**THE LOOSING OF THE RAVEN AND THE DOVE**  
**PART 1**

*Sunday 29<sup>th</sup> October, 2006*

Oh, let Your anointing flow  
*Let Your anointing flow*  
*Keeping my light aglow*  
*Amidst this world of darkness, sin and shame*  
*Keep pouring Your latter rain*  
*... Your power again*  
*That I may return to You from whence I came*

*I want to go*  
To that place  
*... my theophany, my Lord*  
*I want to go*  
*And I want to feel greater realities, perfect love*  
*Throughout eternity, my Lord*

Oh, let us sing it again.  
I want to go to that place prepared for me.

*... oh that mansion*  
*My theophany, my Lord*

If you really want to go, sing like you really want to go, this morning.

*And I want to feel greater realities, perfect love*  
*Throughout eternity, my Lord*  
*I want to feel*  
*I want to feel*  
Oh my Lord, I want to feel  
*I want to feel*

Hallelujah! Oh my, it is not an outside feeling that we are talking about. We want to feel that Dove flutter into our hearts, amen. Praise His mighty Name. Well we are certainly happy to be in God's great mighty presence, to be in His house today. I trust

that each one is feeling fine by God's grace. It is raining on the outside, but we just feel really good to be on the inside in His presence. Amen.

We have Brother Mark and our precious Sister Jenny here, brand new parents. I guess new as new as parents can be new. Amen. And it is so nice to see them coming to dedicate their firstborn, a little baby girl, Lily Ruth Esther unto the service of the Lord, this morning.

Our sister had a pretty rough time in pregnancy. God was gracious and gave her a good delivery and she is here with her husband. Amen. Praise His mighty Name. Hallelujah! We know that just to be in the presence of God it does something. Amen. Sometimes you are home there and you are praying, "Lord, help me, Lord. Strengthen me, Lord. Do this..." And you come into the house of God, and you get in the midst of the congregation of the saints, the praises of God begin to go up to God, and then healing takes place, deliverance. And we pray that God will do something special for her. Amen.

Our precious Brother Mark, a real soldier standing in the assembly down through these years.

The Bible says, "Except the Lord builds the house". And God has begun to build their house here, amen, giving them a building stone. They have begun to lay that in the Lavin family, as a house that God is building by His grace. And you know the Bible says, "If you believe, you and your household shall be saved". And so it is something great happening.

*"Except the Lord build the house, they labour in vain that build it: except the Lord keep the city, the watchman waketh but in vain.*

*It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep."*

We trust that no one is eating the bread of sorrows here, this morning. Amen.

*"Lo, children are an heritage of the Lord: and the fruit of the womb is his reward."*

This is reward, holding her in her hands, close to her bosom, this morning, an heritage of the Lord.

*“As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate.”*

*“Blessed is every one that feareth the Lord; that walketh in his ways.*

*For thou shalt eat the labour of thine hands: happy shalt thou be, and it shall be well with thee.*

*Thy wife shall be as a fruitful vine by the sides of thine house:”*

He has his house, he has his wife, and now God has given him his olive plant. Amen. Isn't God faithful? Came serving the Lord, had nothing. Just had a desire to lift his hands and surrender himself to the Lord Jesus Christ, obeying the call of God. And God has begun to give him everything that God promised. You seek first, Him first, then the Kingdom, all other things shall be added.

Believe Him. Amen. Believe Him, walk in His Word, expect to receive from His mighty hands because that's the kind of God He is. You don't have to look too far, here is an evidence right before you this morning.

*“Behold, that thus shall the man be blessed that feareth the Lord.*

*The Lord shall bless thee out of Zion: and thou shalt see the good of Jerusalem all the days of thy life.*

*Yea, thou shalt see thy children's children, and peace upon Israel.”*

If you don't see natural children's children, then you will see converts. And out of those converts will bring forth more converts. Amen. And it could have those that God would have him to win for the Lord. And even not just give him a natural seed in the earth, but a spiritual seed also by God's grace.

He said, “Are all these Branhams?” He said, “No, that's your converts for Christ”. It was something that God had sent him forth not as a barren, impotent man, but a man with a revelation in his heart, with seed, that others can be born through that seed, amen, and a great posterity, a spiritual posterity. Like we are Abraham's

seed today. Isn't that right? Born out of his faith. Many people can be born out of your faith. Praise His mighty Name.

Let's just ask the Lord's blessings. [Bro. Vin dedicates the baby].

Well it is a long time I haven't been here. You know, you always get back, you preach here all of your life, and you stay away a little bit, and you get back and you still have to get adjusted and get settled and get back to standing and speaking to people. But I want to say this morning I am truly thankful for all your faithful prayers. Faithful from your heart to pray, and then faithful that you are full of faith, amen, to pray that God would help me to finish my course with joy. Amen. And to stand at my post of duty which is the joy of my heart, which has been my life down through these years. To serve His people, to serve Him, to preach this great glorious Message that has been committed unto us of which I believe that I am a part of that great group. And one who has been given a great responsibility to keep us in remembrance to what has been delivered unto us by His prophet.

May God bless you. And may He make me, today, a blessing. All of your prayers and all of your support and all of your faithfulness come back to you by way of the Holy Spirit giving you back something into your life to strengthen you and ever keep you faithful.

I have a little message on my heart I would like to speak. And I have a lot of things that I would like to say. But I don't have it in my mind to say, "a, b, c, d, e", so I am going to open the Bible and read a couple of Scriptures and preach. And just try to do as the only way I know best to yield and surrender to Him when I stand here and let Him lead. Praise His mighty Name.

Something that I have been pondering in my heart, and I have been in meditation quite a lot, and was spoken on many times. And it is just every time you would approach the Word of God more things are revealed to you. And sometimes it is more in season, it's more relevant, it's more applicable. And so I trust that it would be to our edification, this morning.

I would like to invite your attention to the book of Genesis... Maybe I would just read Hebrews first. Hebrews 11. Then I would have you to be seated, and then I could read from there afterwards.

Hebrews 11. All in the mothers' rooms, all in the side, God bless you. And I can't see you from here, but I feel connected with you by God's grace. I pray that God bless you, and give you something special. Just pray for me as we go through the service.

Hebrews 11, verse 7.

*“By faith Noah, being warned of God of things not seen as yet, moved with fear,”*

And I believe that to everyone of us in this Message, we have been warned of things not seen as yet. Some of it we saw, some of it we are seeing as the years keep unfolding. And some of us, we are still yet to see. The time will come when the righteous will walk out on the ashes of the wicked. The time will come when this civilization around us will not be existing. All of these things are to be fulfilled under this Message that has come to us. The time is going to come when this place will be closed. We haven't seen that as yet. But we are moving with fear, this morning, because we see the time approaching for these things.

These are the things that are being spoken of Noah's faith, seven things, here. First thing, *“...being warned of God”*. We have been warned by a prophet. Warning then judgment. *“...things not seen as yet,”* the unseen looking to the unseen, opening up of the Word of God, prophecy to us, things that are to come. *“...moved with fear,”* our faith in that Word; hearing It and recognizing that It is the Truth, and going to acting upon It. *“...prepared an ark...”* the fourth thing, the works that was expressing the faith of what he received, what he understood, and what influenced his life.

There must be preparation in your life if you have received the Message. There must be a moving with fear if you are under the influence of the Message. If you understood the things that have been spoken and revealed in the Bible, and have been pronounced to us as, “THUS SAITH THE LORD”, you will know that, “Heaven and earth will pass away, but the Word of God cannot pass away”.

*“...by which he condemned the world,”* the fifth thing. A testimony that stood there and became the basis for the condemnation of a world who refused to believe. And that is what is holding back the wrath even this morning; a believing people that is standing there. That is what the angels told Lot, “If you don't move, we can't do a thing in this place. You have to get out

because you are holding back the wrath from hitting this place. This place is supposed to be ashes by morning”. But Abraham was already called out.

“...and became heir of the righteousness which is by faith.” He became heir of the righteousness. Not his own righteousness, not his own trying to do this, and trying to do that, and trying to do the other, and trying to be ‘holier than thou’. Faith that was revealed to him, the righteousness of God is from faith unto faith. It is revealed from faith unto faith. “And the just shall live by His faith”. And he had that faith because God declared him righteous, and God removed all condemnation. There is now no basis upon which he can be accused. It was in the sea of God’s forgetfulness. Because when he heard the Word of God, he believed it like Abraham, and it was imputed unto him for righteousness that he believed. And that’s the great thing that when the Word comes to you, you can hear It, you can receive It, you can believe It, you can start to act upon It. And prove that you are not sympathizing with the Message, you are not playing with the Message, but the Message has found a place to grow in your heart. Faith can find its bedding ground on the inside. Is that right?

Seven things: “...being warned of God...” the first thing; “...things not seen as yet,” second thing; “...moved with fear,” the third thing; “...prepared an ark...” the fourth thing; “...for the saving of his house;” the fifth thing; “...by which he condemned the world,” the sixth thing; “...and became heir of the righteousness which is by faith” the seventh thing.

And if you have that same faith in this hour, those seven things will be evident in your life that you are a believer, this morning. Check yourself. Go down your checklist, this morning. Amen. And see if you are walking by faith. The Bible said, “Noah walked with God”. The Bible said, “Noah was perfect in his generations”. God said, “Only thee have I found perfect”. The Bible said, “Noah was a just man in a polluted and defiled world, a world that was ready for judgment”. But God could not have judged him. Amen. God found him righteous believing God. He was the living descendant upon the earth from Adam. He was the one with the title deed, with the family secrets, going back in the new world. Do you understand? Understand me.

Amen. Praise His mighty Name. May the Lord bless the reading of His Word. You may have your seat.

I want to drop over in Genesis 7. Genesis 7 follows Genesis 6. Genesis 6 from about 11 to 18, we see how the earth was corrupt and filled with violence. *“And how God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way...”* and so on. Then God descended to His prophet on the mountain, and began to break the Seals to him, and began to show him, *“The end of all flesh has come”*. Just like when He came to Abraham, He did the same thing; Sodom was going to be burned. God came to Noah, the world was going to be destroyed. The same way He did to the prophet. He came to the Prophet and showed him in that seventh vision, as far as he could see the atomic bomb had struck, burned the earth. Watch and see, *“Behold, I send you Elijah, before the coming of the great and dreadful day of the Lord. As it was in the days of Noah, as it was in the days of Lot, so shall it be in this day”*. *“Noah being warned of God of things not seen as yet”*; seeing visions, amen, that was going to come.

*“A beautiful woman will rise up in America, will lead the nation into its destruction. The woman is going to become to a place of complete undress. Science is going to advance”*. Is that right? All those things were shown in the vision of what was coming upon the face of the earth. And is to take place before the Coming of the Lord. It is to take place before the Coming of the Lord. He said, *“Five has already happened, that sixth thing is moving up. Watch that beautiful woman, cool in her heart, in the White House, that Jezebel religion”*. And then the seventh thing, the atomic bomb.

But God had to make a way of escape for the Elect. They will not be caught here when that atomic bomb falls, so God has to make a way to move them out. We have to recognize that that is what we are sitting in, walking in, this morning. God’s only provided way of escape.

Genesis 7 follows Genesis 6. The time had come now. God was finished. The cup was full.

