

Third Exodus Assembly

The
Coming Of
The Great
Reaper

Pastor Vinworth A. Dayal

31st August 2008

The Coming Of The Great Reaper Sunday, 31st August, 2008.

[Congregation sings and worships]

Bless His Holy Name.

I will bless the Lord with all my soul.

And all that is within me.

Bless His holy name.

Oh He has done great things.

He has done great things.

Hallelujah! And is still doing, even greater in this hour.

He has done great things.

He has done great things.

Bless His holy name.

Amen one more time. I will bless the Lord. Let's lift our hands. If you purposed in your heart to bless Him, if you believe that He is worthy of all praise.

I will bless the Lord.

With all my soul.

...and all that is within me.

All that is within you. Let that praise come out amen. Let it come up as sweet incense this morning. Bring a sacrifice of praise into His house. Offer it up from the incense altar of your heart.

Bless the Lord oh my soul.

And all that is within me.

Bless His holy name.

Oh just give Him praise and honor and glory. The bible said; He said hurt not the oil and the wine because He desires to be worshiped. He's seeking true worshipers that worship Him in His only provided place of worship, in spirit in truth. He has sent back the truth; He has released the Holy Spirit. He is expecting people, in whose hearts that Word is laying anointed by the Spirit to praise Him this morning. John said everything in heaven, everything on earth, everything under the earth heard I John, praising God; when he saw the Lamb took that Book and broke those Seven Seals. Glory be to God in the highest.

Father we worship You this morning. We give You praise, we give You thanks; we give You honor and glory. We acknowledge and we confess, there is none like You dear God, none worthy this morning to compare. All praise belongeth unto Thee Lamb of God. Praise waiteth for You in Zion. We come Father offering this sweet incense from the incense altar that it might come up before You and it might be sweet in

Your nostrils that it might bless You oh God. That You will come down among us and You will meet every need today.

You will do the exceedingly abundantly. Oh God, may You find such this morning may You find such hearts in readiness in anticipation. May You find such hearts overflowing with Your love dear God. Lord God; who knows You; who You are. Oh God and we as a royal priesthood offering the fruits of our lips giving praise and thanks unto You. Blessed be Your wonderful name. Worthy is the Lamb of God. Worthy, worthy, worthy, worthy, worthy, worthy, worthy, worthy is the Lamb of God. Hallelujah. Glory be to God.

Oh let's sing. Take Me In To The Holy Of Holies This Morning. Let's just truly worship Him in our hearts, with all our minds, with all our souls amen. Hallelujah. Break through all hindrances this morning. Glory be to God. Like spiritual astronauts moving up in the spirit of God. Hallelujah.

Take me in to the Holy of Holies

Take me in by the Blood.

It's the only way we can go in.

Take me in by the Blood of the Lamb.

The Blood that speaketh better things.

Take me in to the Holy of Holies.

Take the coals cleanse my lips.

Here I am this morning Lord standing in Your Courts.

Here we are Lord.

Take the coals cleanse my lips here I am.

Oh, all around the building lift your hands and sing it again. Take me in. Come holy, holy, holy. Come with the bells and the pomegranates. Let God hear you coming on the approach this morning. Let Him see that soul that is sprinkled with the bloody Word. Coming forth in Spirit and Truth this morning. Knowing you are coming to meet with Him.

Take me in to the Holy of Holies.

Take the coals cleanse my lips.

Here I am.

Oh present yourself. Here I am Lord. Present yourself unto Him this morning.

Oh sing it again. Take me in.

Take me in to the Holy of Holies.

Take me in by the Blood. It's the only way.

Take me in by the Blood of the lamb.

That's why it was shed to make a new and living way: To bring the worshipers into His presence.

Take me in to the Holy of Holies.

Take the coals cleanse my lips.

Cleanse our lips. Let our praise come up before Him through the Blood amen. Praise that He can inhabit.

Here I am.

Come on sisters you sing it. Take me in. We don't want one to be outside. Everyone shut in where the veil can drop around you this morning. Hallelujah.

Take me in by the Blood of the Lamb.

Oh God how we thank You Jesus.

Take me in to the Holy of Holies.

Take the coals.

Take the coals cleanse my lips.

Here I am.

All, together.

Take the coals cleanse my lips.

Here I am.

Oh take the coals.

Take the coals cleanse my lips.

Here I am.

Oh take the coals.

Take the coals cleanse my lips.

Here I am.

Oh take the coals Lord. Those burning coals; like You did for Isaiah. Where You cleansed the worshiper. Oh take the coals Lord. That we could go with two wings over our face, two wings over our feet and two wings in action. Take the coals today.

Take the coals cleanse my lips.

Here I am.

Hallelujah. Thank You Lord. Hallelujah. Thank You, Jesus. Thank You Lord. Praise His mighty name.

{A brother stands at the altar to be prayed for. Bro. Vin walks towards him. He begins to express his situation and the reason for prayer to Bro. Vin in the presence of Bro. Anthony Melville.}

Praise God. This is not hope, this is the Real Hope. This is the God of expectation.

[Bro. Vin and Bro. Melville lay hands on the brother to be prayed for at the altar]. Let's just pray for our beloved brother Green here. How he needs a touch from the Almighty God today. He said instead of going to the hospital he desired to come here. He felt led to come here instead. Praise His mighty name.

He's been having some problems with his heart and you know how our brother also you know has a...he goes for dialysis and these things

and how the enemy is trying to come in like a flood upon him, like a hurricane. But his house is built upon the Rock. He'll stand the storms of life. Blessed be His wonderful name. We know that the gates of hell shall not prevail against the Church that is built upon the Rock of the revelation. Not on emotion or sensation. Not on reasoning. Not on some cold profession of some church, but upon the revelation of whom Jesus Christ is; that, the Voice of the Blood, the Holy Spirit, has ministered a promise to his heart today.

Beloved Jesus we stand together as the Church of the Living God. Standing around our beloved brother today Father. Admiring his faith dear God. Lord Jesus knowing that this is what You desire in this hour for people who would hear the Word of promise. Seven Thunders uttering Their voices, revealing the promises. Lord showing us it is the unfailing words of promise. It cannot fail. It's an unfailing promise. Because You are the God of the Amen. You are the God of the unfailing promise. You are the God of the so be it. Hallelujah.

And he has believed You Father. After he heard and he recognized it is the truth. He saw the Pillar of Fire came down and vindicated that Word; day after day proving Your Word. And here You are ready to prove it again by believers. Your prophet told us God proves His Word by believers to interpret the promise. That's the name manifested. Oh God somebody could approach God according to His plan. Plead what the plan has promised and watch the promise become effective. Oh God and so you've come after hearing and recognizing it is the truth. He comes acting upon it Father.

Oh God he didn't just stay and look reasoning in his mind, but he come into action. Lord God fear could have driven him to the hospital, but Lord when he goes there he was going to a man. He was going to a man with a medical book. But when he comes here, he comes before You; with the title deed to every promise in Your hand oh God. And as a believer this morning a son of Abraham; oh God who considered not his own heart and his own kidney oh God, but standing, strong in faith, not taking these things into consideration.

Like Jonah calling it lying vanities. Lord God he refused to forsake his mercy he tied his soul to the absolute of Your Word. And Lord God surely You see that Father. That You can recognize Lord God, that Lord he Lord has accepted the challenge instead of cowering and running and hiding. He accepts the challenge. Like David he knows what his God can do. He knows his God would keep that Word. He is not afraid this morning and we stand together with him Father in the name of Jesus Christ and we rebuke that devil, oh God that has afflicted him Father and trying to bring fear and trying to shake him up oh God.

In the name of Jesus Christ may You put that devil under his feet. Like You the great Joshua who said come and put your feet upon the neck of these kings. For thus shall the Lord do to all the enemies against whom you fight. So Lord God as he put his feet upon heart trouble, as he puts his feet upon kidney trouble; as he tramples upon these devils this morning confessing what Your Word said as a son of Abraham. In the name of Jesus Christ may You the great God who confirms the promise, who makes it manifest, who proves Your Word by believers, give him the testimony. Hallelujah. Oh God. That Lord Your promises truly are yea and amen. And may he be well for the glory of God. We claim it in the name of Jesus Christ.

Bless our brother Father, and strengthen him oh God. Oh God and may he walk in this reality and possess the gates of his enemies. That's what You said we shall do. Make it his personally for the glory of God. And everyone this morning, Lord with a need, that would believe You, in humility, humbling themselves to Your Word; even though You tell them go back in the blizzard. Oh God even though You let the boat full up with water and the sails blown away, yet You are in the boat and we can call You on the scene and watch You go into action.

Oh God You don't have to change...Lord You don't have to get frustrated about the storm. We could watch You oh God, just saying "peace be still". And every devil that came into those winds trying to bring a premature end to Your sons as they sailing life's solemn main. Hallelujah. Oh God they could have the victory this morning and in the name of Jesus Christ, may sons and daughters that can claim these things Father, that is willing to believe You, that is not ashamed or embarrassed about the promises, and is willing to believe with the heart and confess with their mouth; You said they shall never be ashamed.

And may they receive the blessing according to their faith. As You look in their hearts and see that they are true believers. Not a pretender, not a make believer. Not somebody trying to look like a Christian on the outside, but somebody on the inside that is tied to Your Word. That will confess what Your Word say. So be it. May it be done for the glory of God today. In the name of Jesus Christ, as we the Church of the Living God asked for these things. Amen. God bless you brother. [Bro. Vin shakes Bro. Green's hand and goes back behind the pulpit.]

Oh praise His wonderful name. Hallelujah. Praise His wonderful name. Hallelujah. God is waiting for people who get fed-up with the devil just coming and taking their things. God wants some Shamgars. Every time you have a little blessing, the devil wants to come and take it. God wants someone who would take the Word. Not an ox goad, the Word. And go after that devil and take what is yours. God didn't call us

to play church. God called us to prove the Word. God called us to possess the promises. Hallelujah. God didn't send us a Theologian. God sent us a Prophet, a man who could believe God; who would anoint the Word, quicken it and bring it to life.

He didn't train us to run and hide. He trained us to take the sling shot of prayer and faith and go after the sheep. Oh my. Praise His wonderful name. Oh thank You Lord. Glory be to God in the highest. Glory be to God. You have to know when you're in a fight. You have to know when you're in a fight friends. And when you're in a fight, you don't cower and back up. When you're in a fight you say we have been train for this. When you're in a fight you say the promise is good at every gate. Amen.

You sat last week and hear about the sweet influences of the Pleiades and who could loose the bands of Orion. He said no man is able, none, no devil; to pluck them out of my hand. Everyone that the Father had given me, they are safe and secured. Just like the seven in His right hand. That's why the influence is sweet. Because they held firm and upheld by the power of His divine authority. Oh. See when; if you think it is a little church business, and you just kind of come for Sunday morning Service; and you just came out of a Convention, and you just had people from Panama and Columbia and Venezuela and all these things here and then coming this morning.

Oh. I came in here; I want to know what is happening? I have ten Deacons, eleven Trustees and a whole bunch of Workers. And you telling me we are going up to eleven o'clock in morning and nobody can't start Service inside of here? I have had seven weeks of Men's Meetings, setting the things in order. Shame! It's an embarrassment. Anyone of these young brothers here could get up here and lead songs.

Leading songs is the spirit of worship! Get up and praise God! I tell you Church, you are missing a lot a lot of things. Half of you are so bound up you can't sense the reality. Because you come for a church program; many of you come for. When you come and you know the spirit of God is already inside the Meeting you waiting for a Song Leader to come from somewhere; and the spirit of God is in the Meeting. That's the discernment of people.

And you have people all through the Caribbean streaming Services and these things? Seven; eight Churches, waiting on a dead church here. Sleeping on themselves. Not the church, but the Elders in charge of the church. You have Elders and Ministers inside this place. You see it's how we see God. It's how we see God. God have mercy on some of you. In that kind of shape you could fulfill Revelation 10: 8-11? You understand what that means? The Spirit and the Bride. Oh God.

When we do that we bring down the Church of God. We bring it down and abase it. God deserves more than that. God deserves more than that. It has people who got up this morning and traveled from Cedros and drove two hours in the hot sun to be here. People came out of Valencia out of Carenage to come here. But that is the discernment; that is the discernment.

Brother Braham said shake yourselves and pinch your consciences there is something moving through here that is “Thus sayeth the Lord”. Except you have the Token to examine it, it will pass right through you. God give us Elders with the Holy Ghost. Not old; people growing old and soft, and falling asleep and unconscious. God give us people who could carry out the Word in the manner with which it has been delivered to us by Angels and a Prophet. And we have to follow that. It is put in our hands not to carry out this way. We come back six days from St. Lucia and haven’t slept more than three hours a day and that’s no exaggeration. Oh my. God help you. God have mercy upon you.

Let us just bow our hearts for prayer. Gracious Father, when times like these come around it shows us how empty our boast is. When times like these come around it shows us how deep slothfulness has crept into our lives and how our vision is being paralyzed. And we are being robbed in such subtlety. And become so indecisive so confused. Cannot go into action, cannot capitalize upon the initiative. That woman didn’t have anybody. Oh God, she went through the feet of the people: Said; “if only I could touch.” That Shunamite woman was even instructed and a bunch of hands laid on her. She just said “Take me to the Man of God, all is well.” How we need people in this hour, who are quickened by the Spirit to carry out this Word Lord.

