*... Close by His side, I will abide,
I love Him better every day.*

One more time for the Lord. Amen.

I love Him better every day,

I love Him better every day.

Close by His side I will abide,

I love Him better every day.

Hallelujah. Shall we bow our heads and close our eyes?

Heavenly Father, from the depths of our hearts with sincerity, Lord, we mean it tonight. We love You better, Lord, than we loved You this morning, for Lord, God, we are growing in that Perfect Love. And as Your Word is coming forth unto us, Lord, shaking us and molding us, making us better Christians, making us more like our Lord Jesus Christ, this is the desire of our hearts. And when we see it coming to pass in our lives, Lord, we love You more. When You rebuke us, we love You more. When You chastise us, we love You more, because we know it is Your Love, Father. Hallelujah.

And Lord, God, we thank You that the Love of God is being shed abroad in our hearts by the Holy Spirit as You speak to us the Truth in Love. So, Father, we ask tonight that You will keep speaking unto us, the Truth in Love. And we know Your Love is corrective, Lord. But, Father, we are reminded that Your Prophet did say that

when we come in the house of God, it is to find out how to be better Christians. And, oh God, our desire is to please You. And You said, "If you love Me, keep My commandments."

So Father, may You speak to our hearts, and may Your Love be shed abroad in our hearts, and may that faith, which worketh by Love, Lord, begin to work in our hearts in such a mighty way, Lord, it will bring us to the Power of God and the Power of God will produce the promise in our lives. We are looking for that to happen.

Let there be such a real Divine healing tonight in both the souls and the minds of Your people. God, may You grant it. The prayer has already gone forth for the healing of our bodies, but oh God, we pray tonight that You will pour in the Oil and the Wine, and Lord, God, it will bring such a refreshing from the Presence of Almighty God.

Fill every heart, Father, that when we leave, Lord, like David, how he was dancing before the ark. He said, "*My cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord,* (that Pyramid, the Bride of Jesus Christ,) *forever.*" Oh, God, may You grant it tonight. We ask it in the Name of Jesus Christ, for Your honor and for Your glory, amen.

Don't you love Him tonight? He has prepared a table for us in the presence of our enemies. Two hundred million supernatural devils are coming against us, but He has prepared a table for us in the presence of our enemies, anointing us with Oil, filling our cups with Wine that our cups could run over.

He really loves us tonight. And we love Him because He first loved us. Amen. It's being revealed unto us now. The proof of God's Love is election. We were chosen in Christ before the foundation of the world and predestinated unto the Adoption. And the Holy Spirit was given a charge to make sure that we don't come up lost; to keep us in the way. Amen. That is why we are

here in our right minds with the desire in our hearts, because the Holy Spirit, the Faithful and True Witness, (amen,) He's going to make sure every one of us gets there. Amen.

I want to read a few Scriptures tonight just to continue from this morning, but my real theme is from the Scripture this morning. But I want to read tonight from St. John Chapter 5, and St. Luke Chapter 24, and you can also find 1st John, the epistle of 1st John, Chapter 5. We are going to be as quick as the Lord could let us out quickly tonight. It's not that we want to go home quickly, but we want the Lord to say what He wants to say quickly to us because we came to receive it. Amen.

How many have enjoyed the services? Praise God. Amen. I really love preaching to you because I know that you are lovers of the Word. It is always good and encouraging for a Minister to preach the Word, but it's more encouraging to see the people mix the Word with faith, then it's going to profit them. And the Bible said in the Book of Hebrews, "The Gospel was preached unto the people, but they who heard it, didn't mix it with faith, so it didn't profit them anything." But this is the Hour, if we recognize it to be the Truth, act upon it.

If God be with us where are His miracles? [Judges 6:13 - Ed.] God is with us. Lo, I am with you always. I'll be with you and in you even unto the end of the world. And God does not lie. Then let us see His miracles. Let us see God in His people.

We have seen Him in His creation. When we look at the lion, we see God; it speaks of the Lion of Judah. When we look at the eagle, we see God; it speaks of the Great Eagle, Almighty God. Amen. When we see the rainbow, we see the Seven Spirits. We see God in His creation. We look at the sun, we see Son of Man, Son of God, and Son of David. We look at the moon, we see the Bride. We see God in His creation.

We saw God in His son in this Day when the Son of Man was revealed: "Let there be a squirrel. Little fishy, Jesus Christ gives you your life." We saw God in His son. We saw God in His Word when the Seven Seals opened: *Christ, The Mystery Of God Revealed* [[1963-0728 -Ed.](#)], *The Unveiling Of God* [[1964-0614M -Ed.](#)], *The Masterpiece* [[1964-0705 -Ed.](#)]; *The Token*. We saw God in His Word. But this is the Hour, let us see God in His people. There will be a Super Race, a Super Church. We are looking for God now in His people who have been called out (amen) to manifest Jesus Christ.

So that is what we are looking for. That is the last one to be fulfilled. Let us see God in His people. You want to see Him in me, I know that, but I can't bring a rabbit out of a hat. I want to preach the Word and you will see God in yourself. I want God to reveal it to me and I will see God in myself. And then we will act on our inspiration, and together we will produce every promise and write a 'book of Acts'. Amen. Praise God.

Many times, people sit there, they think the Minister is some powerful person; he will do a miracle for them; tell them that the Word is true. I believe the faith of God in our hearts, and the Holy Spirit in our lives, is the same Holy Spirit that did every miracle in the Bible. It is not the acts of the apostles, it's the acts of the Holy Spirit in the apostles. Hallelujah.

What God wants is pre-eminence. If God could have pre-eminence, we will see omnipotence; we'll see the miraculous taking place. So the Message is trying to get you to let go and let God have His wonderful way; to give you a revelation that you could find the key to the law of faith that controls the Power of God. Amen.

The bird has a law to fly; that is what makes him a bird. Because when God said, "Bird," that means a law to fly. When God created a fish, what made it a fish was the law to swim. And when God talks about a son and daughter of God, He is talking about a law of faith inside

of you to make you a son and daughter of God; to believe God's Word. Amen.

So St. John Chapter 5, verses 39 and 40.

39 Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.

40 And ye will not come to me, that ye might have life.

41 I receive not honour from men.

42 But I know you, that ye have not the love of God in you.

43 I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.

Luke 24, verse 27. This was Jesus on the road to Emmaus speaking to the two disciples, and then He began to reveal Himself unto them out of the Scriptures.

27 And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself.

Verse 44:

44 And he said unto them, These are the words which I spake unto you, while I was yet with you, that all things must be fulfilled, which were written in the law of Moses, and in the prophets, and in the psalms, concerning me.

45 Then opened he their understanding, that they might understand the scriptures,

1st John Chapter 5, verse 9:

9 If we receive the witness of men, the witness of God is greater: for this is the witness of God which he hath testified of his Son.

That's the Word.

10 He that believeth on the Son of God hath the witness in himself...

Isn't that wonderful? The Witness, the Holy Spirit, is in the believer.

... he that believeth not God hath made him a liar; because he believeth not the record that God gave of his Son.

¹¹ And this is the record, that God hath given to us eternal life, and this life is in his Son.

¹² He that hath the Son hath life; and he that hath not the Son of God hath not life.

¹³ These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God.

¹⁴ And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us:

He said the reason we don't receive many times is because we ask amiss. But 'His will' in the Greek, that means, '*His already expressed desire*'. Amen. So if you ask according to God's already expressed desire, you have the confidence that He hears you. And if we know that He hears us, whatever we ask, no limit to that, we know that we have the petitions that we desired of Him.

That is the knowledge of Jesus Christ. That knowledge must be in the Bride now to let you know, by the opening of the Seventh Seal, He revealed His will to you, His great Secrets, His Three-fold purpose, so you could ask according to His already expressed desire and have confidence that you have the petitions that you desired of Him.

Verse 20 and 21:

²⁰ And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life.

21 Little children, keep yourselves from idols. Amen.

Let's bow our heads for prayer.

Our Heavenly Father, how we appreciate Your grace unto us, for the time that we could be gathered together, Lord, to spend it around Your Word; to fellowship around these things that we cherish and we hold precious in our hearts.

We have come to the last service for this little time, Lord God, then we'll be separated from one another's presence. But Lord, we thank You for the love You have shed abroad in our hearts; first of all for You, and then one for the other. For You said, "By this love shall all men know that we are Your disciples."

Lord, we pray You will bless us tonight. You'll cap off these services and Your Word will leave such a profound effect upon our hearts and upon our lives, Lord God, that we'll walk in the Light of Your Word, and we'll live a life worthy of the Gospel of Jesus Christ.