*“And the Lord said unto Noah, (God speaking to His prophet) Come thou and all thy house into the ark;”*

A call to separation. A call to separation. Not come in the new world, come in the ark. Do you understand what I am saying? Not come in the new world, come in the ark. But the ark will take them into the new world. Being in the ark, he is in transition to another place. The God Who appeared to the prophet, the God Who revealed to the prophet His provided way to take a people out of the old world and bring them into the new world, that's the God in this hour. Because by faith Noah did what? Prepared an ark for the saving of his house. God couldn't call them into anything until it was first prepared. But God gave him a message, and that message was no longer just in Word, that Message was manifested. It was that message that was going to take them there.

It is this Message that is going to take us there. We can't get there without abiding in this Message. Do you get that? This Message is Christ. This Message is about a Tree that was cut down. This Message is about one Door. This Message is about three stages of Grace. This Message is about being secure on the inside, and the wrath that is outside that cannot touch you. That's this Message. This Message is about the baptism of the Holy Spirit. And This is what we have to abide in, this Message. Not a denominational message. The One that was prepared by the prophet, for the saving of his house.

It was a righteous seed that had their pedigree declared all the way back to the first son. Hallelujah! Only those who were given the earth in the beginning, can go back in the new world. Oh, thank You, Lord! Glory! Adam was given it as an inheritance. Cain seed came and squatted upon it, ruined it, and destroyed it. And God was going to remove that Satan's Eden off of the face of the earth, and the righteous seed was going back in. Hallelujah!

That's the very same plan God has this morning. How many can say, "Amen" to that? How many know that that is the truth? That's the very same plan this morning. God cannot take a bunch of Baptists and Methodists back in the New World. He has to take the people who have the Title Deed. And the Title Deed that Adam had has come back to the real sons and daughters of God in the last days. A prophet who could declare the pedigree all the way back, and produce the same things to prove he is in the family. One who had the family secrets. Glory be to God! One who showed us the other family, the serpent's seed.

To reveal the true family, you had to have the revelation of the serpent's seed. Oh my! And this one came, and he could have told you, "This one is the false vine. This is not the family. That blasphemous name, Come out of her my people, and come into the ark! Come into the Message that I have brought you. It is revealed to me by God. It will take you into a New World. Seven Thunders will show you how to prepare for great translation faith. It will take you into another dimension".

How many believe this Message has that kind of faith in it? How many believe this Message is going to change their bodies? How many believe that rapturing faith lays in this Message? How many believe the Rapture is a revelation of the Seventh Seal, the Seventh Seal reveals the Rapture? How many believe that there is a people on the earth that is separated right now, and is in transition, in journey to a New World? Are you in journey to a New World? Have you been separated from the world? What separated you? Was it the Message of the prophet, a mighty Angel that descended and cried with a loud voice? Is that what separated you from among the dead? Hallelujah! Oh, thank You, Lord!

He was separating. Not the whole world here, your house; the family. How many know he saw that house on the other side with white robes? Is that right?

*"And the Lord said unto Noah, Come thou and all thy house into the ark; for thee have I seen righteous before me in this generation."*

"He became heir of the righteousness which is by faith". He believed what God had revealed to Abel. He believed the foundation revelation that dropped down to the shepherd prophet, the first revelation given after the fall to show the way back. The first revelation after the fall was Abel catching the mystery of a slain lamb, showing the way back to God. That was in the seed age. Now it was harvest time in the end of the age. And that false religion, Cain's religion, multiplied in the earth. That seed of Nicolaitanism, that seed of the serpent, that lie of the devil he told Eve, preached another gospel, another Jesus, and produced a false prophet with a false religion, Cain. That multiplied in the earth. How many know what the Nicolaitanism preached is what multiplied in the earth? How many know the Catholics, and

Protestants, and Buddhists, and Hindus, and all these things, and Muslims, and all these things, is what started in the first age?

How many know this is the thing that cannot go in, in the New World? But how many know that down through Seven Church Ages there was a Bloodline, a righteous Lineage coming down? And the Seven Seals did what? Opened the Lamb's section of the Book of Life to reveal the family.

This Dove is a family Bird. It is for the family. In the ark it is a family. In the Message it is a family. Under the Seven Seals it is a family. Under the Seventh Seal it doesn't have three kinds of believers. It is THE family. Under Six Seals have three kinds of believers; the unconscious ones that is yet to come in. Do you understand what I am saying? But the Seventh Seal, the Holy Ghost, claims you. If the Holy Ghost doesn't claim you, he never saw your faith. He never saw you believing the Message.

"You have I seen...?" "You have I seen...?" In this generation. Did God get blind? Is God still seeing the righteous in this generation? God can still see the righteous in this generation. As it was in the days of Noah, He saw them. Did He see them in the days of Sodom? Did He see the righteous in the days of Sodom? Were the righteous caught in the fire? It could never have been. Then would they be caught in the fire this time? God is seeing them. They can't even get righteous if God doesn't justify them. Hallelujah! They can't even get righteous if they don't have something in them to believe, "Hear what the Spirit is saying unto the Church", and believe and receive what God is talking about.

Can you hear It, this morning? Can you believe It? Can you receive It? Have you received It since you believed? Has He claimed you since you believed? Has the Dove fluttered into your heart? Oh my!

"...for thee have I seen righteous..." The prophet was so sure that there was a righteous seed, otherwise it would have been like Sodom and Gomorrah if God didn't leave a seed. And He saw that seed multiplied in the earth, and came into a mighty marching army from all nations. He saw the Message giving birth to such a seed. Is that right? He saw faith in Trinidad rising up, coming to mature rapturing faith. He saw faith in Germany rising up, faith in Africa, and India, and South America, amen, and North America, and Europe. He saw faith rising up, He saw a people in the last

days. Wait until those Seven Thunders utter their voices, a little group who can take the Word. Amen. That little group between the Gentile prophet and the Jewish prophets, hallelujah, who knows that they have to pick up that faith, amen, and finish that commission. Did He say young men will take this Message and sweep It unto the Coming of the Lord? Is the Coming of the Lord the Seventh Seal? Hallelujah!

“...*thee have I seen righteous...*” The just, the righteous, the justified ones, the ones who believed God, who is not questioning God, who is not fighting up with what God said. But so gladly receiving what the doctor said? The ones who can say, “Let every man’s word be a lie, but let God’s Word be the Truth. And though He does not deliver me, I will not bow down. I will stand there with the Word anyhow. My faith looks up to Thee, Thou Lamb of Calvary, Savior Divine”.

Why? They understand what their lives are all about. Not just to eat and drink. They are put on the earth as end time seed signs to give witness to a Message, to give testimony to a generation. What did the Bible say? He condemned the world. By faith he condemned the world. He’s put there for a witness to say, “I will be called an oddball. I will be called a Branhamite. I will be called every evil name they will tack unto me, because I am not ashamed of the Gospel of Jesus Christ. I am not embarrassed to say Seven Angels came to William Branham in Arizona and he opened the Seven Seals. And he was God to the generation while the world... I am not ashamed, though they call me a critic and burn me at the stake. I will condemn this generation with my testimony. Because when God vindicates it, who is my little puny mind to stand up and say, ‘No’, when It was the Pillar of Fire that wrote the Bible. That created the worlds, came back and created squirrels and vindicated it in the platform”, and proved the man was not lying by operating the Word night after night, that was a testimony of a true witness. Who am I trying to rise and debate because of some critic, amen, and trying to throw dirt on the Message?”

No, sir. Amen. God sees you righteous. God sees you righteous. God is seeing you standing. God is seeing that you can take what the devil is throwing at you. God is seeing, “When I see the Blood”. It couldn’t be under the house, it had to be way back where he could see it on display, “When I see the Token. When I

see the same Life that was in Jesus that was stripped naked and was hung up there, and made a gazing stock and a spectacle, I will pass over you. In other words, I will not let judgment strike you. The only ones that I would not let judgment strike is where I could see the Life of the Lamb sounding out loud, stand there without shaking.” Amen.

Oh, can I get a witness? That’s nothing but the Truth.

*“And the Lord said unto Noah, Come...”*

If I have faith I believe that God can tell me get your house and come in because I have seen you righteous. If I know that I believe this Message, and I know that I am not a hypocrite, and I am no deceiver, and I am no pretender, and I am not trying to create some impression, and I know that this has found its bedding ground, and God is in the control tower of my heart, amen, and God is the same, and the days of Noah that history is to repeat itself in the last days. Did you hear what I said? Is that history repeating itself?

When I am finished with you here this morning, I am sure you are going to know and be certain that that same history is repeating itself. And if that history is repeating itself, friends, then you listen for His Voice. If you know that you are not going in the tribulation, you are listening for that Voice. Because when that door of that ark swings shut, you have to be inside. You can’t just be separated from the world. How many know that Lot’s wife was separated from Sodom? I preached it here for you. How many know that she had a ministry of angels that took her out of Sodom? But how many know that that wasn’t salvation? How many know that even though she came out of Sodom it still had a provided place she had to get into? And how many know that that is what she failed to get into, and became a pillar of salt?

I am not talking about you came out of the world, and you changed your dressing. I am not talking about you came out of some denomination, and you threw away all of your chaplet and your novena, and all of your Baptist business, and all these kinds of... genuflecting, and all these kinds of different things; and you say that, “I am in the Message now”. No, no, no. I am talking about. Have you come into Christ? Have you come into the Holy Ghost? Are you sealed in? Oh my!

*“...for thee have I seen righteous...”*

Who was God calling in the ark? “...*thee have I seen righteous...*” Who was God calling in the ark before He shut the door? “...*thee have I seen righteous...*” Enoch had a testimony that he pleased God. When? Before he was translated. Is that right? Noah walked with God when? Before he was raised above the judgment. Is that right? When did God see him righteous? After the door was shut? No. Before God shut the door.

How is He seeing you this morning? We have all put on our church clothes and came to church this morning. Didn't we? All of us. Nobody here is in their pajamas and their nighties. We all came in our church clothes. We all walked with our Bibles, except if you don't have one. We all came to church. And we all sang in the song service. And we all are getting ready to receive the Word, and we are receiving the Word. Amen. But now, how does God see us? Believing? If He sees you believing, and keep on believing, He is seeing you righteous. If He sees you with faith in His promise... [Bro. Vin acknowledges to a brother in the congregation]. ... He is seeing you righteous. Do you get what I am saying? He is seeing you righteous.

Let us drop down to verse 16.

*“And they that went in, went in male and female of all flesh, as God had commanded him: and the Lord shut him in.”*

What are we seeing? God called and separated him from the world, let him know the place that he needed to be in. “Don't just separate from the world, but come here into this ark, in this message that I have revealed to you.” The ark was not Noah's invention. The ark was a divine revelation to Noah. God didn't tell Noah, “I want to build an ark”, and asked him what he thought about which kind of wood to use, or ask him how big he thinks it should be. God didn't seek any opinion from Noah about it. God dropped a blueprint and said, “Build that”. Is that right? “Don't add, or don't take away, otherwise every plague that will hit the world will hit you too”.

