When Jesus walked the roads of Judea, lives were changed

Jesus was Life walking, and death must have hated to see Him coming

And Jairus's daughter was as good as well when Jesus came

**You could feel the mother's heartbreak You could hear them cry and
mourn - Their little girl was only twelve years old**

Then somewhere in the distance – outlined against the sun

There came a Man with a mission from the Throne

They said, 'Look ! Somebody is coming But what they did not know –

It was their Promise coming down that dusty road.

And - there's a Promise coming down your dusty road

From His Holy Hands, - healing virtue flows -

He's got the keys to what you need Death and Hell He will defeat

'cause there's a Promise coming down your dusty road

He laid His Hand upon the child, looked death right in the eye

He said, 'All Power in Heaven and earth, it belongs to Me'

And with a Voice that sounds like thunder, He hurled death asunder

When He said, "Little girl, rise and be free'

There's a promise coming down YOUR dusty road !

~From the Editors Desk~

Greetings dear Saints,

Well it has been so interesting seeing the men of God in N.Z. moving around various centres and even abroad by invitation from various churches bringing the latest of what God has revealed in their ministry. We have been particularly blessed of late by the upsurge of these men of God being called abroad around New Zealand and also around the Pacific Islands and PNG.

The maturity of the men of God have been a shield against the common belief that problems arise in the absence of the Pastor who are sometimes faced with needed adjustments on their return home. And of course we all realise that the devil tries to take advantage of the situation. Let us pray for our Lords loving protection for His Bride at this late hour.

And do you think we could all give toward these men of God who are following His call and often need a little financial support? This is a privilege to help bring in the sheaves in this harvest time.

Our Committee members, Brothers Adrian, Dean and Malcolm join me in wishing you all of God's blessings and love.

An Obituary

On the 21st April we lost our precious Brother Barry Robertson to his reward with the One he loved dearly. His life was one that revealed the grace of God in its vast measure.

Our brother gave his testimony in the BNL four years ago, and right to the last day he was so happy for the Lord to take him. He was 85 years old.

He was in the Sunday Morning service, and the following Sunday the Lord took him, full of praise and rejoicing in his Saviour.

A graveside service was held at his request and witnessed by many. God bless you all.

Return of the Bnei Menashe

'... though some of you were cast out to the farthest part of the heavens, yet I will gather them from there, and bring them to the place which I have chosen as a dwelling for My name'
Nehemiah 1:9

□□ though some of you were cast out to the farthest part of the heavens, yet I will gather them from there and bring them to the place which I have chosen as a dwelling for My Name □ Nehemiah 1:9

The Work of the Jewish organization, Shavei Israel, helping The Bnei Menashe Tribe return to Israel after many centuries of exile in India.

The Bnei Menashe, a group of over 9,000 people living in India's north-eastern border states of Manipur and Mizoram, claim descent from one of the ten lost tribes of Israel who were sent into exile by the Assyrian empire more

than 27 centuries ago. Their ancestors wandered through Central Asia and the Far East for Centuries before settling in India, along the borders with Burma and Bangladesh.

Through their exile, the Bnei Menashe continued to practise Judaism, including observing the Sabbath, keeping Kosher, celebrating the Festivals and following the laws of family purity. And they continued to nourish the dream of one day returning to Israel. A Chief Rabbi recognised them as a lost Tribe in 2005 and Shavei Israel helped 1700 to move to Israel before the Government stopped giving them visas. The Israeli recently reversed that policy, agreeing to let the remaining 7200, Bnei Menashe immigrate, Immediate permission was given for 274 of them to do so.

The first group of fifty-three Bnei Menashe left India on the 24th Dec.2012. It was one of the greatest acts of God's faithfulness I have witnessed. Some youngsters in the group, who I spoke to, said they have always loved and longed for because their parents had always taught them that they are Jews and Israel is their homeland. Living in poverty, many of these people had no hope of ever setting their feet in Israel. At the right time God sent Shavei Israel, led by Michael Freund to them.