How we pray today that Your Blood would cleanse, those who are humble enough to recognize their wrongs and confess it. And refused to be; live like that Father. And how we pray You will help us to walk in truth and to recognize what You have given to us. After You by- passed all the Organizations. People that are out there early this morning. People oh God that are...would never let the service go like that.

Yet, we who call ourselves the Bride of Jesus Christ, we who say we are under the Seven Seals and have the Seven Thunders. God, how I pray Father. In this Church we have so much to contend with from the outside. We do not want to contend with things from the inside. How we pray that Your Holy Spirit would anoint their eyes and give understanding. Like Elisha prayed “Lord opened the boy’s eyes”. So that they could see Angels, Seraphim, Cherubim. They could see the heavenly host here.

Help us Father. The Prophet taught us on 'Church Order', if John doesn't pack the wood let Harry pack the wood. Do not let the work of God fall to the ground like that. Blot out our transgressions. Blot out our poor way of honoring You Father. Circumcise us from these things. Knowing that now, the Services are being streamed; and those whom we go out with the Word to; that look in and realize that when we let foolishness keep us back here, we are keeping back eight Churches and people.

Dear God may we see the extent of our foolishness. And may it convict us in our hearts. Your Prophet said our redemption wasn't a cheap thing. Things of value come with great price. He said it wasn't easy to bring this Message. Bless those Father that held their ground and created an atmosphere and that even though dear God they didn't have the leadership they should have in their midst yet dear God they knew they didn't come to meet with man and they came to worship You. Bless them Father and may today Your great grace and mercy. Remembering Your prophet said through confession and faith we are subject to all the powers of God that is in heaven.

We ask dear God even as we confess now we are sorry for this embarrassment and this failure. That Lord You would remove it and we'd find grace even to receive the blessings that the Angel of God that is in attendance in the Meeting, oh God would have free course.

For Lord God we believe our confess sins goes in the Blood and that bleach is so powerful like the ink drop falling in the tub of Clorox, You cannot find it. And so dear God You said You will not remember it. We'll stand just as we never did it. Now let this sweet Holy Spirit lead us today. And may You bless the people even the strangers and the visitors Lord especially Your children gathered in the region in anticipation to hear Your Word.

How we apologize to them also Father for being poor examples to them, especially when they look to us. And this is not the kind of leadership. We don't want to be like the drunk man putting all kinds of footprints Lord that is not straight it is not the right kind of footprints for those coming behind to follow. Jesus may You lead us. Order our steps in your Word. Bless each and everyone and get glory to your mighty name we ask it in the name of Jesus Christ amen. Amen. Praise His wonderful name. Turn around and great your brother and tell them God bless them, amen.

Whew. So that is finished that is gone that doesn't even exist, amen. You are not going to let that linger in your mind now and pull out your straight jacket and want to put on your straight jacket. That is the garbage that was in the house we sweep that outside the house, we

bagged that, and put that for the rubbish truck to go with, amen. Hallelujah. Now we want the place to be free we want to worship God. Can I get a witness? Amen. We want to move on. We didn't come...people didn't travel far... look at the kind of heat. You think you want to sit down in this heat and play church? Amen, no we don't want to do that we want to serve God. We want to battle this heat we want to battle the devil that would try to wear us down with this heat, amen. And we want to rise into the place where we can anoint the promises down in our hearts. Praise His wonderful name.

I would like to go back to Job; Job chapter 9 and Job 38. I want to speak this morning on a little message called "***The Coming Of The Great Reaper***". This is harvest time the master's sickle is in his hand, to pluck up and destroy all the evil works of man, amen. We are living in a very treacherous hour; how we want to take our positions as soldiers. Not fresh recruits, but trained soldiers. And to all the beloved saints in Guyana, all the way up to St. Kitts this morning. All the Elders, the Ministers, the Deacons, the Trustees; all of you that are gathered there; may God richly bless you all and may the grace and the presence of God be mighty in your midst today. And whatsoever you have need of; let's unite our faith throughout this region, amen. And let's move up into the Spirit, amen, where we can be blessed. Where God can deal with us by His great Grace. Hallelujah. Job 9: 9. Job speaking about this; God speaking to Job rather. Job speaking rather about this great God. And he said

*Which maketh Arcturus, Orion, and Pleiades, and
the chambers of the south.*

You see the same way we will talk about the scripture today, the written Word, they used to talk about the zodiac. Because they had no written Word. So they used to read what God wrote in the heavens. So when they sat down and want to talk about God, they would sit down and they will talk about those things. "Did you see that last Comet? Or did you see that eclipse of the moon there? Did you see that solar eclipse? And they would talk like that, and men like Job and Abraham and them who knew these things. They said, "What meaneth this?" Like somebody will come and ask you, "What is the mystery between the sixth and seventh Trumpet in the written Word?" Well they would ask them about that Word that was written in the heavens.

But notice that first one, Arcturus. I'll tell you about it just now because I came home and I was so tired I could hardly, even barely wake up to talk with my children. And I fell asleep and then must have slept about two hours; and then got up again and after I was telling my wife, I said "Look I don't want to end up going in that office tonight because I

need to sleep.” And I lay down there trying to fall asleep and I’m hearing Arcturus, Arcturus. And I tried not to stay in my bed and just listen to the sweet influence that was influencing me. But then I had to just get up and I didn’t come back out until I was getting ready for church. And that was around, about midnight or close to midnight. So you see what it is.

And Job 38 verse 31

Canst thou bind the sweet influences of Pleiades.

This is God talking to Job now because God knew Job used to talk and teach about those things. Isn’t it strange how we teach things in the Bible and God does come to talk to us on what we are teaching? And then find out we don’t know what we are teaching as we ought to know it. Whether it is the written Word, whether it is the Word in heaven. So God now knew Job was teaching those men about the Pleiades and Orion and Arcturus. So God now came and asked Job questions on the very things that he was teaching.

Canst thou bind the sweet influences of Pleiades,

[or the Seven Stars, you know that.]

Or loose the bands of Orion?

Canst thou bring forth Mazzaroth in his season?

Mazzaroth is the Zodiac, those twelve main constellations. There are forty-eight of them but twelve are the main ones that...Zodiac means a way. There’s a way that the sun passes through these. And we know the sun is Jesus. Like a bridegroom who rejoiceth coming out of the chamber and goeth forth. So He came down through seven Church ages, a way. Right down to this day. It’s a way that is taking us all the way back to the Garden of Eden. He said, “I am the way”. Amen. And the bible reveals this way, because we see Paradise in the Garden of Eden, in Genesis 1 and 2. Genesis 3 we see Paradise lost. Revelation 21 and 22 we see Paradise regained. So that means that is a way, all the way back to Eden. And when you come down to the end of the bible, you come down to the age of Leo the lion, and you see how Christ comes down to finish that in the battle of Armageddon and establish His kingdom. So that’s the bible. He said,

Canst thou bring forth Mazzaroth in his season? Or

Canst thou guide Arcturus with his sons?

And notice, our Arcturus is connected both times, and Job speaking which is; Job is God’s prophet and God speaking to Job. He was connecting this together.

Knowest thou the ordinances of heaven?

In other words. You know how the clock works? I’m a great watch maker, God was telling Job. That’s my clock. You see the balance

wheel? You see the second hand? You see the minute hand? You see my calendar? He said I had a thought when I designed that. And that is going to show you from the beginning all the way to the end. As long as man would exist, I put it there, to tell time.

Canst thou set the dominion thereof in the earth?

And Psalms 96. Psalms 96. You find it? I could still hear pages turning back there. Psalms 96, we are going to read from verses 10 to 13. So here David was writing there.

Say among the heathen that the Lord reigneth: The world also shall be established that it.

Shall not be moved: he shall judge the people righteously.

Let the heavens rejoice, and let the earth be glad; let the sea roar, and the fullness thereof.

Let the field be joyful, and all that is therein: then shall all the trees of the wood rejoice before the Lord:

See, let the heavens let the earth let the sea let the field let all the trees of the wood rejoice before the Lord. How much more should God's people rejoice before the Lord. How much more should God people when they come into the house of God, before the Lord rejoice.

...for he cometh,

Oh my, why should we rejoice?

... for he cometh, for he cometh to judge the earth:

That's the appearing of the Judge. He is coming, amen.

...he shall judge the world with righteousness,

Verse 10 said He will judge the people righteously. In verse 13 He said He shall judge the world with righteousness.

...and the people with his truth.

He'll weigh them in the balances of His Word. Thy Word is truth. And He Himself is the truth. You see. But in this day what do we find? They didn't have the love of the truth. They love the lie more than the truth. And so what did God do? Give them a strong delusion to believe the lie and be damned by it. Is that what the bible said? II Thessalonians 2. Children of the night, children of darkness. Children of wrath. The Lord Bless the reading of His Word. You may have your seats.

Excuse me. I want to take this off its very, very hot. (Bro Vin removes his jacket) The saints in Zimbabwe said it's very hot. Well we kind of ran over to St. Vincent in a little SOS mission and some other things we had before the SOS mission came up and that made it very, very hectic. From Monday all the way to Saturday until we left to come back; we just were like on a very, very fast Roller Coaster and going to sleep approximately 4 o'clock every morning; everyday and then got up

about 7 and then began to get ready to go out again. And if God tells me to tell you some of the things in between, then it will come out, otherwise I'll tell you another time. But right now we need to hear the scripture and the Word of God and that's where we want to focus our attention, by God's grace.

The Coming Of The Great Reaper. God in His Word. All scripture the bible says. Is that what Paul said? How many know the wrath of God is revealed in heaven, Romans 1: 16 & 17? It said

For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation.

And then verse 18 said.

For the wrath of God is revealed from heaven

Salvation is revealed in heaven and the wrath is revealed in heaven. Out of Virgo came forth a Savior. Is that right? Who went to Calvary. The woman's Seed that bruised the serpent's head. Virgo revealed the first coming of Christ. He came as a lamb, as a sacrifice. And out of the heavens revealed the Lion coming forth at the end, to pounce, and bring His judgment upon the face of the earth and establish His kingdom.

That Rock without hands came and ground all nations to powder and scattered it like chaff on the summer's threshing floor. And so the whole plan of God... so the heavens declare the glory of God. The entire heavens; is speaking of the coming of Christ. So if we are talking about the heavens we are talking about the coming of Christ, if we are talking about the bible, we are talking about the coming of Christ. If are we talking about the pyramid, we are talking about the coming of Christ. We are living in the age of Leo the lion. We are living in the capping of the pyramid. And we are living in the 22nd. Chapter of the book of Revelation, said the Prophet of God.

We are at the end and the world has tried to figure it out. They tried to work out astronomically when that Lion is going to come. They could look back and see when He came through the virgin. They could see how the wise men saw the star. And the wise men came to Bethlehem. They went to Jerusalem first, they didn't find the Messiah. They took their eyes off the star. But then they came to Bethlehem. And then when they came to Bethlehem, then they found it exactly as it was written in the prophecy.

What they saw in the heaven and what they saw in Numbers 24:17. Balaam said

...there shall come a Star out of Jacob and out of Bethlehem Judah will come forth a Governor and shall rule my people.

Is that the Bible? And the written Word gave testimony that it had men on earth in the first coming. And how many know that those men on earth typed men in the last days? Men who saw the star: Men whose gifts found the right place; because that was an end time mystery. Because in this day; it is not a physical Christ. It is going to be born through a woman.

But Revelation 12 shows that a woman who is bringing forth the man child again the same way, travailing in pain, amen; and crossing from the moon to the sun to give birth to this child. Is that the bible? That's prophecy for the last days. And how many know this woman received two wings of the Great Eagle to fly. And how many know it was a time when the accuser was cast down. For seven church ages they fought condemnation, but in the last days the true bride will be the continuation of the book of Acts. And Christ in her will be this continuation. And she will discern and withstand the antichrist spirit until Satan is what? What? Powerless before us.

Romans 16:20 ...

And the God of peace shall bruise Satan under your feet shortly.

And how many know peace is union? Therefore He made peace; He slew the enmity, tore down the middle wall of partition and reconciled us and restored us back to His friendship and back to His favor. How many know Christ is the Peace Offering? How many know this carnal nature had us in enmity with God? We were born sinners, shaped in iniquity. Our nature couldn't please God. We were children of wrath by nature. Children of disobedience; rebellion. But God rich in mercy. Had come down and quicken us and raised us up into heavenly places. That's a great thing.

And that union through the new birth; Romans 7. The old husband is dead; that sin had no more dominion. And you come into a new union with the new husband; Christ on the inside. A mystery of prophecy for the last days, where marriage doesn't make you two. Marriage does make you one. Is that right? How many know Shout, Voice and Trump. Shout is the gathering for the Marriage. It starts with a gathering. How many know it takes the Feast of Trumpets to blow, to gather the people? How many know they would have to gather in the new moon? That's when they blow the trumpet, because it had to be the first day of the seventh month. Is that right?

How many know we had a gathering here? And how many know it was because the Trumpet; our Feast of Trumpets while the Church world, the moon, is blacked out. Is that right? Gone into darkness; worldliness. The earth went between the moon and the sun, blocked out

the sunlight, and threw the moon into darkness. Is that right? Denomination, the Laodicean Age. And the stars began to fall. And all these TV Evangelists like Joyce Meyers with her 23,000 dollars toilet. Her toilet is more expensive than her Pulpit. You understand? And Benny Hinn with his private jet.

