to preach. And He read where the Spirit of the Lord had anointed Me to preach the acceptable year of the Lord." And He stopped in the middle of the sentence and Jesus left the other part. And God revealed to him, "Jesus never read the other part." It's connected to the second coming with judgment, hallelujah, when the Judge is being revealed between His Priesthood and His Kingship. When? Between the second woe and the third woe! "*And the second woe is past and the third woe cometh quickly.*"

And he went there and that day this Catholic priest, Bishop Stanley, decided to attend this Pentecostal meeting. And the audacity of the man, he goes on the platform to sit down with the other ministers in all his robes and his beads. And the Prophet is going to preach, *Birth Pains*, [1965-0124 -Ed.] woe, woe, woe. Hallelujah! Three woes, the birth pains on the earth because we

had come into the Age of a different kind of war with that key being given – a key of science.

Man began to move into weapons of mass destructions, chemical weapons; biological weapons. In the second woe they came into nuclear weapons to fulfill the Scripture because a key of science was given. Because though demons who were locked away there it's them that were needed to bring, (catch this); they were needed to bring a scientific Age the same way we needed an Eagle anointing to bring a prophetic Age; a revealing Age. Churches changed when men with an Eagle anointing could open the Book and watch that church begin to set their wings and begin to fly.

If they preached a reformer message, they reformed them in their seats with a man anointing. But God had to loose a spirit and God had to loose those demons and when they came and they began to anoint an age, man began to make great breakthroughs. The 'prophets,' anointed ones of Lucifer, like Bill Gates today and Steve Jobs and all these people who brought out the mystery of the Internet, amen, and started an information revolution and loosed a power on the earth, that a man with a cell phone, an I-Phone and a I-Mac, a laptop, brother he is in a virtual world because he has a twenty-four hour market.

When the market is closed in New York, the market in Japan is opened. When that market in Japan is closed, the market in London is opened. He has electronic money. He goes on a site and he goes into a big car lot: Prado, Pajero; he's in Japan right there. He is seeing every vehicle. He is watching it. He is seeing the material. All the specks are right there and when he has to pay for it he has electronic money. He fills out his form. He pays for it. He pays for delivery, everything and he comes back out. And he said, "I am waiting here fifteen minutes for you. What's the matter? I like people on time."

He said, "I was trying to close a transaction. I just bought two Prados. And then I invested some money in the stock market and I did a little shopping in Paris but my business is finished for the day."

He said, "What are you talking about?"

No! His prophets has opened up a mystery and brought out technological wonders and empowered them, the people who live

in their civilization, and gave them capability to do things. Amen. They look on CNN and they see the news: Suicide bomber in Israel; drought in Australia; stocks fall in London; civil war in Sudan and they come out. They say, "Do you notice what's happening right now? Volcano is erupting here; earthquake over here; suicide bomber here." In five minutes they see around the world and they're coming with a super knowledge and they're right there.

They have a cell phone and they could talk to somebody, "Okay honey, kiss the children good night for me." You are right there and can't hear them five feet away. They're talking to somebody in China right in their ear. They press a number, 6.5 billion people on the planet but it goes straight to that person's phone. You can't even count the seconds from the time you make the call. Their scientists opened up a world and began to bring out gifts and start a revival and empower men. And they want to have a conference and a man can't get a flight; and a man, you know, the flight is overbooked. They say, "No, video conference. You're in Australia, I'm in Brazil; this one is in the States and this one is in China and we sit down here and we're talking. We discussed everything. A world!

Now we had a Prophet opening mysteries from the Tree of Life, hallelujah, because remember science didn't create those things. They only discovered. Television was here when Adam was here. Bro. Branham seeing visions didn't need a laptop. Hearing the Voice he didn't need a telephone because he was operating in God's Information Superhighway because under that Seventh Seal... Just like Paul in the first Age, he wanted to go to Asia, communication comes and pops up on the screen. He sees the man and calls him, "Come to Macedonia." Amen! Hallelujah! Peter was on the roof-top and the Angel appeared in Cornelius' house. But they who are in the system; they who are locked in God's system; they who are initiated into the mysteries; who are given a secure line of communication that no hacker could get into!