□□□ though some of you were cast out to the farthest part of the heavens,
Yet I will gather them from there. □ Nehemiah 1:9

Over the past year we have been praying specifically for their Aliyah, proclaiming in faith all the biblical prophecies about Aliyah from the east. It was a day of great excitement for us, one that will always be etched on my heart as we saw prophecies being fulfilled before our eyes. There were many mothers and many more children. Among them...the

woman with child and the one who labours with child together..A great throng shall return there. They shall come with weeping – Jeremiah 31-8. There was joy and weeping.

There was much rejoicing and singing on the bus to the airport. We felt so privileged to be with them. It was a joy to watch them receive their new passports and tickets.

Yehoshua, a Bmeo Menashe who had made Aliyah ten years ago and is now a Security Officer in Israel, had come from there to encourage his brethren who were now making Aliyah. He wanted every one of them to be where he is today and experience the joy he has.

There were many intercessors on their knees while these people were going through the immigration procedures. Everything went smoothly. The Lord was indeed gathering his scattered ones – and He promises to keep them as a shepherd does his flock. Jeremiah 37:10.

Nearly 225 more members of this community arrived in the following weeks. May it continue?

“OH, give thanks to the Lord, for He is good! For His mercy endures forever. Let the redeemed of the Lord say so, Whom He has redeemed from the hand of the enemy. And gathered out of the lands, From the east and from the west, From the North and from the South.” Psalm 107: 1-3

*For the Lord will not forsake His people
For His great Name's sake,
Because it has pleased the Lord
To make Israel His people.*¹ Samuel 12:22

The Lord is bringing them home!

Overall, 18,691 Jewish immigrants came to Israel in 2012 according to an annual aliyah analysis by the Jewish Agency for Israel.

These include:

- 7,755 from the Former Soviet Union
- 3,389 from North America
- 1,907 from France
- 925 from Latin America
- 698 from the UK — a 23% increase
- 160 from Italy — a 51% increase
- 48 from Scandinavia — a 14% increase.

We thank the Lord who is faithful in bringing back Jewish people from all of the countries where they have been scattered.

God rich in Mercy! God rich in Grace! God rich in Love!

Isn't He wonderful! It's wonderful to be in the house of God. I want to sing 'God rich in mercy.'

I want you to sing it for yourself, someone next to you, sing it for someone who is on the internet; sing it to the Lord, 'You are rich in mercy'. What would we do without that? He is worthy of all the Praise. He certainly is and I felt I would like to say that to you.

*Sing it for somebody - . Because it's the truth of God's Word..
Hallelujah! GOD gave us His Son. Hallelujah! Alright, we'll sing this together -*

Bro. Ed Byskal

God rich in mercy! God rich in mercy!
Sending His Son, we were undone
God rich in mercy.
God rich in grace, God rich in love
Sending His best from Heaven above,
Saying to all men today,
God rich in mercy, God rich in mercy.

Hallelujah! We will just have a word of prayer -*Father, we are opening Your Word, but no-one can open it but you. You are the only One who can give us understanding. You are the only One who can send the author, the Holy Spirit that inspired the Prophets of old and those who inspired, oh God, ascribed the life of Jesus Christ. You established, you capped their pen and guided their thoughts, and now Lord, come I pray as you have given us a message in this hour, that reveals our Lord Jesus Christ. Be revealed Lord, be made known, I pray, Heavenly Father. If there is anyone here who is a stranger to you, I pray, even in this service, they will be introduced to the Son of God, the Lamb of God. You will reveal in this hour I pray. Dear God, may you give inspiration to them and to all that may hear, in the Name of Jesus and may you be lifted up and glorified. Amen and amen.*

God bless you. I want to say for my part, we are having a wonderful year. We are living in a wonderful time with a wonderful message where God has reconfirmed the promises to all of us and we are here this morning and I am praying that God will inspire the Word in such a way that we will just be able to obtain and apprehend more of it. That's my desire.