But when the thing came and they put the pressure on them; they went into the system and they surrendered to the Roman power. And they had to tone down everything and then they are being used now. It has no sweet influence. Have no bands of Orion holding them. Is that mystery Nimrod in the Vatican. That's the power that brought them and forced them to a worship to Babylon, the mystery Euphrates. Is that too confusing for you? You understand? That's the language of the bible, that's the language of the Message. I'm not inventing that. That's the language of the Message.

If I talk something else and you don't know that's the Message; you haven't heard the Message language; you may wonder if that is my invention. But when I'm using his words and the bible, then you understand what he was saying. Because you see what he was saying; how it was applied, and it becomes real to you. Amen. And that whole age was being forced into a place, but while all that was happening there, there was something happening in the spiritual realm.

And that's where people are looking with the eyes, they are walking by sight; and saying well I am not seeing. Who said God told you, you have to see with this? [Bro. Vin points to his eyes] They were blind, looking at Jesus, the Messiah; The Light of the world, identifying Himself in the scriptures. Standing right there in the Meeting; the very same Meeting. In this day when the Son of Man was revealed again, just like in the first day. With 20/20 vision none of them could see Him in the scripture. They saw Him on the street, but they couldn't see Him in the fulfillment of the Word.

When he was saying **“What Is The Attraction,” “Prophecy Becoming History,” “This Day Is This Scripture Fulfilled.”** They couldn't see that. When the priest handed him the book and he went to the bible; they said “what kind of crazy thing is this. You could imagine no wonder why this man used to pray for the sick than to try to preach. Somebody handed that man the bible to read a text and he said “now is the day of judgment”. They said; “you can't see why this man is a fanatic”? You see that is how it seemed to them. But you have to know the constellation was in heaven when this man was born. You have to know that down through this man's life while he grew up; he was fulfilling the Word. But who knew the Word like that? They didn't know it. You understand?

So this scripture we are reading here; Job, God associating with the coming...we took last week '**Orion And The Pleiades**' and we went to Revelation 1. And what did we find in Revelation 1? We found in Revelation 1 that He had seven stars in His right hand. After those seven stars were mentioned in the Pleiades, in Job 9 and Job 31- 38 rather and Amos 5. There is nothing mentioned about no seven stars until you come to Revelation. And then that something that's going on in the Church Age that has to do with redemption. And when it was written in the heavens it had to do with redemption, because everything in the heavens is to do with redemption. Because the first bible, the second bible and the third bible; are the plan of redemption.

People thought that sun and moon are just to give light in the day and the night. And they missed when God said; it is for signs and for seasons. And they miss when it say it uttereth speech and showeth knowledge. But we see the things of God are not left for the human mind. The things of God are left for souls that desire to fellowship with God in the secret of God. The things of God are for a people who aint thirsting for pleasure, who are not thirsting for fashion, who are not thirsting for money, who are not thirsting for worldly power, who are not thirsting for worldly beauty; because those people who are thirsting there, their thirst is perverted and the one who perverted their thirst gave them a perversion of an original that God promised.

But David said, "*my soul thirsteth for God, for the living God:*" He said I walking here in the palace, I have soldiers around me, I have body guards, I have riches, I have a great palace. God is with me since I was a little boy. Saved me from the snare and the fowler and from the pit that the enemy; dug for me. Used me to deliver the people in the time when Goliath, the great enemy, was oppressing the people. He said with all of that, I am like a man in a dry and thirsty land where no water is. I have nice Chariots, I have nice clothes, but I am a thirsty man, because that is not what I thirst for. I'm thirsting for the living God.

I am not thirsting for what Moses did. I didn't want a historical God. I am not thirsting for the God who lived back in Abraham's time, and say what a great history we have, and what great things God did in the past; I tell you I want to worship the I was. No no no, he was thirsting; that God has to be alive today. Anybody who remembers my testimony to go Tibet, I said "if that God is alive let Him talk to me like He talked to Moses. And I found that He could still talk. Up to last night He was talking to me.

Well I couldn't go back to sleep. He woke me up, He started me on my way, Hallelujah! It's strange, He came down to Job and He wanted to talk to Job about the Pleiades and Orion. He could have talked to Job

about a million things when He came down, but He wanted to talk to him about things; of where he was before the foundation of the world. He wanted to talk to him about; when the sons of God shouted for joy. When they saw the cap coming on the pyramid. He wanted to talk to Job about the Pleiades and the sweet influences that they have; and of Orion. He wanted to talk to Job about this Days-man that he wanted to find out who could take a sinful man and a holy God and bring them like a peace offering and make them who were twain; make them back one.

So God's mind went into a certain part of this bible to talk to Job about it. Because God has an end-time Job. The book of Job is forty two chapters. It's the suffering of a righteous man who ended into full restoration. We'll be in September tomorrow you know. And when we cross over there the seven doves with their sweet influences: you understand? See you could live here if you wanted to live here or you could live there where you are living this morning, if you want to live there. See, God wants to talk to you.

And when God came down today to that Job and started to take him through his fiery trials, that God telling that Job, remember it's six inches long. Don't let those doctors mess up your mind and tell you, you have heart trouble and you have this and they find this on their machine. He said; forget them. He said that is kindergarten. He said here, you are in the university; Job listen to One who knows far beyond what the doctors knowledge is out there because this is The Great Physician Himself.

He said, in this school I can take you to the edge there one foot in the grave almost and every doctor said you can't live out the week. And I will show it's not what they say; It is I who have the keys, it is what I say, it is I who have the keys of hell and death, it's what I say, not what they say. Because with that key, if I don't open the grave nobody can put nobody in the grave and if I take them out nobody can put them back in if I don't want them go back in. Because I am the Resurrection and the Life.

God wants to walk with us in the Word. God want to talk to us you see but some of you want God to come down and talk to you about a boyfriend and talk to you about some subjects in school where you are competing with friends and so on. Well God could talk to you about that too. And if you want that, God could give you that too. But God has far more than that, because that is not designed to satisfy you if you are a son and daughter of God. That could never satisfy you. And the thing about God is; God knows who His sons and daughters are.

So God doesn't talk to their minds and God doesn't talk to their flesh and God doesn't talk to their human spirit. God is talking to the Gene, the soul; the Father is talking to His children. Because that is what

makes them offspring; talking to them. And how could God talk to your soul if you are ordained of God, that's eternal life. How could He talk to that about temporal things in the hour of the Change; in the hour when He came down in the Seven Seals; when Perseus the Breaker swiftly came and broke the Seals and broke the bands of Andromeda's chains in the last Age where He would put her on the Throne and say I change your name Hephzibah and Beulah, Cassiopeia; I change your name and make you Queen.

Like Sarah, I wouldn't call you Andromeda no more. I said, call her Sarah, don't say Sarai, change her name say what I have made her. If I call her Super Race and Super Church, An Invincible Army and Satan would be powerless; say what I call her. Yes sir! She could be like Gideon and say well I am the least of my Father's children. I don't care what you say. He said shut your mouth, go in this thy might have not I sent thee? Not Joash your father, not some bishop superintendent sending you out. I who have come down in the days after the prophet when the three powers bringing an economic recession and there is a ministry of the Sword of the Lord to face the challenge. And I come to teach you to live by My Word.

By His Word. Amen. He raised the sick man from the bed. It's not just a song. He wants people who could confess it and watch it come to pass. He gave life unto the dead. You can have the victory. You can have the victory. You can tell my righteous indignation is riled up real tight here this morning. I just hate to see people live defeated. I just hate to see people not recognized what God have made them in Christ. It shows amnesia is still there. But this can rub the amnesia away and I'll polish up the mirror real bright when you look you must see a reflection, hallelujah! There will be no uncertainty. You will know who you are. I'll introduce you to yourself.

Oh I want to praise Him, I want to thank Him, I want to say He's Great, I want to say He's all powerful, I want to say I believe Him. My. Glory. David writing; he said the Judge, He's coming and He's coming to judge. The Judge is coming. The righteous; the Wiggged One is coming. It has to be the Lord's Day because that's when He's going to come. It will have to be somewhere between the Church Age and the millennium. He has to come one like the Son of Man. And like Abraham sitting in the tent door seeing from the Angels from the clouds of heaven He'll come to the Ancient of Days. One like the Son of Man coming to the Ancient of Days.

Young Rabi, one like the Son of Man going out with healing in 1946. Going out with the discernment in the second Pull. Going out with the written mysteries. Is that right? Going out speaking things. Coming and

opening the Word. But when he opened the Book oh my. That's when he turned the Cloud to show the Son of Man who came in the Clouds of heaven has come to the Ancient of Days. You understand?

You see the symphony. It's a symphony and it has to play out until it comes to the junction. And when it hits that junction the Cloud can't stay in the way it was when He came. He has to come to the Ancient of Days. There has to be resurrection and people with the Thunders will give them what? Faith to be changed. Is that what the coming of the Angels was? And the Angels themselves were His wig. And what was a prophecy Revelation 10:1-7 ***Sir's Is This The Sign of The End*** when I went out Arizona and a vision came showing them Seven Stars the centre of the universe amen, hallelujah! When a Great Mighty One standing there in the midst of the Pleiades, Alcyone standing in the midst the all Magnificent One the One who is the centre of the entire universe. It said... it means the seat of immortality. When Those appeared in that form of a pyramid as the Headstone; the Headstone does not come in the fourth step or the fifth step or the sixth step, the Headstone comes; you are introduced to the Headstone by One on the seventh step; who steps out the prophet's chamber and when he introduce you he introducing you to a place where there is an empty coffer after seven steps and Christ is formed in you then this body would materialize around that very image.

When that Lion came down and roared in Revelation 10 in the Age of Leo when the capping of the pyramid came to cap the pyramid of your life. When He opened the pyramid, the Headstone, what it was? Something that light never shone on when the Lion came out the zodiac in the Age of Leo what it was? A lion roareth and Seven Thunders uttered their voices. What was in the Headstone that light never shone on? I have read all man's writings but I never heard one talked about those Thunders it has to be a divine gift to go past the clapping of the hands and the joy of the saints and the rhythm of the music way up into the Supernatural to bring the secrets in the back part of God's mind and bring it down and show that the bible was the expression of one goal and one purpose that God had a three fold secret, and that's what you got initiated into because you can believe it.

Because the first one God has the preeminence in Christ all that God was He poured into Christ from El, Elah, Elohim; from this great Melchizedek when those seven rainbows came into that formed image of a Theophany and then He came down to become Immanuel, the Word becoming flesh; God with us. The same God who was above us and then when He came to Pentecost in the days when the Son of Man, the one man scripture, is finished and it going to enfold into a Body Ministry called out under the one man scripture. **What Is The Holy Ghost Given**

For? To continue the work the same work to call the Elect out before Titus come, those slaughtering angels come a Sealing Ministry before the Jewish world falls apart and is broken up and destroyed the world fell apart again.

Oh My. Can you hear the symphony? Can't you hear that note on the violin going up there? Can't you hear what those strings on that harp is playing out there? You can hear it? Oh my. The drama becomes real. You go past being in church, you go past being that you hungry and you want food. You come like Jesus you hit a spot where you could say I have meat now that they don't know of.

You're moving up into the sublime, into the divine. You coming up into the honey where it holds and keeps the Holy Ghost, the Water, the Message inside of you; that what you get isn't leaking back out you have it today and tomorrow you dry. You get your life sweet you get your life nice you become sticky. You are no longer critical, you are no longer arguing, you are no longer competing, you are no longer sly and pretensive, no! You get sincere, the honey make it stick.

Walking in a place with God walking in a place with God and when you hit those places you know the feeling is all around you all you have do is say Lord I surrender, fill Jesus fill, fill, fill, fill you wanted an empty vessel and not next week, not tomorrow. Sitting right here you've ministered me into a place where I am so surrendered right now I don't even know what will happen so I don't want to wait for an Altar Call at the end of the Service right where my heart gets so sweet with the Word and I know You are talking to me and me alone Jesus right there I saying fill me now I am asking You to fill me give me the surge plug me in into the dynamics Amen!

I'm seeing the current, I'm seeing the sparks I know it's a live socket. Amen! Let me feel the voltage, coming in and burning out everything of the world. I want that reality. You want that reality because if people want to play church you don't want to play church. If people want to play young boy and saga boy you don't want to play no young boy you want to be a servant of God you want to be a man of God you want to be a daughter of God you want to be a Spirit filled daughter of God. You say Lord bring our Church: Like *2 Kings 4*, in the time of the economic recession where we have a vessel with oil and all you need is empty vessels and we will beat this economy. We will beat this economy so bad, amen.

Nobody is going into captivity; nobody is taking the Mark of the Beast. The beast isn't coming and taking none and saying you owe me. We are paying off every debt; we are paying off every debt. He has no claims on us no claims amen! Glory! And what you think is nothing

because you too high minded you too intellectual. That! I have nothing! You see one time he said a cloud the size of a man's hand, a little old pot with some oil? Elijah got excited when he heard a cloud the size of a man's hand. Elisha of the same bolt of cloth got excited when he heard a little oil in the house. Oh thank you Lord. Glory!

And he knew it didn't make any sense putting that into a life into a vessel that have rubbish in it. So sometimes you have to take that vessel and shake it and knock it. You have to put it under the pipe and scrub it. You have take thing and scrape thing out of it because it's there too long. Sometimes when people don't understand they get vex and say I am not coming back to that church again they criticized me the man looked right at me. I don't know how they know that. If I look so they say you look right at them. You look so; they say you look right at them. You have to preach so. [Bro. Vin looks up to the ceiling with both hands stretched upward] because they get so soft they get so wishy-washy they become like a little feather blowing in the wind a little piece of straw on the water. You see.