The Prophet, when he came to the Seventh Seal, Satan's trying to get a hold of this. He said, "I better not say it. I better not say it." He said, "Now wait here." He said, "Let me tell you something." He said, "Whatever God has to send He will send it to you," because he already preached how man is made up. He

already preached only the Elect has a gene of God inside there, a crystal that the thing could strike and open. Hallelujah! Glory! Where he is walking! He said, "Job had access to God. He had a channel of communication that he got by inspiration and it gave him a grip on God. What was he doing? Because this was the hour Elijah had come just like in the Old Testament. The Son of Man is revealed. The Son of Man's Message loosed the Holy Ghost. It's the same thing here.

Elijah came at the end of the New Testament and revealed the Son of Man. The Son of Man's Message loosed the Holy Ghost. It continued the ministry in a many-membered body; the names of the Elect who were called by the preaching; that preacher was calling names. It wasn't just sermons. It was specially designed messages to take your amnesia away that you shall know as you were known; to send you with the Book to find your picture in the family album, (hallelujah, glory,) to know... And when you are receiving the transmission...

Do you ever think of that? Out of the billions of people you have somebody's e-mail or you have their number in your phone and you could call that, it goes straight to that phone; it goes straight to that mail box. If man could do that because they know, they understand the ether waves. The ether waves hold voices; hold images. That's why a transmitting station it's broadcasting news, that takes a satellite. That breaks up and goes as signals; comes into your set that in the right channel as signals and recombines itself and comes back to a picture. Amen.

Words, transmission, words but words with form and shape; words connecting dots; words connecting pictures in the Bible putting your soul; putting your mind into a world of perfect faith to walk in the continuity of the Bible forty-five years after the going of the Prophet. You're in the rhythm of the symphony. Hallelujah! You're in the sheet music and your church; your symphony is in the right swing because you as a director understands what the Composer has said in twelve hundred tapes. Hallelujah! And you are not giving out the wrong motion. You are directing the music because you're in the Spirit of the Composer and your people are hearing from Heaven. Hallelujah! Your people are hearing from Heaven because it's the Supernatural taking place in that church.

Satan is called, "*The prince of the power of the air.*" [Ephesians 2:2 –Ed.] Nobody knew what it meant, but Paul, a prophet, who saw things not even lawful to speak, he didn't put it in Corinthians or Romans; he puts it in Ephesians because Ephesians is at the end of the Age. When the iniquity of the Amorites are full, in the days after the Exodus prophet called the people out of the system at harvest time; when the Jordan is overflowing its banks and the elected people are coming to be placed positionally under the Headship of the Great Captain Who has descended in that hour, he puts it in Ephesians because Ephesians parallels Joshua. Amen.

And when we come to that Ephesians, we're in an Age with telephone, television, computer, radio. Why? Because it's the fourth dimension; it's opened; because it's a key of science to unlock a way; because man discovered that there was a power in the air. That is how Moses used to get visions. God transmitted it. He is seeing the vision moving without a set; without a camera. Bro. Branham said, "Can't you see that vision? Can't you see it's there? It's moving like that. Now science is bringing a hologram and it's moving like that." He said, "Give science a chance, they'll find God before the church."

Natural scientists moved the church from horse and buggy into this realm. He said, "Natural scientists have taken the natural world further than ministers have taken the church in their soul." When I read that the first time some years ago, it challenged me because he has a church sitting under me and I'm supposed to be spiritual scientist and we had the Einstein of this day who split the atom; who rightly divided the Word and unleashed a power that could create; who went into hell and who went into Heaven in an Age when hell is opened and Heaven is opened. That's right!

And until he saw, 1923, when was that? Under your Fifth Trumpet. What is the Fifth Trumpet? World War I! When was that? 1914 to 1918! Five years after he's a fourteen years old boy but he went into a place he saw people in a place of torment in a nightmare and in there, there were things, hideous things. And forty years after in 1963, (from 1923 to 1963) he is sitting in J.C Penny's store, he said, "And I didn't have to leave my body and go down in that dimension. Somehow what I saw there was here alive in flesh, walking around me. I was back in hell. Somehow that

there is coming here.” And he began to understand the darkness; the locusts—the locusts that came out of the pit.