As this Message will go forth tonight, Lord, with all the love in my heart, Lord, I want to convey it unto Your people. Lord God, may the Spirit of God make it so real in their hearts that it will bring them to a Perfect Faith in a Perfect God Who made a perfect promise in His Perfect Word.

Bless us now, Father, and get honor and glory, and be the Principal Theme of this service and of our lives. For we commit ourselves now into Your hands for Your Divine leadership, in the precious Name of Jesus Christ, we ask these things, amen.

May God bless you. You may have your seats.

Well, it has truly been a wonderful time for me. I enjoyed the services that we had in Sierra Vista, and then coming over here to have fellowship with saints whom we have learned to appreciate and love so much, which is the assembly here. And we feel like it's one of the sister churches.

In *The Church Ages* [An Exposition Of The Seven Church Ages -Ed.] book, Bro. Branham said that there were local false vine churches. And if there are local false vine churches, there must be true churches. Amen. Because where the Carcass is, there will the Eagles be gathered together. And it takes gifts in the Body of Christ to bring the unity of the faith, the knowledge of the Son of God, to bring the Church unto a Perfect Man; unto the Stature of the measure of the fulness of Christ.

And we are also aware that there are gifts outside of the Body. There are gifts in the Book of Life and there are gifts in the Lamb's Book of Life. Amen. Bro. Branham was a Prophet in the Lamb's Book of Life. Paul was a prophet in the Lamb's Book of Life. Peter was an apostle in the Lamb's Book of Life. Judas was an apostle, but in the Book of Life. Balaam was a prophet in the Book of Life. Oral Roberts is an evangelist in the Book of Life. A. A. Allen is an evangelist in the Book of Life. There are pastors in the Book of Life; there are pastors in the Lamb's Book of Life.

Because gifts and callings are without repentance. Amen. And an unrepentant sinner could have a genuine gift but don't have the Life of the gift; don't have the Giver. But the gifts in the Lamb's Book of Life, the gifts in the Body of Christ, it is the Giver Himself. It's Jesus Christ being revealed, walking in the midst of His Church; the Great Shepherd (amen) working through other shepherds. Amen. Like He told Peter, "Lovest thou Me more that these? Then feed My lambs. Lovest thou Me more that these? Then feed My sheep." [John 21:16-17 - Ed.] So, He was interested in both the lambs and the sheep. Amen. And we are so thankful for that tonight.

I want to go right into the message. So, just for the first, maybe, ten minutes, I want to recap one or two things and just put the capstone on these little services. And our theme this morning was, "THE UNVEILING OF JEHOVAH'S MASTERPIECE". And for a subject was,

“The Perfect Matching-piece To The Promises Of God For This Bride Age.”

Because we know each Age had its own promises and we can't come trying to obey a past Age. We cannot come trying to bring something for a past Age and then try to make it work here. There's a Word allotted for this Age, and there's an anointing that comes down to anoint that Word and make It live. Amen. And that Word is in the people and the anointing is to come upon that people and make that Word live, that they could express Jesus Christ and reveal His purpose for the Age that they are living in. And that is what we are called unto.

And when we think of the thought: *The Perfect Matching-piece To The Promises Of God For This Bride Age*, it carries our minds into the little illustration that the Prophet of God was giving about the Chinese laundrymen, when they came to the West and they set up their laundries. And they didn't know how to write, so they would take a piece of paper and they would tear it a certain way, and when the person brought their dirty clothes, they would give them half of that paper. And when they came back to claim their possessions, before they could claim their possessions, before they could possess their belongings, before they could get their inheritance, they would have to present that half of the Chinese ticket. And the Chinese laundryman would have to be satisfied that it is not bogus, that it is the real, genuine thing; it is the actual paper that he himself tore; it is the other half to the half that he is holding in his possession. And then when the two dovetails together, only then would he give you your belongings; only then would you receive your possessions.

And the Prophet used that. The Spirit of God attracted him to that to give the Church just the picture that God wanted them to receive, and give them an understanding that in this Hour, when they come to receive the promises that they read about in the Bible,

when they come claiming that they are Abraham's Seed, that they are heirs of the promises, when they come to claim their inheritance in this Hour, they will not get it just like that; they will have to come with something, they will have to present it to God and God has to be satisfied it's not just a morally upright life, it's not just a sanctified spirit, but God must be satisfied it's the literal Life of Jesus Christ Who is the Principal Theme of this entire Bible, and what is promised for the Age that they are living in, it is perfectly being manifested in their lives. And when God is satisfied, He will withhold nothing from them.

And the reason many have wondered why we pray and why we have not received, is because the Prophet said, "Present your Token with your prayer." Hallelujah! You don't just ask God; you present your Token with your prayer. It's a sign that your price has been paid. It's a sign that you are Abraham's Seed. It's a sign that you are an heir of the promise. It's a sign that nothing could bluff you off your land. It is your inheritance. It's a sign that you are included in the Redemption; that when God was speaking these things, He was thinking about you because you have the evidence that it rightfully belongs to you.

That is why you cannot be bluffed out. That is why the Devil cannot confuse you – because you know God is true to His Word. And when you stand upon scriptural grounds, you know you are coming according to the Word, you are asking according to God's will, so you can have the confidence that you have the petitions that you desired of Him. Hallelujah. Amen.

So, we are thinking about the perfect matching-piece. The Hour is here for the promises to be fulfilled. But we realize it's only a people whose lives are perfectly matching the promises of God – the Word allotted for this Bride Age. This is not a Pentecostal Age; that was before the Seals. But we are living after the Seals, and after the Seals is the Sunday, the Eighth Day, a holy

convocation back to the first day; the Mystery of the Seventh Seal, the Eternal Church Age; the Ephesians at the end of the Ages. We are in that time. Then Ephesians is the Church, the Body; Colossians is Christ, the Head. And Colossians and Ephesians is Adam and Eve, and all things are under their feet. Hallelujah. So here we are, this is the great invisible Union of Christ and His Bride.

So, before we can receive the promises in this Age, the Chinese Laundryman must see that your life matches His Word. The two halves must dovetail. You must match the Bride types.

Because when God spoke of the Messiah coming, the whole Life of the Messiah was foreshadowed in the Scriptures, everything He had to do was prophesied. So the Messiah just couldn't come and try to depend upon His personality, try to depend upon His knowledge, try to depend upon His influence, and say, "I am the Messiah"; He had to match what the Word said. The only way He could prove He was Messiah, He had to take the scriptural identification and show where His life matched all those things. And that made Him Messiah.

So, He told them, "Search the Scriptures; for in Them you think you have Eternal Life: and They are They that testify of Me." [St. John 5:39 -Ed] He said, "All that was written in the Law and in Moses, and in the Psalms, and in the prophets, concerning Me, had to be fulfilled."

You might have picked up the Psalms in those days and read and maybe couldn't even see Jesus. Hallelujah. But when He read the Psalms, He saw that they spoke of Him. When He read the prophets, He saw they spoke of Him. When He read the law, all the Feasts, He saw they spoke of Him. Hallelujah! That was the understanding He had of the Scriptures. Amen.

And we find out, that was the source of His faith. You see, His faith found a source that others didn't know about. And why the Bride's Feast can hold out, why She

is not up today and down tomorrow, is because Her faith has found a source to keep Her faith anointed; to keep Her life under the inspiration of the Word. Her soul is feeding on what God is doing present tense. Because She knows this Bible is a Roadmap to the Power of God, and you could get detoured on wrong Scriptures. The Bible is also a Symphony, It's also a Compass; It's also a Gold Mine. Hallelujah! The Bible is so many things, (amen,) and It could lead us right into the Power of God. And the Dove is come, the Holy Spirit, and He is doing it.

And that is why when we are hearing the Word, it's not just something being said to consume time, but it's the Holy Spirit trying to focus our minds into a particular channel, a channel of communication with God, a channel of inspiration, that we could find the will of God and relate to God's economy, and the things that are happening present tense, so we will know how to pray; what to ask for, so we will not ask amiss. So, when we see we are asking according to His will, we could have confidence that God heareth us. Amen. Hallelujah.

So this is the Hour. Nineteen years after, the Holy Spirit is standing there ready to give out the promises. The promises are available, but every individual must come with his half of the Ticket. And that is where many are being disqualified. That is why nothing is happening to many people, because the Devil deceived them and made them think they were Christians when they were not Christians.

Did the Prophet say that is this Age? Amen. He said, "That is the religious deception. Back in the days of the martyrs," he said, "you could have given your life in the arena. But the deception today, it is so deceiving, the Devil is making people believe that they are Christians when they are not a Christian. Millions in the world," the Prophet said, "who think they are Christians will be counted atomic fodder." Amen! Because they cannot divide manifestation from evidence. They see

manifestations of the Holy Spirit in their lives, so they think that they are Spirit-filled; they think that they are converted. But then they don't know the Word; they are not converted by their baptism. Amen.