But God, when you see you are getting shaken- up and everything that you have could be shaken off is being shaken off at least you know you are in the scripture and if you think it's something that could remain under that shaking, then you know that came from God. Because the Word can't move that. The Word would respect that. But when you see the Word doesn't respect that thing and He shakes you up real good. That means that's determination to get you filled.

That isn't somebody with a little piece of coconut husk, the little fiber, and they trying to rub that thing. And that grime that came from all those TV program and that grime that come from all that foolish talking and all them old desires that stayed there so long. No, He goes and gets steel wool. He goes and gets one of those steel things you scrub the pots with. Not fiber in coconut. A man say, natural boy natural. Yet that steel is natural too. God made steel. But they put it in a form it could scrub things that the fiber can't scrub out. And when you have to scald it and put real hot water on it. You know He doesn't hate you, He is getting you ready to be filled. He is getting you ready to be filled.

David said; He's coming. David saw it. David saw it. Amos saw it. Hosea saw it. Joel saw it. Zephaniah saw it. They all talked about the Day of the Lord. Malachi saw it; down to the great and terrible Day of the Lord. And he said before that time come, Elijah is coming. Elijah is coming before that time and Elijah is going to introduce the Son of Man. Hallelujah! It will come from a son of man, the seventh Angel, to the next one, the Son of Man, coming to make the last announcement.

When you have the seven Stars then Orion Himself comes down. Then Perseus the Breaker comes down hallelujah. Then Arcturus Himself is coming down. Arcturus is a constellation in Virgo, when Virgo is bringing forth the Man Child. John said; I see a wonder in heaven. Not past business. The book of prophecy...because that woman is getting two wings to fly. That woman; the Beast and his armies. When he spurts water out of his mouth to make war with them; with her. Those wings are so powerful that when those armies come like when they came to take Elijah and Jezebel came to take Elijah, Elijah was translated. Elijah represented the translated saints. Did Jezebel get him? Did the Beast get that woman? No way.

And even just before she went up, an earthquake opened its mouth to help her. Is this woman expecting an earthquake before she goes up? Didn't he say, Gentile Eagle, singular. Revelation 10:7. Jewish Eagles, plural, Moses and Elijah. And then he said **God's Eagles** in between. Where the carcass is, there will the eagles be gathered together. Is the book of Revelation for a prophetic class of people? Is a prophetic class of people eagles? There was no more Beast after the Eagle.

What Age are we in? The man's Age? [Congregation said, no!] Eagle's Age? Is that right? Eagle's Age. That's why God can make things plain. We're in that kind of Age. We're in the Age where the Book is opened. The reason God opened the Book is to give the revelation in its fullness. Because it would take all of the Word to be Bride. Because to go back to Eden you have to have all of the Word. I don't know how some people are looking to go in the rapture. "Boy I hope I do good," and you are not becoming all the Word? No, no, no. You don't understand the Massage. Glorious Church without spot, without wrinkle. That's the man, Faith, Virtue, Knowledge, Temperance, Patience, Godliness, Brotherly Kindness; that's going in the Rapture; that's him there. You better believe the Prophet. I'm quoting him.

Zerubbabel came to bring the Headstone to cap the pyramid of your life. He is not building a church with a bell and stained window panes and a big steeple He is building sons and daughters to become the Living Tabernacle to tabernacle Deity in that day you know I in you and you in Me and greater is He that is in you that the God who was above us and with us would come in us. Is that the Message? Oh My! So watch. So Arcturus means He cometh. You hear what Arcturus means? He cometh. And when does He come? After seven Church Ages are run out then the Seven Seals Book is opened.

But is He coming with the seven sealed book opened? He had a book opened in His hand when He was coming. Is that right? He had to

wait...and at the end of the seventh age... and that promise for that woman is what? You will sit with me. But that is the woman who was in Babylon in the cage. The beast that was in the waters, Cetus, the sea monster, a beast in the waters. Did it have a beast came out of the sea with a body like a Leopard, head like a Lion? That's right, *Revelation 13*. Is that the Roman power?

And the waters where the woman sitteth are multitudes of people; *Revelation*; and the Bride was in the cage and she would stay in there worshiping under blasphemous names but a Angel was coming with the Name. He wasn't coming to give theology about the Name. It was the same Ministry who said Father I have declared Thy Name, Father I have manifested Thy Name, Father hallowed be Thy Name, a chosen vessel that was bearing the Name, the Life, the signs, the wonders, One who was having the preeminence, that could speak into existence. Is that right? Little fishy Jesus Christ give you back your life, storm go back in the name of Jesus Christ.

They were hollering and getting nothing because they thought was pronouncing the Name but he could present the Token with the prayer to show he is a born son a filled son and a placed son. He didn't have a birth by corruptible seed from denomination. Is that what you have and trying to manifest the Name? Can't you see where that's deception? Can't you see when you claim the Name and they baptize you in Jesus Name, you know you don't really have it yet, that Name. They baptizing you in the Name with a promise that the birth will prove you from the loins and the life that follow that birth will prove you came from the loins where the Name was written on the thigh and that Name would be written in your forehead and revealed out of the family album where all the names are written since the foundation of the world.

And when the mystery begins to be preached you say, "Mama that's me, Mama that's me, he is talking about me". You are sitting here and you know a greater than Ruth is here. You sitting there and you know I saw our Eliezer, I got on the beast, I rode a rugged journey like Rebecca did. And when he introduced you to *Revelation 10:1* and said here he cometh you veiled yourself well you said no more thinking the Lion hath roared amen! Ahasuerus, Ahasuerus the Lion, the Bridegroom Himself, to make you Queen to sit on the Throne at the end of the seventh age when Eliezer, the seventh messenger, at evening time is calling you out. What a precision of His Word. I just trust I'm not making it too complicated for you.

I sat there with the Ex-Prime Minister of St. Lucia the head of the Opposition. A brother testified to him so he wanted to see me so he decided when the man comes, bring him here to me. We had an

appointment at eleven. We reached late because Bro. Daniel wasn't to sure where it was; the exact place of his office, Dr. Kenny Anthony; the man is a lawyer also by profession. And we stood by the door waiting and a shower of rain came...we thought; we could not even move we had to stay there for about an hour and a half. But we stood right by the door; and something dropped down there and the Holy Spirit caught it.

Bro. Daniel was telling an experience when he was in London a man walked up to him and gave him a plaque and said; carry it for the Prime Minister and that plaque had the two Pitons, that were to become heritage; and he had never seen the man in his life. And the man called him not by his name but by his nickname which is "Patience". And he wanted to know what's going on. He never even thought about it until Thursday 28th of August (2008), what it meant and how it tied to the experience; because this man, the Ex-Prime Minister there, he had a vision when he was a little boy; he is going to be Prime Minister one day.

And just at the time when he is about to go for the election God visited Bro. Daniel and tell him go and told this man he's going to become the Prime Minister. Then a second time He came and said; go and tell the man he is going to win 16 to 1and he went and told the man, so the man knew him through that. So when we were there by the door I said, "I never heard you talked about this man handed you this plaque before." I said; did you ever hear; because right there the Lord revealed something to me. I said, did you ever hear this man tell you anything about when he was a little boy he had an experience? No.

He had never even told Bro. Daniel as a young boy he had a vision he's going to be Prime Minister. Bro. Daniel thought he just went with a word for the man, that time. So when he mentioned the plaque, right there the Spirit just quickened to me, "God had to talk too that man as a little boy". You see it has certain secret things. In my life God use to talk to me as a little boy. I use to always talk about the man I always use to talk too in the cane field. And my mother and other people told me you see you, you would preach the Gospel one day. I said, "Me preach, me never." I didn't see anything to preach I didn't even like church, at least what I knew as church, which is denomination.

I know I could talk. So I don't want to go and become part of that. I didn't know it had a real Christianity. I didn't even know that was the impersonation of Christianity. So when that

...I knew God... if you have a calling and you come into your placing to fulfill your calling these things are from birth because Daniel 4 said; God does set up kings and put down kings it is God who does that. Not politicians, not people's vote. It's God who does that. God does give and it is given to the Beast to deceive the world and it is given to make

war with the saints and it is given; and I preached that and showed you; those power to kill with four things because they have to have it by the permissive will of God because God rules over everything.

So he said no, he said this man never told me anything. I said, well this man had to have an experience; otherwise it would make no sense the man is giving you a plaque and God is telling you go and tell the man that. He said yes I remember one time on the radio and also on the television I heard the man telling the nation when he was small he saw a vision and knew he was going to become Prime Minister one day. I said you see. All of that was happening by this man's door. This man was not there they even had a little clock with the hand saying he was coming back at a certain time.

And while we were standing there and the rain was falling bucket a drop I say you know what is happening here, God has that because we have to stand up here by this door because we weren't to meet the man for eleven but God brought us by the door because this is where he comes in and goes out. That's the man's place and his office of his work and the man's spirit does be here. I said and we have to catch certain things about the man so when we do meet the man we'll know how to approach the man. And when we were going in the car I told them, I said I have the way to approach this man. I said God just revealed it to me I know how to talk to him when I meet him. We went and we met another Pastor and we were talking with him and so on, and we spent time with him and then they called Mr. Anthony. He said; you all can come over. So I finished talking to the man they said let's go, let's go I just talked to the man he said we could come now. We went there; walked in the office and from the time we walk in the office and the Holy Spirit took a certain line. I will tell you about it I don't want to...I see you all get into it already, see. And Bro. Junior and Bro. Ellis and Bro. Daniel were there they could tell you.

The Holy Spirit started to take this man's life; this man sat there amazed, astonished, bewildered and the man couldn't contain it afterwards and he says, "My, where you get this wisdom from?" He said "You are taking such complex things". This man is a lawyer and he was a Prime Minister for about eight years. He said, "You take such complex things and bringing it out with such clarity and continuity and making it so clear with such an ease sitting down there". I said, "Sir it's not me. I don't know these things". I said, "If I get in a certain atmosphere these things come out of me. [Like I'm in the desk right now you see].

I said, "These things operate this way". So I said, "Sir I never...I am a drop-out in school". So he said, "Where you get this wisdom from?" I

said... And the Holy Spirit showed me right there, put the prophet in there right now. I said, “Sir last night I was watching Hilary Clinton giving her speech and then I was watching Bill Clinton the next night showing his part of American history what was before and what is present but what he was able to achieve in the time when he came in and the problems that troubled the nation. He started to say yes, because he was watching it too.

But the way now the Spirit started to bring the thing out for him, I said, “There was also a prophet raised up in America by the name of William Branham and I said this man in 1929, [because I know right there was recession]. I said, in 1929 when the great depression hit the United States and they went into recession and President Roosevelt was the President, I said this man, prophesied about Roosevelt was going to take the people into a second war. I said, and then, he said, Hitler was going to come to a mysterious end and Mussolini was going to come to shameful end and he said the Catholic Church would rise up in America when John Kennedy came in through the vote of women and these things and in the end America is to get a bomb the atomic bomb to destroy the place.

Well he is astonished. So we start to talk. I said, “Sir I am a Minister. “I said, not by... I said you hear me talking here I have never been to a bible school not even five seconds in my life. It got him more astonished now. How could this be? Well I said, “Well you see what is happening in America, I said you know how they fled for freedom of religion so I am going through American history with the man. So we started to talk. I said, “That kind of Christianity they have today; that’s not Christianity. I said, “Look at the TV Evangelist and these things.” And he’s agreeing you know he is seeing these things because these men; it goes on in their nation. They have to give the law on what is beamed in their nation and what they have there. So he is looking. And then when the Word started to go down into the history and placed the thing out, “I said, “So you who is a Prime Minister, I said, you should be looking in the Bible for rulers. I said, I look in the Bible like how Elisha talked to the king of Israel and when Jehoshaphat was king and he got the nation mixed up in things. I said, a man walk out and said, you love what God hate and I said, Asa, God told Asa, He said, he will be with you as long as you stay with God but if you leave God He would leave you.

And I said, “look at Nebuchadnezzar”, and right there I was talking but I was seeing the scales that he has as the symbol of justice in his office; he is a lawyer. I said, “There was a court of the watchers where they tried this man’s case and they arrived at a verdict and they pronounced a sentence. I said, and they send the decision made in the

court in the form of a dream, to the man.” Like how you’ll send somebody an e-mail. So he woke up with a dream seeing this court saying cut the tree down leave it for seven years and after seven years it will come back. I said, but this man went out and say, “Look at this Babylon that I have built,” and next thing he was out of the throne he was in a certain condition in a state of insanity for a while. Ah say, “But then he came back to the throne.”

And while I’m saying that; I said, “And the man who tell him about it was a man name Daniel. And Bro. Daniel was right there, when I was talking to him. And well he was just mystified. So after the end he was so happy, he said, “Would you all say a word of prayer”? I say, “Sure”. You see. And he says, “So when you coming back to St. Lucia?” “Maybe we can get a chance to meet again”. I said, “Well I don’t know, I don’t have a set time, we are doing a little work over here and we come because there is a need and so on.

