**SEVEN  
MAJOR  
VISIONS**

that came to me one Sunday morning in June, 1933. The Lord Jesus spoke to me and said that the coming of the Lord was drawing nigh, but that before He came, seven major events would transpire. I wrote them all down and that morning I gave forth the revelation of the Lord.

## FIRST

**FIRST VISION: MUSSOLINI**

The first vision was that Mussolini would invade Ethiopia and that nation would "fall at his steps". That vision surely did cause some repercussions, and some were very angry when I said it and would not believe it. But it happened that way. He just walked in there with his modern arms and took over. The natives didn't have a chance. But the vision also said that Mussolini would come to a horrible end with his own people turning on him. That came to pass just exactly as it was said.

## SECOND

**SECOND VISION: HITLER**

The next vision foretold that an Austrian by the name of Adolph Hitler would rise up as dictator over Germany, and that he would draw the world into war. It showed the Siegfried line and how our troops would have a terrible time to overcome it. Then it showed that Hitler would come to a mysterious end.

## THIRD

**THIRD VISION: RUSSIA**

The third vision was in the realm of world politics for it showed me that there would be three great ISMS, Fascism, Nazism, Communism, but that the first two would be swallowed up into the third. The voice admonished, "WATCH RUSSIA, WATCH RUSSIA. Keep your eye on the King of the North."

**FOURTH VISION: CAR**

#### FOURTH

The fourth vision showed the great advances in science that would come after the second world war. It was headed up in the vision of a plastic bubble-topped car that was running down beautiful highways under remote control so that people appeared seated in this car without a steering wheel and they were playing some sort of a game to amuse themselves.

**FIFTH VISION:  
MORAL PROBLEM**

#### FIFTH

The fifth vision had to do with the moral problem of our age, centering mostly around women. God showed me that women began to be out of their place with the granting of the vote. Then they cut off their hair, which signified that they were no longer under the authority of a man but insisted on either equal rights, or in most cases, more than equal rights. She adopted men's clothing and went into a state of undress, until the last picture I saw was a woman naked except for a little fig leaf type apron. With this vision I saw the terrible perversion and moral plight of the whole world.

**SIXTH VISION:  
ROME-WOMAN**

#### SIXTH

Then in the sixth vision there arose up in America a most beautiful, but cruel woman. She held the people in her complete power. I believed that this was the rise of the Roman Catholic Church, though I knew it could possibly be a vision of some woman rising in great power in America due to a popular vote by women.

**SEVENTH VISION: AMERICA**

#### SEVENTH

The last and seventh vision was wherein I heard a most terrible explosion. As I turned to look I saw nothing but debris, craters, and smoke all over the land of America.

Now let me say this. Can anyone prove any of those visions wrong? Were they not all fulfilled? Yes, each one has been fulfilled, or is in the process right now. Mussolini invaded Ethiopia successfully, then fell and lost it all. Hitler started a war he could not finish and died mysteriously. Communism took over both the other two ISMS. The plastic bubble car has been built and is awaiting only a better network of roads. Women are all but naked, and are even now wearing topless bathing suits. And just the other day I saw in a magazine the very dress that I saw in my vision (if you can call it a dress). It was a plastic transparent type of cloth with three darkened spots that covered both breasts in a small area, and then there was a dark place like a small apron below. The Catholic Church is on the rise. We have had one Catholic president and will no doubt have another. What is left? Nothing except Hebrews 12:26. "Whose voice then shook the earth: but now He hath promised, saying, Yet once more I shake not the earth only, but also heaven." Once more God will shake the earth and with it shake everything loose that can be shaken. Then He will renovate it. Just last March, 1964, that Good Friday earthquake of Alaska shook the whole world though it did not unbalance it. But God was warning by a world tremor what He will soon do on a greater scale. He is going to blast and rock this sin-cursed world, my brother, my sister, and there is only one place that can stand that shock, and that is in the fold of the Lord Jesus. And I would beseech you while God's mercy is still available to you, that you give your whole life, unreservedly to Jesus Christ, Who as the faithful Shepherd will save you and care for you and present you faultless in glory with exceeding great joy.