He said, "You say you have been baptised with the Holy Ghost, but that doesn't mean you are saved, not by a long way." He said, "That is only a temporal gift for you because the Holy Spirit will be taken away from the earth just now." Amen. "But the Real Gift is that Seed down inside of there that comes predestinated from God – God's Gene; God's attribute.

Because this Bible, the Book of Life, is a record of the Genes of God, the record of Eternal Life. And if that Seed is of God, when the Water of salvation is poured upon it, the baptism of the Holy Spirit, it begins to grow in the image of Jesus Christ, and as it grows and matures, it reveals the part of the Word, the part of the record that you are. Amen.

Because this Bible is God's printed Self. Amen. And if you are a part of God, then part of this Bible is your printed self, (hallelujah,) the printed self of your soul, hallelujah; the written form of the soul inside of you. So, then that soul in you, as it grows and matures, it will make plain something that is written in this Bible for the Age that you are living in.

And this is the way the Prophet tried to bring the Word to the Pentecostals, but they were not listening. They were only watching oil and blood and all kinds of different things, little sensations. So when the Third Pull came, it found souls in prison; rotten seeds. He had a great, big healing revival. Demonology in the physical realm: cancers, tumors and cataracts (amen) in the flesh. But in the Third Pull it went to the soul, and when it went to the soul, he found demonology in the spiritual realm.

And men who thought they were Spirit-filled, casting out devils, had a great list of people who were healed by their prayers in the healing revival, was now

disbelieving the Word that is written in the Bible. They couldn't take 'Serpent's seed', they couldn't take 'water baptism', they couldn't take 'One God'. Yet they had a healing ministry, yet they had gifts of the Spirit, but in the soul, there was a devil of unbelief, disbelieving the Word that the same Holy Ghost wrote. And the soul that sinneth or disbelieveth shall surely die. [Ezekiel 18:20 -Ed.]

You see, taste, hear, smell and touch with your flesh. There are five senses of your spirit: reasoning, conscience, memory and these things. But in the soul is faith or unbelief. Amen. You believe with your soul. You don't believe with your body, you don't believe with your spirit; you believe with your soul. And if your soul is part of the Word, it's impossible to disbelieve the Word. Hallelujah!

And the Prophet said, "A woman who cuts her hair, that soul in her is disbelieving the part of the Bible that says, 'Don't cut your hair,' and that soul will die." Amen. See? A man who drinks and smokes, is disbelieving the part of the Word that says don't defile your body. Amen. So you see, you believe with your soul. And death strikes that soul and that person receives the second death before they even get the first death.

Do you know the Bible talks about two deaths: the first death and the second death? But those who are going up in the First Resurrection, those who have Eternal Life, the second death has no power over them, because that soul is Eternal Life. It will never die! It is God Himself! Hallelujah!

But those who are not born again and disbelieve that Word, then that soul will die. They might go along alive in their bodies, have an outward motion, have a form of godliness. A form of godliness is godliness in a form. They go to church, they sing praises, they pray, they pay their tithes and their offerings, they support mission work, they give out tracts and books, they witness; have a form of godliness. They believe the Message, the historical part, but deny the present tense

part. They believe the mechanic part but deny the dynamic part. They have a form of godliness, but they deny the power is present to produce the promise, (amen,) because a spirit of lukewarmness and formality has invaded their souls and made them a church member; a bench-warmer. They are not under expectation. They are not acting upon the Word. They say they believe It, but their works don't express their faith. Amen!

So what is happening? It is darkness pressing them down and it is pressing them into a place where it just makes them formal. They are in church all the time but they are not anointing the promise.

The Word was right in the midst of all those men and a woman moved into that place and saw the Word sitting down there. Nobody had anointed the Word. That was the promised Word. And she got inspiration: "That promised Word ought to be anointed." She knew they might have laughed if she went to anoint the Word, but she wasn't thinking what people were going to say; she was a spiritual astronaut. She broke the sound barrier. She was anointing the Word. And they were criticizing but she wasn't paying heed. Amen. The Word didn't even give her a response either.

The Devil tried to fight her in her mind: "Maybe you are working up yourself. Maybe you ought not to be anointing that Word, (see?) because you are getting no response." But something struck her heart: "But that is the promised Word that has been here all this time and they didn't give It any honor; they didn't anoint It." She said, "I'm going to anoint It anyhow." And she began to anoint It. She began to do Him a service. She was giving vent to the pulsation of her faith.

Do you know what happened? All of a sudden about 1984, around August, He broke the silence and He spoke to her and gave her deliverance and shut the critics mouths! Hallelujah! Glory to God. He could break the silence for you tonight if you are not ashamed to

anoint His Word with your tears of repentance, and do Him a service, and give vent to the pulsation of your faith, that He could give you deliverance! Hallelujah. You might be criticized for it, but be a spiritual astronaut; break the sound barrier! Amen. He will not fail you. Hallelujah.

So, we've been watching how those supernatural demons that came out of the Euphrates River in mystery Babylon darkened the sun and the moon. And then these same demons were loosed in the ecclesiastical realm. And God gave a sign when the Pope went to Jerusalem. The earth passed between the sun... [Blank spot on tape -Ed.] ...in the spiritual realm. The Devil's plan was uncovered by the opening of the Seven Seals and he's really mad. Amen. So he's trying to stop it at all costs. If he has to close down the people and kill them, he's going to do it. And we see him rising, getting ready to do it. Amen. The Prophet said, "Why is he doing it? He's howling because his scheme is uncovered."

The resurrected Headship has appeared in the last days and showed, He's the same yesterday, today and forever. He showed what a real believer is, what a real Christian is, what the real theme of the Gospel is. "Come out of her, My people. Come out of confusion. Come out of Babylon; come back to the faith of the fathers." Amen.

The Message came and broke the hold of the Devil, shook his kingdom, pulled the Elected out, embarrassed him, stripped him naked, and the devils are now full of revenge. Amen. He's not going to take that so easy. So he thinks he's planning a surprise for Her, that they are going to come and close us down. In the public, it's one set of flatteries because he's putting out smokescreens to blind the eyes of the people, making them think he wants peace, making them think he wants to fight communism, but we know it is us, he is coming against. Hallelujah.

So while he thinks he's going to spring a surprise upon us, he's going to come and close us down and

persecute us, Michael has already dropped down. Hallelujah! He has come down like a thief in the night. But you can only know it by revelation and by personal contact. He's in a realm unseen to the optic nerve. If He had come in the corporal body, they could have followed Him around, but He comes in a Theophany; unseen. Amen. The Angel of the Lord becomes en morphe, in disguise, and He is appearing unto His believers. Where two or three are gathered in His Name revealed in the Seven Thunders. Hallelujah! He's coming amongst them and revealing unto them what the plan of the Devil is; there is a Man here that can turn on the Light, tonight, in your life, in my life – the Chief Engineer.

It may be dark and gloomy for you, you may want to pull your hair and scream, you may get all afraid, nothing is going right for you, everybody is against you, the system is trying to squeeze you out, you're being victimized on your job, you can't pay your bills, but He's still Jehovah-Jireh! Hallelujah! God is on the scene. It is only happening for a testing, to test you for reaction; the final testing before the promise. Hallelujah!

But this is the Hour the Bride will stand. You have to prove you are not like Eve. So God has to let the Devil loose to come against you, to prove you are not like Eve. God brings you on Mount Temptation and demon powers are loosed at you, but He said, "Behold, I will keep you in the hour of temptation." [Revelation 3:10 -Ed.] Hallelujah! When the Devil comes, no dynamics, no signs and wonders and miracles; just the Word, the anointed Word, to dissect the Devil to ribbons, (hallelujah,) dissect the Devil to pieces with the Word; the sharp two-edged Sword: "It is written! It is written! It is written! It is written." Hallelujah! Glory be to God. If the Devil tells you that you can't be healed tonight: "It is written!" If the Devil tells you that you can't be delivered: "It is written!" Hallelujah! Glory be to God in the Highest. Amen.

He's here (amen) and He's showing us, it's not we who will be in for a surprise, it's the Devil who will be in for a surprise. Because when the Squeeze comes, watch the Third Pull then. Hallelujah! We will bind the mamba in a knot. Hallelujah. Glory be to God. Amen.