So after we prayed I said, “Maybe we...I gave him my card, I said, “Maybe if we have cause to meet and talk”. I said, “If ever you feel you want to talk”. I said, “Not to advise you. If you feel you want to talk about your life”. I said, “Sir you go to the United Nations and you stand up there and you meet the Big Heads of those countries”. I said, “And then you go and you meet the Regional Heads and you get all these pictures and you put them on a wall and that’s your legacy and your history while you were in office. I said, and you consider you met great men on the earth and these things. I said, but Sir the greatest thing was this God who was trying to attract you from a little boy. I began to tell him about forensics because he knows about that you know.

I said, “You know if they kill a man here in this room. The Police come and see a dead body, and blood and a broken window. They look at it on the surface and they say, “Well, break in, enter in, maybe a struggle and they kill the man. And they come to a conclusion. I said, but a man of forensics, he’ll say, “It was made to look like that. This man was killed somewhere else, put here, and they broke this glass to confuse the people as to what really happened here.

I said, “That is what your very experience is. You have to be very Forensic. I said, it happened and you called it coincidence or maybe you wondered how that man knew that. I said, but if you dig down inside of there and realize your life on earth it’s for a purpose. I said and God is trying to attract your attention since a little boy to tell you something as a little child. Because I was thinking of how; when God told the Prophet when you get older you have a work to do. See this is a way God works with people.

When God called Abraham twenty-five years down the road He told him he'll become a big nation from right there. God shows you your end when He calls you. And you have a vision you walk step by step into it. So we talking like that you know. So I said, then when the time comes and you are a big man going into Office, God sends this brother here, to talk to you. And when he talked to you; that was to reconnect you with what God gave you as a little boy. I said, "But you never thought of it. I said, this is the great experience. Because this is the King of kings Himself trying to come down and get your attention.

I said; "because you might have done fulfill your part, who knows. I said, but while you were in Office, if you had lived your life consciously, and you knew in the bible how you came; I said, David was a young boy and God from a young boy told him he was going to be king one day. And then he finally came in to be the Ruler of the land. So I'm giving him all the scriptures you know. Because this is what God dropped in my heart by the door, where the man's spirit is. You see. So, he was so astonished. And he just continued on saying you know, "I'm so thankful, I'm so happy. You know I learnt so much; He was just moved; affected. We left him.

He said; you know sometimes man does reach a place in his life he does really have to sit down and review his life. So I told him, I said look, I said one little meeting with this man I said and this man doesn't even have the Holy Ghost yet this man could perceive what was coming there to him. I said he got a drizzle. He got a drizzle. Because the whole talk was about him and God had a purpose in his life, and he is missing how God is dealing with him; because he is not forensic enough. He's just living his life casual and taking these things as coincidences. And looking to the people he meets; the important people in life as maybe the real high points in his life. And these were the places.

I said, because the same God who told him as a little boy; the same God who told this brother here about the election, has to be the same person: Because they are talking to you about the same things. And I said, and you could have come into Office knowing that God is the One who is bringing you and giving you the throne. And then you would have sought God for counsel; how to rule. And I told him; I said, sometimes it has decisions and sometimes you want to take a small nation to oppress people and do certain things by policy. And all this we were talking you know.

So he couldn't understand; "how you are a drop-out from school, and you are talking all these things?"

He said, on such complex things. Because as Prime Ministers, when they sit down on regional meetings: And all these big meetings; with

foreign policies, and foreign secretaries and these things. They know that is the talk the commoners don't talk. But you see, outside is a commoner, but inside is the same God who talked to him as a little boy, the same One that sent Bro. Daniel, the same One that wrote the bible, the same One who started to trace his DNA through the Word, and proved to him his earthly journey and what is the purpose behind his life; and he could recognize that, he perceived that.

I said I sat down in meetings here and go over the years hours and hours. And...we here know the real things. He got a drizzle. And still you are trying to see people break in; people who claim they have the Holy Ghost. You understand? It's time to believe. It's time to come into a certain realm. I still can't just get you relaxed to keep your interest here. He's coming to judge. I read something; but when I got up last night, I didn't know these things. But this thing started talking inside me. [Bro Vin points to his head]

This I can't understand. But I am proving by the bible. When He came down in

Job 38, it had a million and one things He could have talked about, but He didn't just...God isn't like us you know. That is the eternal wisdom of God. That is the infinite mind that never thought a new thought. And He's putting that in the bible. Because Job represents the perfect man. Go back on **"I Have Heard But Now I See"** when He began to show the mystery of Job's life; there was not a man on earth like him.

And Brother Braham typing his life with Job's. And showing the sevens in his life. These six sevens and his suffering and then he came out and then the greatest vision is what Job had, the Easter vision, the Seven Seal, the Redeemer on the earth in the last days. And when the skin worms...because that has to do with Orion, and the shadow of death turning into morning. And that came after the Pleiades when Orion came down with the Thunders, the last announcement.

You see I am giving you the other side to prove to you this understanding of the book is the right understanding. Because this is not trying to quote and repeat like a parrot. This is the mind that wrote the Word. Opening It, but look how simple it is. It's Sylvia's and Newty's son. You understand? But when you read the Message a little deeper. He said, *"wait until them sons of God start to rise in the last days,"* when that Messenger who is to bring the Headstone finished His sounding and the mysteries are finished; they will go up and bring it down and display it in their Church. Because this is what sons of God are.

Sons of God don't just say I'm a son of God, I'm a son of God, no. This is what Gene is receiving set. It does get transmission. But that same One who was talking and said stand up here. And to prove He does know it, the brothers could testify I told them right there. I said we have to wait here and he brought the rain so we could wait here long enough to get in the spirit of the place. And this had to come out to say this I said and when It said that, things dropped in my heart, so I know that when I meet this man now there is no fumbling.

It is the Supreme Power in control. It doesn't matter who his person is. That's why the Holy Spirit talked to him in grace and humility but which such power. And he had to say, "what is this?" Astonished. And under that shower, his life started to connect. And that's the first meeting between one man carrying the Word and one man who ruled a nation. First meeting in life. And when they met, they met in scriptural a way. And all these types in the bible were right there. To talked to the man through that channel.

Because you are going but you are wondering; "what am I going talk with this man." What should I say, how should I behave, what's going to happen? And when God dropped it; it transmitted. If I didn't say it, nobody will know it. Something said; "you've got mail". Opened the mail, I saw it. I said, "yes that has to be from Him because this is exactly who that man is. When Jesus went to the fishermen He talked about fishing. When He went to the shepherds He talked about sheep. When He went to rulers He talked to them that way.

Remember when He talked to Pilate? "You know I could take your life!" He said; "no, you can't take my life". That is given by God. That is not with men here. My. But how God chooses to do things. But when He wants a witness He doesn't want a crowd, he just needs two or three, because that is the number of witness in the bible and that is what

God had right there. And who knows what will come out of that. Because if it's a Word to the man; God knows. We are just like mail men. Deliver the mail apartment so and so, knock on the door if it has a mail box you don't have to knock you just drop it in the mail box and take off. You don't have to meet the man you just have to drop the mail and go about your business.

You see sometimes self does come in the picture and man does want to do something and sometimes God does move in grace and in power and precision with such accuracy. I don't think he ever had a conversation like that about his life with anybody. I told him, "Ah say this is the kind of thing Sir you need to talk with your family". I said, "This is the legacy". I said "maybe in your family it had somebody down a few years back generations who maybe used to pray and God

decided one day He will give in that family a ruler; and the blessing dropped on you.

So when this Thing started to talk last night; “Arcturus”. I said; “let me follow This, let me follow This”. I’m not fortunate for God to talk to me a whole lot. Sometimes he does say a word or two words. How many remember when I was going Norway to preach that time? And God spoke four words to me. Peace, Love, Joy and something else; Access. I went Norway with four words. I didn’t bother even to pack the bag the way I used to pack it. Because I knew I’m not going to change this, I’m going to preach it there. I came back from that time and I preached on the man with the water “with great desire I have desired”.

A nudge, some people, God does talk to them plenty. Talks to them all day: And the next day and the next day and the next day. They are fortunate. But when He gives me a word; “hat Lord?” I have to go and search it out. But when He starts to open that one word it does lead you places. Look at the wisdom of God. By human knowledge I could have gone and tried to preach on those four things there. But Like I come to preach on Pleiades and Orion. Leave it and that would have been the end of the Service. But last night when he said, “Arcturus,” don’t leave out Arcturus, Arcturus there....associated there for a purpose with Pleiades and Orion.

The Judge is coming. The Judge is coming. I’m just going to read the article and close. Let the musicians come for me. You see things are happening; and we don’t know, but God is gracious to let us see. This Reaper. Arcturus means: The Greeks called Arcturus, Bootes, Bootes. Bootes means the one who was to come. He cometh. Arcturus means he cometh. The One who was to come is the One who was promised to come. And with His coming He’s coming to achieve something for His people. His people are laying in the last days. But this One was to come who’s going to judge. But when that Judge comes He is going to come and say, “I have the keys of hell and death.

This One is going to come, and to judge He is going to open His Books. And part of the judgment is to call the ones who are charged with a criminal offence; they have to appear before the Judge in the Court, when He convenes His Court. How many knows the day of a man’s case they have to; even though he’s in the prison in Arouca, or Frederick Street. The van pulls up in the morning. “You have Court, you have Court, you have Court. They put them in the van and they take them into the Court. They hold them in a holding Bay.

And the Magistrate comes and everybody stands to their feet. And he sits he opens his book and he takes his Gavel and he hits his desk. “Court is in session”! And he starts to call the cases. And when he is

calling the cases he is calling the names of the ones who are to stand before him. The people, those officers in the Court; they know their job in the Court. They have to listening to the Judge. When he calls for them, they have to unlock that prisoner from the van or the Holding Bay and bring them to stand before the judge to answer the charge.

We were shut up in Babylon. We were shut up in the cage. We were held captive. We were in denominational graves, denominational tombs. But when the Judge came and He opened His Books and He began to call the names, we had to appear. You could be in the Bar. You could be with chains of alcohol on you. You could be with chains of fashion. You could be with chains of immorality. You could be with chains of high social life. When that Book is opened, and that wiggled Judge sits down there and calls; that creative voice summons you, no demon power could say they are holding you. You have to appear before that there.

You don't know how you came to the message. You with your own mind say, "Yes I think I want to go". You received a thought. You felt a release saying, "Yes maybe I will go with you". Others say, "I'm not going anywhere man", go on to your church, I'm not a church-man. You all can go ahead and take my...carry my sisters and them, carry my brother. But something said, "You go up." And you got there. And while that Word was going out, you could be hiding behind a wall. You could be hiding across the road behind a tree: You are going to find yourself in front that Judge.

Because to be set free it's whom the son of man sets free. The Truth that comes out of His mouth is what will make you free. You shall know the Truth and the Truth shall make you free. And sometimes you come to a Service like this and you just planed to come and listen and watch. And you kept your composure all through the Service. And you said, "well I'm going because I want to show a little respect to my friend who persists and persists: Or my children. I'm going up just to see what's going on up there. You think so? That's your decision in your mind while you're in the chains; in the Holding Bay. But when the Judge began to speak with experience, maturity and wisdom: When the Supreme Authority began to be released.

And Bro. Daniel was testifying; he was sitting right there. [Bro. Vin points to identify where Bro. Daniel was sitting] And his wife looked at him and he was contorted in the seat. And she said, "Honey you are changing, like you are sick?" She had smelling salts. She said; "take it and smell". He said, "no, no, no. I don't need any smelling salts". That's Sunday morning during the Convention.

He said afterwards Bro. Melville came and told him, he said, "You look different He said somebody else came and told him, [Bro Vin is

trying to remember the other person's name. Bro Vin calls on Bro Ellis to help] who is the next person Ellis? I'm not hearing you. I'm not hearing you. Anyhow...who? What happen, all you afraid to talk loud?" [A brother shouts the name of the person Bro. Vin is trying to remember] Bro Alexander, the Pastor from Venezuela. He said, "Brother. You've changed". I said, "what happened to you? I'm seeing a glow on your face".

He said he went home. Bro. Granger started to talk to him. Because while he was sitting there, something told him, "You better follow God otherwise you will die. I'll take you off the scene if you don't". I was telling him, I said, "all those contortions those spirits and them. Because when I met him I told Bro. Junior, I said "this brother's wife received more than him." That was when we first met him in April. I said, "he still has spirits in him that he has to be loosed from". Where's Bro. Junior? He could testify that is the truth.

When that contortion was taking place, I said those spirits were leaving you. He was testifying of how God put him in the right house. The experience, because God was going to deal with him here and give him that experience. Set him free. It's a time friends; the sovereign grace of God coming down. You see the Message is a thing you don't hear it or read it. It's a thing you have to read it over and over. It's a thing you have to pray and ask God to open it to you, because is something to open. Because this message has all the power of God. That's why there is creation is this message. Spoken word, produces something when there is nothing. That is what this Message is about.

That's why you see people living and they are slow and they are sluggish in their minds in this message. These are people that need deliverance. They have not yet been fully delivered. They could be Minister or what; they still are not fully delivered. When you are fully delivered you quickened. And you walk in a realm as a son of God with perfect faith. Because this message comes to do nothing less. This Message will not stop until you are changed and put on immortality. That is what the Message is about.