Praise the Lord! Hallelujah! A group of our young people are planning on going to Uganda for a Working Mission trip. I want to say to all of you, you want to be much in prayer, you want to say, God make me a blessing and cause my hands, and my mind, and my mouth to say what they ought to say; and my hands what they ought to do. And we pray that you will be a blessing. Amen. If you'd like to take your Bible please, and turn to Matthew the 16th chapter. I'm going to begin reading at the 15th verse. And then we have another reading that will be Acts 26. Mark 16 v15 *And He said unto them, Go ye into all the world and preach the gospel to every creature. He that believeth and is baptized shall be saved, but he that believeth not shall be damned. And these signs shall follow them that believe, In my name they shall cast out devils, they shall speak with new tongues, They shall take up serpents and if they drink any deadly thing it shall not hurt them, they shall lay their hands on the sick, and they shall recover. And after the Lord had spoken unto them, he was received up into heaven and sat on the right hand of God. And they went forth, and preached everywhere, the Lord working with them, and confirming the Word with signs following.*

Acts the 26th chapter, Paul is telling of his conversion, thirty years later, after it happened. And he's telling it to King Agrippa. He even gives more detail here than he does in Acts, the 9th chapter when the conversion happened. *And when we were all fallen to the earth [Paul speaking] I heard a voice speaking unto me and saying in the Hebrew*

tongue, *□Saul, Saul, why persecutest thou me? It is hard for thee to kick against the pricks. And Paul said, Who art thou, Lord? And he said, I am Jesus who thou persecutest. But rise and stand upon thy feet, for I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee; delivering thee from the people; and from the Gentiles, unto whom now I send thee, to open their eyes, and to turn them from darkness to light; and from the power of satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Whereupon, O King Agrippa, I was not disobedient unto the heavenly vision. Amen! Hallelujah!*

I am glad you are all here this morning. I am desiring and I will not stop until we see atmosphere within the congregation – an atmosphere of expectation. We don't want to just preach sermons. We want you to be able to receive what that benefit is, that is spoken of. When it speaks of Salvation, we want people delivered and born again. We often talk about the young people, but there are many others in the church beside them. We want to see our children, and your children, we want to see them come into the knowledge of the faith in Jesus Christ. And you are sitting here this morning; some no doubt know in your heart you have not experienced that. You need to be not only born again but you need to be filled with the Holy Spirit.

And so I don't put the emphasis on what you have to do. I want you in your heart in this congregation to pray that the minister behind the pulpit will be so directed of God to create the atmosphere – in worship. I hear the prophet of God, often when he came to the end of the service, even though he wasn't the world's best singer, he would sing the songs and invite the people to believe.

And I'm telling you now, perhaps ahead of time, but I believe if we have those that are sick and afflicted from time to time - Friends, this Word is either true or untrue - and the truth of this Word is, that if we would pray and believe and speak the Word that will inspire faith, you **SHALL BE HEALED**. That is God's Word! And we want to see that happen. If we need to lay hands on the sick, if we need to have a prayer line, **we will do that** and see that people are delivered and healed.

We don't want to come to church and just become intellectually more aware of the message. We want to come to church to see this message **living** in the people. And that is what is very much on my heart. **I believe that is exactly what we should be seeing**. I want to take from these Scriptures.

I spoke on another message almost on the same title but I didn't even realise it until I was well into this service and I had intended on a completely different subject but God just kept indexing me over the last two or three weeks. And I want to speak on "the vision of the last commission" and how we need to be absorbed in that vision. And when I say –**absorbed**- that is to be **captivated**.

I tell you, a person who doesn't have a vision in the world, probably won't get very far. They might be quite aimless. One of the things we seek to do with our youth and children and young people, is to encourage them in a certain direction to get them focused and then it's one thing to get focused, but then it's even more difficult to stay focused because we tend to get distracted. When we are focused on something, we run into obstacles or we run into difficulties – then we tend to get distracted because we expect to get obstacles and hard times, But that doesn't mean we give up. You continue and pursue on and I can see in the Scripture which we also read and also concluded with, where the Apostle Paul said '*Whereupon I was not disobedient to the Heavenly vision*' – 30 years later he was still on his commission.