So, those supernatural devils had blocked out the Sonlight and threw the Moon into darkness. That was going on in the spiritual realm – a total blackout. The world is going into insanity. Hell is being created on the earth. Amen. People only had a form of godliness because they were no longer under the Light; no longer walking in the Light. The Devil trapped them into sin and bound them with shame and pride that they cannot confess their sins for it to be put in the Blood. They are afraid of embarrassment. They cannot make an open confession that is good for the soul, to say, "I'm sorry; I was wrong." Amen. And those who could have done it, then the Blood of Jesus Christ cleansed them from all unbelief. Hallelujah. Some might not be moral sin; might be the religious sin. Hallelujah! That is the worst kind. The worst kind of sinner is a religious sinner. Amen. Hallelujah.

So, this is the Hour the Light is being blocked out. Demon powers are trying to block out the Light because that very Light came to reveal the Three-fold Secret, to give us the Devil's answer. And the Prophet said, "The Father is trying to reveal it to you." That is why you can't have the victory. Because once it is revealed to you, you'll have the assurance you are in the Rapture; you'll have the evidence that your body will be changed. You'll have no fear; it's taken away from you. The spirit of fear and bondage is broken. He gave us a Spirit of love, of power, of a sound mind, a Spirit of adoption, whereby you cry, "Abba, Father." Amen. You have the same Spirit of faith that the apostles had. They believed and spoke; we believe and speak also. Amen.

And when that Spirit is anointing you, then you find your walk is different, like the African king's son.

Hallelujah! They said, "Wasn't he in the same meetings? Didn't he eat the same Food; sit in the same kind of benches, in the same building? What is the difference?" He said, "I got to find out afterwards, this one saw his name in the Lamb's Book of Life. He has Royal Blood flowing in his veins. His Father is the King of kings, and the Lord of lords. And though he's in Satan's Eden, he knows he came from God's Eden. So in Satan's Eden, he could still live like he's in God's Eden; all things under his feet." Amen. Hallelujah. Glory be to God. Amen.

So the Prophet said, "The darkness that is upon the churches; they are failing to see the Light that shines." [1964-0112 - para. 55 -Ed.] Now listen to this. There is no prevailing power as the revelation of the Word. Any man claims to know God apart from the Word is barren of life as a sterile eunuch. Amen. There is no way to know God outside of the Word. You try the spirit by the Word, but you don't try the Word by the spirit. No, sir! Amen. Hallelujah.

You see, some people find it's hard for you to be this way. They say, "Well, that is not God." Amen. But you see, God has different people. Bro. Branham said, "Bro. Neville is a nice, meek man; he talks to people quietly and so on." He said, "He can't tell them, 'Sit down and shut up.'" He said, "But God made me different." He said, "I could tell them to sit down and shut up." Amen. Hallelujah. You see, God made people different. Amen. Sometimes you have to be that way because demons will want to come and just take over the place. This is the house of God. This is the pillar and ground of Truth. Amen.

So, the darkness that is upon the churches is, failing to see the Light that's shining, the manifested promise, the Second Adam, the Son of Man being revealed. And the darkness today is, failing to see the promise of the Bride in the Bride Age, the second Eve being revealed. Amen. The Devil is trying to block out that Light from

shining upon the people. He has made them feel scared. People feel safer believing God sent a Prophet, believing that they are baptized in the Name of Jesus Christ, and depend upon these things. And when the Word of God is coming forth to show them who they are, they are kind of scared.

Now what about if the Prophet was feeling safe to stay in the Baptist church, and Revelation 10:7, Malachi 4, St. Luke 17:30 was never fulfilled? So he could have said, "I have to wait until I see somebody fulfill that first before I step out and believe it." It couldn't be anybody else, it had to be him. He was the one who was raised up to fulfill it. So then if you are waiting to see somebody fulfill the Bride's portion, you are going to end up in the Tribulation period, because you are called to fulfill that part. Amen. You will have to step out, and that Word, which It is a written Word, you will have to take It and anoint It and see It jump out of the pages of the Bible. And that is where your faith is challenged right there.

Your faith is not challenged to believe for somebody to be healed; you saw God healed people for six thousand years. Your faith is not challenged to believe somebody will be saved; God is saving people for six thousand years. But those Scriptures have never been fulfilled. Nobody who ever lived on the earth has walked upon that piece of ground, but the believers in this Age have to manifest that portion. You have to step out into the unseen, into the unknown, just by the inspiration that is in your heart, (amen,) believing that is your life written in the Bible and you are called to be the matching-piece. Amen.

Now on *The Seven Church Ages*, [An Exposition Of The Seven Church Ages - The Revelation Of Jesus The Christ - page 15 -Ed.] Bro. Branham was speaking about two things that Satan knows about.

He said: ... [Now Satan] *knows that if the people get the TRUE REVELATION of the TRUE CHURCH and what*

she is, what she stands for and that SHE CAN DO THE GREATER WORKS, she will be an invincible army.

Satan knows that. If they only come to that place, they are an invincible army. Watch in the natural realm: America sees Russia is advancing; they are way ahead in the arms race. Even though some people have to suffer unemployment, they are willing to let them suffer unemployment and be a bum on the street, but they are determined they are going to use that money, that could have maybe created jobs, to build arms because they don't want Russia to get to that place way ahead of them. Amen.

Now he said, "Satan knows that if the Bride comes to a certain place, if She gets the true revelation of the true Church, (not if She sees baptism in the Name of Jesus Christ, not if She sees one God, not if She sees that organization is false, not if She sees we are in the last days, or God sent a Prophet; if She gets the true revelation of the true Church – what She is, what She stands for, and that She can do the greater works,) She will be an invincible army. Invincible!"

So he knows that, and he knows the Light has come to restore that revelation to bring us to that Super Church, so he has to make sure that that Secret doesn't get in your heart, so he uses your job, he uses your children to shake you out of it. But the Father is trying to reveal it unto you so you could have the Devil's answer.

He said the next thing Satan knows is that: *If they get a true revelation of the two spirits within the framework of the Christian church, and by God's Spirit discern and withstand the antichrist spirit...*

Now discerning is alright. That doesn't stop the Devil; that just gives you knowledge that the Devil is moving. But to withstand him, that is what stops him.

... discern and withstand [amen] the antichrist spirit, [he] will be powerless before her.

You think about that. Satan knows if you get a true revelation to discern the two spirits: the church spirit on the church people, St. Matthew 24:24, and the Bride Spirit on the Bride people, and withstand it, he said, "He will be powerless before you."

Now Satan doesn't want to be powerless before anybody. He doesn't want to walk away defeated from people. Amen. But he knows he can be rendered powerless before the Bride if She only comes to a certain awareness and exercises in the things that She knows.

That is why many people haven't been fought too much to hear the Word. See? The Devil doesn't mind that, but he keeps you from recognizing it is the Truth. He keeps you from acting upon It. That is where the battle is. Years ago, he might have told you, "Don't go down to that meeting. Don't go to that church. Don't believe that doctrine," but you've overcome that. But now he tells you, "That is not for this time. I don't really think God wants to do that. Maybe that is for the future," or "The time hasn't reached yet." He does these kinds of things to hinder you. Amen.

Now on *The Fourth Seal*, pages 4 and 5, he said, "Denominational systems, which is the working of the antichrist spirit, has twisted the minds of the people away from this revelation and made them lukewarm, and formal, and powerless, and they were all living below their God-given standards. They were hollering and they were not getting anything." But he said, "When those Seven Thunders are revealed to that little group, it will give them the true revelation of the true Church. They will take the Word and hand It there. They will shut the heavens; create billions of tons of flies."

Okay. I wanted to make sure I get that in so you will know why this revelation is so important, and why many people have been receiving an understanding of many truths in the Message.

Serpent's seed is a truth in the Message, water baptism is a truth in the Message, Godhead is a truth

in the Message, but that is not the Message. Amen. The great Three-fold Secret that God had in the back-part of His Mind, that is what the Devil is trying to stop. That uncovered the Devil's scheme. That brings the Church to know who She is, what She stands for, and that She can do the greater works, to give Her the discernment to discern the two spirits in the framework of the church, and to withstand the antichrist spirit, and render Satan powerless before you.

And I've looked for that for years, reading it in the Message that the Prophet said, "He will be powerless before them. They will be an invincible army." Amen. Could it be that a people could come to that place? The Prophet said, "Moses, he served God so much until the Devil got fed up with him and Pharaoh said, 'Go on, go on, get out of here. Take your people and go.'" Amen.

It's like that a man can serve God. And when that revelation really strikes us, the Devil will look for better hunting grounds because it wouldn't have any prey here; it wouldn't have anything that he could move in and take over. It will have a people from the time he is coming, brother, they will begin to bombard him from all sides, he will have to fly out of town. Amen. Glory. Amen.