Is that what God gave to us in the Message? Is that what it says in the book of Revelation chapter 22? “You add one word and the plagues shall be added. You take away one word and your name shall be taken out”. Is that right? And we had a builder like Noah, who built exact. Is that right? Never added or took away. And he

tied all... Did he construct the Bible and made It fit? Did he continue to give out challenges, and said, "Come and show me something that is not inspired. Come and show me a contradiction". Is that right? Did he do it many times? If you don't know it's because you don't read the Message.

He said, "I always heard critics said this part is not inspired, and this part here". But he said, "I told them many times come and show it to me". He said, "It is a jigsaw puzzle. You need to put the pieces together". Did he get inspiration from the One Who wrote It to put It together? That's what the Message was. That's what the Message is, to put 1175 tapes together, and slide it back in the Bible, and it becomes the key to open the Bible. Do you get what I am saying? Then you see Jesus in every Scripture when you put 1175 tapes together and you stick it into the Bible, you see Jesus in every Scripture in the Bible. And you realize that all Scriptures are present tense. There is nothing past tense in the Bible. You say, "What are you saying?" The Bible is God, I will have you to know. God is not past tense. He is, "I am that I am", ever present. He is the eternal God. The Bible is God in paper. "In the beginning was the Word, and the Word was with God, and the Word was God". God and the Word is the same. Take the words of the prophet as God in printed form.

Oh my, how wonderful! He is wonderful. Isn't Jesus my Lord wonderful? How many know the Bible says that He is wonderful? That is what Isaiah says. You see, when you say that you say what the Bible says. You recognize how He reveals Himself in His own Word.

So now, we see the eagle and his house shut in the ark. That's the picture that I am bringing to you. He is not in the world anymore. He is not in the old world, but he is not in the new world either. But the reason he is put in there, he is going to the new world. Why did God put you in Christ? Because them that are in Christ will go up with Him. The dead in Christ shall rise. Only those in Christ... "Blessed and holy is he that hath part in the first resurrection, unto him the second death hath no power".

How did you get into Christ? Did you come by three steps of Grace? Did you come through one Door? Is that what Noah had? How many know that God said, "I want the ark with three stories", justification, sanctification and the baptism of the Holy Spirit? God

told him, “One door”. No Methodist door, no Baptist door, no Jehovah Witness door, “One door”. How many know Jesus said, “I am the Door”.

How many know before it could have even been built a tree had to be cut down? How many know that He was the Tree planted by the Rivers of Water That was cut down, the Tree of Life? They had to pitch it within and without. And the word “pitch” there is not your Pitch Lake in La Brea. No, no, no. That is not that kind of pitch. It is a resin from the sap of the tree. The life, and that life is a word “kaphar” in the Hebrew that means atonement. Because when the tree is cut down, the life of the tree becomes that atonement. What does the life do? It sealed the ark. Did you catch that? It spoke of the Holy Spirit. Listen to me clear. It spoke of the Holy Spirit.

What does the Holy Spirit do to a believer? What are the three things? Ownership, security, and a finished work. Is that right? Ownership, when He was cut down His Blood was shed to purchase you. His Life becomes what? A Seal to seal you. Gives you what? Security. Peace. What does that do? Keep the wrath from you. You will not come into condemnation. You will pass from death unto life.

They were secure on the inside of the ark. That pitch spoke of the Holy Spirit. That Dove spoke of the Holy Spirit. One, a Messenger that could reveal Truth. One, the Life of the Tree that could give security and peace. Different symbols of the Holy Spirit. The mystery of Christ being revealed. The ark. The ark wasn't a bunch of wood in God's mind, friends. The ark was a mystery of Christ. Because outside of the ark, everything dies. Only those that are in Christ, only one provided place of safety. Everything outside of Christ will die. In Egypt, everything died outside the life of the lamb. The same Lamb is the same Tree. The lamb was killed, and they had to put the life of the lamb to keep the death out. The tree was cut down and they had to put the life of the tree to keep the death out.

It was a mystery of Christ. It was the message of the prophet. He came preaching that. From the very beginning, remember Cain, the founder of false religion, couldn't receive Truth, and his seed couldn't receive Truth either. So in Noah's time it was still being... Cain's children scoffed and mocked and laughed. Just like

Cain laughed at Abel's sacrifice, but then frowned after the Fire came down upon it. And the same way the scoffers and the mockers begged and pleaded and cried when they saw the ark being raised up and the water was drowning them. Do you understand?

Genesis 8:13.

*“And it came to pass in the six hundredth and first year, in the first month, the first day of the month, the waters were dried up from off of the earth: and Noah removed the covering of the ark, and looked, and, behold, the face of the ground was dry.”*

Notice something happening here now.

*“And in the second month, on the seven and twentieth day of the month, was the earth dried.*

*And God spake unto Noah, saying, go forth of the ark, thou, and thy wife, and thy sons, and thy sons' wives with thee.*

*Bring forth with thee every living thing that is with thee, of all flesh, both of fowl, and of cattle, and of every creeping thing that creepeth upon the earth; that they may breed abundantly in the earth, and be fruitful, and multiply upon the earth.*

*And Noah went forth, and his sons, and his wife, and his sons' wives with him:”*

Do you understand what I read there? He is coming out of the ark now into the new world. He has come out of the ark into the new world. I read to you he prepared the ark. I read for you when God said, “Come into the ark”, and God shut the door, and I read for you when he came out of the ark. He entered the ark from the old world, when he separated from the old world. And when he separated from the ark, he was in the new world. Do you understand me? I read that so just to set the Scripture in order for you, because now I want to preach the part in the ark. Because that is where the ministry of the Dove was. That is where the ministry of the Dove was, was in the ark, when they were in the ark.

If we are not in the world, and we are not yet in the New World, and a prophet and his Message have separated us, and we are abiding in that Message, that Message is what takes us to the New

World, because that Message is the mystery of Christ that have been brought for our salvation. It is this Message that lifts us up above the judgment, and brings us back to populate the New World. It is this Message that takes us into that Dimension. Oh my!

So now I want to read Genesis 8. I am coming to my text here now. I am speaking on, **THE LOOSING OF THE RAVEN AND THE DOVE. THE LOOSING OF THE RAVEN AND THE DOVE.** And for a little subject here, *‘Under the Seventh Seal is the mystery of the Seventh Dove ministering to the eagles on the Seventh Mountain and leading them into the New World’.*

Remember that Genesis chapters 6 to 9 is what Jesus referred to in Matthew 24 when they asked Him the question, “What is the sign of Your Coming and the end of the world?” And how many remember that Matthew 24 is the Seven Seals being revealed? How many remember after He opened Six Seals, he came to the Seventh one, and He said, “Now no man knows the day or the hour. Not even the Son of Man, not even the angels, only My Father”. Do you remember that in the Bible?

But what did Jesus do when He did that? He referred... He said, “But, as it was in the days of Noah, so shall it be in the days of the Coming of the Son of Man”. And over in Genesis 6 to 9, is a mystery of how God came to a prophet... Listen to me for a few moments. Between the earth filled with violence, Woe, Woe, and before the end of all flesh, the third Woe, that was coming quickly. And God descended to the prophet before the Coming of the great and dreadful day of the Lord. And God revealed to the prophet a mystery to take the living descendants at harvest time.

How many know after the end of that first two thousand years was harvest time? How many know that God is reaping the earth? How many know that God is going to destroy the wicked? How many know that God was separating the righteous from the wicked? When He came down to Abraham He separated the righteous from the wicked. When He came down to Noah, what did He do? He separated Noah and his group to destroy the wicked. Is that right? When He came to the last days, Matthew 13, at harvest time, “I will do...” what? “Separate the wheat from the tares”.

And God opened this mystery to the prophet. And the prophet’s Message was going to be rejected by the world and be received

only by the living descendants of the first Adam. And they were going to be taken into the New World. How many know that we are at the end of another two thousand years? How many know that it is harvest time? How many know that God has come down to a prophet? How many know that the world is going to be destroyed? How many know that God opened up a mystery to this prophet in the end time to take a people out of this world, and take them into another World? How many know for two thousand years nobody ever came out of this world and went into the New World while they are alive? Is that right? And from Adam to Noah, nobody ever took a people out of the old world and brought them back to live in the New World.

Don't get confused, hear how I am saying it. I am specific. You are thinking Enoch in your mind, I am not thinking about Enoch. I said, "Take a people out and bring them back to live in the New World". Enoch didn't do that. Enoch is a type of the translated ones. This Noah is the mystery of the Seven Trumpets sealed. The Seventh Seal was sealed and God put the mystery as the Seventh Trumpet. How many know that in the Book of Revelation the Seventh Seal is silence? But how many know Revelation 7 is the material to go into the Seventh Seal? How many know Revelation 7 is the Seven Trumpets preached supernaturally under the Sixth Seal? Yes sir!

Ninety-nine percent of you in this church don't understand that, and I am saying that for the last... since 1979. And that's nothing but the Truth. That's "THUS SAITH THE LORD". That's a secret. That all these movements that man tried to get a hold of, and worked them up, and got people to roll and jump and dance, and all kinds of things to get the Holy Ghost, and that's the secret right there. I don't say that to glorify myself, friends. I say that to tell you in this church God has given you the Truth. Get a hold of what is being said, learn and understand and grasp. That is why I tried to stay sane. I tried to stay humble. I tried to stay true to the Word. I tried to say only what has been said. And when I said something I tried to show it back in the Bible and the Message and made it say the same thing. I have no invention.

We are talking about this Dove. God opened our eyes to see that Message, '**On the wings of a snow-white Dove**'. Now I am showing that that is not the prophet's thing. The Dove that took

Noah in was the same Dove that brooded over the earth in Genesis. But in Noah's time was symbol, because God was sealing the mystery. Because the end time people, as it was in the days of Noah, is going to be the One that brooded in Genesis is going to take us in. A bird cannot take us in. It is the One that brooded over the earth in Genesis. The One that came down in the New Testament upon Jesus, that same One came back in the end time. Hallelujah!

Because from Adam to Noah is a mystery of the faith civilization, then the science civilization came in, and then they came back to the new civilization in type. Is that right? And for six thousand years we have had a science civilization that came after the faith civilization, but now it has come to its end, and a people is going back to the faith civilization. Is Adam and Eve going back in the Garden of Eden? Is that Christ and the Bride? Is that a man in the image and likeness of God with dominion? Who produced that first man? Who produced that first Eden? Was it the Spirit of God that fluttered like a dove? Was it in the Evening Time on the first day?

The dove came at evening time. It came to Noah at evening time after seven days, on the eighth day. It is symbol. You see, it is not trying to understand a Scripture. The Book is a mystery of a people who was in the faith civilization and was supposed to come by the Spoken Word. They bypassed that, and they ended up in the science civilization, born by sex, in a world of death and toil. But there was to be a real Noah.

How many Noah means comfort? How many know Noah means rest? How many know that that is a symbol of the Holy Spirit? How many know that Noah came to take them out of their toil, where the sons of God had to toil after the fall? How many know in the Book of Genesis in the genealogy of Adam, the genealogy is only broken twice? With Enoch, It says he walked with God and was not. And with Noah, when he was born, Lamech says, "This one, Noah, he will bring rest to us where we were caused to toil", because God cursed the ground. Both times the genealogy was broken to put prophecy there. And how many know that Enoch and Noah are types of the last days? How many know Enoch and Noah are the eagle age? See?