And I think of a couple of others quite briefly, just to start. I think of Abraham. He was literally commissioned when he was told, '*You will have a son*' – And his wife was barren and he was unable to give seed to his wife that would produce a son. But I will give you a son and this son is going to inherit this land. And that remained his vision and he was obsessed with it. And even many years later he said, I don't have a son to inherit these things. All I have is my servant, and You said You would give me a son. That remained the vision of his commission, because I believe he received as a commission, he was going to have this son.

I think of Moses and the Prophet how he came to the burning bush. The burning bush had what Moses lacked and I can say to this congregation and all who can hear my voice, the message, the revelation of Jesus Christ has what this generation lacks, and that is why God sent it. And we don't want to sit here and only have a church service. We want to be **absorbing** – to be **captivated** – **fixated** -, becoming absolutely **obsessed** with what this message came for.

And the objective of this message is to take a group of people beyond the power of darkness and death and to give us eternal life, as the objective of this message and I want to say in the face of EVERY demon of hell, "**that shall take place and we are part of that calling**, Amen. Mission Update April 2013

Dear Believers in JESUS, Warmest Christian greetings in the most precious, Wonderful and Matchless Name of our Savior Lord Jesus Christ!

Prophet said: I seen that eagle standing there, you know. And he was watching me. I thought, "Oh, he's scared of me." I said, "Hey, you know I could shoot you?" Flashed them big eyes, and looked at me. He wasn't scared of me, and I knowed he was scared of that little squirrel. So he just kept standing there, looking like that. I thought, "Well, what makes you so brave?" I can't understand it." I said, "God, I know you love bravery. You like men who will stand by their convictions. Stand there; when you know you're right, stay." And I said, "I know you love bravery. What makes that eagle so brave? I know he's brave. And why..."

E-95 I said, "You know I could shoot you?" Why, he knowed I didn't have a chance. My rifle was setting against a tree. I put my hand on my rifle like that. I seen him look over at me, set them big eyes. I thought, "Well, what's he so brave about him?" Then I happened to notice, he was moving his wings all the time. I see. God gave him two wings, and he knowed them wings about one big jump and a couple of flops he'd be out of my reach. He trusted them wings. He knowed them wings would carry him away from there. And as long as he could feel them wings there, he didn't care how much if I put my hand on my rifle, or how much that wood little old squirrel chattered at him there. He didn't care because God give him two wings and he trusted it.

E-96 I thought, "And that's true. No matter what the devil says, as long as I can feel the Holy Ghost around me, I don't care what they say." Hallelujah. God bless your heart. God give me the Holy Ghost to escape everything with even--even everything and then even death can't hurt you. Hallelujah. I'll fly away someday.

(THE.FAITH.THAT.WAS.ONCE.DELIVERED.TO.THE.SAINTS_ WEST.PALM.BEACH.FL SUNDAY_53-1129A)

It is a great privileged and thrilled to us that we are updating you what Our Lord Jesus is doing in Pakistan. We are very much thankful God for His visitation to Pakistan with the end time Message through the prophet William Branham.

In the first Sunday of April one sister came to our Church and heard the Word of God after service she came to me and told me. I am too much inspired by today's message and greatly blessed by the ministry of the Word. After few days Brother Iqbal visited her home and told her and her family about the way of salvation after talking to him, she said I want to baptize and want to become true daughter of God. So we baptized her in the name of Lord Jesus Christ next morning now she is the Message believer because she was catholic. She is very excited, happy and praising God for His wonderful grace. Glory to God

One young boy who is only 17 years old came to our church and attending services regularly since last 4 months. On one Friday meeting he came to our church and after the message he asked me how can I secure my life eternally? I told him accept to LORD JESUS CHRIST and follow the Mark 16:16 then he got the baptism in the name of Lord Jesus Christ.

Acts 05:41 And they departed from the presence of the council, rejoicing that they were counted worthy to suffer shame for His name”.