In 1963, under your Sixth Trumpet, what happened under the Sixth Trumpet? He said, “The Pentecostals...” This is *Feast Of The Trumpets* [1964-0719m –Ed.] I’m quoting. I could read it but I don’t want to break the Anointing to read it. He said, “It’s supernatural devils unseen to the eye but we can see what they are doing.” How? He broke the Seal and showed us how he works in religion. He changed our view of the religious world. He broke the Second Seal and showed us military power: a sword, war on the earth, bloodshed. It changed our way because the world we live in, in the cosmos, there is military, there is religion and we read every day and we hear the news what’s going on in the earth but we can’t put it in the Bible.

Then the Third Seal, economics – “*A measure of wheat for a penny, a measure of barley.*” There’s a spiritual side of that too; a spiritual side of war also. Physical war, spiritual war; hot war, cold war; business war, industrial war, economic war; there are all kinds of war. See! Spiritual side – paying for Novena! The natural side on the earth – manipulating the stock market, “*Make the ephah great; make the shekel small.*” Amos 8:4, it says, “*Falsifying the balances by deceit.*” They are keeping the stock to create a demand for it and when there’s a demand, then they raise the price. They make it scarce. They create an inflation. They are lending to Third World countries and they know they can’t pay back that and they trap them in debt and they have to start to privatize their national resources. Third Seal – economic war on the earth is changing the world.

Why are all the goods made out in Third World countries? They tell Michael Jordan, “You’re getting thirty million a year to wear a *Nike* sneakers.” They say, “It’s eight year olds and ten year olds making that in sweatshops – slave labor for a dollar a day. And you’re walking around here in the United States, capitalism but they put it out there, make it with cheap labor and re-import it. See? They are saying it’s foreign investment helping a Third World country but they’re creating a monopoly. And when they begin to control the trade in the country, then they have leverage in the politics and they’re breaking the nations and the borrower becomes slave to the lender. And they trap the nations in debt and

the money police, the World Bank and the IMF, [International Monetary Fund –Ed.] says, “You have to restructure your economy to service your loan.”

And it's what they have done – create a world of masters and servants; bond and free; great and small; rich and poor; no middle class. It's a scheme. And the Prophet said, “Why is the Devil howling? The Seventh Seal mystery has uncovered his scheme. He works in deceit to build his Eden; to control all trade; to set down the mark where you can't buy or sell.” Amen. And that's why in this Hour the world we are living in...

Many times you hear people say, “The First Seal, no, that was back in Nicolaitanes time.” Go back and read *The Seven Seals*. He spent one page or two on the early part of the white horse rider but he has ten pages on Satan's superman in the last days. He gave us an instance of war and bloodshed, how the Christians died in martyrdom. But every war in the Bible is put in the Bible so we could understand the wars when the Book is opened in the last days. That's right.

And it is for now. These things are for now, the world that we're living in. That's why the Seven Seals were given because this is the Hour Satan is deceiving the whole world into a trap where he's going to trap the world and God has called us out and opened the mysteries of God to us as a people in this Hour. Amen. I have to close. Time is gone. But you are ministers and you can see what I'm talking about. These three woes. I didn't get time to go fully into the third angel's message but the Prophet tells us, “That is those last three angels.”

Let me say this. Seven angels are already in Glory. Is that correct? The Jews already lived out sixty-nine and a half weeks of their seventy weeks. They only have three and a half years remaining and they have two prophets; two prophets who will preach those three and a half years. So where are we going to apply those three angels in Revelation 14:6-12? You could only apply it to Jew or Gentile. It's preaching. So if you can't apply it to the Jews because they only have three and a half years and Moses and Elijah are going to preach that. There are three angels here. And if seven angels already sounded and we're at the end of the seventh Age and Christ, Boaz, Isaac, the Headstone, Ahasuerus

has descended, amen, and we are being introduced to our Bridegroom...