That is why the thought, sometimes, seems far-fetched, when your mind cannot put it together. You must not sit down and try to figure out what I am saying, believe what I am saying. God proved to you over the years I say only His Word. You will not go in by trying to understand everything. I say it because I say it as a witness. But you will never get it, some of you. It is too high for you. And you are not called to live there, you are just called to obey and walk. “My sheep will know My Voice”. If I am from God and people are from God, their faith will link with my faith in God’s Word. Because you don’t know everything the prophet is saying, and yet you believe him. Can you explain how squirrels were created? But you believe it.

God will vindicate it in your heart. Because if God sent you to a people and you are ordained to lead them through, the ones you ordained to lead through God will witness and confirm to them you are the one leading them through. “I know My sheep and My sheep is known of Me”. Because when I preach I call their names and reveal their lives. And that is how they know I know them. Because they don’t know where to go until I call their names, until I open the Book and I show them where they are. Because that’s the commission, “Feed the sheep and feed the lambs”. You can’t feed them if you can’t call their names. Yes sir! Oh my!

You see, it is not man that put a Church together. It is put together in the thoughts of God before the foundation of the world. That’s why you can’t pray to be a pastor, evangelist, teacher or prophet or these things. That is foreordained to you. If I was mimicking this, after thirty-three years I would have shown up to be a real mimic. But if this doesn’t stop, then you stop mimicking and start believing. Because when you sit there and can’t walk, you are mimicking. Not I am mimicking, you are mimicking. You are thinking that you want to play safe and you are getting left out. No, no, no, no.

That sounds a little rough, but that is not rough. I will show you just now when the Dove comes with the leaf, the Dove comes back muddy. ‘*For all the battles you have been through, standing on the battle lines, soldier. All the bright new armor, bright and shiny*’. Yes, you are going in bright and shiny, with your bright, shiny armor? No, no, no. You are going in battle-scarred. You are going in battle-scarred, friends. If you are bright and shiny and you have

no scars, you were hiding from the battle; you were a deserter. Because the Captain has scars. Jesus had wounds. Jesus had wounds. Paul had the marks in his body. The Dove that was shot, was flying. It was a wounded Dove that fell in the camp. Don't fool yourself. This nice, dainty Christian, every piece of hair in place, tied down, looking sweet and nice. Amen. Oh my!

Isn't He good? Give Him a handclap, this morning, this sweet, lovely Jesus. Oh my, I tell you! What a mighty God! What a Presence to be in, this morning, to be in His house where there is joy unspeakable and full of glory! "I was glad when they said unto me, 'Let us go into the house of the Lord' ". Oh my! Hallelujah!

Well, we covered a lot of ground, and we covered it quick. So can you see so far what we are laying out here? Noah, his faith, seven things there, how he stepped out, then God on the scene. You see I am just connecting the dots. I am connecting some dots, this morning. I am not trying to preach in between. I preached on these things too many times to try to preach it over. I wouldn't get where I am going. So I am just connecting the dots for you.

He was shut in the ark. He was in there for about a year, and then he stepped out into the new world. And that time was in transition from the old world into the new world. Do you get what I am saying? Either you are in the world this morning, or you are in the ark. Either you are in Christ, either you are abiding in the Message, or you are just walking around the Message and going to a Message church, or you are abiding in the Word constructed by the prophet.

And let me say this, by God's grace, He prepared an ark in this church, on a church level now, for the saving of His house here. It have people in this church must have peace this morning to know that they are saved, to know that they see the Word, they are part of the Word, to know that they are in the plan of God, and they are moving in step with God, and they are on their way to Glory. There is such a people in this church, this morning. If they are there let them lift their hands and say, "Amen". [Congregation says, "Amen"]. Yes sir.

Well, those in that ark knew, they could say, "I was out there, but the Prophet came and spoke this morning". And said, "God told him, 'Now God's Word calls for a total separation from all unbelief'. And He said, 'Now it is time to come into and abide. We

can't go any further until we make that decision, this morning'. He said, 'And you see me, I step in'".

Every one of us has to have that experience that we know we are shut in there. You are on your way. "But where is this ark going? I am not sure where this ark is going". You don't understand the Message? Do you know what the prophet came for? Do you know what he brought a Message for? Do you know what Seven Angels came for? Do you know what Seven Seals opened for? Do you know what Seven Thunders uttered their voices in a church for? Do you know what the Seven Seals were pulled back for? Do you know he waited thirty-three years for those Angels to come? He said, "The healing never hit the spot", under all of that healing, "I am waiting for what He said on the river" A Message is to come, '**Sirs, is this the sign of the end?**' could it be?

And when that Cloud was turned, he was Supreme Judge. Who He came to judge, the world or you? When It came first, "Look up, your redemption draweth nigh". When It turned, brother, the Judge is here. The Judge standeth at the door. Did you apply the Blood like the Prophet said? When Moses said that at evening time, and it was getting close to twelve, and an Israelite... You say, "Do you know what time it is?" He said, "I have no idea. Me, I am not interested in the time". You say, "Brother, you are not interested in the time?" You say, "Brother, death is going to pass at midnight. It is three minutes to midnight". You say, "Brother, it is later than you think". Then you start to hear the time-clock striking the hour, "Bong, bong". And the person standing there is counting, "One, two, three, four, five, six, seven, eight, nine, ten, eleven". They said, "Eleven o'clock", and they hear that last, "bong", and they see that dark fog started to move. They were counting time. Because when the prophet said, "Apply the Token now, because when God comes", 'When I see...' Not, "When I see you applying", "when I see it displaying, when I see it is correctly applied".

From that time till midnight time becomes something you want to be conscious of. You could be late for church here, you could be late for your job, you could be late for your school, but don't be late for the Rapture, friends. The foolish virgin came back with a speed, but the door was shut. They heard the midnight cry, but they didn't get in when the door was shut. They found that they were in

a condition not ready to go. It is put there to show people under the Message, who heard the midnight cry, talking about the prophet, has the prophet's picture, trying to explain what the prophet meant and what the prophet said, and is not going in, because in their lives have no sign of preparation. They are talking history. They are talking twenty, thirty years ago. "I know the prophet. I heard about the prophet". But their lives have no sign of preparation. Pretending, friends. No, not that. You want to walk in the Truth.

It is not 1967, friends. It is 2006 running out and 2007 is getting ready to come in. It is not two years after the Prophet died, friends. It is forty years; a generation's gone. Look how long the Angels came with the Message, friends. Don't fool yourself. Filter your thinking. Don't get foolish thoughts and think that you are special with God, and God will keep back the whole thing for you. The God of the Bible will break your foot and get you in, not keep back the whole thing for you. No, no, no. Lot and they had to leave everything and run for their lives. The Angels were dragging them, and dragging them out. Read the Bible! Sometimes you sit down there in your relaxed chair, and you are talking, you are in the wrong place. You don't talk that in your relaxed chair. You talk that on your knees. Because when you are talking that on your relaxed chair, you have the tendency to put it quite down the road still.

Genesis 8, quickly. So Genesis 7:16, he was shut in the ark. Then God spoke to him, Genesis 8:13-18, and he came out of the ark. But we are seeing him in the ark, still not in the new world, but not in the old world. And that's us. That's us.

*"And God remembered Noah, and every living thing, and all the cattle that was with him in the ark:"*

God remembered Noah in the ark.

*"...and God made a wind to pass over the earth, and the waters assuaged; (or subsided)"*

What was happening? God said, "My plan is not to keep you shut up in the ark. My plan is to get him in the new world. That is why I sent the Message. That is why I had the mystery. That is why I separated him and brought him in. That is why I raised him above the flood. That is why I poured out the rain. But the earth is flooded over, he still can't get in the new world yet. Let Me finish

what I started, because My plan is to get him in the new world". So God now, created a wind. The wind was to do what? Get the water on the earth to subside. What for? He wanted Noah to step out into it. He wants Noah to become the head of the race. He wants Noah to be placed positionally with dominion. God wants to finish what He started. He is the Author and the Finisher. And God is not forgetting His work, God remembered Noah. Can God forget that? Well then, why does the Bible say, "And God remembered"? It shows you God's purpose is on His mind. What He started He may pass different places, when you think He is making a lot of detours, but He is heading straight to His goal.

*"The fountains also of the deep and the windows of heaven were stopped,"*

My! Genesis 7:11 tells you, "And the windows of heaven were opened", and the rain started to pour out. But, watch here in Genesis 8:2 tells you the windows were stopped. God opened the windows and God closed the windows.

*"... and the rain from heaven was restrained;"*

Isn't that wonderful? Friends, when you see things like that remember He is the same yesterday, today and forever. When you see that you see what God can do. When you see that you see God Who created nature controls nature. You see how God puts boundaries to trials and problems in your life. You can see, sometimes, if that rain keeps falling there, Noah, brother, he is in so much tribulation in that ark. You are in Christ, but so much of tribulations. And how many know tribulation worketh patience? I am not talking about the great tribulation, I am talking about tribulation worketh patience. Everybody has tribulation in their lives. Every life that has to be redeemed has tribulation. For the earth to be redeemed has to have tribulations. A woman who has to give birth to a new life has to have tribulation, her hour is come, anguish and sorrow. That is part of life.

This is where people who got influenced by this scientific generation wants life without pain. A man with a carnal nature and a corrupt body, he wants a heaven here. No! When you come into that new Body in that New World, there is no more sorrow, no more pain, no more tears, no more... But while you are here, "Weeping may endure for a night", you will have birth pains, but

in there you will see God's faithfulness. God will teach you lessons that you need to be taught on your ash heap. You will rise up knowing, "I know my Redeemer liveth". You are put here to be tested and tried that you might overcome and inherit that New World. You suffer with Him here, you will reign with Him there.

That is why you learn your lessons of life. You don't complain and murmur, and is bitter, and you blame the preacher, and blame the Word, and blame God, and blame the Message, and find everybody to blame. No, no, no, no. You know nothing can happen to you except God allows it. You know it is not within a man to order his own steps. "The footsteps of the righteous are ordered of the Lord. And think it not strange concerning the fiery trials as though some strange thing is happening to you".

Look at Joseph, he had to go through suffering before he came into glory. "You count it all joy when you fall into diverse temptations, knowing the testing of your faith worketh patience. You learn to possess your soul in patience. That patience might have its perfect work, that you might be entire wanting nothing". Building character, climbing the mountain, coming up to the stature of a perfect man, where the Dove can come to you.

When that Dove came, do you think He only came to Jesus with a nature to lead? They in the ark better had a nature when that dove started to minister to them; because the dove couldn't minister to crows inside of there. It didn't have any crows shut in there. Do you understand what I am saying? Now watch.

*"And the waters returned from off the earth continually: and after the end of the hundred and fifty days..."*

Five months, five new moons. Do you get that? You had to have a way to tell time. Do you think Noah had a watch on his hand? Do you think he had a calendar on the wall? He was part of the lineage where God showed, "And these bodies are for signs and for seasons. Day unto day it uttereth speech. Night unto night it showeth knowledge". God's first Bible is what Adam could read. The heaven declared the glory of God. That was the clock. And that mystery Adam passed down to his sons. And how many know from creation to the flood, from Adam to Noah, catch this, when Noah went in, he went in with the mysteries Adam had in the Garden.