42 And daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ.

I received an invitation from few Pastors for the two days minister’s seminar; they were organizing on 12th and 13th April in Karachi. This seminar is only for the Pastors, bishops and ministers from across Karachi. In Karachi there is group they are from different denominations and call themselves Churches Union of Karachi (oneness and Trinitarian mixed). I requested to one of the pastor who invited me if they can allow us put a book stall during the seminar, he allowed to do so. I went to auditorium where they arranged the minister’s seminar, there were more than 400 denominational pastors, Evangelists, Bishops, and chairman of different groups get to gather for the seminar.

We put the books stall 10:00 am when seminar started. When pastors were coming to seminar they were looking the books and Brother Branham’s picture on the panaflex with the pillar of fire (We prepared this one especially for this purpose). After two hours some Trinitarian pastors came to our books stall and said shut your books stall this is heretical doctrine, stop giving these books to the people here. They dishonored us and they called some security guards and ordered them to throw these books outside and went away. Guards came to us and told us that we can’t throw these books outside because these are Christian books too, so please tell us where you want to put your books.

I appreciate their kindness and ask them to put at outside door, so they did so. While we are standing outside the building with books at door few Muslims passing through they asked for the books and we gave them. Same security guards came to Brother Patrus Yaqub and asked him for the books and during the seminar they were reading Prophet's book. Praise and glory to Lord JESUS Christ! Few sisters in the seminar they were reading our books also, one of the pastor who told us to shut the stall told them do not read these books , these are wrong books. We waited outside at gate for ending the seminar when seminar was finished our team distributed 500 plus books among the ministers and some non Christian as well. Hallelujah and praise the Lord that so many pastors got the books of Prophet Brother Branham. We were so much glad and thankful God for spreading the truths of the Word of God among ministers in Karachi. One Trinitarian pastor told Brother Iqbal Niamat that oh you are very much heady people. It is truly great honor and privilege for us that we are dishonored because of the truth. Jesus said in Mathew 5:11” Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. 12 Rejoice and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you. Thanks God the Word of God is fulfilling in our days. Jesus Christ is the same yesterday, today, and forever. It is first time in Pakistan that End time message books distributed openly with the boldness of the Holy Spirit. It is so much honor and privilege for us that we are part of this great and glorious ministry.

Hallelujah!

On the 20 April 2013 I went to one minister's seminar in Dastgeer area with my team (distribution team) by the grace of God we distributed three hundred books of Brother Branham among denominational ministers there and got their contact numbers for more books and other material of the Message of Hour.

Next day on 21st April 2013 we went to one new area called Tesar Town, we reached there after an hour and 20 minutes drive. There were more than 350 people get to gather in that seminar during the tea break people came to our books stall for getting the books by the grace of God in a very little time 260 books of our prophet were gone to the new people. Blessed be the name of our Lord! It is the time of end time message thanks God Who is giving us power and encouragement spreading the word of God with great zeal.

Report from Lahore City:

Pastor Akram and his team distributed more than 1000 books across Lahore city only by the grace of Lord JESUS Christ. They distributed book among believers, unbelievers and denominational ministers. He told me many people saw the first time message books in Lahore city he sent the books one Bible College's principal after receiving the books principal called to Pastor Akram and asked please send me more books for my students too. Thanks God it the great time of harvest. Pastor Akram told me one denominational pastor came to me with many questions after reading the books. I tried to give him answers from the books and told him please read again because all answers in these books of Brother Branham and by the grace of God after few meetings he fully satisfied and stood with the message of life. Now Pastor Nadeem is working with Pastor Akram and they are spreading the message of hour in Lahore city and surroundings. Pastor Akram and his team are very much thankful to Voice of God recording for Urdu books of Brother Branham and they are waiting for more Urdu material of the Message of the hour. Praise the Lord!

Report from Quetta City:

First time message books reached in Quetta city to Pastor Javed Barkat. He called me after receiving the books and he told you are first person who sends us message books in Quetta city since I accepted the Message 20 years ago. I will surely distribute these precious message books among the people and ministers here as soon as possible. I am looking forward to have great harvest for the kingdom of God in this last church age by His grace. Praise, glory and honor to Lord Jesus Christ.