So notice, the Principal Theme of the whole Bible is Jesus Christ. The Prophet said, "If you read the Bible and you don't see Christ in It, read It over; you missed it somewhere." Amen. So, Jesus Christ is the Principal Theme of the entire Bible. And God's great Mystery revealed in Christ, it has been prefigured all down through the Ages in shadows and types. When the Prophet said that God had this great Mystery in the back-part of His Mind that angels never knew, nobody never knew, but it has been revealed in these last days.

So, hear what it is. He said [[1963-0728 - Christ Is The Mystery Of God Revealed - paras. 17, 45, 58, 72 -Ed.](#)]: *Now, God had a purpose and a hidden mystery. And that's what I want to speak on to the church this morning: the hidden mystery of God*

that He had in His mind before the world ever began and how that it's unfolded itself right down to this present hour that we're living [in]. See? Then you will understand clearly then, (You see?) on, I believe, what is being done.

... It's a secret. He kept it a secret. Nobody knewed nothing about it; even the Angels didn't understand it. See? He didn't reveal it. That's the reason under our seventh mystery, when the seventh seal was opened, there was silence.

Jesus, when He was on earth, they wanted to know when He would come. ... Even the Son Himself don't know when it's going to happen." See, God has this all to Himself. It's a secret. And that's the reason there was silence in heaven for a space of a half hour. And Seven Thunders uttered their voices, and John was even forbidden to write it, (See?)--the coming of the Lord.

That's one thing He hasn't revealed yet, of how He will come, and when He will come. It's a good thing that He doesn't. No. He has showed or revealed it in every type that's in the Bible.

Do you mean to say this great Mystery that God had in the back-part of His Mind is revealed in every shadow and type in the Bible? And yet we have nine hundred and sixty-nine denominations, yet angels didn't know it, nobody never knew it, and it is revealed in every shadow and type all through the Bible?

Therefore, the entire Bible is the revelation of God's mystery in Christ. ... The entire Bible is an expression of one goal that God had, one purpose He wanted to achieve in the entire Bible, and all the acts of the believers in the Bible has been in type and expressing what God's great goal is. And now in this last day He has revealed it and shows [us].

Amen. It has been revealed and God has shown it to us.

Page 58, he said: ... *What was once God's great secret ... in His mind, is now put in the hearts of the believer, that is the Body of Christ.*

Amen. Hallelujah. Page 72, he said: *It's the Father trying to reveal this hidden secret to you. But you let so many things [shake] it out of you.*

Page 45, he said: *God [alone] holds the key to this revelation...*

[And because of the] lack of this revelation is why we have so many different divisions ... so much mockery...

That is why there are people trying to do all kinds of things and say they have the Holy Spirit. It's mockery. And that's why we have so much of it, because that is not the way Jesus identified Himself in the Bible; that is not the way the Bride will identify Herself in the Bible. The two pieces must dovetail to prove that it is God's literal Life inside of you. Amen. So that is why we have all this mockery and all this division. Amen.

So all through the Bible God has been expressing His one purpose, His one goal He has been working to achieve – His Three-fold Secret: to have the pre-eminence in Christ; to have the pre-eminence in the Church.

Do you want to please the Lord tonight? Then let Him have pre-eminence in your life. What He is working to achieve in your life is to bring you to a place that He could have pre-eminence in you. Then you will have overcoming power. It will be Him in you. And He is never frustrated. The Devil cannot frustrate God. He might frustrate your human spirit, but the Life of Christ, brother, would frustrate the Devil, (amen,) because He could take everything that the Devil could put at Him.

When He was in the corporal body, He overcame the Devil. So if He comes in the mystical Body, it will still be the same thing. It's just a different suit of clothes, but it's the same God. "And you will overcome because I already overcome. And in that day you will know that as I was in the Father and the Father in Me, it is I in you and you in Me."

So, if you could let Him have pre-eminence, you are going to have the victory. Amen. The Devil might tell

you, "You can't give up this and you can't give up that." You say, "Shut your mouth! I've listened to you long enough." Amen! "I hear one Voice; that is God's Word, (amen) so you have no right to even talk to me; you are out of place." Amen! Hallelujah. "My Husband doesn't like that." Amen. Amen. My.

So the third thing is to restore the fallen Kingdom. Now that bothered me for years. I said, "Where did the Prophet get that from? The Secret in the back-part of His Mind, was to have the pre-eminence in Christ, have the pre-eminence in the Church and restore the Kingdom." And I said, "Where is the Scripture for that? Where is he getting that from?" Right here in the Bible we see it before the Fall. God revealed and expressed that by showing it in Adam. And Adam standing there represented Christ. He was made in the image of God. He was both masculine and feminine.

We are right in the message now, so listen carefully. In fifteen minutes, I'll finish.

So Adam represented the whole Word – the masculine spirit and the feminine spirit in one body. That was Jesus Christ. Then God looked at him and found that it didn't look good because God knew what He had in that body. He knew He had both masculine and feminine spirit in that body. But you see, God wanted to foreshow something for the future, and He was going to show what He was going to do.

So when the time came, God put Adam to sleep, foreshowing Calvary. And then God took the feminine spirit out of the corporal body, out of Adam, and God put it in another body. Amen. So Adam in flesh represented Christ in the corporal body; Eve in flesh represented Christ in the mystical Body. Amen.

So here was Christ and the Church. And God was showing that the Bride will not come forth until after Calvary, because He had to put Adam to sleep first, showing Calvary. Then the mystery of the Bride who was unexpressed in Adam and could not be revealed in

that body, was going to be unfolded after Calvary. So God was showing it right there.

Another thing God was showing was, when this Bride comes, She will be part of the Bridegroom. He will not take Her from another place. We come right back to the baptism of the Holy Spirit again, and the real identification. She must be part of the Word, (amen) because the Bridegroom is the Word. So, God took part of the Bridegroom to form the Bride.

Before Adam was in flesh, he stood there in the Word image. He was made in the image of God. And Adam standing there was representing the Mystery of Jesus Christ before He became flesh. Amen. And Adam represented Melchisedec, because Adam was a king. Adam had a kingdom. His kingdom was from sea to sea and from shore to shore, (amen,) and he had dominion over the animals. Amen. And Adam in his kingdom, he was a king and he represented Melchisedec Who was God in the Word form before He became flesh. Amen. And Melchisedec was two Kings. He was King of Righteousness and King of Peace. King of Righteousness was Elohim, the Spirit, King God. Amen. Melchisedec was King Theophany – God in the form of the Word. And then when He came in flesh, He was Jesus, King of kings. So, Adam represented those Kings, amen; the great mystery of the Kingship. Amen. He had dominion over the earth.

The next thing, Adam was a prophet. Because God created the animals. All the animals were created before Adam. Adam was created on the sixth day. He was the last thing that God made. God created tigers, lions, zebras, antelopes, (amen), and then God told them to pass before Adam to see what he would call them. It was the setting of the sun, it was the evening time, and Adam stood there in the cool of the evening and all the animals came from the right side in a straight line to see what Adam would call them. Because a prophet is a reflector of God and Adam was made to reflect God.

And as the animals came through in a prayer line, (hallelujah,) Adam the prophet, son of man, was watching the animals with those eagle eyes, and from the time the lion passed, he said, "Your name is lion. You are a king. You are the king of the beasts. You have a loud roar; it's like thunder. That's THUS SAITH THE LORD." Amen.

Maybe the next thing came was the fox: very sly; a very cunning person. And as he came walking up, Adam watched him. He said, "I'm seeing holes." Amen. "Your name is fox; you live in holes. That's THUS SAITH THE LORD." Hallelujah!

Maybe the next thing, a monkey passed by, and Adam watched him. He said, "You live in trees, you are full of tricks; your name is monkey." Amen. "Nothing could hide now." Hallelujah. "Go thy way." Amen.

The next thing after, maybe all the animals passed, and he would name them one by one showing he was a prophet. Amen. God had to name those animals first, because Adam was nowhere around. So when God made Adam, He wanted to see if Adam was a perfect reflection of Him, because Adam was to show forth Christ and Christ is Prophet, Priest and King. And Adam was a prophet, Adam was a king, and Adam was also a priest. Because Melchisedec was a Priest. He gave Abraham communion. Amen. And Adam and God had communion; fellowship. He offered spiritual sacrifices unto God. He worshipped God in the Garden of Eden when God would come down, the Pillar of Fire, the Logos, (hallelujah!) the Shekinah Glory. Adam was a priest standing there offering sacrifice unto God. Amen.