Did Eliezer introduce Rebekah to Isaac? Did the chief reaper introduce Ruth to Boaz? After the eunuch had washed Esther, perfumed her and dressed her, she went into the presence of the king and the king took her for wife and later on said, "You could even speak to half my kingdom." When? Between Nehemiah and Job! Ezra and Nehemiah – the Jews are being rushed back, Feast of the Trumpets. When is Esther coming in into this marriage? Between the second woe and the third woe! That's right.

So watch how much the Book of Revelation... Bro. Branham is in Revelation 1. He sent and signified by His Angel to His servant John. He's a star in the right hand. Revelation 3:14, he's the Seventh Messenger to the seventh church. Revelation 10:7, he's the Seventh Angel who's going to finish the mystery. Revelation 14:9-12, he's the Third Angel. Revelation 18:4, he's the voice that calls out of Babylon. Revelation 17:1, he's one of the angels who has those Seven Vials; who is revealing the great whore and her judgment to John. Revelation 19:10 and 11, when John bowed down to worship, amen, Revelation 22, "He said don't worship me I'm one of your fellow servants, the prophets." Revelation 22:16, *"I Jesus have sent My Angel to testify these things in the churches."*

He is in the Book of Revelation from Revelation 1 to Revelation 22 because John was transported into the Lord's Day. The Lord's Day is the time when he was here; when Christ came down, hallelujah; when he saw One with the white wig, the Supreme Judge. And God said, "Turn the picture to the right side," and here He was wigged, the Supreme authority because no Age has even seen Him with a white wig.

The apostles saw Him with a crown of thorns, amen. We will crown Him King of kings and Lord of lords in the Marriage Supper but between the crown of thorns and those royal diadems, there is the white wig. We are the only Age who has seen that. Amen. One like the Son of Man that Abraham sitting in the tent door saw the coming of the Angels and it unfolded into a Man Who was the Creator of Heaven and earth that Abraham called Lord. Hallelujah! And then later as it was moving, the Son of Man Who had come in the Clouds, came to the Ancient of Days and

Abraham said, “*Shall the Judge of all the earth not do right? Will He destroy the righteous with the wicked?*” [Genesis 18:23-25 –Ed.]

So you realize all these things, this whole Book of Revelation, everything that’s in the Book it’s outside on the earth in the countries; in the world and we are the only ones. The Jews are blind, still blind and the Gentiles are smitten blind. The only seeing people is the Bride. Amen. Our eyes have been anointed and the modern events are made clear to us. We see the vindicated prophecy. We see the prophecy becoming history. Our prophecy and the prophecy for America and the prophecy for Rome and the prophecy for Russia and the prophecy for the Jews, we are seeing all the prophecies. And the prophecy of the Sodomites and the prophecy of in the days of Noah, all the prophecies we are seeing it coming to pass.

That’s the value of the Message. Without the Message we don’t know what it is. And Satan hates two Books. He doesn’t mind where you preach from but he will keep you out of Revelation and he will keep you away from Genesis. But look how many things we are finding by virtue of the Message that’s been spoken to us by an Eagle Prophet. An Eagle anointing went forth in the Words that he spoke. Amen. Spirit-spoken Words! “My Words are Spirit and they are Life!”

And that was to find Its way—when faith finds its bedding ground; when the Seed of promise finds a place to grow, you watch a super race begin to rise. You watch sons and daughters of God. You watch a crop of ministers. You are flying where messengers of Ages couldn’t fly. Do you think Luther could have flown here? Do you think Wesley and they could have flown here? No! We can’t undervalue this because this is what the Seven Seals being opened was designed to bring to us. Seven Thunders were to wake us up because Satan had put the world to sleep when he got that key. He opened the fourth dimension and he took them into a virtual world and he blinds the people.

Do you think all these governments you’re seeing in countries today; do you think Obama has power? Do you think Lula [35<sup>th</sup> President of Brazil –Ed.] has power? Do you think Chavez [Hugo Chavez, President of Venezuela –Ed.] has power? I guarantee you they have no power. A lot of these nations are in so much of debt that when they jerk that chain they have to fall in line. Do you know

what the Prophet said? He said, "Rome, she is governing from the inside and it does not appear to be so from the outside." From the outside you think it's these people that are governing.