He cometh to judge, David said. When John said I look and I saw in the Lord's day, between His Priesthood and His Kingship, one like the Son of Man. And the girdle was around the pap. He was out of the Sanctuary. He was standing there. It was a changing time, a changing of dispensation. It was an investigation judgment. Abraham called Him; shall the Judge of all the earth do right? Genesis 18, when the Son of Man has been revealed. He could have killed Sarah right there. He could have killed that there.

But He knew when he opened that mystery to Abraham a certain way, he wouldn't go walk away and say, "Oh that's deep boy", I caught that, boy". No, no, no. He knew when he saw it a certain way it will throw him in the dust and he'll begin to pray for his loved ones. Because what did He say? "I know when I show Abraham this, he would teach his children". Is that what it said? I had to talk to a sister here recently. I said I'm killing myself in this church here laboring day and night preaching; made stand with my very own family for the Word.

I said some of you seeing things going on in your house back and forth and you are not saying anything. And you are coming and saying you are a believer and sitting down in the church. I said at the end you want to bring that sin to me; have me bless it and fix it up. And if I don't do it, then people get bent out a shape. Because that's their concept of the message and the hour. But this Reaper who comes, this Bootes, this Arcturus, it's a Man with a rod in one hand and a sickle in a next hand. He's coming to reap and gather his wheat. And he coming with His rod to gather his sheep and make them one fold. Because unto Him shall the gathering be.

Shiloh, when He comes in the Lion of Judah and the Shout goes forth, seven Thunders go forth. What is it for? To gather the Bride together. What is that, under the Seventh Seal? What is the Seventh Seal? He cometh, the One that is promised, the One we waited on, the Desire of all nations. When that woman is about to give birth to this Man child in Virgo. When she is crossing over from the moon; from the Church Age that is blacked out, to the Sunday, the eighth day and became an eight person. Because eight is resurrection. Eight is the Holy Ghost. Eight is Eternal Church age at the end of the Seven Seals.

Eight speaks of circumcision of the heart. Eight speak of eternity a new beginning. And we are in 2008. Even the Chinese, with their Olympics. They had it the 8th. Eight seconds, eight minutes past eight, on the eighth day, of the eighth month ,two thousand and eight, the eighth year of the twenty first century. And they went back into their history and showed their history for five thousand years. And the kings of the east. A law was initiated when America is falling as in the Depression. When Russia is rearming themselves.

And one of those brothers from Russia sent me an e-mail he said, "You know something, Medvedev, this new President here", he said, his name in Russian means The Bear. He said, "look"...and I was preaching here not even knowing that, about look the spirit of the Cold War has come back. Look Chavez ran there, look how they want to bring that thing now right here. And then also in Cuba and these things. I told you

watch this Election. Look at those storms brewing in the realm of nature. Look at the storms among the people.

Daniel said he saw the sea in convulsions, and a beast was coming out of the water. Powers on the earth. Is this the Message? It's the hour, but it's where you are walking. It's where your fellowship

with God is. It's how much your ear gets tuned in. For that ear to get tuned in, your heart has to get tuned in. And when you get tuned in, every thing does come alive. You are so united with God in His Word that these things become realities. You are so in the Spirit of the Director, who is in the Spirit of the Composer. You so get out of your own spirit that the drama starts to become real, until you start to know every junction, every change of beat, every sign, every scripture. It gets that real to you.

You so understand your position and rely upon what God has made you, until you're in a world of perfect faith. You say, "we could have that"? Yes like Martha. Yes Lord even now. Because you are coming down to the Resurrection of the sleeping ones before we go to the Supper. And we see you uniting with the living ones first. So she could say, yes Lord even now. Whatsoever you ask under the Shout. He said go and call Mary, and say the Master is come and calls for you. And He in union with them, it's coming down for the Voice to bring the sleeping ones out of the grave.

I don't know where we are. You think...but it is inside of all these scriptures. And then He comes down like Job. That is my scripture for it. Because He talked to a man about that before, a Gentile man. In the days before Peleg when the earth was divided by an earthquake. And they divided the nations for trade and commerce. And then it came into a global state. One world united by a communication system and a mystery Nimrod who had conquered the whole world and built a mystery Babylon now had the whole world under him, in the days after the earthquake.

Isn't it under the Sixth Seal he set down his Mark, when the Bride goes up? Doesn't when the Sleeping One's come up at the earthquake isn't that when the Son of Man Ministry ends; with that, the last mountain on the Continental Divide, and we all dance and sing it; **'I'll Meet You Over On The Other Side'**? Sure, where time runs out and eternity sets in.

It said March 21st 2008 a powerful Gamma-ray Burst detected March the 19th by NASA's SWIFT Satellite has shattered the record for the most distant object that could be seen with the naked eye. Hear the scientists and them. This was the most distant object that could be seen with the naked eye. "It was a whopper says the SWIFT principal

investigator of NASA's Goddard Space Flight Center. These are astronaut people. These are people who are dealing with the heavens. These are people who are not just earth-bound in their thinking. These are people who have an eye they could look through and could see way, way, way the furthest you could see on the edge of space. These are people who know the heavenly bodies like to study them celestial bodies and their glory.

"This blows away every gamma ray burst we have seen so far". Swift's Burst Alert Telescope picked up the burst at 2:12 a.m. on March 19th 2008. That's the day of your Second Seal. That's when peace is been taken from the earth. That's when wars are predominant. That's when blood is being shed and these things. That's when He comes back like a White Charger with Chief Authority and the Word, The spoken Word, The Sword, is in His mouth. Here, and then over there. Over there, Revelation 19, when all nations come against Israel. Over here, when all denominations are to come against the Bride; then watch what, the greater works, the Spoken Word.

Telescopes in space. They said SWIFT Burst. They picked it up on March the 19th and pinpointed the coordinates in the constellation Bootes; in Arcturus, when the Pleiades, the influence of the Pleiades. These Seven Thunders, this Message of Seven Seals, is that the Seven Voices, each one bringing a mystery but under the Seventh Seal all Seven Voices come down and become the Shout to reveal Christ in His entirety '***The Mighty God Unveiled Before Us***' '***Christ Is Revealed In His Own Word***'. He ripped the seals off of Himself. Is that what that was? When we now have the Message of the whole bible and this Messenger would sow the seed of the entire bible so the Bride in the last days could the Super Race the Super Church an Invincible Army that She would come into His own Image and be united with Him as She nears the Headstone.

Watch. They pinpointed it in Bootes. Well that is as far as they go they know it's in Bootes that's astronomy for them. For us, Bootes is linked with the Pleiades and Orion, Arcturus. For us, Arcturus is He cometh. Is this Message His coming? Revelation 3-10 *because thou has kept the word of my patience I also will keep thee from the hour of temptation, which shall come upon all the world, to try them.....* Revelation 3 -11 is what? You know? You memorize the scriptures? You know it? *Behold I come quickly.....* When? After Revelation 3-10 in the hour of temptation. When this great squeeze comes in that hour His coming Revelation 3-12 *..... I will write upon him the name of My God, and the name of the city of my God..... and My new Name*

Revelation 3-7 before all that *and He that hath the key of David*
What is that? What is that? The Marriage.

Isn't it strange how the Convention, gathered the people, from all the regions and the extensive parts of our region into Central America, and Venezuela, our neighbors right there, and brought them right here, whom we associated with for many years; and after that gathering then there was to be a Wedding and a Wedding Supper. And who was going to get married? Immanuel, *God with us*, to Ramona, *wise protector*. I don't even know if she knows her own name. Where is she sitting? You knew the meaning of your name? You never knew it. Your name means *wise protector*. This one who is so wise, the Ancient of Days. This One who acquits His Bride and takes them quickly and puts them; Where is the place of protection? Under the Blood. When the plagues moving through the land they can't touch them. Is that where He is putting His Bride? Is that where He puts His bride in this hour?

In the days of Noah where did He put them, in the Ark? In the time of Ezekiel where did He put them? He sealed them with the Holy Spirit? Before the slaughtering angels could come, He put them away, sealed them away. Why? A Seal opened in heaven, a Mystery unfolded, a Message goes forth. What does that do? Gathered them and seal them away. It loosed the Holy Spirit, it caused a religious disturbance, because a lot of people call what they have the Holy Spirit, but when That starts to move, it shows they have the wrong Holy Spirit, they don't have the one in the bible. And sealed them away. And we are ending up in a Marriage and a Marriage Supper very strange.

And I showed you from the eclipse total Lunar Eclipse February in Central America through the whole month where over a hundred and fifty people saw the Pillar of Fire in the Meetings, there. Got up and testified, even photographed to prove it was there; and you heard the tape, you heard the inspiration of the Word. Now watch; then came back and August the 1st, Solar Eclipse; and I said watch the things that are happening in the church. Economic woes. Go out to Peru and all the Heads of State from around the world goes to Lima also but the Holy Spirit goes before them and what they coming to discuss is the same thing the Holy Spirit opened from the bible **“Adopted Sons In The Time Of The Economic Recession,” “Joseph, When Money Fail,” “Genocide By Farming,” “The Hour Of Temptation;”** and opening those things. What is that for? Is that sealing away a people?

People say, “I am in the Message, I believe the Message.” And they don't know the hour. You say what is happening in 2008? “I believe the Message”. Yes. But what is happening in 2008? It's a prophetic Message not a historical Message. What's happening in 2008? “Well

something is happening”. What is happening? What is the something? You say but we in the Tabernacle reading **The Handwriting On The Wall**. Look how we are reading it; **Dove Leading Eagle** on the Continental Divide, the last peak, the finish.

Beast coming out of the sea and beast out of the earth those four powers by these four things. He gave power to kill with the sword, faming, pestilence and beast. What’s happening in the uniting time when nations are uniting, armies are uniting, businesses are uniting; when they bringing on an economic squeeze to destroy the present day money system. But God, when they forcing a worship to the image, because the Gentile Dispensation goes out the same way it came in because we have come down to the hour when Daniel and Revelation are prophecies for this hour and that same God like the Hebrew boys and Daniel and them they had dreams and visions and dimensions and prophecy. They had a channel that God used to talk to them through.

And they could look out there, and when they saw Alexander the great coming they knew that’s the he goat. They know the Medes and Persians are finished. When they saw Cyrus and Darius, they saw the two arms of silver, a dual nation; two nations united that will dry up the river Euphrates, the kings of the east; to bring the fall of Babylon. Friends you are understanding right? When you understanding. God thought it, God spoke it, you read it and then God starts to reveal it.

Time, season, event. And how is it being presented? If that is not presented in the continuity of the bible, it’s not God telling you that. But in the first coming, when heavenly things were happening in the heavens, men on earth were being united also. And they were going into the bible with the written Word and the heavenly thing, the heavenly Word in symbol, and it was moving them in step, and God was revealing things to them; that they knew what that great red dragon wanted to do.

All I could do is try to tell you and encourage you and say love God friends, love one another. You hear the song? Throw away your bag of peanuts the train is in the block **The Flashing Red Lights**, the sign of His coming. Get the grudges out of your heart. Get that little stuffed-up, stuck-up spirit, get that cold formal; Rejoice and get full a fire in a Convention when the visitors and everybody’s there. Like you cold pull up your stocking and prophesy and play big Christian and when you come back down to reality and the visitors gone and is you and God now to walk in the Word, you better have something real.

Because you see, I sit down and watch who does jump up and shout and do those things there; and then I watch you here and I say why your behavior can’t be the same? Why you can’t respond the same? If you real you real. If you put on you put on. And if when the Word comes

and you see you are one that does put on, then take off what you putting on.

Listen to this. When they calculate this thing the explosion took place 7.5 billion years ago. They could work these things out now you know; by mathematics. Enoch's pyramid is opened, the bible is opened. And knowledge shall increase in the last days. You say they can't work out that? How they cloning? What Age you living in? You're living in this real world? How they cloning? Science has taken man further with their five senses than ministers have taken their church.

Here is a minister trying to take you deeper than coming to church, and some of you like you tied down coming to church. Try to move up a little more. Rise up a little more and run, run for the prize. Run with everything you have inside of it. Don't hold back, be like "*Lighting Bolt*". He said my name... he said I didn't want to come...as I read for Phelps, he said I didn't want to be the second Mark Spitz. You want to be a second Luther? A second Wesley? No. He knew in this hour with what they had and the technology took them a little higher and the mystery of how to swim the race opened up a little more because everything is growing.

You are seeing the same thing that you were seeing fifteen-twenty years ago? You haven't grown from there? You are the same way you were five years ago? You are the same way two years ago? You are growing everyday right? You are seeing it better you getting a greater grip on the Word, your authority's increasing, you getting more focused, your fear is leaving you, you're being tied to the Word. You're not shaken in mind like you used to. The devil can't rough you up like he wants; because something is moving inside of you.

They say a time when the universe was less than half its current age and the Earth had yet to form. This is more than halfway across the visible universe. You know how they name these things like **GRB080319B**; they put a number, like a stock number, when they discovered these things. The after glow was 2.5 million times more luminous than the most luminous Supernova ever recorded, making it the most intrinsically bright object ever observed by humans in the universe.

In March this year they discovered something that no human being ever observed because when they calculate it, it went back before **Genesis 1- 2**. You know what **Genesis 1** what it is? *In the beginning God created heaven and earth*, period. What the prophet said, billions of years **Genesis 1- 2** and the earth without form and void and darkness and God knows it became. I preach that for you. *It became* something happened. Is a type of the man; how man fell and was going to become a

new creation through redemption. Same plan of redemption for the earth, is the same plan for man you know that.