So Adam was prophet, Adam was priest; Adam was king. And when Adam was put in the corporal body—in flesh, rather, he represented Christ in the corporal body, and the bride and bridegroom were in that one body. And then when God put Adam to sleep, it showed Calvary where God was going to take the Bride part out. Amen.

And then Adam being a... That was Son of God. Eve represented the Son of God, because Adam, as prophet, was Son of Man. After Calvary, when the female part was taken out to put in another body, that represented Eve, the Bride, the living Book of Redemption for Seven Church Ages, and that was Son of God. Amen. Because for Seven Church Ages after Calvary, He was Son of God (amen), after the Bride was taken out. Then Adam and Eve, Son of Man and Son of God, Bride and Groom, King and Queen, standing upon the earth, had dominion over the earth. And Eden represented the Millennium when He will be Son of David. Hallelujah.

So back in the Garden of Eden before the Fall, before there was time, in the Eternal Church Age, God's Three-fold Mystery was being revealed in a shadow: Adam, Eve and Eden; Son of Man, Son of God, Son of David; Prophet, Priest and King.

And after they fell, then God had to bring it back. And every true prophet in the Bible represented Jesus Christ. Every false prophet represented Lucifer. Every true priest represented Christ. Every true king of Judah represented Christ, the Lion of Judah. Amen. Hallelujah.

So Adam standing there, and Eve standing there, in the Garden of Eden, was God's secret. Now God was going to work for four thousand years to bring it back. So for the first four thousand years the Son of Man came, the Second Adam. Then for the second two thousand years, Eve came back, the Super Church, the Bride. And the seventh thousandth year, the Millennium is to be restored; the Eden is coming back – God's Three-fold Mystery.

And when Jesus came, He manifested the Name of My God, then His Bride is to manifest the Name of the City of My God, New Jerusalem, the Lamb's Wife, (amen,) and in the Millennium, My New Name in the Kingdom, in the Garden of Eden when it's restored on

the earth – the Lord Who is, Who was, and Who is to come, amen – this great Three-fold Secret. Amen.

So all the types of the prophets represented Christ. And God is foreshowing the mystery that was inside of Adam. So when Moses came, he was a type of Christ. But Christ was so great, that mystery that Adam represented was so great, that it could not be revealed in no one person; it couldn't be manifested in no one Age.

So, Moses revealed part of the mystery. He called an Exodus. He was a law-giver. He was born in the time of persecution. Elijah revealed part of the mystery. He was called out, ascended into heaven, sent the mantle back, the Holy Spirit upon the Church – Elisha. Amen. In Joseph, he was part of the mystery. He was sold for thirty pieces of silver, betrayed by his brothers, loved by his father, saved the world; had a Gentile bride. Amen.

Each one of them held part of the mystery. All the prophets made up one Prophet. All the priests made up one Priest. All the kings made up one King. So it took all of the prophets to reveal the God-Prophet. It took all of the kings to reveal the God-King. Amen.

So in the kingdom, God raised up Solomon, and He gave him glory and a thousand wives, showing the many-membered Body of Christ and His Kingdom. He had peace upon the face of the earth, and his glory went to all the nations, and his great wisdom, showing what is going to happen in the Kingdom.

King David and Hezekiah, other kings of Judah, were revealing the Great Lion of Judah. Amen. All the priests, like Aaron and Ezekiel and Eleazar, Moses' son, all these priests, they were revealing the Mystery of the great Priest, the great Intercessor, (amen,) we have in Heaven. Hallelujah.

So, all of these characters in the Bible, in their lives, were expressing what God's great goal was; how this great Mystery was coming back. Then when Jesus came, He came at the end of the Old Testament. Amen.

And He stood at the end of the Old Testament, and He knew that all of them in the Bible spoke of Him.

So when He read the Bible, and He was reading about Jonah in the belly of the whale... One day He was in the temple and the priest preached on Jonah, a nice, little message: how he had great faith in the time of trial, how he was in such a bad condition but yet he could pray; preached a nice message. Then Jesus got up afterwards and said, "A Greater than Jonah is here." Hallelujah! "Because as Jonah was in the belly of the whale, so the Son of Man will be in the earth, and as Jonah came out of the belly of the whale, so the Son of Man will come out of the earth."

One time the priest preached a message on Solomon: how great Solomon's wisdom was, had a gift of discernment, knew a lot of parables, full of wisdom, amen; a wise man. And after he preached on Solomon, Jesus got up and said, "A Greater than Solomon is here, (hallelujah) with a greater gift of discernment, (hallelujah!) with greater wisdom than what Solomon had."

Because He knew that all those shadows in the Bible were put there for one purpose – to reveal to Him the mystery of His life and Ministry. To the Jewish people it was a history of their ancestors, but to Jesus it was a mystery of prophecy for Him to identify Himself by and for a source for His faith. Amen. So because He knew the Word that way, He had a Perfect Faith.

And He came at the end of the Old Testament and preached, "A Greater than Moses is here," because He called a greater Exodus than Moses. "A Greater than Elijah is here." He sent back a greater Mantle than what Elijah had, for the Church. "A Greater than Solomon is here. A Greater than Jonah is here." Because all of them were only revealing the mystery of who He was in a part, but it was now gathered up into one Person and being revealed in reality, that this was Adam standing upon

the face of the earth, Jehovah's Masterpiece, rebuilt and standing here again.

Then God sent Him to Calvary. Because while He was on the earth, the Female, the Bride, was in Him unexpressed. Amen. Because in the Bible there is a mystery showing that Eve was in Adam and she would be taken out. So in the Bible, God put certain women in the Bible: Rebekah and Sarah, and Esther, and Ruth, and Rahab, and Mary, all of these women in the Bible typing the Bride. They were put inside the Bible.

And when Jesus took the Scriptures, the Law, and the Psalms, and the prophets, He never identified Himself in these women. He never identified Himself in Ruth. He never identified Himself in Esther. He never identified Himself in Rahab. Because that was put in the Bible, and it was the mystery of the feminish spirit that was in the Second Adam that had to be taken out and put in another Body in order for Her to be revealed. And when She is being revealed, those Scriptures will identify Her. As the prophets' part and the kings' part and the priests part identified Jesus, so the brides' part will identify the Bride. Hallelujah.

So, for Seven Church Ages God has been unfolding this mystery in measure; the mystery of the Bride who Eve represented. Because Eve represented the whole Bride, from the feet right up to the Head. When God was forming Eve, He formed the feet first. He made nice feet, no crooked feet; straight feet. Amen. Then He built the thighs. And while God was building Eve's thighs, He was seeing a Church Age. And God built the chest and He saw a Church Age. And He built the neck and the lips, and God saw a Church Age. And then God said, "She must have two nice, prophetic eyes coming just about here," and God put two deep-set eagle eyes. And then she had seven locks of hair.

And then God presented her unto Adam, and Adam looked at her, and when Adam looked at her, he saw all Seven Mysteries. Hallelujah! He watched the eyes

(amen) that will see the truth; he watched the mind, the intelligence, his very own; he watched her hair, all seven locks, his glory. He said, "This is woman. She's bone of my bone, she's flesh of my flesh; she's bride." Hallelujah!

And that bride was so great that the mystery of that bride couldn't be unfolded in no one Age, couldn't be unfolded in no one person. So, part of the mystery of the Bride was in Ruth. Part of the mystery of the Bride, how She was going to be called in the Evening Time by Eliezer, was in Rebekah. Part of the mystery was in Sarah: how Her body will be changed at the Last Trumpet after Elohim comes. Part of the mystery was in Esther: how in the time of persecution She will go in the Presence of the King anointed, dressed in the Word by the Seven Eunuchs, to receive the authority from the King to save Her people. Amen.

The mystery of the Bride was so great that it unfolded in measures; each character holding part of the mystery of the Bride. And She unfolded down for Seven Church Ages, each Age producing part of the mystery, and the messenger of each Age catching the mystery, but not fully revealed. They had to wait until the Bride Age when all Seven Mysteries will be gathered up into one Mystery, to reveal the Person of Jesus Christ in the form of the Bride: bone of His bone, flesh of His flesh, faith of His faith, virtue of His virtue; knowledge of His knowledge. Amen.

So, while that mystery was being unfolded down, the messenger of each Age caught the mystery, but not fully revealed, and went forth and sounded it. Then at the end of the Seventh Age, it is all gathered up and being revealed in the Son of Man, in the Bride coming of Christ, as the Full Word is born into manifestation again, showing that Alpha has become Omega.

Then these Seven Mysteries of what the Church was, how it was in Christ in the beginning, how it would be revealed in the last days, who She is, what She stands

for, and that She can do the greater works, would be made known; that the Devil will be powerless before Her, because She will recognize what part of the Word She is and She will see Her life is the matching-piece to the Scriptures, and the Devil will not be able to shake that faith.