Because from Adam to Methuselah, these two men, Methuselah knew Adam for 243 years. And Methuselah died in the 600<sup>th</sup> year of Noah's life. And his name "Methuselah" means when he is dead the flood shall be sent. And Noah knew that he was a sign. And when he was dead, the same year Methuselah died, it is the same year Noah entered into the ark. So from Adam to Methuselah was from creation to the flood. Two men's lives spanned the whole thing. Two men's lives that overlapped on the earth.

Do you understand? If you got to spend 243 years with the prophet, do you think you would have been talking about sweeties, and denomination is false, and all kinds of different things? The apostles and they spent three and a half years with Jesus, and they knew about Angels, and Theophanies, and casting out devils, and walking on water, and stopping the storm, and all these different things, in three and a half years. Elisha spent a couple of years with Elijah, and when Elijah met him he was a farmer. And after Elijah was translated, he was in the shape to wear Elijah's robe. And he knew about the unseen world, and operating in the supernatural, and the gift of knowledge, and all these different things.

Is that the Bible? Elijah spent a year in the widow of Zarephath's house, and she who was dying, and saying, "We have nothing to eat, my boy and I are going to die. We have one handful of meal". By the time he left, after a year in her house, she could operate in the supernatural and see the Spoken Word produce food on her table for a whole year, three square meals, while everyone else was in famine. Because she let his Word set her life in order, and lead her to discover a faith she never knew she had.

Joshua spent forty years with Moses, and then he learnt to open the Jordan and stop the sun. And God said, "As I was with Moses, so shall I be with you".

How readest thou? Can you be associated with this ministry all these years and you haven't learnt anything? You are coming here for the wrong purposes. Do you get what I am saying? The Message takes on another dimension, isn't that so? Do you see where your thoughts have to go? Do you see why your thoughts can't be down *here*? Do you see how good your prayers were? Your prayers brought me back here, and in coming back here I opened my mouth to speak a few things to you this morning. It is like a sweet-smelling savor filled the house.

Verse 4.

*“And the ark...”*

This is the ark which he had prepared for the saving of his house. This is the ark that the eagle and his house, God said, “Come into the ark”. This is the ark that they were sealed up in.

*“And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat.”*

I want you to pause a little bit. From May 17<sup>th</sup> to October 17<sup>th</sup>. May 10<sup>th</sup>, he went in the ark, when God called him in and shut the door. “Yet in seven days the rain will come”. May 17<sup>th</sup>, the rain began to fall. Remember April is the first month. And now October, the seventh month here, what happened? The ark, now, that was on the earth, when they came into...

When they came into the Message with the Prophet they came in down *here*. But when that mysterious Cloud appeared, and a rain began to be poured out of heaven, a Cloud that brought judgment to a world; since that Cloud appeared how many know the world began to die? Are we getting somewhere? Listen to me close. When that Cloud appeared the world began to die, but how many know the Elect began to live? How many know when that Cloud appeared seeds began to be quickened? How many know lives began to be raised up, when that great Magnet came in the sky? How many know that if you are raised up in Christ this morning, to be in Christ in the days after that Cloud came, you can't be in a denomination? Because when that Cloud came It said, “There is only one provided place”. When that Cloud came, It said, “Every, ‘THUS SAITH THE LORD’, every man-made organization shall die. Flee it like you fled the plague. ‘Come out of her my people’”. And how many know when that Cloud came It indicted the whole generation for crucifying Jesus Christ? How many know that they were put on trial? How many know that they were found guilty? How many know that they were shut up in prison? Okay now, how many know before a New World could come the old world has to die and rot?

Now listen to me I want to get a little deep here for you. It isn't really deep, but it is to get it to make more sense to show you the reality. This world is rotting. While they were in the ark, the world was dying and rotting. How many know that denomination has

gotten worse? How many know that this generation has gotten worse? How many of you here who is 50 years here have seen the world gotten more evil? How many see what your children are being faced with at 10 and 12, you weren't faced with that at 30 years, and your father wasn't faced with that at 60? Do you see that? How many know that the bottomless pit is opened? And how many know that after the Cloud came hell is being created on the earth? These things were pointed out to us, that demons powers have taken over the generation. And the generation is becoming ripe for judgment, for the atomic bomb, how many know that?

But how many know that there is a people since that Cloud came, it is coming to a faith that they never had, that Luther never had, and Wesley never had, and the Pentecostals never had? How many know that they have come into a knowing of seeing their names in the Book, and seeing the mystery, and understanding their time and the season, and the closing of the Holy Ghost like the churches never had? Is that real? Does that make sense? Is that according to the Bible? How many know that the world comes like Sodom and Gomorrah? How many know that homosexuals who used to be in the closet all these years come out now and have their own Olympics and everything else, and are so powerful? After that Cloud came. How many know that in the days of Sodom, when Elohim came with the Cloud, and the Angels appeared, and He turned his back and discerned the hearts, that was the last sign before the earth burned with fire.

Then you are with me. Then you understand what I am saying.

*“And the ark rested...”*

It is raised up. When they walked in that ark, they were down here on the ground. But when that rain started to pour out from heaven, they started to raise, and raise, and raise, and raise. And they were higher than everything on the earth. They were an elevated people, caught up. But how many know that it is rain from heaven that lifted them up there? How many know that that rain was a vindication of the prophet's message? And how many know that when the prophet brought the message of the mechanics of the ark, then the rain came with the dynamics to raise it up, and now the message was complete with dynamics and mechanics?

And where did it raise up to? The highest mountain. Oh my! I am getting to a place here now. That was that last mountain. Notice

he said, “The mountains of Ararat”. It is just like Mount Ararat, you know. It was a range of mountains between Turkey and Russia, on one side, and Turkey and Iran on the other side. It was the last range, and the highest mountain was the last one before you went over into the other country.

I am going to get there if you could be patient a little bit. So watch. Something rained down on this church to lift you up. We talk about the fences. How many know that a lot of the ducks sitting here this morning couldn’t swim together because fences had them separated back in the early ‘80’s, in the late ‘70’s and early ‘80’s? But how many know that it was because a rain poured out from heaven, brother, the water rose above their fences and the ducks began to come out of those fences? Is that right? And their lives came up on another level. They started to see the Message from another perspective. They are not watching the Message down here, “Denomination is false”, this and that. No, no, no. They are raised up into a place to know, “Not many days we are going over into a next world”.

Oh Jesus, help me. Give me grace, give me words, Lord, so I could say this and make it plain quickly. My, my, my, my!

*“And the ark rested in the seventh...”*

I like how it said how, “The ark rested”. It didn’t get backed up and reached there, you know. It is like Somebody lifted it, and rested it there. How many know that the Bride has to be on that Seventh Peak before she could go into the New World? Because that Seventh Peak is the last part of the ministry of the Son of Man, the Third Pull where time runs out and Eternity sets in on the continental divide. I am going to get it just now. We sing about it, I preach about it over the years, they wrote the songs upon it, and still when I speak about it some of you look like you are dumbfounded. Like your mind cannot be quickened to catch what I am talking about.

Noah was a prophet whose ministry was connected to a mountain and a dove, who caught the mystery of the Thunders between the Trumpets and the Vials. And after seven days, he was ministered to by a dove at the evening time when he was on the seventh mountain. Tell me when the dove came. Tell me which mountain he was on when the dove came? Tell me if the dove

came after he caught the mystery of the Thunders between the Woes, the earth filled with violence and the end of all flesh.

Tell me if he preached, '**The flashing red lights**', and tell me if he preached on, '**A world is again falling apart**', and, '**Birthpains**', and, '**Shalom**', and, '**Things that are to be**', and, '**Future home**'. Did we have such a prophet who told us the world is in birth pains? It is rotten, religion is rotten, politics is rotten, everything is rotten and dying away. The world is falling apart, it is in birth pains under the Woes in the height of the industrial revolution. Are you getting me?

Let me get a little for the more educated ones here, who could appreciate these thoughts better, the more read. At the heights of the industrial revolution, when the industrialized nations were looking for cheap markets and cheap labour and resources, then they enforced their will upon smaller and weaker nations, because the law was conquest. And by conquest, the earth began to be filled with violence, because they began to fight and destabilize the world to take control of resources and control markets. And the industrial revolution began to destroy the earth, and the earth began to be filled with violence. How many know that that is how the earth got filled with violence here? How many know that that is what those wars were about? How many know that that is how this civilization advanced and became so civilized and built cities everywhere? How many know that is how all the industrial plants, and they changed the world into this kind of world, and the big conglomerates control everything. Remember the world started off with Cain was a tiller of the ground and Abel was a farmer. Remember how they had the Sphinx and the pyramids.

And during that time a prophet appeared on the scene. And God, before the coming of the great and dreadful day of the Lord, appeared to the prophet on the mountain, and Seven Angels came to that prophet, roared out Seven Thunders. And the prophet caught a mystery to take a people out who had never been taken out for two thousand years. They all died there of a race who was heir to the earth, and he was going to take them back in to inherit the earth that they were heir to. How many know that God didn't forget those that were living descendants? How many know that that is the exact picture now?

How many know that that is why you fail to understand the Seven Church Ages and the Seven Seals, you miss that the Seven Church Ages and the Seven Seals opened up who the family is. It gave the missing part to the genealogical records. In the Bible it stopped up to Jesus. It came from Adam to Jesus. It stopped. But in the Message, it came down from Paul, Ireaneus, Martin, Columba, Luther, Wesley, Malachi 4, and stopped at the verse of Revelation 10:7. And when the Thunders came back around the second time, it opened a second fold, and there is a people that stepped into the last part. And began to preach the mystery and the revelation of the Name, of how real He is in the Bible.

That the Holy Spirit, when that Dove dropped down, and said the Deed that Adam had it went back to God. And the Lamb took It, and Adam and the Lamb didn't have It, amen, because now an Angel had It, and an Angel brought It down between a Gentile prophet and the Jewish prophets. But it is between the Gentile prophet and the Jewish prophets where It went back into human flesh. The same Deed, to prove that that is the living descendants.

And then the Dove... And then the Dove... And then the Dove... You have to get a mystery of the Dove if you are the living descendants, because the Dove takes you to the last part. The Dove takes you to the last part. After the ark, you can't come out of the ark without the Dove. The New World is unseen.

But Noah had a messenger in his midst that could go to the unseen world and come back, and go the unseen world, and come back. And coming from the unseen world, He is making the unseen world visible among them. Because something in the dove's mouth, hallelujah, something in the dove's mouth was bringing the unseen world visible as dove leads eagle. Something was breaking to them on the mountaintop! Hallelujah! Oh my! Thank You, Jesus!

Oh, praise Him this morning! Can you realize what we are talking about? Worship the Lamb. This is not make-belief, this is the Bible, inspired, anointed, being revealed, being made plain among you!

That Dove that took a dark chaotic world, submerged under water in Genesis 1 on the 8<sup>th</sup> day, appeared on the scene to make way for a son of God to come in that earth, amen, cleanse and set in order to be head. And Genesis 8, that dove came to take another

earth submerged under water to make a way for a son of God and his house to step into a new world. Hallelujah!

They came out of that ark to go into that world. Noah, it was revealed to him he had a messenger of love. The whole thing was love, because the dove would only come back because of love. That's how they trained a dove to be a carrier to carry a message, because they know it loves its mate. It is loyal to its mate. It's faithful. It will never leave them. It will never abandon them. They will have to kill him, but he is going to try to come back anyhow.