But watch this. The analysis is just getting underway, astronomers don't know why this burst and its afterglow was so bright. One possibility is the burst was more energetic than others, perhaps because of the mass spin, or magnetic field of the progenitor star or its jet. Or perhaps it concentrated its energy in a narrow jet that was aimed directly at Earth. They said this thing was aimed directly at Earth. I explained to you only on Earth in the whole universe, you could see a total Lunar Eclipse and a total Solar Eclipse.

There is not another place in the universe; that is billions and billions of light years away. Because God designed that man under Earth would look up. And that heavens there was relating to a man God put on the Earth: Because there is no other planet in the universe; where God has people living. It's right here. It's here the Creator Himself came. And He chose a very small, insignificant; even His birth was like that, "**Why Little Bethlehem.**"

Look at this little place, little Trinidad. Look at little nobodies. Yet your gift could take you before great men and astound them. And men who went to University, can sit there and marvel at the wisdom of God; that a man who is a drop-out from school could tell him his life that his education couldn't tell him. That's how the Word of God is friends. God chooses the base things to bring to naught the things that are mighty. God chooses the foolish things of this world to bring to naught the wisdom of the wise. So that no flesh will glory in His presence.

Scientists have stated that this event in the constellation of Bootes, is the brightest event to have ever occurred in the heavens. Ever visible to human eyes. There is no known record written, not even in the ancient charts where they have...you could go back to three - four thousand years ago, when the stars got their original names recorded by man. And still called... we still say Virgo and Leo today. Which way back there when God named them; Psalms 147 tells you, it is God who named them. And God revealed it to His sons down through the bible.

And when God came in the book of Job after the flood, first two thousand years gone; God is talking, calling it by the same name Job knew it by. Isn't that something? Then friends, what is Bootes? Arcturus. What is Arcturus? What does it mean? *He cometh*. The name of the brightest star; and the Hebrew word there means *to come, the coming one*. What does Psalms 96 say? *The judge cometh*. He is coming to judge. Let me read you a quote and close.

Bootes, is a man in a constellation, and he is coming; and when he is coming; hear what is happening. The names. Bootes means *to come*.

Arcturus means *he cometh*. The symbol is a man with a staff and a sickle in his left hand. I didn't have time, maybe I'll get it for you next Service. Revelation 14, He has what? Mark 4 said what? *Put in the sickle for the harvest is ripe*. Matthew 13 when he tells the parable of harvest time; at the end of the Age I will send the reapers.

Boaz, in the field reaping, when Ruth is going through redemption at the same time while the harvest is unfolding. And the marriage coming to take place. And Israel, Naomi, is back in the homeland. But Naomi is not yet. But Ruth and Boaz, in the days after the Chief Reaper, is having a fellowship. Is that the bible? This One, the Desire of all nations. Haggai said, *and the desire of all nations shall come and there'll be a shaking*. Where everything will be shaken off. And the Temple that is built at the end of the seventh decade, *there will be a filling, where the glory will be greater than the glory of the former*.

And the appearing of the Chief Shepherd, Peter said, St. John 10, *I will have one fold and one shepherd*. There are other sheep that have to be brought in. *I am the good shepherd that lay down my life for the sheep*. Hebrews 13, *and we who through the blood of everlasting covenant*. When the great shepherd lay down His life for the sheep. And the mystery, I call my sheep by their name and a stranger they will not follow. And when he call our names in this hour, we left every stranger. We left the Baptist stranger. We left the Methodist stranger. From all denominations we heard our name. *I've recognize the voice, I've understood the call*. You heard from your Theophany. Lazarus! Not just come forth. He called the name of the one who was to come forth.

Patmos Vision. He said, *“Now He is coming, the judge of all the earth. He will be crowned with wisdom. That is what the white and glistening hair signifies”*. Then he quotes Daniel 7. *“There it is. Daniel saw him with that white hair”*. He was the Judge opening the books and judging out of them. *“Daniel saw him coming in clouds. That is exactly what John saw”*. That is what Abraham saw too. *“They both saw Him exactly the same”*. Because all of that is a type of this day. *“They saw the judge with His judgment girdle over His shoulders, standing pure and holy, full of wisdom, fully qualified to judge the world in righteousness”*.

What does Joel 3 says. I went through for it with other Services. *Put ye in the sickle, for the harvest is ripe: And the Lion, Next verse and the Lion will roar out of Zion. And the Lion, in that hour, and in Mount Zion there will be hope for my people, and they will not be ashamed. And in Jerusalem I will deliver the children of Israel. My people and the children of Israel. Come out of her My people, and the children of Israel. Seven Seal and Seven Trumpet, in the day when the locust is devouring*

everything. And they darkened the land like in Egypt. And the pit is opened.

He said, *“Even the world understands this symbology, for in ancient times the judge will appear and convene court, dressed in a white wig and a long robe that signified his complete authority”*. Because He was robed from head to foot when John saw Him. *“To mete out his justice”*. And the Prophet said, *“Now here is more proof that this doctrine is right about being the Lord’s day. Did you notice Him? He was not a priest during this time”*. He wasn’t Son of God, He wasn’t Lamb. *“Neither was He a King; He was Judge”*.

“That girdle around His waist meant He was serving: never tied, it was over His shoulder. But here He comes out, walking with the girdle tied around the top. An attorney, a Judge. A Judge with a sash over His shoulder, girded up here, [Bro. Vin points to across his chest area] not down here, [Bro. Vin points around his waist] as a priest. See, that shows He wasn’t in His priesthood now”. As I’ve shown you. *“You believe He is a judge? He says, “Let’s read St. John 5:22, right quick. He read John 5:22. For the Father judges no man, but has committed all judgment unto the son: “That right? He is the Judge, the Supreme Judge. And John shows that He wasn’t in the day of His prophecy, as a prophet, neither was He plumb out into the days of His Kingship, but He was in the day of the Lord as a judge.*

What does that picture means? On **‘It Is The Rising Of The Son’**, he talked about it. This is five years after I’m reading now. Because that was **‘Patmos Vision’**, this is **‘It Is The Rising Of The Son’**, ’65. The **‘Patmos Vision’** was 1960. *“You remember, I was preaching when this vision came, upon the subject of the Book of the Revelations where the old judges, where we see Jesus in Revelations 1. Orion and the Pleiades. No one could loose that bands. No one could stop that influence. No one could defeat those seven Messengers. They were upheld by His power. They went forth with His divine authority. They pulled out the ones that had to come out in that Age. No devil, no system could hold them when that Messenger caught that mystery when that Seal opened and begin to sound that Trumpet.*

They had to come. We are proof that the Prophet caught that Seventh Seal friends. We are proof. He said, *“I will like to call to your attention this morning to a picture some time ago was taken by the camera of a vision I had”*. I had a vision but the camera took the picture of the vision I had. I saw it without camera in my bedroom, 10 in the morning. Then the camera took the picture of the vision I had, when it was manifested.

Listen. Bro. Sammy, you remember in Tucson, Arizona in 1979, December? Bro. Sydney Jackson from South Africa, we were all in the land where these things happened. We went by the Tabernacle in Stone Avenue. This old man walked out the door. He looked at all of us. And he looked at me, he said. He said, “You are the Pastor of these men here?” I said, “Yes sir”. He took us inside. He wanted to make tea for us. While he had the water boiling he went and opened a cabinet, he pulled out a folder with some pictures of the Prophet. And he called me and he gave it to me.

We sat with him up in the school. They had the old man in the attic. Only with a couple of people there, but he was teaching “**It Is The Rising Of The Sun**”. And we had to go for our plane, and he told the people, he said, “I have these brothers here, and they have to {Bro. Vin interjects pointing to Bro. Sammy} “You remember that”? That’s right.

That’s the same brother who got up 2 o’clock in the morning. Bro. Branham said, “God spoke to me in Jeffersonville here, tell me go hunt in South Africa there, Yellow Mane Lion. He said over in Sydney, South Africa He spoke to Sydney Jackson the very same moment and told him invite Bro. Branham to come here”. On two ends. All the way from South Africa, to the United States of America. That’s the same brother who got up 2 in the morning and called Bro. Byskal and said, “You have a son, son in law who can’t have children?” “They trying to have a child for years and they can’t have one?” He said. “The Holy Spirit spoke to me this morning, He said, told me to give him this little prayer cloth and lay it on the girl.” It said, “And she will have the child.”

They couldn’t have no children, they had one, after she laid it. Years pass and they was trying; they laid it again; next one. Years passed they wanted a next one, they laid it again; next one. Bro. Tom gave the testimony here himself. And the Prophet, he said, “*Well, if you’ll turn the picture like this and look, it’s Christ.*” He turned it to the right side, he never knew what was there, but the Holy Spirit reveal to him. “*See His eyes looking here just as perfect as it would be, wearing the wig of supreme Deity and the Judge of all heavens and earth? He is Supreme Judge. “You can see His eyes, nose, His mouth? Just turn the picture you can you see it? And that is perfect identification, a vindication that this Message is the truth”.*

He said, “*And one of them*”. And he was taking Revelation 1 to preach his Message. On ‘**Is The Rising Of The Sun**’, That this Supreme Judge who had the seven Stars, had the keys of hell and death. ‘**What Is The Attraction**’ He said, “*And the other day standing there, turned the picture to the right, there’s Jesus as He was in the seven Church Ages, the white wig on, showing Supreme Deity. He’s Alpha and Omega; He’s*

the First and the Last; He is the Supreme Judge of all eternity, standing there, confirmed the Message to this hour.

And then he talked about how the Angels came on Sunset Mountain. Blasted every piece of stone, was three cornered. We have one over there. [Bro. Vin points to the place where piece of that stone is placed] Bro. Simon went to Tucson, Arizona, the brother had one from Sunset Mountain. He said “some how I feel led to give you this brother, I had it for many years; I want to give you brothers it. When we were building the place, there, that day with Bro. Ellis; I said, “no, no, we can’t just put this so, this has a significance.” We had a ceremony. It was just a few of us there, and we laid that stone.

Sister Tiny came from Guyana and sat there, and before the Service start, was healed; in this place. And I got up and began to testify: This little Tabernacle is connected with those Angels. It’s connected with that rock being thrown up; it’s connected with that thing going west. Is connected; that’s why in this season here after He brought it three times, three Sundays straight, He shook the place the Tuesday. And you might live a thousand years and don’t hear that mystery of that seven Vial brought out that way.

And that mystery of the Lion roaring with the earthquake, because before the earthquake, you won’t hear that brought out that way. For that is not the kind of thing you open your bible and study. That does have to whisper in your ear, and starts to instruct you where to pass to find it. Like this Arcturus. I’m just so sorry, it has so much, but I tried to just wait for the right emphasis on certain things. He said, “*And looking at us*, He said, “*that shall never die*”. Talking about those Angels, and how it was on Sunset Peak. He never even knew it was Sunset Peak. He was just on a mountain, when he checked it back, he was going towards the setting of the sun in the brother’s dream and he ended up on Sunset Mountain exactly where the Angels came.

And the Angels know which mountain is Sunset Peak and they know that is the one; when he’s on that one then we will pick him up. We can’t pick him up until he hits that place. So when they send him back there; He says I was looking on the map, he said, “*oh my goodness they come in a pyramid they blast that place every stone is in a pyramid and the very place is Sunset Mountain and I was going towards the setting of the sun*”. And Zechariah said, “*It shall be light at evening time*’. The same Son of Man coming back. The white... the Sunset Mountain. “*The evening Light has come, God vindicating Himself. It is a fact, that God and Christ are one. The “white”. How many seen it, the white wig upon Him, as we talked in Revelation 1? See, the Supreme DeityThe Angels themselves was His wig.*

What's happened upon Mount Sunset? God confirming His Word. What all this noise is about. Notice, it's God fulfilling His Word again Revelation 10:1-7. "And in the days of the sounding of the seventh Angel's Message, the mystery of God should be finished". The hidden mystery of Revelation 10:1-7, the last Message to the last Church Age. Fulfills exactly, in this Age, St. Luke 17:30, "The day when the Son of Man shall be revealed".

"And the God of heaven promised the evening time will have evening Light. Three years ago, that was 1962, because he's in 1965, three years ago this mystery was a prophecy, 'What Time Is It Sir' But now it's history, it's passed. The promise is fulfilled. It's history, it's passed. And He said turn the Cloud. He said there He is. The priest had hand him the book, he had thrown the rock up. Then after he turned the Cloud, he said, "I never thought I'd be back to California. And he's standing there. And I had played the tape with his own words. I give you Billy Paul's testimony and he had a picture showing you the exact place.

He said, "and my father said; "he said where you are Billy?" "He said California, dad". "He said, "be more specific". He said, "Los Angeles". He said; "be more specific". He said, "Downtown Los Angeles". He said, "Come on Billy, be more specific than that". He said, "in front of May Building dad". He said, "Well right here sharks will be swimming here, before you are an old man". He said, "the same Angel that told me that, told me Florence Shakarian was going to die between 2:45 and 3. Who was...was that the Judge? Is the sixth Seal to open with an earthquake? Was that earthquake tied to that seven Vial and to the seventh Angel, He threw... he poured His vial in the air. He said take this rock up and throw it in the air. He told Moses take this water and throw it on land. But when this one comes, throw it in the air. It will start something. Why? Because you are God mouth piece and you at the end of the Age.