So just as Jesus, the Second Adam, came at the end of the Old Testament and gathered up all the prophet types, all the priest types, all the king types into Himself and revealed that He was the Prophet, Priest and King, and then He went to Calvary and the feminine part that could not be revealed while the Bride was in Him in His earthly ministry, while He walked on the earth, and people saw Adam and they said, "He is a god; has dominion over the earth, he's in the image of God," nobody was talking about the bride but yet she was right there. She was unexpressed but she was going to be revealed. Her season was going to come; her mystery was going to unfold.

And for Seven Church Ages, God is building a Bride, from the feet in Paul's Age, coming up through the thighs, right up to the mouth in the Pentecostals, the eyes in the Prophet, and the Head in the last days. In this Hour the real Bride is presented unto Christ, a Church without spot and without wrinkle; a glorious Church who is bone of His bone and flesh of His flesh. And He will look upon Her in the midst of all these denominations, and say, "This is Her. She is faith of My faith; She is Bride. She has the Wedding Band of grace. She has the Marriage Certificate. She has My Name; She is part of Me." Hallelujah!

"In the days when I used to be lonely, while I sat there in Eden and I watched the male lion and the lioness go by, the king with his queen, and I knew I was a king but I couldn't see my queen." Hallelujah! Amen. Hallelujah. He looked there and saw himself in the lamb. The male lamb and the female went by, and he knew: "I am a redeemer, but where is the redeemed." Then he watched

the male eagle and the female eagle go by, and something in Adam's heart would tell him, you are a prophet (amen) but where is the bride that is to come forth; a prophetic people? He couldn't see it. But then finally she was inside of him.

Then in this Hour, at the end of the Seventh Age, at the end of the New Testament, there is to be a people in the Bride Age who will take all the types of the Bride; they will take Esther and Ruth and Rebekah and Sarah and Mary, and they will prove that they are the principal theme of the New Testament just like He was the Principal Theme of the Old Testament. So the Old Testament and the New Testament is Husband and Wife. Amen. And the New Testament is the Bride, the female that was taken out of the male. And as She stands at the end of the Age, She comes and preaches: "A greater than Sarah is here, a greater than Esther is here, a greater than Ruth is here, a greater than Rebekah is here; a greater than Mary is here." Hallelujah!

There must be a people who will recognize that they are the matching-piece to God's promises recorded in the Bible, that they will know the very Spirit in them, the very Life in them came from inside of Christ, came from the Fountain of Seven Spirits. And Love was the feminish spirit. It was put into another Body. Hallelujah! They could be in subjection to Him. Hallelujah! They could obey His Word though they are co-equal; (hallelujah!) though they are co-equal; though they thought it not robbery to be equal with God. [Philippians 2:6 -Ed.] Hallelujah!

Jesus was in the image, the expressed image of the invisible God. He was Almighty God in flesh. He thought it not robbery to be equal with God. Adam was in the image of God. He was an amateur God under God. When the Prophet came back in the Word image, he thought it not robbery to be equal with God. He took the Scriptures, the unveiling of God, where Jesus thought

it not robbery to be equal with God, (amen), and he preached *The Unveiling Of God* and *The Mighty God Unveiled Before Us*. [1964-0629 -Ed.] It was the Life that was formed in him. He who came from thought to flesh and bypassed the Word, had come back to the Word, and he stood there, nothing less than God, in the image of God, the literal Life of God. He said, "Everything that God was is manifested amongst us, except the corporal body." Hallelujah! He revealed the Son of Man. Hallelujah.

Then the Bride who is bone of His bone, flesh of His flesh, when She is formed back in the Word image... Even Adam was co-equal before the Fall. In the Eternal Church Age, in the Ephesians, (hallelujah!) they were co-equal. But Eve could be under subjection. She had the Spirit of Love. Amen. And the Bride of Christ with the Spirit of Love inside of you, if you love Him, you will obey His commandments. Hallelujah!

He doesn't have to put fear in your heart to get you to do it. You'll see it is His Love for you, it's what He made you; you are glad to do it. You are searching for an opportunity because what is inside of you wants to express itself. Because it was inside of Him, but it couldn't express itself to Him while it was in that body, so He put it in another Body, so it could express itself towards Him and He could be served and honored (hallelujah!) by His Bride.

And that is why He didn't let you keep your own spirit. Because you had a rebellious spirit, I had a rebellious spirit, but He killed that old nature and put His Spirit, the feminish spirit, inside of us that we could serve Him and love Him and be in subjection unto Him regardless of what He says. What He says, we will do. Where He sends, we will go. His very wish is our command. Hallelujah.

And that is His Bride in this Hour – the feminish spirit being revealed in another Body. Who is Eve? Eve is the mystery, the feminish spirit of Adam revealed in another body. Amen! Who are you? The Bride, the feminish

spirit of Christ revealed in another Body. The feminish spirit in the Second Adam was unexpressed in the corporal body, but it's now being revealed in the mystical Body. And Eve represented that Bride. All Seven Ages were in her. Amen. And in this Bride all Seven Ages is in this Bride. Amen. Hallelujah.

So, just as all the bridegroom types made one Bridegroom, so all the bride types make one Bride. For the first four thousand years the Adam part came back; the last two thousand years the Bride part has come back. That is why I said this morning, to preach 'the unveiling of Jehovah's Masterpiece' is not a message; God is unveiling His Masterpiece. Because after the Masterpiece is built and She is formed in the image of the Word, the Word Herself will take the Word Itself and identify Herself in Itself. She is the Word predestinated to the Word written for the Hour. Amen. Hallelujah.

And now the mystery of the Bride, that feminish spirit, those Seven Mysteries that seemed so mysterious: "What does the Seventh Seal mean?" And we wonder about the Seventh Seal. We saw this morning, it is a Three-fold purpose of Redemption, the Three-fold mystery of His Coming; the Three-fold revelation of His Name being revealed in His Three-fold Coming. Under the Seventh Seal, we saw the Son of Man revealed. Adam was manifested again. 1963 to 1965, the Son of Man, the Full Word, Adam in the flesh, the Third Pull, the dominion on the earth, inheritance and Eternal Life, fellowship with God, was displayed on the earth.

Nineteen years after we have Eternal Life, we have fellowship with God, but we have one more promise – power over the earth as God. When the Squeeze comes watch the Third Pull then. We are on the verge of it. How do we know? Because after the Masterpiece is built, then He could strike it and say, "Speak." He couldn't strike it unless the image was formed. And now that the

image is formed, the Word Herself is revealing Herself out of the Bible and shows that Eve had to follow Adam.

So, for nineteen years nothing could come forth except a true revelation of the True Church, who She was, how She was in Christ, how She is being revealed in the last days, what She is, what She stands for, and that She can do the greater works. And all Hell is against that Truth, and the Devil is trying to block out that Light and put the churches in darkness and don't want them to see that the Masterpiece, built on the fourth foundation, from 1965 to 1984, is being unveiled now.

But you see it. Do you see it? Amen. Hallelujah. You recognize that all those types and shadows completely run out at the end of the New Testament in the Evening Time. Because these types were foreshowing that the Bride is to be manifested after the revealing of the Son of Man, the Second Adam, the one-man Scripture.

Take for instance Rebekah. Rebekah was called by Eliezer. In other words, Rebekah could have never come forth until there was an Eliezer. Eliezer couldn't come until it was the evening time. So, no Bride in the Seven Church Ages could have identified themselves in that Scripture; they had to wait until Eliezer came. So then it was speaking about a people after the one-man Scripture; after Eliezer.

Look at Ruth, she came in the harvest time to receive redemption. During the Ages it was intercession, but now it's Redemption. And Ruth had to glean in Boaz's field. She must not glean in another field. In that hour, in the harvest time, it's Boaz's field, the Message of the Hour, (hallelujah) our Kinsman Redeemer, the Son of Man being revealed. It is in that revelation we shall receive Redemption.

And Ruth came in the harvest time, and the harvest time is when the wheat comes back to the wheat. During the Ages there were the carriers, but when the Son of Man was revealed, it was the Wheat Age, the

Harvest Time; then Ruth can come in when Naomi is going back in the homeland (hallelujah!) to receive Redemption also. Hallelujah.

Take for instance, Esther in the time of persecution. Haman made a plot to kill out the Jews; was building his gallows like they were building their concentration camps; like they are signing the laws to close down these churches, to persecute these people. Amen. And those seven messages, those seven eunuchs, (hallelujah,) they washed Esther, they dressed her, they anointed her after Vashti was rejected. Hallelujah! And Vashti was the Pentecostals who wouldn't listen to His Word, the Word of the King. When He called her to the Feast, she wouldn't come. Hallelujah!