And this Dove we have, He died and rose. You can't kill Him again. And He is coming back through the storm and through the night, "Lead me on to the light". Hallelujah! But no matter what kind of conditions, though the world is on fire, those storms are raging everywhere, though earthquakes are shaking down everything, that Dove goes to the other world and comes back, goes to the unseen world.

Because the world was unseen to Noah, the new world was unseen. And Noah needed insight into the world he had to go to. He couldn't enter a world that he knew nothing about.

Could you enter into baptism if you don't know anything about baptism? Could you enter into sanctification if you don't know anything about sanctification? Could you enter into the baptism of the Holy Ghost and know nothing about it? The way of entering, it teaches you something so that you could enter in. An entrance is ministered. That is why people bring them to join churches and tell them that they are saved. They bring them in and establish man's person in their hearts, and bring them into a cult, and tell them that they are secure. An entrance is something ministered. It takes the opening of something that was previously sealed.

Before the dove could have been loosed... I am jumping ahead of myself. And before the crow could be loosed, he had to open up part of the Word, the ark that was previously sealed. There could be no loosing of the dove if he didn't open the window at the top. There was something in the top that was sealed up. Light from the new world had never shine in through there yet. The window was an opened channel between him and that world. But the dove was the messenger. The dove was the courier. And Noah needed insight. He loosed the dove with objective, with purpose, with

intent. He had something on his mind he needed to know. He needed insight into something previously unknown.

None of these Seals could have been opened. He tried to open them with the Scofield Bible, and he was probing with the wrong key. And the Angel dropped down at midday with the Key in His hand. He said, "Scofield doesn't have it. Here is the Key". And He put a Key in his hand. Is that right? And all Seven Seals opened that way. Because what is a key given for? To open a way. To open a way. What is the opening of the Word? God giving you the key to unlock the Scripture. Why? Because there is a treasure hidden in the Scripture.

And Genesis 8 is a picture that the whole world knows about. The whole world talks about that picture. How many know that that is a universal symbol of peace? How many know that every nation recognizes that one symbol?

Every nation has their coat of arms. Different ones have different birds and different animals. Australia has the kangaroo. We don't have the kangaroo. We have the Scarlet Ibis and 'flamingo' (Cocrico). See? Germany has an eagle. Rome has an eagle. Persia has a ram. Greece has a goat. Think of it. But one thing they all agree on is the dove is the symbol of peace, the whole world.

And yet from Genesis 6, God was coming to the prophet in an age of moral decay. In an age between the Trumpets and the Vials with a Message to take a people out. The people is not into that new world until the end of chapter 8, which are the results of the Message, and the results of what God worked through the Message He gave to the prophet. Because the God Who gave the revelation of the ark is the same God Who had to give the rain. It is the same God Who has to give the insight of what they needed to know to go into the new world. Is that right?

Noah wanted to know about Future Home. He wanted to know about the changing of dwelling places. He wanted to know in that hour things that are to be. He wanted to know things to come. He knew what was and what is, but he needed insight in what was to come. And that dove could open up the next part of the Word, the going-in part that he needed insight on, because Noah couldn't step out and go and find it. But he was conscious that there was one amongst them.

We have One amongst us, an unseen One, that One that came down in Revelation 10. We have Revelation 10:1, King Theophany Jesus, the Seventh Dove, the snow-white Dove that's amongst us now, cooing, brooding. Amen. He goes to that world and comes back. He goes and comes back. He goes and comes back.

And I want to show you something, when he went the first time he came back with nothing. What they needed to go in, they weren't supposed to get it on the first fold of the three-fold ministry of the Dove. They had to wait until He was more in season. Oh, thank You Lord! It was in the second flight. It was in the second flight.

Oh, isn't that what He promised? It will open wide before your wondering eyes. And, we, who are edified and purified by His Spirit will be made ready for the Coming of the Lord. That's what He says. That's what He says.

I am not going to try to be superman and finish up everything. But I still need to hit one or two places just to...If I am going to put a pause just to fix it right, fix it right, just good that we could worship Him a little bit.

Because Genesis 8:6-12, which we are about to read now, seals up a hidden truth in the Word in the form of a picture. The whole world knows that Scripture. The whole world uses that Scripture. But that Scripture, that picture, it's a picture of a dove flying with a leaf in its mouth. But that picture tells us where Noah is. He is in the last mountain before he goes over into the other country, into the new world. That picture tells us that rain that was poured out had raised them up to that last part, they were on the peak now.

1959, he started. '57, little fish. Squirrels created. Hattie Wright's boys. The Spoken Word coming in, the first part of that mountain, the Seventh Mountain, the first part of it. Because the Third Pull is three parts; Spoken Word, opening of the Word, and preaching to the lost. That's a key that many struggle with to understand the last part of the ministry, because they failed to see the Third Pull had three parts. Jesus' ministry had Spoken Word, opening of the Word, and preaching to the lost. And that's the sequence it comes in. And when you miss the sequence you can't apply the folds correctly, and all the Truth between there is lost.

And that's why a Scripture like this, so much could be opened on it. Because when the Spirit focused my attention there and

showed me, Genesis 6-9 are the days of Noah that holds the secret in a type of the Seventh Seal. Jesus said, “No man knows the hour of the Coming of the Lord, and of the end of the world”. But the days of Noah showed the coming and the end. It showed the day the door swung shut, it showed the day the rain fell, it showed how they stepped out into the new world, it showed what happened to the old world. The old world came to an end, they were in a new civilization. God turned the earth back to its pre-industrial state. And before any of those things could happen, a prophet had to be on the earth catching the Word at the end of the age. The age ended with eagles. That world passed away with eagle-witness. The dove led the eagle there.

Was Noah an eagle-prophet? Was Enoch an eagle-prophet? What is the last beast? Does this world pass away under eagle testimony? Will the earth burn after Malachi 4 and 5? Are Moses and Elijah going to release plagues on the earth? That’s right.

Do you see the perfection? This further endorses and confirms and reconfirms the things opened to you right here on, **‘On the wings of a snow-white Dove’**, if you have spiritual discernment. Because now, instead of preaching about Brother Branham and his Dove, I am preaching out of Noah and his dove. A prophet with Three Pulls. An eagle prophet catching the Thunders between the Trumpets and the Vials. An eagle at the end of the age going out with the old world. Birth pains under the Third Woe; scientists have destroyed the world. The atomic bomb went off, threw the world off of its axis, brought the end of all flesh. They were warned by a prophet, an elect taken out, and taken above the judgment to bring them back into a new world. The last part was the dove let the eagle in. The next Message was the, **‘Dove leading eagle’**. Where? To the resurrection.

When that dove came with the olive leaf... The dove came back the first time. Do you know why? No place for the sole of her feet. The whole earth was under water still. Do you get that? And the first thing the dove came back with was a sign of resurrection, new life after death, speaking of resurrection. “What was my next Message to go into?” He said, “My next Message was, **‘Dove leading eagle’**, **‘I’ll ride this trail once more’**, the voice of the Archangel, the next part”.

Friends, if that thing is not God then I am a truck. Oh my! Beyond the human comprehension!

God sealed up the hidden Truth of the Word in the form of a picture. Watch where He placed the picture. He placed the picture of the dove ministering to the eagle and his house shut up in the ark on the seventh mountain. He placed that picture positionally between the eagle, the elect being separated from the old world, and before the elect entered into the new world, it is where God fixed that picture. Are you catching that? They had not yet gone in the new world, they had come out of the old world, they were shut up in the ark, abiding in the Word of the prophet.

I need to put that quote in right here now too. **‘God’s power to transform’**.

*“Notice, in Noah’s time, (paragraph 199, write it down) seeing the Word being erected to float... (Do you hear how he says it?) Notice, in Noah’s time, seeing the Word being erected to float... (What is being erected? The Word). Now, let me make a little remark here. The Word is... (and I am reading his words. He said) ... let me make a little remark here. The Word is being put together for to be transformed from the ground to the skies.”*

What was the prophet doing in his preaching? He was putting the Bible together, because denomination had It in all kinds of different pieces. But he is putting It together because the Bible is God’s plan of salvation. And It was to be made clear in the sounding of that vindicated message of that Seventh Angel when he began to sound it was finished. The whole Bible is open. It is put together and we can see Jesus Christ from Genesis to Revelation. The great three-fold secret God had in the back part of His mind expressed through the lives and the acts of the believers in the Bible. The expression of one goal and one purpose that God had in the sounding of that prophet, that is what he brought.

He said... What is that ark?

*“The Word is being put together for to be transformed from the ground to the skies.”*

This is 11<sup>th</sup> September, 1965. He was out West, and in a few days he was going to see that Dove.

*“Seeing the structure of the thing; but with their intellectual conceptions, laughed in the face of the prophet, Noah, when he was prophesying of the end time. That structure was made of the Word of God, pitched inside and out with prayer and faith.”*

So you know which ark he is talking about. Do you know which ark he is talking about? He is talking about this one. “The Word put together pitched with prayer and faith”.

*“When the rains come, all the intellectual conceptions of religions died and rotted right in their churches;”*

And go back through all those Pentecostal churches where he preached, and see if they are not dead, and see if they didn't rot. And what brought that? When that Cloud came and brought a rain, they rotted. Watch.

*“... right upon the earth. And the ark floated above it all. The scientific spray seed rotted right in judgment.”*

Then on, ‘Power of transformation’ now, 13<sup>th</sup> October, 1965, paragraph 265. He said,

*“See where we got to walk? Understand? Same as in the times Noah's seed Word, it erected a floating transformation from the earth to the sky. ... Noah's seed Word, it erected a floating transformation from the earth to the sky.”*

As I explained to you the ark, what it was. It was a tree cut down. It was three steps. It was a door. It was pitched within and without. It's a mystery of what? Salvation, Christ. Because God only has one plan to save man which is Jesus Christ. Go to the Message, ‘Ark, a type of Christ’. And he talked about there are three realms that man lives in. We walk in the humanistic, but when we came to the Message we walk in the realm of revelation and vision. Do you get that? We came up. You can't be in the Message, and the Message in you, and you are walking by sight. Impossible. Because it takes the new birth to walk in the Message. You might be in a Message-church, Message-group, associated with Message people, but the Message in you is the new birth. And you don't walk after the flesh anymore; we walk after the Spirit. You look to the things that are unseen. “Noah being warned of

God of..." What? "...things not seen as yet". Unseen. Faith looks to the unseen.

*"But he was right, because he was a vindicated prophet. And then, at the end time, his message was truly vindicated. What did he do? He transformed from the earth to glory by a ark of the Word that he was preaching. He transformed. ... in the end time, his message was vindicated. He transformed from the earth to glory by a ark of the Word that he was preaching. He was transformed.*

*The scientific spray rotted the rest of them in the judgment. They rotted upon the waters of the judgment of the flood."*

My, my, my! So this picture in Genesis 8:6-12, this picture is a mystery of prophecy for the last days when the Seventh Seal, the end of time Seal, is unfolding and the history in the days of Noah is repeating itself. You say, "Brother Vin, are you sure that history is repeating?" We see all the end time signs. Women are getting fairer. Immoral living, they are choosing as many wives as they wanted. The earth is getting filled with violence. Evil men, scientists of great renown, the thoughts of their hearts are evil continually, brought out their evil inventions. Is that right? We see all these things.