We are very thankful and appreciative to our Lord JESUS Christ that He is opening many doors across Pakistan. Precious Believers we greatly appreciate your burden, love and tireless efforts for the kingdom of God. May Lord Jesus Christ richly and abundantly bless and reward each one of you for your labour in His vineyard. Thank you very much for your precious prayers and participation to spread the Message of the hour in this Islamic country of Pakistan. God is so merciful to us for His ministry in Pakistan; it is great privilege for us to be used for His honor and glory anyhow. May God richly bless you, your family, your fellowship and your precious ministry. Our sincere and faithful prayers are always with you and yours. Christian love and kind best regards to all the saints in Christ Jesus. Your brother in JESUS, Pastor Shamoon Yaqoob

Vision For Indonesia

I want to be fed as a Sheep □

Brother Tony A.

The Lord willing, through the course of the next few issues of BNL I would like to share some testimonies of an amazing work that is quietly underway in the fourth largest populated nation in the world □ Indonesia.

Formerly a Dutch Colony from the 1600s until independence in 1949, this archipelago of over 17,500 islands is home to an incredibly diverse culture. One will find a religious melee of Hinduism, Buddhism, Islam and various Christian denominations. As for the introduction of the Message, the roots of this date back to the late 1980s. One of the first to have carried the Message there was our gallant **Brother Reg Searle** of Gisborne, NZ.

By the scattering of those few "seeds" nearly 25 years ago, the truth of God's Word took root in earnest souls. All glory and credit of course belongs to our Lord and Savior, but we respect His works through sincere, dedicated men. His pioneers are certainly to be respected, but of the many today who are on the field preaching or reading the translated messages in various formats, one man's labours has blessed many □ that of our precious Brother Itok.

My first contact with **Brother Itok** was back in September of 2000. Just a young man in his twenties, he had "built" his own computer piece by piece from used parts he scrounged. From that humble little relic, I received his first email with these touching words;

□ I send you e-mail because I want to make communication with the believers in all the world and especially we can share and discuss concerning The Message of the Hour. That's my deeply desire in my heart. □

While on my way to India a few months later, I stopped in Jakarta and went to the village of Depok where he lived with his family. His father, Brother Pieter was Pastor of a little assembly that met in their home. That church was one of only two Message Churches existing at the time.

I arrived when **Brother Claude Poulter**, Pastor of Spoken Word Fellowship of Perth, Australia was also there for special meetings. Brother Claude has made and continues to visit the Believers there to minister the Word. The faithful efforts of Brother Claude and the saints in Perth have been integral to the growing work in Indonesia. Others too from around the world have supported the work. It has been a truly international effort with visiting ministry from Australia, NZ, USA, Canada the Philippines and even Europe.

Great efforts are being expended to evangelize and spread the Word of God. **Brother Itok** along with other brothers have been using a Radio Broadcast in various cities with great success. Brother Itok first started preaching on Radio in the city of Medan, where he is now Pastoring a church. Here is an abbreviated testimony of Brother Roi who came to the knowledge of the truth by hearing the radio broadcast.

Shalom □ My name is Brother Roi.

I was born in a Lutheran family that never went to church, except on special occasions. Yett as a boy, I loved to go to church. In my hunger for God, I would often listen to preaching

programs on the radio, regardless of who was preaching or what subject it was, I always made some notes. While in College, I loved to attend to the Ecumenical services. I was really trying to find a place so that I could serve The Lord.

Then one night late in December 2009, being restless in my small rented room, I turned on my radio and for the first time heard a Brother Itok preaching. His subject of: *“The Spirit of Elijah Coming 5 times”* really caught my attention. It was something that I had never heard before. As I heard this preaching, something out of myself was pushing me. I felt as though there was a voice in the message.