And then Esther was dressed after the seven messages of the seven eunuchs had made her ready to go into the presence of the king before the persecution. Amen. Between the plot and the persecution, inspiration struck Esther: "If I perish, I perish, but I'm going in the presence of the king." It was the hour for the king to stretch the scepter and for the bride to receive the authority. Hallelujah!

This is the Hour you have to receive the authority. When the Squeeze comes, watch Esther use the Scepter! Hallelujah! Glory to God! Amen! But now She is walking holy, holy, holy. She's in the Throne room in the Presence of the King. Hallelujah! She is having fellowship with the King. And I could see Him, by faith tonight, He is stretching forth the Scepter; She is going to touch it! That is what She went in there for, because She recognized the Hour! Amen.

Like Sarah... Nobody can type themselves in Esther, because Esther represented the Bride after the Seven Eunuchs, after Vashti was rejected. For Seven Ages they had it but they couldn't identify themselves in it. That was a shadow. The Light struck an object; the Light struck some people who cast that shadow. It couldn't have any Esther in the Bible if it didn't have a people

that the Light struck to cast that shadow. It couldn't have any Rebekah in the Bible if it didn't have a people in the Evening Time when there was an Eliezer that the Light struck, because a greater than Rebekah is here. We have been called by a greater than Eliezer, who came with greater gifts than what Eliezer went with, who took us to a greater than Isaac; who took us into a greater tent than Isaac and Rebekah were in. Hallelujah! Amen. Glory.

So here we are. Look at Sarah. When did she receive a visitation? After Elohim was manifested in flesh and discerned her heart, and went away in 1965 after he discerned her heart! But I will return according to the time of life. So, then no Bride for Seven Ages could identify themselves in that portion of the Bible except somebody in this Day who is living after Elohim has come with the sign of discernment and discerned our hearts. Amen.

Who is going to match all of those types? Who has those experiences that the Chinese Laundryman could take those experiences and dovetail it with the Word, and prove that this is the feminish spirit of Jesus Christ that was unexpressed in the corporal body and unfolded down for Seven Church Ages in part, but is now being gathered up in 1984 and being unveiled to show God is fixing to strike His Masterpiece (hallelujah!) so that the ministry of the Spoken Word can come in?

Look at Rahab, a Gentile at the end of the journey. In the beginning of the journey, it was Jews. Yes, in the upper room. In the beginning of the journey when the Life of the Lamb came back, it was Jews. But at the end of the journey in the Ephesians, on the other side of Jordan, when there were souls in prison in the judgment hour when Joshua with the commission, God's destroying angel, was coming to take the land, in that hour, Rahab, a little Gentile had a token – a scarlet thread.

She had faith, because Paul in writing in the Book of Hebrews said, "By faith Rahab, the harlot." James in the Book of James said, "By works Rahab was justified." She had both faith and works, showing that that little Gentile group will be justified by God and by man in this Hour. There must be a people who will apply the Token with desperation and bring their family under that Message. They will believe the Message of the spies that judgment is coming. Amen. A greater than Rahab is here with a greater Token, received a greater Message, in a greater Hour than what Rahab was living in. Who could have identified themselves with Rahab? Not one of the Brides, because we are now in the Ephesians again, after the Seven Seals are opened.

Look at Mary in the Bible. After the Angel came and brought a prophetic message: "God Himself will be made manifest in the virgin," and went away, Christ was being formed in Mary. Which bride would identify themselves in that type? And if those types are in the Bible, just like all the types of the male: prophet, priest and king, had to be identified to make Jesus the Messiah, there must be a people with the feminish spirit that was taken out of the corporal body and now being revealed to dovetail with those Scriptures to make them the Bride. And when you come for your promise, then you present that Token, your identification, the evidence that it is His Own Life, because it's matching all the female types that held the mystery of the feminish spirit.

So none of the Bride in the Ages could have preached this part of the Word, but in the Evening Time when the Book of Redemption is being revealed and the Light is shining on the Three-fold Mystery, it's all being made known. Amen.

In 1964, Bro. Branham preached the message called *Shalom*; the breaking of a new day. Six thousand years had passed and the seventh day was breaking forth. It was the darkest time, the total blackout just before

daybreak. Adam was revealed. The seventh day, the Eden, the Millennium was being ushered in – a thousand years of Shalom – peace. That day was already breaking.

Then from 1964 to 1984, between Adam and Eden had to come Eve: faith of His faith, virtue of His virtue, knowledge of His knowledge; bone of His bone, flesh of His flesh, to perfectly match those types, to show that those mysteries of the life and Ministry of the Bride is now being fulfilled in a people and they've recognized it and it has brought them to a Perfect Faith. Amen.

Outside of that, he said, "We may have good behavior, we may try to live a good life, but when we can get a revelation that we are part of that Word..." And all the acts of believers were expressing what God's great goal is. Because in the Shout, Adam came back; in the Voice, Eve comes back; under the Trump, Eden is restored. Amen. So, it's God's great Three-fold Mystery being revealed.

May we never have another doubt! May we never have another fear! And may we recognize that the experiences of the Bride that God has taken you through is perfectly identified in the Word, when the Hour comes, what you have need to know is locked up in one of those shadows.

Jesus could have looked at Joseph when the time of His death came. He could have looked at Jonah in the time of His Resurrection. He could have looked at Solomon and built a house for the Name of God; lively stones. Amen. He could have looked at Aaron interceding for the people. Then the Bride also, you could see your whole experience.

Like Bro. Branham too, he looked at Eliezer, he saw what he had to do. He looked at Joshua with the commission. He looked at Moses; he called an Exodus. He looked at Elijah; he repaired the altar. Each one of them held part of the Mystery of the Ministry and the Life of Christ that is to be manifested in this Hour. And when you know the Word that way, when you see It in

your own life, when It becomes personalized to you, no devil could stand before that.

May we all stand to our feet! Hallelujah. Blessed be His Name. Thank You, Jesus. Hallelujah. Let's just sing Amazing Grace. I think it has been God's grace to us. If God has witnessed to your heart that that is the Truth, that is the mystery of those Seven Thunders, the revelation of Jesus Christ in Bride form at the end of the New Testament, Adam and Eve going back to the Garden of Eden now being revealed and you are the Eve part, that the Hour is come, His Masterpiece has been unveiled, then the next thing, He strikes it and we go into the Ministry of the Masterpiece. We have had the building of the Masterpiece for nineteen years, now it's the unveiling of the Masterpiece. Jehovah's Masterpiece has been unveiled before us this night. Hallelujah! There will be a quick, short Message, a Ministry of Jehovah's Masterpiece.

Don't let the darkness press you down that this Light wouldn't get down into your soul and give you the Light of the knowledge of the glory of God in the face of Jesus Christ, that you can have this treasure in earthen vessels, the Devil's answer, (amen,) with no more fears and no more doubts. You know it is He inside of you, but this part was ordained to be revealed through you.

Do you love Him tonight? Amen. We certainly thank Him tonight. Let's just sing it, worship Him, give Him our thanks. You have the victory tonight. You are delivered tonight. Don't let the darkness press you down anymore. If the Masterpiece has been unveiled, we are on the verge. And God ordained these meetings to unveil the Masterpiece to show you what the darkness is trying to block out; know who you are and what you are raised up for; the true revelation of the true Church to make you an invincible army that Satan would be powerless. Amen.

[#1 - Songs That Live -Ed.]

Amazing grace! how sweet the

*sound,
That saved a wretch like...*

Everyone enter in tonight. God has given you your deliverance.

*... once was lost, but now I'm found,
Oh, I was blind, but now I see.
Now I see! It's becoming real!*

*'Twas grace that taught my heart
to fear,
Amen.*

And grace my fears...

He has taken away your fears and your doubts. How precious is this grace tonight.

*How precious did that grace
appear
The hour I first believed!*

*Through many dangers, toils and
snares,*

All kinds of demon powers tried to destroy both body and soul.

*... already come;
'Tis grace hath brought me safe
thus far,*

And grace will take us back to Eden. Grace will lead us home.

And grace will lead me home.

*When we've been there ten
thousand years,
In that New City. Hallelujah!
Bright shining as the sun;
We've no less days to sing God's
praise
Than when we first begun.*

Oh, just praise God, praise God tonight, every heart and soul.

Praise God, Praise God, Praise God...

Grace provided a Prophet. Grace provided a Pillar of Fire. Grace provided a Message, an Atonement. Grace provided your deliverance.

Praise God, Praise God, Praise God...