That's why today the people are confused. Now there are twenty-five nations or more in the European Union. Everybody's waiting for ten. The ten is already there. This outside here is not the real world. This is the world the media created that we see it through the eyes of the media. That's the lie that the god of this evil Age are smiting the world blind with. That's why it always seems to contradict the Bible and the Message.

But when you look at the world through the eyes of the Message and not CNN and BBC and Fox News and not your newspapers and your local radio, when you look at it through the Seals being pulled back and the enemy scheme's uncovered because every move... From the time he said, "*For thou hast said in thine heart,*" until he's destroyed in the lake of fire, every move he is going to make is inside Here. [Bro. Vin raises the Bible –Ed.] And those first four Seals uncovered him. Amen. It showed him in every type in the Bible – in Nimrod deceiving the people with false religion then going with war; then taking the resources that they conquered through war and then Nimrod uniting his powers. And what did he do? He forced the whole world to come to Babylon. That's what Nimrod did.

His first four seals united the whole world to one language and one speech and then he was going to link earth and Heaven. Do you hear them now? "We'll no longer bother with the moon, we're going to mars." Nuclear summits all these things, laying their agenda out. It's the Bible. Satan's uniting man under his plan but God's uniting man under His plan. Prophet said, "We could see nations uniting, churches uniting, businesses uniting and armies uniting. That is in the natural realm and all man with physical eyes would see that in the natural realm." He said, "But I want to point you to another uniting. Christ and the Bride are uniting. This Rapture is a revelation only for the Father's spiritual genes." Hallelujah! An invisible uniting where you're living in the Word, you're moving in the Word; not some vain imagination!

The Holy Spirit in this Hour is bringing the revelation with such power, with such conviction to release such faith to bring the sons of God into full maturity. Born sons, filled sons, placed sons; the

final voice, the voice of many waters, hallelujah, where He has them on the earth standing there; testimony and a true witness with a true testimony. A people who has a testimony of "I know" because they took the Book from the Redeemer's hand and they ate the Book! Hallelujah! They know they are the living descendants from God Who came to Adam.

Let me say this and close. In the New Testament, the Book of Matthew traces the genealogy from Jesus all the way back to David and Abraham. The Book of Luke chapter 3, traces the genealogy all the way back to Adam and into God. At the end of the seventh Age, for two thousand years, nobody could trace anything more. But when the Prophet came he continued the genealogy from Jesus to the early church to Paul to Irenaeus, to Martin, to Colombia, to Luther, to Wesley, to Malachi 4, to a people between the Gentile Prophet and the Jewish prophets; the living descendants on earth who the Book came back to; who will show forth His victory and the reason of His death.

Bro. Branham stopped on the seventh verse and never read further. There was to be a people who are going to recognize they are the mystery. Eliezer has gone off the scene. The Chief Reaper has gone off the scene. The eunuch has gone off the scene. Amen. Mordecai has gone, amen, but Esther is here; Ruth is here; Rebekah is here. It's a married woman with the Husband's Name; with the wedding band; with the beautiful gown of the promised Word, hallelujah, standing on the earth. She is His victory. She is the reason of His death.

It was not good that the second Adam should be alone so God put the second Adam to sleep, hallelujah, and took a Bride out of His side. And from the feet to the Head she is come forth in Seven Church Ages; a glorious Church. She will share His dominion on the earth. Amen. Such a thing is happening friends. May we think on these things! These sayings are faithful and true. I'm just referring you back to what the Messenger said; to what he pointed us to; to show to you in the political realm, in the religious realm, in the economic realm, in the spiritual realm, all these Scriptures are coming to pass.

Let us in this Hour as men of God, God-called men; God-trained men in shape to carry this Message. We have a secondhand robe. Elisha had a secondhand robe but he had a

firsthand God. He had a firsthand God. Hallelujah! There were three anointings. Hazael got an anointing; Jehu got an anointing but they didn't get any robe. But Elisha he was anointed and he had the robe. He was in shape to fit the robe. The robe fit him. He didn't alter the robe. Amen. What a great thing!