I listened to the entire program and then when finished, sent a message to the cellphone number that was given on the broadcast. My message was: *“I want to be fed as a sheep.”* It was through that contact that I came to know of the restored truths of the Word of God for these last days. Even though I was a shy boy at that time, The Great Shepherd led one of His lost sheep to the Truth. I received Christ as my Saviour and was baptized again in the Name of The Lord Jesus Christ shortly after that. Now I am a part of Brother Itok assembly in Medan. Praise His wonderful Name. God bless you, Your brother in Christ,

Brother Roi

This is just one of the testimonies from those reached by the Radio Broadcast ministry (*other testimonies to follow*). With such effectiveness and promise, Brother Itok's burden and desire was to expand this outreach ministry with other believers to other cities. He shared this burden and vision with believers throughout the nation saying; *“I have a great burden to see solid believing churches rise up in the 3 big cities of Jakarta, Surabaya, and Bandung”*

It was an incredibly bold statement of faith as the broadcast costs for the fledgling work were completely out of their reach. The first *“token”* or *“seed”* offering for the radio ministry in the city of Bandung came from a most unexpected source – a humble widow. Like the widow of Zarepath, there are still those whose meager offering the Lord blesses to support the Elijah Ministry! **Sister Mia**, who lived in this city, was not only a widow, but injured in an accident over 20 years ago, is also a paraplegic! (*Her testimony coming in the next BNL*)

The next outstanding miracle would be to even *find* radio airtime on Bandung's ONLY Christian radio station. **Brother Itok's brother, Iwan**, then made a personal visit to **Maestro 92.5 FM**. He spoke with staff explaining the purpose of his visit - he wanted airtime for a preacher from Medan. When the salesman returned from seeing his superiors, he too was shocked and eager to share the positive reply. Apparently, only a few hours before Brother Iwan arrived, one of Indonesia's leading Pentecostal ministers had just informed the radio station that after 16 continuous years of broadcast, they were suddenly stopping their program. God had sovereignly made space for the Voice of Truth to be heard for 50 minutes every Thursday, during the prime time of 7-8 pm! By faith, without even having all the money in hand, Brother Iwan signed the contract.

Another blessing is that **Maestro Broadcast** is also international via the internet at the following web page: <http://tunein.com/radio/Maestro-FM-925-s89873/> So not only will thousands of people be able to listen to the program locally in Bandung, but millions more throughout the islands of Indonesia in addition to all the Indonesian's living and working abroad.

By God's grace the first few months of broadcast have been paid for. We ask that you join with us in prayer and faith for the Lord to provide for at least another six months to a year and also for more opportunities to broadcast in other cities of Indonesia as well.

To arrange for this, just email your request to me at the address below or send me a letter.

Our desire is to make the message easily accessible to anyone wanting to listen to the audio sermons of the prophet.

All the audio sermons of brother Branham plus the entire bible will fit onto this one little iPod that you see displayed here, and with plenty of room to spare.

iPods are very simple to operate once the audio files have been loaded into them. So to make this part easy, we are offering to download the complete 1100 audio sermons of brother Branham as well as the complete audio bible onto your iPod for you, and apart from the cost of the postage there is no charge for this.

We will also include a very easy to follow instruction guide on how to operate your iPod and find and play any message or audio book that you desire.

MIDDLE EAST REPORT – MAY 2013

Greetings! To you all, in the name of our Lord Jesus Christ.

We've just come through a very busy time in April and May. After the last report of March, we traveled to Germany for special Easter meetings. I had the privilege of sharing Sunday services with Brother Dewayne Lawson from the USA, who was the main guest speaker for Brother Rodewald. Responding to other invitations for meetings in Holland and Belgium, we did not return home to Cyprus until after the 2nd week of April.

Greece: A week later I was in Athens for new outreach ministry. Brother George, a believer from Greece, accompanied me. The raw challenge of testifying and witnessing Christ and the restored Word on the streets in both Athens and Corinth was incredibly exhilarating. Speaking to new people about the Lord is one of my greatest honors in life. Those who we talked to that were open, received either *Jesus Christ The Same Yesterday Today and Forever* or the tract *Doctrine of the Nicolaitines* translated into Greek.