And then the next part was, a prophet came with a Message to take a people out of the old world, above the judgment, and bring them back into the New World. That, also, is repeating. And in that mystery we saw when the revelation came to the prophet, what it was, was a mystery that opened of Christ and the ark, a mystery of the plan of salvation.

The Lord knew how to deliver the godly. And God only has one way to deliver: by water, Blood and Spirit, the three steps of grace. The plan of salvation is exact. And to prove it, everyone outside of the ark, the Message that the prophet brought, died. And Jesus pointed that to His Coming. And what is going to take the people at the Coming of the Lord from this world to the other World? Isn't it a Prophet with a Message? Is Revelation 10 the Seventh Seal? Is Revelation 10 Christ's Coming? Is Revelation 10:7 the Prophet? Is Revelation 10:3-4 the Thunders? Is that being revealed

between Woe, Woe, the earth being filled with violence, and the end of all flesh?

And then this picture is the last part. From the Seventh Mountain... From the Seventh Mountain where the Bride comes... She can't finish the ministry and the last part if she doesn't reach to the Seventh Mountain. That is why we sang back there in Baratara, '*Summit on the Seventh Peak*', preaching those things back in Baratara. '*All the rainbow trout, a rainbow covenant, one with a Joshua commission testified she has turned at the West*'. If she didn't turn at the West, tell me how all these things came out of the Bible?

It is not common knowledge, it is divine. And that last part, before they entered in the new world, what was taking them in is what the dove was bringing. And if, '**Dove leading eagle**' was not written back there, and didn't come back down here, how is this being done, tell me how. And if something is not breaking, a man caught a vision, the unseen is being made visible, as Dove leading eagle, then tell me how these things are happening?

Is the Presence of God unrecognized to some? Do some sit and don't know what they are looking for? Is a true sign being overlooked? Have you been around all the time and don't understand? You don't want to be Ham in the ark, do you, or pork? No, no, no. Listen. Listen, friends.

I am happy to be in a place where you can gather with believers. And some man isn't bringing some figment of his imagination. But the blessed old Bible, like the old violin, the bow is being resined up, and the melody is being played to reveal the worth of the violin.

Let us read that Scripture quick. Verse 6.

*"And it came to pass at the end of forty days,  
that Noah opened the window of the ark which he  
had made:"*

A part of the Word, the Message, that was previously sealed up is now being opened. And with that opening of that previously sealed part of the Word, is going to come a loosing of two powers. Two powers that were bound in the ark was now to be let loosed.

Listen carefully as we close. I am going to take about 10 or 15 minutes with this, and we are going to finish. And that is the

honest truth. If the musicians want they can come and sit down. That will help me. That will be good incentive.

“And he sent forth a raven,”

Now Noah, here, is not a farmer. This is Noah, the prophet. He was a farmer, but he is Noah the prophet. A prophet doesn't just do things for so. If he was sending forth a raven, he knows why he wanted a raven. That raven was going to be a sign for him, just like the dove. Because that raven was going to identify to him the world was really dead on the outside, and they are really rotten. Because the raven, and crow, and they can't smell dead things until it is rotten. And if he didn't come back, Noah knew what was happening outside there.

Now catch something here.

*“...which went forth to and fro, until the waters were dried up from off the earth.”*

This fellow had more to eat than he could imagine.

*“Also he sent forth a dove from him,”*

Did you notice that? It tells you that the Dove was close to the prophet. It didn't say that he sent forth a raven from him. He sent forth a raven, but he sent forth a dove from him. And later on it tells you how he pulled the dove back to himself.

Sometimes if you are not in the Spirit, you read those things and it doesn't mean anything to you. But when you get in the Spirit, you realize every jot and tittle, every word, every expression... Do you know why?

And that is the whole thought behind this Message, I say a lot, and I say very little about what I really wanted to say, about what this Message was. God sealed up a part of the Seventh Seal, the last part to the going into the New World, from the Seventh Mountain into the New World in a picture. And in that picture contains a three-fold ministry of the Dove.

Three times he sent it out. That has to mean something because it's the only material, after the rain was outpoured and they raised up to the seventh mountain before they walked out into the new world. It's the only material. Here we are viewing experiences of the elect who was on the earth at one time in the old world, who was separated by God and brought into the ark, who under the outpouring of the great rain that came when the mysterious cloud appeared. And I say mysterious cloud because they never saw that

cloud like that, and rain, before in their lives for two thousand years. It never rained before.

They had thunders that they never had before. They had lightning that they never had before. And that raised up the elect above the world that was dying for the rejection of the message of the prophet. The cloud came to kill those who rejected the message of the prophet. But the cloud came to raise up those who believed God's message, and who stayed true to the prophet. And then the only other picture before they entered into the new world is a picture of this man and this dove, this man and this dove. It occupies a unique place.

As I was telling my boy something yesterday, we were on the table talking, Jonah and I. I said, "Jones," I said, "I have a picture under consideration here". I said, "Look at pictures here in this house". I pointed around the house. I said, "We put a picture here, we put a picture here. We put a picture of the prophet here. We put a picture of the Cloud here. We put this picture over here. We put this other picture over here". I said, "The pictures there didn't get there by chance. Somebody positionally said, 'I want that picture here'. They put that picture there. Somebody was behind the arrangement and the placing in position of that picture". I said, "And that picture, there are things sealed up, because that is how God encrypted the mystery, hidden communication".

And this picture of the Dove on the Seventh Mountain, Dove and eagle on the Seventh Mountain before they entered into the New World. And the eagle depending on the Dove for insight about the Future Home and the changing of dwelling places, and the things that are to be. A knowledge that the prophet had no access to, and desired the Dove to bring that knowledge to him.

Didn't Jesus tell the Church, "I speak to you in parables, and you don't understand. I have many things to tell you, but you cannot bear it. Howbeit, I will send the Comforter. He will take of Mine, and He will show unto you. He will bring back to your remembrance. He will lead you into all truth. He will teach you, and show you things to come".

How many know that the prophet had One in his midst, an unseen One, used to go into that other World and come back in this world? That even one time He told him, "Would you like to go into that World and see in that World?" He said, "That will do me

good”. He said, “Come on”. And they took a walk in that World. Is that right? And he saw people came back young. He saw his own wife who had died and gone on. And that same One, was the same One that was revealing the Word to him. When he was going to make the mistake with the Seals He said, “No, no, no, no”.

And the prophet learnt to depend on that Guide. He learnt to depend on that Dove, because that was the God Who led the first eagle, the first son of God, in the beginning of the Bible. That was the same Dove Who came down and positioned another son in the middle of the Bible, and made him the head of a new creation. That was the same Dove in symbol that came to Noah at the end of the old world too, submerged by water and brought him into the new world and placed him as the head over a creation also, a cleansed creation.

That is the same Dove here this morning. Do you believe that? I am talking about the Holy Spirit. The One Who does what? Brings back things to remembrance, teaches us all things, shows us things to come. The One that heals, the One that delivers, the One that will not speak of Himself. The One that when we have reason to see these deep secret things, like Gabriel came to Daniel when they were getting ready to go out, so this Dove was going to come among the Elect in the last days to teach us these things to get us ready to go out. And here we are in that hour, and these things are happening to show that God is faithful to His Word.

Catch this.

*“... he sent forth a dove from him, to see if... to see if...”*

Noah couldn't know that for himself from where he was. It was inaccessible to him. He needed a sight. He needed one who was not bound to the dimension where he was locked in the ark and his space was confined, and he was limited in his position. But he needed one who could have left that realm, and go out into the unseen, and come back in there.

We could stand here and offer a word of prayer, and put it on the wings of the Holy Spirit for somebody in England, and He could fly there and heal them right away. How many know that the prophet was standing by the Hoffman's head of Christ, and he was praying there, and said, “Lord, before the doctor could touch my wife”, two thousand miles away. He was in Jeffersonville, she was

in Tucson, Arizona, and the doctor's hand was about to say, "Mrs. Branham, where is that tumor, the cyst, at the right side, or at the left side?" And before he could touch her, Something warm just moved through. But he was talking to that One right there Who had said, "Stand to your feet", a moment ago. And in that split moment, that same One was 2000 miles away, even before the doctor's hand could touch the wife, and the tumor went.

And she got excited and went to the phone and said, "Bill, Bill, something happened". He said, "I know, honey". "You know? No, you don't know". "Yes, honey. Before the doctor touched you, is that right? The tumor was dissolved. He didn't even know what side it was on". "Bill, how do you know that?" I was just talking to the Dove a minute ago, right here. Hallelujah! "And He told me to say it specific, and I said it specifically how I wanted it done, and that's how it happened".

Do you know why? Because he would have had to get in that motorcar and, maybe, drive and drive and drive. But that Dove could have gone there and attended to that and come back right there.

Do you remember Brother Bosworth with the amoeba? Brother Branham was driving with his wife in Tucson, Phoenix, somewhere there, going up the mountain for some sightseeing, and all of a sudden the Holy Spirit came in the motorcar, overshadowed him, and he saw a vision. They were taking Brother Bosworth on a stretcher off the train, and the doctor said, "It is an amoeba. This man may not last". And the brother said, "Send a telegram to Brother Branham quickly, tell him". And while the prophet was driving there, going up the mountain, the Holy Spirit came and broke the vision, he saw everything. And he got out, and he prayed, "Father, I pray for Your dear servant..." Twenty-four hours, the telegram arrived, "Brother Branham, Brother Bosworth..." And before he could read that there came another one, "Brother Branham, he is healed". He said, "I checked the time on the Pan American time chart, the Angel beat the telegram by twenty-four hours".

Think of it, friends. Can you see? Friends, if we can take these things into our hearts and make it our life, make it our food, make it the robe that we wear, make it the thing that we eat and drink, make it the pillow that we sleep on, make it the thing that sustains us, amen, and keeps us going from day to day, we will burst out of this pest-house one of these days. Because these are the unfailing words of promise, these are the unfailing realities of the living God. This is not psychology, this is not some makeup, this is not some put on. If I had just, maybe, just talk and rambled through this morning, but said what has been said, that would still be the Scripture opening.

And the opening of the Word is the Third Pull, friends, the mysteries revealed. Remember, that's the Third Pull to reveal hidden truth that's sealed in the Word. And it is not being done by guess or a blind shot. I am telling you it is a picture, it is information that is encrypted. And saying, "Here is what is encrypted. Here is what part of the ministry it is. Here is the last part. Here is what this would reveal to you to show you where you are going". And then taking it back down through the Bible and the Message for you.

I can't do these things, friends. I am too sinful a man to get into these places. This has to be Somebody stepping out....

The prophet said that the old cockney in England who was going down the road, and then all of a sudden somebody who had the king's scepter, and he handed him and said, "Go quickly, the king needs help..." and said, "take the king's scepter. They will have to move back when they see this". And cockney, this little old ragged boy put it under his coat, and he is running, and he is going to the great palace, and they were trying to stop him. And he pulled away and he said, "I have the king's scepter, move back". And everybody knew the king's scepter in that palace.