I trust that you feel encouraged this evening. I trust that the vision is a little more crystallized. Amen. Fellowship is a good thing; quality fellowship. Birds of a feather flock together. To see how God used... This morning I was thinking of Haggai and Zechariah. The Bible says, "The people prospered under the prophesying of the two prophets." And Haggai took the Word and nailed the people with such conviction that the work that they had left undone they rose up to finish the house. And when I heard Bro. Raimundo take that Word and laid it in – Haggai and then Zechariah came behind and began to give the people hope. "*Not by might, not by power; this mountain shall become a plain.*" You started this work, you will finish this work. The Glory will fill the house. Amen! When you begin to see the Headstone coming down with shoutings of grace to a people at the end of the seventh Age who has been restored in the land of their fathers!

Even in our gatherings there are spiritual things happening. The way God used Bro. Samuel to conduct the meeting; to order the meeting; the meeting is under a Divine order, amen, ordering the steps that we are coming through. Let us be in the Spirit, amen, to receive all that God wants to give to us. Who knows the things that will follow a time like this! When stars cross paths and form a constellation for a sign, something is happening. And look at stars here that kept their first estate, amen, abiding in the Word for the Hour. And a constellation of ministers, of stars, royal seed of Abraham in the end time, surely our gathering cannot be in vain because God doesn't move His people like that. The greatest thing on the earth is the Bride of Jesus Christ and God doesn't just move them like that. Amen. Let us stand.

Certainly appreciate your faith. When you get in the group of ministers and you feel liberty, you feel love, you feel support, you could yield to God. God could say something. I thank you for faith. God has spoken in different ways to us today, very seriously, full of grace; enlightening us to the present time; to the things that are happening in the spiritual realm; in the religious

realm; supernatural things, amen, in the world today so things can take on new meaning. When we see the condition of the time and the vision begins to line up, then it can steer us into a certain course of action. Amen. I trust that you are being blessed. Amen. Praise His wonderful Name. Let's just pray.

Our gracious Father we thank You for the grace; for the unction; for the utterance; for the opening of the Scriptures; for the opening of our understanding; for You breaking the Bread a certain way and opening our eyes Lord; Lord, to see how to go; what is happening, where these things fit; things that seem so mysterious. Many things have been left with kind of loose ends due to the time that we must stop but the trail is being laid out and ministers who can follow that trail that leads through the Word of God, the Message of the Hour, it will cause them to dovetail all Scriptures.

Lord Jesus, may You make it like that Father that the Holy Spirit will teach further on these things that we can enter deeper. *"Oh deeper yet we pray and higher every day and wiser blessed Lord, in thy precious Holy Word."* We love It Father. As David said, "It's like honey in the rock to us." This is the supernatural. It's beyond miracles. When You open Your Word Lord, and we can have a vision Lord, to see how these Seven Seals that opened the Bible, truly You have made the Bible a new Book and where we can live and walk in a world of perfect Faith.

We thank You for what You are doing amongst us; for the love, the unity, the cooperation, the Leadership, we give You honor and glory for it tonight. In the remaining meetings Lord, may Your hand continue to work amongst us whichever way You want to go Lord. Lord God, surely with perception, with spiritual discernment, we can see the sincerity; the conviction that Your Word is being ministered with; the seriousness, the emphasis in the places that are so necessary for this Hour. Help each one of us, Father.

Just sitting here Lord we are discovering on another level the magnitude of the responsibility that You have committed unto us. We so want to rededicate our lives to You, to walk closer, to walk more humble, to walk more sincerely Lord as we march into this Third Pull; as It unfolds more and more to us until we see It in all its fullness; seeing all Your glory and Your power in the Name of Jesus Christ.

May You bless each minister; every family represented here; every congregation represented here, Lord! Give health and strength to Your servants in this late Hour. Give us all a new burst of faith that we could break the power of the enemy around the lives of our people and lead the Church forward into the fullness of the blessings of the Gospel, in the Name of Jesus Christ we pray and ask it, amen.

God bless you.