Though Paul faced much opposition in Athens and Corinth, the Holy Spirit bade him stay in Corinth; ***I have much people in this city.***¹ From those humble beginnings, God shook the nation of Greece! Unfortunately though, like the ruins seen here of ancient Corinth, so too are the vestiges of that first powerful visitation by Paul 2,000 years ago.

Besides Brother George and his family, there are no known Greek believers or churches in Greece. It's a tragedy to see how this once thriving church, succumbed to the dogma and creeds of man. Though Greece is considered a "Christian" nation, and one can find Greek Orthodox Churches in virtually every village, they are very much consumed with the "icon-idolatry". It is interesting to note that the word "Orthodox" is literally translated as "true". Consequently, for any Greek Orthodox member, all other teaching, doctrines or churches are considered apostate.

What few Evangelical churches there are, are staunchly trinitarian or very centrally controlled. The churches I had shared the truth in the past, have refused to receive us back. Challenging? Yes, yet we have persevered. While in Athens and Corinth, we stopped to speak with people on the street; to shopkeepers and pedestrians, anyone the Holy Spirit directed us to. And so now we wait upon the Lord for a response.

Something else that is taking place in Greece which I'd like to share with you, is that for the first time, the *Exposition of the Seven Church Ages* is being translated into Greek. Chapters one and two are now completed and are being proof-checked. Work too is soon to start on building a Greek language web site where those who know no English may find the Truth in their own language.

Israel: A few days after returning from ministry outreach in Greece we left for Israel to host our 2nd Israel/Jordan Tour. It was an honor to have believers from 10 different nations join us.

Inspired by the Word of God and how Brother Branham speaks of the Gentile Bride's unique position in bridging the changing dispensation from Gentile to Jew, I have approached the time spent in Israel with our Jewish counterparts as an important spiritual event. Though some days of leisure are included, the primary objective is that the One who embodies our mortal temples - prefigured in Joseph veiled from his Hebrew brothers, is once again walking through the land in His many membered Bride. We were especially privileged to have eleven Ministers on tour with us.

For this reason a special emphasis is placed on time spent in strategic places with those special ones who are earnestly seeking the redemption of Israel. I trust that even by some small measure, this goal was realized. Rabbi Richman of the Temple Institute², who personally accompanied us during three days of touring, shared with me how impressed he was with the spirituality and uniqueness of the Believers. As we consider this in the light of Ruth's heartfelt compassion and spiritual burden for Naomi, we look for our great Kinsman Redeemer to come on the scene to redeem both.

Syria: Each passing week of the two year civil war in Syria sees the death toll climb even more. Estimates of casualties vary between 70,610 and 94,000.³ Though impossible to visit, I do keep up frequent communications with the Christians there whom we have met and shared the Word of God with. Even a simple phone call is of great encouragement to those who are living in constant fear and dread.

Accordingly, the needs are great both inside Syria and among those who have fled and are living in refugee Camps in Turkey, Jordan and Lebanon. This past week saw the closing of Syria's border crossing with both Turkey⁴ and Jordan⁵. Please remember these ones in your prayers - and us too as we seek to fulfill our part in the final stages of redemption of these last days. There is yet much work yet to do and much spiritual land to possess. For this we not only covet your prayers and support, but sincerely thank those who have expressed their love by remembering us and standing with us.

~ OTHER PEOPLES FAULTS ~

Brother Dean Gilchrist

No doubt it is easier to discover other people's faults than our own. Many of us are troubled more about the way our neighbours live, than we are with our own shortcomings. We manifest a greater feeling of responsibility for the acts and neglect of others than for our own.

Now, the truth is, every man must bear his own burden. We shall not be called to answer at God's bar for the idle word, the sinful acts, and the neglects of duty of our neighbour. But there is one person for whose every act, word, disposition, and feeling we shall have to give an account, and that is our self. We had better train ourselves, therefore, to keep a close, minute, incessant, and conscientious watch over our own life. We had better give less attention to our neighbour's mistakes, foibles, and failures, and more to our own. Most of us would find little time for looking after other people's faults if we gave strict attention to our own. Besides, seeing and knowing our own defects would make us more charitable to those of others.