And he said this Age, '**The Laodicean Church Age**' "*What began in the first or Ephesian Age must and will come to full fruition and harvest in the last or Laodicean Age. Two vines will yield their final fruit. The two spirits will terminate their manifestation in each of their final destination". Have no more Age after this friends. Both wheat and tares are maturing right now. "The sowing, the watering, the growing is all over. Summer is ended. The sickle is now thrust into the harvest". And Revelation 3:15-18 which we have just studied, lies the true picture of the ripen false vine, false spirit, false church people.*

In other words he said, I preached to the false vine, false church and they are ripe. He said they are ripe because they crucified Christ a

second time. **“And Knoweth It Not.”** And God made me throw the rock up and said they’ll never rise again. Elijah only got the seven thousand. He couldn’t turn them back. They love Jezebel’s system. He said, *“No words ever spelled out a more bitter denunciation, and no proud and arrogant religious people ever deserved it more”*.

You hear God description of people in this generation? The people he preached to. Where he went among those denominations across the world. You heard the description? And then. *“In verse 21 “To him that overcometh will grant to sit with me in my throne, even as I also overcame, and am set down with my father in His throne”*.

“We find the true vine, true Spirit, true Church people exalted to the very throne of God with the highest compliment ever paid to a humble, steadfast Spiritual group. The words of John the Baptist which so accurately set forth the Christ in relationship to the true and false Church, now comes to pass.

So if you think this is a future thing, it now comes to pass; in his days. You say how come? Because he was mature. He was ripe and tares ripened together with him, that rejected him. And when I see another corn of wheat coming to a mature stage and this is the day of redemption, for the price has been paid. Then I see people unprovoked, with such hate and bitterness and full of lies, try everything to destroy and crucify this Truth.

And I see, I know a man who took that, because he had an immunity and didn’t have to fight that, and kept focused. And while they were doing that, God raised up eight sets of people from Guyana to St. Kitts during that time, and you all are witnesses and if you didn’t see it then you are blind, because that is what happened from 2000 to 2008. And during that time when the Towers fell, God went straight to it. And when they went into Iraq God went straight into it. I testified I lay down on my bed and something said, “Ahab is disguised”. I said, “Who said that?” It he says, “And He disguised himself and went up”. And I preach **‘Disguised For Deception’, “Many Painted Faces Of Jezebel,” “To Kill And Take Possession,” “Predators And Prey,” “Extermination For Expansion,” “Depopulation By The Weaponising Of Disease.”** You sat and heard those things inside of here.

Then God came back around with the economy and opened it. Then God went up in the heavens and started to bring those things down. And some people just think well that is normal. We all does do that ... that is nothing. And then now God said; He lets it go right into an Ex- Prime Minister’s, head of the Opposition’s office, and the man sat down there. And shook him with the Word. The man was so affected. And Church

people. Like Bro. Branham said, “I shook so many things in front of the Church and they stared at it, they stared at it, like the little boy in the ten cents store.

He said, “You would expect, somebody looking to go in the Rapture, seeing the Word that is opening up; how to see yourself in the Word, how to come into perfect faith, how to understand your position, how to stay in the continuity how to live in a world of perfect faith. How to walk in the rhythm how to stay united until it becomes realities. You would think that they should catch that.

But then, I see little brothers in Guyana, who was blind just a couple years ago. I see little sisters in Grenada coming up. I see little people down in St. Lucia. I see little people coming up; and before all of us, right here we are talking and we are two hundred miles off the target. And they are sending an e-mail from all over and they are dead centre. And then walked in this morning and see over twenty something Officers and Ministers and Service going on and everybody sitting down and nobody can make a decision, and nobody can lead a song.

It tells you something friends. He said, “*Christ the Great Harvester*’. What? Bootes. The Supreme Judge, the Great Harvester, with the sickle in his hand. The song ‘*Tell Me More*’. I dreamt it one night and this crowd following me saying; “Tell me more, tell me more”. And I said the earth is like a woman ravished by men and these things. I told Bro. Ulric, I said, “I was dreaming I was singing a song boy and people singing a chorus and every time I was singing about the earth, because I was preaching ‘**Seven Trumpets**’.

How it is ravished by men and you know, destroying the earth. And the trees are the hair of the woman and the trees are the lungs of the planet. And the sea is the blood. And he came back to me next Service, he said, “I got the song you know”. I said, “What song you are talking about.” He said; “the one you tell me you were dreaming’. I said, “you making joke’. He said, “yes,” and he started to sing it. (*The earth is like a woman ravished by men, with seeds of corruption sewn throughout her land. But the harvest time has come, the master’s sickle is in His hand. To pluck up and destroy, all the evil works of man*).

I read out of the ‘**Church Age**’ book. The Prophet said, when that Supreme Judge came, He had seven Stars in His hand, then He had an opened book in His hand. Then we saw Him with a sickle in His hand. Revelation 1, seven Stars. Revelation 10, an opened book. Revelation 14, a sickle. The Ministry keeps unfolding, keeps unfolding. And the greatest thing they ever saw, March the 19th, half way across the universe, what they could measure in measurement today. That it takes billions of light years when they calculated it. Coming in at one

thousand eight hundred and...one million eight hundred and how much? When I heard that, I gone, [Bro Vin raises his hand to his head] I can't even remember that. One hundred and eighty-six thousand miles per second is what it is. Coming at the speed of light.

And when they calculated, in the constellation of Bootes, is where it came from. They pinpointed it. Who is He? The judge who cometh. Did the Judge come in this day, according to the Message? Is the Judge here? Are we between His Priesthood and Kingship? Did we hear 'The Judgment Is Set And The Books Are Open', in 1980? 'Enter Into That Seven Fold Glory' about the Supreme Judge, when that broke in the Church. It's such a wonderful, wonderful time. I just want to worship Him a little bit.

He'll Never Let Go Of My Hand. Let's just worship Him a little bit. Sit right in your seat; if you feel to get up, you get up, you don't really need to get up, but let's just be free now. #270 if you want to sing with the book. But let's create a real atmosphere of worship here. Who knows what He will do. The Spirit speaks so expressly; Arcturus. Does that Judge who cometh and gathering...reaping the grain? Did we preach on the reaping, the threshing and the garnering? Then look at the Holy Spirit through the Word, look at God in the constellation. What is it...is this the hour God is separating faith from unbelief? Is this a separation time? Did God in Matthew 25 separated even the wise virgins from the foolish virgins in that hour, at the coming? Were they together all the time? And then God separate them. And one went in and the door was shut. Is that right? Rebecca came with her maidens, with Eliezer. But did all of them go in with Boaz? You understanding? There were many other maidens in Boaz field, but did they get marry to Boaz?

Many virgins there in the house of the women, who got their perfumes and their special baths, and all the anointing and these things and even went up before the king. But did they get royal apparel? Or Esther alone got it. Separating time, separating time. Don't you want to walk closer with him? Don't you feel like you want to walk closer with Him? Don't you want to open up your heart more and more to him? Aren't you looking for a deeper experience in the Spirit? Where you fade away and God comes in. Where you start to see that control of the Spirit, in every facet of your life. Where you have access and the mind of God is so close.

Because why? You are learning to humble yourself. You are learning to let go and let God. You are learning to fear Him. And you are learning to trust him. So you not trying to keep things in your own hands. You are saying lead me Lord and I will follow. Lead me Lord

and I will go. You have called me and I will answer, lead me Lord. Why don't you put your hand in His hand as we worship Him a little bit? Let's start with the chorus, He'll never let go; and trust Him. Trust Him. He will not let you go friends. Who could loose you from the bands of Orion? Hallelujah! He'll not let you go. The same hand that upheld the world in space, is the same one upholding you.

Hallelujah. Glory! Praise Him! Amen.

I stand in heavens fair land

Oh my, trust Him this morning, let Him take you to safety

Till I'm safe for evermore

Bootes is here. The Desire of all nations is here. The Great Shepherd of the sheep has appeared. The Supreme Judge is here.

No He'll never

He is reaping His wheat with the sickle. He is comforting you with the rod and His staff. Sing it again. And He'll never let go.

And He'll never let go of my hand

Till I stand.

Till I stand in heavens fair land

Oh my, till I'm safe forevermore

Till I'm safe forever

He is taking you to safety. He is taking you to safety.

On that happy

He sees the plagues filling up the land. He is putting you under the Blood. He said Moses

Slew the lamb and put them under the Blood. The only place of safety.

For He'll never let go of my hand

Oh this great hand of Orion. Oh there's a hand.

There's a hand that covers the mountain

That's the hand that holds you friend. No man could pluck you out of His hand. And you in His right hand. Where all of His power and authority is symbolized. The Angel coming from the right side, always. He is at my right hand David said. Hallelujah!

And that same hand that holds the world

With over six billion people, and four fifths covered by water. He holds it in space. It's the same hand.

It is the same hand

It's got nail scars on it friends, it's got nail scars on it.

.....*holding me.*

Oh and everyone singing with confidence, with faith, with joy, with thanksgiving, with assurance.

And He'll never let go of my hand

Hold to God's unchanging hand friends. Let that hand hold you.

Till I stand in heavens fair land

Oh my...till I'm safe. That's the Holy Spirit eternal security. A seal to your destination

No He'll never let go of my hand

Oh my. He's been faithful I tell you. He's the faithful and true witness of this last Age. That's how He revealed Himself to us. Revelation 19, He's called faithful and true. Great is His faithfulness.

He's been true

Faithful and true when storms have assailed

When storms have assailed

Oh my, but His holy love. Does that thrill your heart? Doesn't that thrill your heart, that His holy love. Oh thank You Jesus.

But His holy love

Oh my, that amazes me

That amazes me

Think about it. Is that He loves me so undeservedly. Making so many mistakes every day. But it's elective love: Elective love. He knows what He wants to do for me and is doing. Oh my and He'll never let go. Nothing can make Him let go.

And He'll never let go of my hand

Even though I feel I can't hold on, He is holding me, amen. Something keeps holding me.

Till I stand in heavens fair land

Till I'm safe forever more on that happy golden shore

Oh no.

Oh He'll never let go

Oh I want to sing about that again. This hand of Orion. Oh there's a hand. That great hand. Ezekiel said, the hand of the Lord was upon me. The hand of the Lord. The mighty hand of the Lord. Hallelujah! A five fold ministry friends. The hand of the Lord, could pluck you out of the fire. The hand of the Lord. The hand of the great Potter can form you into a vessel of honor. Hallelujah!

And that same hand that holds the world

Oh you sound real good. I believe it's like sweet incense going up to him now. It's coming from your heart.

It is the same hand that is holding me

Oh sisters you sing. And He'll never, He'll never, never, never, never let go.

And He'll never let go

You believe it, you sound like you believe it. Oh my. Till I stand. See yourself there.

Till I stand

He is the author and the finisher of your faith.

Till I stand in heavens fair land

Oh till I'm safe. Not just safe, but safe forevermore. Forevermore.

Till I'm safe forever

Oh my.

On that happy golden shore

No He'll never let go

Oh sing again. No He'll never let go

No He'll never let go

And He'll never let go of my hand

I just believe it, and I'm putting my hand, and I'm saying Father Lead me.

Till I'm safe

Lord God, don't let me take things into my own will. Though the cup is bitter Father, I'm reaching forth I want to drink it. I don't want to walk in my own will and my own eyesight. I want to be a prisoner of love that You could lead me.

On that happy golden shore

I have confidence; I would not come up lost. You are the Guide You know how to get me over there.

And He'll never let go of my hand

Oh, let's sing He's been faithful. He's been faithful and He is still faithful this morning right now. If cold winds are blowing.

He's been faithful when cold winds are blowing

And you going through a shaking because everything that will be shaken is been shaken off. You're going to find that he's been true. And He's still true.

When storm clouds have assailed

Oh, but His holy love. Let it be shed abroad in every heart today Father. All through the region oh God. Let the Dove of Agapo love flutter in every assembly. Let it coo into each heart. Give us a September we'll always remember.

Is that He loves me

Even when I fail

Even when I fail

Oh let the men of God sing that now. And He'll never let go. Let's lift our hands everybody.

And He'll never let go of my hand

That's a confession of faith. Till I stand

Till I stand

I'm going to be there, I see myself there

In heaven

Because I believed His promise: He said be confident, He who began the good work will perform it until that day.

Till I'm safe forevermore on that happy golden shore

No He'll never let go

No He'll never let go of my hand

Oh one more time. And He'll never let go. Glory!

And He'll never let go of my hand

Hallelujah. You could receive the Holy Spirit right where you are. You could receive more faith, an increase. You could receive a surge, just get linked up just get plugged in. And if you feel you want to draw near you can draw near. But God is present, you know that. And God can break every power of the enemy. He can loose you from every chain. He could take away every evil habit. Things that you struggle with; He can circumcise that thing away from you.

And He'll never let go of my hand

Till I stand in heavens fair land

Till I'm saved forevermore

On that happy golden shore

And He'll never let go of my hand

(Prayer is being ministered to those at the Altar, while congregation sings)

He's been faithful when cold winds were blowing

He's been true when storms have assailed

But His holy love that amazes me

Is that He loves me even when I fail.

(Bro. Vin leaves the pulpit to pray for the Saints while the Song-leader and congregation continued singing)

(Bro. Lawrence Granger testifies).

(Sis. Eve Rawlins also testifies).

(Bro. Melville prays for the children going back to school).

(Special song: Lord I Just Want To Say Thanks by saints from Guyana).

(Bro. Samuel Johnson prays dismal prayer).