Can't you see the King's Scepter, friends? The same One he put out to Queen Esther. Didn't he put It out to Queen Esther? How many know that Esther is between Nehemiah and Job? How many know that Esther is for such a time as this? Nobody has to tell you about Queen Esther, you in this church here should know about Queen Esther.

*"But the dove found no rest for the sole of her foot, and she returned unto him into the ark, for the*

*waters were on the face of the whole earth: then he put forth his hand, and took her,”*

This is so loving. He didn't get vexed and 'stuped', and then started to criticize. "Are you sure you searched everywhere? How did you come back so quick? I knew you always had something against me, you know".

Do you know how many people quarrel with God? Do you know how many people argue with God? Do you know how many people find fault with God when they didn't get their answer when they were expecting their answer?

She came empty, but he embraced it, and he pulled her in. It said, "He loosed a dove". Read it. But the two times after It said, "He loosed the dove". Which is telling us it is not another dove, it is the same dove. And the third time again, the same dove. He wasn't changing doves. He didn't say, "Man, I will try a turkey, yes". "I am going by Doctor Turkey". "I am going by Pastor Hawk". No, no, no, no. Noah kept his faith in the dove. When the dove came with nothing, he was in submission.

The prophet wanted to tell the church the Seventh Seal. He said, "You are not supposed to get it. Under this first-fold, you are not supposed to get it. Don't even try to interpret it, you will go further away from it". He said, "Look, He didn't show John anything. In Matthew 24," he said, "even he didn't know anything". He said, "No symbol, nothing was given. Even as certain as I stand on that platform, I saw that revelation revealed". He said, "Obey your a b c's, always believe Christ. When you have reason to see it, He will bring it back to you".

And in that first ride of that Dove, nothing. You know about the prophet he came with a Message. You know about he was rejected by the world. You know the Cloud appeared. You know rain fell. You know that he separated a people. But the things that are to be, the Future Home, the changing dimensions into the New World, it is kept from you.

When the time came, after seven days... Did it say that? Did it say after seven days or six days? After seven days. How many know that the Dove comes on the eighth day every time. Do you know that? The Dove comes on the eighth day. The first day of the week, Genesis 1, the Dove came. The first day of the week is the eighth day. Before that it was darkness. The darkness of the day

before. Typing back from the middle of the Bible, and typing back the last days.

Then in Noah's time at the end of the old world, the first day of the week after seven days, you come back to the eighth day, you start right back to where you began. The dove came with the olive leaf. Revelation 10 after Seven Church Ages ran out, the Dove came. And what is in the mouth of the Dove? Seven Thunders. What is that for? To go into the New World. It is sure to bring a rapturing faith to go into the New World. What was in God's mouth in Genesis 1, speaking, "Let there be... Let there be..." What was that doing? Bringing a new world. Bringing a new world out of the dark chaos in Eden.

When the dove came to Noah on the eighth day, what did it do? It was taking him into a new world. When Jesus in Luke 24 appeared to the disciples who were shut up in the room, was that the resurrection Seal? Was that the first day of the week? Was that the eighth day, the morrow after the Sabbath? And He came right in their midst, and there was something in His mouth that opened the Scripture and opened their understanding, and He breathed upon them to go into the baptism of the Holy Spirit. From one form of existence to another form of existence to live in another world. Is that right? I am giving you the Bible.

On days like this, we should go for lunch and come back in the afternoon. To tell you the honest truth I have to close and I haven't even got to the ravens started to feed.

I wanted to show you two powers, one had to do with those outside of the ark, the other power had to do with those shut up in the ark. One had to do with the condemned, the dead, the inhabitants of the old world. The dove had to do with the justified ones, the inhabitants for the new world. The raven power was loosed giving it access to those who refused the salvation, the mercy that was sent by God through His prophet. The other, the dove, was loosed so that confirmation and evidence that the elect needed in order to enter into the promise of the new world could be discovered and revealed. It could be discovered and revealed in order that an entrance could be ministered into that new position, into that new dwelling place. The dove discovered something and brought it to them. The dove revealed something to them. The

dove gave them insight and knowledge of a world that they were going into.

With the opening up of that sealed part of the Word, it loosed a ministry that would now be taking those unseen things, those hidden things, and making it visible among the people who was now fixing to leave the ark for the new world. They were on the last mountain before they went over into the other country.

I will have to finish that up a next day. But it was in that second fold, it was in that second ride of the dove, Noah having faith, supreme faith in the dove. Noah was not trying some other thing, because he was operating by faith. Noah's faith was waiting with patience. Noah was by the door watching for the messenger to come, under expectation.

Like some of you are waiting for your healing. Like you are waiting for the Holy Ghost. And something in your heart says, "He will come and He will not tarry. He will come. I will stand at my watch and see". And Noah was there watching. And at evening, he saw this messenger coming. She was coming. She looked tired. She was muddy. The waters were not abated yet off of the earth. She had no place even to settle properly. And she came back to the ark empty. But Noah was not disappointed. He knew that it was not the season yet, and, "I could wait upon God. Wait, I say, wait on the Lord. He set me upon a rock, I shall not be moved. My expectation, I will wait for Him as they that wait for the morning. Wait, I say, wait upon the Lord, and He will strengthen thy heart". And he was waiting.

Waiting like Job, waiting for the vision. Like Simeon waiting to see the Lord's Christ. Hallelujah! Like the prophet waited all those years knowing that a Message was going to come forth. Knowing that that Seventh Dove will show up one day. And he was waiting. And then he saw that Dove coming. And when he saw that Dove coming in, friends, he saw that Dove coming empty. He knew "For now, I have to go on the knowledge that the crow revealed to me. And the Dove also, though it didn't bring knowledge of the New World, it revealed to me even more the state and condition of the old world". And so he waited yet another seven days.

*"... and again he sent forth the dove (the dove, this time, from a dove) out of the ark;  
And the dove (the same one)"*

Don't give up on the Holy Spirit this morning. Sometimes it is not your season yet. You have to learn to wait upon God. Patience is a virtue. Joseph tried to come out of prison to run into glory, but he couldn't go into glory yet. He needed to stay a little longer in the prison. And the butler went out, and God wiped it out of the butler's mind and the butler forgot. He was asking the butler, "Remember me when you go out. Remember me when you go out. Tell Pharaoh about me". But the Word of the Lord tried him while he was in the prison because when he comes out of the prison, he is going into glory. He is going into glory.

When he comes out of that ark, he is stepping not into mud, he is stepping into a new world. He is stepping into the altar, with the burnt sacrifice of preeminence, and the rainbows flashing and the dominion and being placed positionally as the head of a new race. Why? Because the dove brought a message of resurrection. It was a voice of resurrection. The dove gave him the insight and the knowledge that he was seeking concerning the time, the conditions, he received the evidence and the confirmation of the promise of the new world, the new dwelling place that they were soon to enter into.

Do you know that we are going to change dwelling places? Wasn't Ruth about to change dwelling places? Did Ruth leave her dwelling place to go to Boaz's dwelling place after the threshing floor? Was the threshing floor the way to the new place, dwelling place?

Was the ark the way to the new place? Were they tried in that ark? Were they tested in that ark? Did they go through some rough times in that ark, rocking and shaking? But did it raise them up into position where a revelation came in that season?

Hallelujah! Can you see? Can you see, friends? We are not talking about strange things here. The same things that the book of Ruth was teaching. The same season that Ruth leaves the threshing floor, leaves her home to go to Boaz's home and change dwelling places after union. Here is Noah and they in the same way, in union with this dove. And this dove is the link to the unseen world. And this dove is the messenger that is bringing the insight that they have need of.

Do you know what I am saying, friends? You can't invent anything to go in. I am saying you can't run and learn anything to

go in. God fixed the ark in such a way that Noah couldn't see anything else. Do you understand that? How the ark was designed with the window at the top, Noah must depend and trust on the dove to bring this insight.

How God designed our condition and our position in relating into going into the New World, nothing, no man from the States, no prophet's family, nothing; it is going to take the Dove Who could go to that World and come back here, back and forth. People have to be in relationship with that Holy Spirit in this hour. That Dove has to lead every eagle into a New World that is ordained to go into that New World. You can't go in on anybody's experience. Dove leading eagle.

What was the first evidence of the new world? A symbol of peace. What was that new world all about? This earth was filled with violence. That raven power had access to all the bodies that made up the world's system. A world fell apart. A world made up of religious bodies, and political bodies, and military bodies, and scientific bodies, great educational bodies of people. And when that world fell apart under the wrath, that raven said, "I will eat a few scientists". That raven said, "I will eat a few of these military". He said, "They are not tasting too good. These politicians and they, like they are cankered". He said, "I will go over in this social club, I will eat some of these fashion models". And he started to eat up all of those fashion models. All those television stars, he started to eat them.

They were already dead and rotting. Catch it. The power that was loosed was to destroy it to the ending point. Annihilate it. I don't know if you can fly that far. Annihilate, destroy it to the vanishing point, to the ending point. This civilization will be turned back into gases, into ashes, destroy it to the ending point, end it. When that raven was loosed, it was truly now coming to the end of all flesh.

Because the prophet said, "Satan is a vulture that feeds on his own kingdom", **'The world is again falling apart'**. Do you think it is God Who destroyed this whole civilization? The one who built it himself. Man destroys himself.

That last plague, death, struck that Cain-perverted world, Satan's Eden, that apostate world. All of those religious bodies that defied the prophet with his vindicated message, that power ate

them. All those great political bodies and military bodies that filled the world with violence, that raven power ate them. All those great scientific bodies, and educational bodies, that raven power ate them. The world fell apart. The raven power was destroying them that had destroyed the earth. The last plague, death, struck them and then they rotted. And then the power was loosed to destroy it to vanishing point. Their religion was rotten, their politics were rotten, their education was rotten.

Do you see how they wrote all these books with the “f-word” inside of it, in the schools? And they passed it for the little children. After they filled the television with it, now they have put it in the schools. Do you remember when I preached on the Sodom-sign, and I showed you what they were doing to the third world countries, and the kinds of books that they are bringing from UNESCO and USAID and all of these people here? And these weak politicians and they have to take it up because they put pressure upon them.

All those medical bodies, and educational, ecclesiastical bodies had rotted to the core. They could not be part of the new world, so they had to be destroyed to the vanishing point. It could not go in the new world.

Let me tell you, no denomination, they are dead, and they have rotted. And do you know what has happened now? I never even got to my last Scripture. Do you know what my last Scripture was? “And I saw an angel standing in the sun calling to the fowls to come and eat the flesh of captains, and the flesh of mighty men, and the flesh of great scientists, and the flesh of great military men, and the flesh of the Pope, and the flesh of the beast, and the flesh of the cardinals, and all of the homosexuals in the Vatican to come and eat them”. Revelation 19. “I saw it”, John says.

Is that how this world is going out? And in Revelation 19 also, but that was the supper of the great god. But the other went to what? The marriage Supper of the Lamb. They went to a New World. Is that right? They went to meet their honeymoon in the Millennium in the great Hereafter. Do you see?

But the hour had arrived when the eagles on the Seventh Mountain, was now going to leave the Seventh Mountain for the other Country. It will be a quick, short powerful ride. It will be a witness to this dead and rotting world.

Oh friends, God in His wisdom in three little verses in the Bible, which I used as a background to bring it out and barely even touched it, this morning, to show you a little bit as to the hour that we have come to and what is happening.
